**PROSPECTUS SUPPLEMENT DATED NOVEMBER 30, 2004**

**TO**

**PROSPECTUS DATED APRIL 2, 2004**

This prospectus supplement (the "Supplement") supplements our prospectus dated April 2, 2004 (the "Prospectus") relating to the sale by certain of our stockholders of up to an aggregate of 10,532,825 shares of our Common Stock. You should read this Supplement in conjunction with the Prospectus. This Supplement is qualified by reference to the Prospectus, except to the extent the information in this supplement Supersedes the information contained in the Prospectus.

This Supplement sets forth a list of the current selling stockholders and updates the number of common shares available to be resold by each selling stockholder under the Prospectus, as amended by the Supplement. This list has been updated since the filing of the Prospectus to: (i) delete one selling stockholder (Jane C. Barber) known to the Company to have sold all of her shares of Common Stock (744,881 shares) that were listed in the Prospectus, (ii) delete 1,600,000 shares of Common Stock that were underlying Series A Warrants that expired 90 days after the date of the Prospectus, (iii) correct and update certain information about the exercise prices and terms of certain warrants, and the conversion price of certain convertible notes; and (iv) reflect that certain warrants listed in the Prospectus for H.C. Wainwright & Co., Inc. and its designees have been reallocated among the recipients of such warrants, thereby adding one new selling stockholder. These revisions have reduced the aggregate number of shares of our Common Stock in the selling stockholder table from 10,532,825 shares to 8,187,944 shares. Capitalized terms not defined herein shall have the same meanings as set forth in the Prospectus.

**SELLING STOCKHOLDERS**

The following table sets forth, as of November 30, 2004, the name of each selling stockholder, the number of shares of Common Stock that each selling stockholder beneficially owns, the number of shares offered hereby, and the percentage of the class to be owned by the selling stockholders after completion of the offering. Except as otherwise disclosed below, neither the selling stockholders nor any of their affiliates has held any position or office or has had any material relationship with us in the last three years. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and includes voting or investment power with respect to shares. Shares of common stock issuable under warrants that are exercisable within 60 days of issuance and shares of common stock issuable upon conversion of the Series A Preferred Stock are deemed outstanding for purposes of computing the percentage ownership of the person holding the warrants or Series A Preferred Stock but are not deemed outstanding for purposes of computing the percentage ownership of any other person. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of common stock, except to the extent authority is shared by spouses under applicable law. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the person named below.
