PROXY STATEMENT FOR

2006 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 22, 2006

We are delivering these proxy materials to solicit proxies on behalf of the Board of Directors of Provectus Pharmaceuticals, Inc., for the annual meeting of stockholders to be held on Thursday, June 22, 2006, beginning at 3:00 p.m. Eastern time, at Riverview Tower, Suite 2200, 900 South Gay Street, Knoxville, Tennessee.

We are mailing this proxy statement, together with a form of proxy and our annual report on Form 10-KSB for the year ended December 31, 2005, beginning on May 1, 2006.

About the Annual Meeting

What is the purpose of the Annual Meeting?

At the annual meeting, stockholders will act upon the following matters:

- The election of four directors to serve on our Board of Directors for a one-year term.
- The approval of an increase in the number of shares reserved for issuance under our 2002 Stock Plan from 5,000,000 to 10,000,000.

Who is entitled to vote?

Only stockholders of record at the close of business on April 24, 2006, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the annual meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the annual meeting.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of the common stock outstanding on the record date will constitute a quorum. As of the record date, there were 36,772,838 outstanding shares of common stock. Shares held by stockholders present at the annual meeting who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the annual meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, the proxy holders named on the proxy card will vote your shares as you direct. If you are a registered stockholder and attend the annual meeting, you may deliver your completed proxy card or vote in person at the meeting. If you hold your shares in a brokerage account or in "street name" and you wish to vote at the annual meeting, you will need to obtain a proxy from the broker or other nominee who holds your shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary either a notice of revocation or a duly executed proxy card bearing a later date. If you are a “street name” stockholder, you must contact your broker or other nominee and follow its instructions if you wish to change your vote. The powers of the proxy holders will be suspended if you attend the annual meeting in person and so request, although your attendance at the annual meeting will not by itself revoke a previously granted proxy.

What are the Board’s recommendations?

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote your shares in accordance with the recommendations of the Board of Directors. The Board recommends a vote **FOR** election of each of the four candidates nominated to serve on our Board of Directors for a one-year term and **FOR** approval of the proposed amendment to our Amended and Restated 2002 Stock Plan to increase the number of shares reserved for issuance from 5,000,000 to 10,000,000.

If any other business is properly brought before the annual meeting, the proxies will vote your shares as the Board of Directors recommends. If the Board does not give a recommendation, the proxies will vote your shares as they may determine in their own discretion.

What vote is required to approve each item?*Election of Directors*

The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of directors. If you are present at the meeting and you abstain from voting for one or more directors, your shares will not be counted in the vote for any nominee, although they will be counted for the purpose of determining whether there is a quorum present. A properly executed proxy card marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated and will be treated as an abstention with respect to voting on the director or directors.

Approval of the Amendment to the Amended and Restated 2002 Stock Plan and Other Items

For approval of the amendment to the Amended and Restated 2002 Stock Plan and any other item of business that properly comes before the annual meeting, the affirmative vote of a majority of the votes cast at the annual meeting, in person or by proxy, and entitled to vote will be required for approval. The shares of any stockholder present at the meeting who abstains from voting on the proposal or on any other item will not be counted in the vote, although they will be counted for the purpose of determining whether there is a quorum at the annual meeting. An abstention, therefore, will have the effect of a negative vote. A properly executed proxy card marked "ABSTAIN" with respect to any such matter will not be voted and will be treated as an abstention with respect to that matter.

In general, if you hold shares of common stock in "street name" through a broker or other nominee, and if your broker or other nominee is not instructed or otherwise empowered to vote your shares at a meeting with respect to a particular matter, then your shares will constitute "broker non-votes" as to the matter. In the election of directors, brokers generally have discretion to vote your shares even in the absence of express instructions from you. As to all matters, a broker non-vote will have the same effect as an abstention.

Section 16(a) Beneficial Ownership Reporting Compliance

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from certain reporting persons, we believe that SEC beneficial ownership reporting requirements for 2005 were met.

Proposal 1: Election of Directors

The persons listed below have been nominated by the Board of Directors to serve as directors for a one-year term expiring at the annual meeting of stockholders occurring in 2007. Each nominee has consented to serve on the Board of Directors. If any nominee were to become unavailable to serve as a director, the Board of Directors may designate a substitute nominee. In that case, the persons named as proxies on the accompanying proxy card will vote for the substitute nominee designated by the Board of Directors.

