On April 19, 2007 the Company borrowed the additional sum of \$700,000 from Citibank, N.A. under its existing revolving credit facility dated June 29, 2006. The additional borrowing resulted from Citibank's increase in the Company's borrowing base under the credit facility from \$2.6 million to \$3.3 million as a result of Citibank's periodic borrowing base review conducted under the terms of credit facility. With the additional borrowing, the Company currently has borrowed the full amount of the \$3.3 million borrowing base currently available to the Company under the revolving credit facility.
