Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

As previously reported by Performance Technologies, Incorporated (the "Registrant"), Michael P. Skarzynski resigned as president and chief executive officer of the Registrant on October 13, 2006. Mr. Skarzynski also resigned from the Board of Directors effective as of October 13, 2006. Mr. Skarzynski advised the Registrant that he was tendering his resignation from all positions he held with the Registrant, including his position as a director of the Registrant, for personal reasons and not because of any disagreement with the Registrant. The Board of Directors accepted Mr. Skarzynski's resignation from each of the aforementioned positions, effective as of October 13, 2006, and appointed John M. Slusser to serve as the interim president and chief executive officer of the Registrant until a permanent successor for Mr. Skarzynski can be hired.

Following Mr. Skarzynski's resignation, the Board of Directors and Mr. Skarzynski engaged in discussions regarding entry into a short-term consulting agreement by which Mr. Skarzynski would provide the Registrant with certain transition services for the purpose of facilitating the transfer of Mr. Skarzynski's former responsibilities as president and chief executive officer of the Registrant to the interim president and chief executive officer of the Registrant. As a result of those discussions, effective as of October 24, 2006, the Registrant and Mr. Skarzynski entered into a consulting agreement.

Pursuant to the terms of the consulting agreement, between its effective date and March 31, 2007, from time to time at the request of the Registrant, Mr. Skarzynski will provide the Registrant with certain transition services for the purpose of facilitating the transfer of Mr. Skarzynski's former responsibilities as president and chief executive officer of the Registrant to the interim president and chief executive officer of the Registrant. In exchange for such transition services, pursuant to the terms of the consulting agreement, the Registrant will make the following payments to Mr. Skarzynski: an initial payment of \$50,000, payable on or by November 1, 2006; an additional payment of \$40,000, payable on December 31, 2006; and a final payment of \$10,000, payable on March 31, 2006. The consulting agreement contains release and waiver provisions pursuant to which Mr. Skarzynski releases and waives any claims that he might have against the Registrant, as well as other provisions generally customary for an agreement of this type, including confidentiality, indemnification, non-disparagement and non-compete provisions.