H. Craig Dees, Ph.D., 54, has served as our Chief Executive Officer and as a member of our Board of Directors since we acquired Provectus Pharmaceuticals, Inc., a privately held Tennessee Corporation, on April 23, 2002. Before joining us, from 1997 to 2002 he served as senior member of the management team of Photogen Technologies, Inc., including serving as a member of the Board of Directors of Photogen from 1997 to 2000. Prior to joining Photogen, Dr. Dees served as a Group Leader at the Oak Ridge National Laboratory, and as a senior member of the management teams of LipoGen Inc., a medical diagnostic company which used genetic engineering technologies to manufacture and distribute diagnostic assay kits for auto-immune diseases, and TechAmerica Group Inc., now a part of Boehringer Ingelheim Vetmedica, Inc., the U.S. animal health subsidiary of Boehringer Ingelheim GmbH, an international chemical and pharmaceutical company headquartered in Germany. He earned a Ph.D. in Molecular Virology from the University of Wisconsin - Madison in 1984.

Timothy C. Scott, Ph.D., 48, has served as our President and as a member of our Board of Directors since we acquired PPI on April 23, 2002. Prior to joining us, Dr. Scott was as a senior member of the Photogen management team from 1997 to 2002, including serving as Photogen's Chief Operating Officer from 1999 to 2002, as a director of Photogen from 1997 to 2000, and as interim CEO for a period in 2000. Before joining Photogen, he served as senior management of Genase LLC, a developer of enzymes for fabric treatment, and held senior research and management positions at Oak Ridge National Laboratory. Dr. Scott earned a Ph.D. in Chemical Engineering from the University of Wisconsin - Madison in 1985.

Eric A. Wachter, Ph.D., 43, has served as our Vice President - Pharmaceuticals and as a member of our Board of Directors since we acquired PPI on April 23, 2002. Prior to joining us, from 1997 to 2002 he was a senior member of the management team of Photogen, including serving as Secretary and a director of Photogen since 1997 and as Vice President and Secretary and a director of Photogen since 1999. Prior to joining Photogen, Dr. Wachter served as a senior research staff member with Oak Ridge National Laboratory. He earned a Ph.D. in Chemistry from the University of Wisconsin - Madison in 1988.

Stuart Fuchs, 59, has served as a member of our Board of Directors since January 23, 2003. He is the co-founder and managing principal of Gryffindor since January 2000, a Chicago-based venture capital firm. Before joining Gryffindor, he was a founding stockholder of several biotech companies, including Angiogen LLC (since 1998), which develops combinations of drugs to stimulate *in vivo* production of factors that inhibit the growth of blood vessels in tumors, and Nace Pharma LLC (since 1996), which develops drugs that employ novel drug delivery technologies. Through Nace Resources Inc., a Delaware corporation providing strategic and financial advice to companies in the technology sector, Mr. Fuchs has formed or participated in groups of investors on behalf of several companies, including Miicro Inc., Celsion Corp. and Photogen. Before founding Nace Resources Inc., he served for 19 years as an investment banker with Goldman, Sachs & Co., where he co-managed the firm's public finance activities for the Midwest region. Before joining Goldman, Sachs & Co., Mr. Fuchs was a lawyer in private practice with Barrett Smith Schapiro & Simon in New York. Mr. Fuchs holds an A.B. degree from Harvard College and a J.D. from Harvard Law School and is a member of the Association of the Bar of the City of New York.

The Board of Directors recommends that the stockholders vote FOR each of the nominees for election to the Board of Directors named above.

Proposal 2:
Amendment to the Amended and Restated 2002 Stock Plan

The Board of Directors has approved an amendment to our Amended and Restated 2002 Stock Plan, subject to stockholder approval to increase the number of shares reserved for issuance under the Plan from 5,000,000 shares to 10,000,000. The Plan was approved by the stockholders at the annual meeting in 2003 and was amended at the annual meetings in both 2004 and 2005. The Plan provides for the grant of stock options, stock appreciation rights, rights to purchase restricted stock and long-term performance awards. Our employees, consultants and directors who are not employees whose present and potential contributions are important to our continued success are eligible to receive awards. The Plan is administered by the Board of Directors which has the power to authorize awards and determine their terms and conditions. The Plan will remain in effect until all awards under the Plan have been issued, expired or otherwise terminated or the Plan is terminated by the Board of Directors. However, no award may be granted more than ten years after the date of the Plan's approval (2013). Generally, a participant's awards issued under the Plan are not transferable except by will or by the laws of descent and distribution.

Our Board has determined that an increase in the reserve of shares is necessary, especially in light of the fact that as of April 24, 2006, no shares remain in the reserve. The Board believes that we must offer a competitive equity compensation program if we are to continue to successfully attract and retain the most qualified candidates as employees, directors and consultants. The Board expects that the Plan, as amended, will be an important factor in attracting and retaining the personnel essential to our success and in motivating these individuals to strive to enhance our growth and profitability. The opportunity to acquire an equity interest will align the economic interest of these individuals with those of other stockholders, thereby benefiting all of our stockholders. The Plan remains unchanged in all other respects.

