As previously reported, in December 2009, Tekelec commenced litigation against PT in the U.S. District Court for the Eastern District of North Carolina alleging that certain of PT's signaling products infringed certain of Tekelec's issued patents. As a result of ongoing discussions, PT and Tekelec have agreed to voluntarily dismiss all of their claims and defenses against each other, without prejudice. By Stipulation dated May 4, 2011, the litigation has now been dismissed without prejudice.