The Board of Directors recommends that the stockholders vote FOR the adoption of this proposal.

Information about the Board of Directors

How often did the Board of Directors meet in 2005?

The Board of Directors met once and took action by unanimous written consent 19 times during 2005. Each Board member attended more than 75% of the total number of meetings of the Board and its committees on which he served. Members of the Board of Directors are encouraged to attend the annual meeting. All members of our Board attended the 2005 annual meeting of stockholders either in person or via telephone conference.

How does the Board of Directors operate?

Because the Board of Directors consists of only four members and our operations remain amenable to oversight by a limited number of directors, the Board has not delegated any of its functions to committees. None of the members of our Board of Directors is considered independent. The Board has not adopted either a nominating or audit committee charter.

The entire Board of Directors acts as our audit committee as permitted under Section 3(a)(58)(B) of the Securities Exchange Act of 1934 and as our nominating committee. The Board views its duties as an audit committee as follows:

- Review recommendations of independent registered public accountants concerning our accounting principles, internal controls and accounting procedures and practices;
 - Review the scope of the annual audit;
- Approve or disapprove each professional service or type of service other than standard auditing services to be provided by the registered public accountants; and
 - Review and discuss with the independent registered public accountants the audited financial statements.

The entire Board of Directors acts as our nominating committee. The Board has no set procedures or policy on the selection of nominees or evaluation of stockholder recommendations and will consider these issues on a case-by-case basis. The Board will consider stockholder recommendations for director nominees that are properly received in accordance with our bylaws and the applicable rules and regulations of the Securities and Exchange Commission. The Board screens all potential candidates in the same manner. The Board's review will typically be based on all information provided with respect to the potential candidate. The Board has not established specific minimum qualifications that must be met by a nominee for a position on the Board or specific qualities and skills for a director. For more information, please see the section entitled "Stockholder Proposals for 2007 Annual Meeting of Stockholders" below. Stockholders who wish to contact the members of the Board of Directors may do so by sending an e-mail addressed to them at info@pvct.com.

How are directors compensated?

Three of our four directors, Drs. Dees, Scott and Wachter, are also full-time employees. As discussed below under the heading "EXECUTIVE OFFICER COMPENSATION," they are compensated for their service in those roles. Other than the options described below, they are not separately compensated for their service as directors.

Mr. Fuchs does not receive cash compensation for his service as a member of the Board of Directors, although he is reimbursed for expenses incurred in fulfilling his duties as a director, including attending meetings.

On the date of each annual meeting of stockholders, each member of the Board receives options exercisable for shares of our common stock. This was 25,000 options in 2003, 2004 and 2005, and is 50,000 options in 2006.

If the executive's employment (1) is terminated by the company at any time for cause, (2) is terminated by executive prior to, and not coincident with, a change in control or (3) is terminated by executive's death, disability or retirement prior to a change in control, the executive (or his estate, as the case may be) shall be entitled to receive payments under the agreement through the last date of the month of such termination, a pro rata portion of any incentive or bonus payment earned prior to such termination, any benefits to which he is entitled under the terms and conditions of the pertinent plans in effect at termination and any reasonable expenses incurred during the performance of services under the agreement.

Report of the Board of Directors Acting as the audit committee

The Board of Directors serves as our audit committee. None of the members of the Board are independent. The Board acting as audit committee reviews our financial reporting process. In this context, the Board:

- has reviewed and discussed with management the audited financial statements for the year ended December 31, 2005.
- has discussed with BDO Seidman, LLP, our independent registered public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61, as modified or supplemented.
- has received the written disclosures and the letter from BDO Seidman, LLP, required by Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”), as modified or supplemented, and has discussed with BDO Seidman, LLP, the independent accountant’s independence.

Based on this review and the discussions referred to above, the Board determined that the audited financial statements be included in our Annual Report on Form 10-KSB for the year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Board also appointed BDO Seidman, LLP, as our independent registered public accountants for 2006.

This report is submitted on behalf of the members of the Board of Directors acting as the Audit Committee:

H. Craig Dees
Eric A. Wachter

Timothy C. Scott
Stuart Fuchs

The Report of the Board acting as the Audit Committee set out above shall not be deemed “soliciting material” or to be “filed” with the Securities and Exchange Commission, nor shall it be incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.

We do not currently have an "audit committee financial expert," as defined under the rules of the SEC. Because the Board consists of only four members and operations remain amenable to oversight by a limited number of directors, the Board has not delegated any of its functions to committees. The entire Board acts as our audit committee as permitted under Section 3(a)(58)(B) of the Securities Exchange Act of 1934. We believe that all members of our Board are qualified to serve as the committee and have the experience and knowledge to perform the duties required of the committee. We do not have any independent directors who would qualify as an audit committee financial expert, as defined. We believe that it has been, and may continue to be, impractical to recruit such a director unless and until we are significantly larger.

Audit Fees

The firm of BDO Seidman, LLP, served as our independent registered public accountants and audited our financial statements for 2005. We expect that representatives of BDO Seidman, LLP, will be present at the annual meeting. They will be given an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. The table below sets out the fees we paid to BDO Seidman, LLP, our independent registered public accountants for 2004 and 2005.

	2004	2005
Audit fees	\$98,300	\$104,900
Audit-related fees	--	--
Tax fees	--	--
All other fees	--	--
Total	\$98,300	\$104,900

It is the policy of the Board of Directors to pre-approve all audit and non-audit services provided by the Company's independent registered public accountants. The Board of Directors has considered whether the provision by BDO Seidman, LLP, of services of the varieties described above is compatible with maintaining the independence of BDO Seidman, LLP. In view of the fact that BDO Seidman, LLP, provides no services to us other than audit services, the Board of Directors believes that such services do not jeopardize the independence of BDO Seidman, LLP.

Certain Relationships and Related Transactions

Investment by Gryffindor

On November 26, 2002, Gryffindor purchased our \$1 million Convertible Secured Promissory Note dated November 26, 2002. This Note bears interest at 8% per annum, payable quarterly in arrears, and is due and payable in full on November 26, 2004. Subject to certain exceptions, the Note is convertible into shares of our common stock on or after November 26, 2003, at which time the principal amount of the Note is convertible into common stock at the rate of one share for each \$0.737 of principal so converted and any accrued but unpaid interest on the Note is convertible at the rate of one share for each \$0.55 of accrued but unpaid interest so converted. Our obligations under the Note are secured by a first priority security interest in all of our assets, including the capital stock of our wholly owned subsidiary Xantech. In addition, our obligations to Gryffindor are guaranteed by Xantech, and Xantech's guarantee is secured by a first priority security interest in all of Xantech's assets. Pursuant to our agreement with Gryffindor, we also issued to Gryffindor and to Stuart Fuchs, the managing principal of Gryffindor, Common Stock Purchase Warrants dated November 26, 2002, entitling Gryffindor and Mr. Fuchs to purchase, in the aggregate, up to 452,919 shares of common stock at a price of \$0.001 per share. Simultaneously with the completion of these transactions, Gryffindor and Mr. Fuchs exercised the warrants in their entirety, and we issued 226,460 shares of our common stock to Gryffindor and 226,459 shares to Mr. Fuchs. On January 23, 2003, as required by our agreement with Gryffindor, Mr. Fuchs became one of our directors. We believe that the terms of these transactions were obtained by arms-length bargaining prior to the time Mr. Fuchs became one of our directors.

Pursuant to an agreement dated November 26, 2004 between us and Gryffindor, we issued Gryffindor a Second Amended and Restated Senior Secured Convertible Note dated November 26, 2004 in the amended principal amount of \$1,185,959 which included the original note principal plus accrued interest. The second amended note bears interest at 8% per annum, payable quarterly in arrears, is due and payable in full on November 26, 2005, and amends and restates the amended note in its entirety. Subject to certain exceptions, the Note is convertible into shares of our common stock on or after November 26, 2004, at which time the principal amount of the Note is convertible into common stock at the rate of one share for each \$0.737 of principal so converted and any accrued but unpaid interest on the Note is convertible at the rate of one share for each \$0.55 of accrued but unpaid interest so converted. We issued warrants to Gryffindor to purchase up to 525,000 shares of our common stock at an exercise price of \$1.00 per share in satisfaction of issuing Gryffindor the Second Amended and Restated Senior Secured Convertible Note dated November 26, 2004. We issued 175,000 warrants each month from March 2005 to November 2005 resulting in total warrants of 1,575,000 to Gryffindor pursuant to the terms of the Second Amended and Restated Note dated November 26, 2004. On November 26, 2005 We entered into a redemption agreement with Gryffindor to pay \$1,185,959 of the Gryffindor convertible debt and accrued interest of \$94,877.

Loan from Stockholder

During 2002, Eric A. Wachter, Ph.D., who is also an employee and member of our board of directors loaned us \$109,000. During 2003, Dr. Wachter loaned us an additional \$40,000. During 2005, Dr. Wachter loaned us an additional \$25,000. Interest on the loan is 5%, compounded monthly. Principal is due on December 31, 2009 and interest is payable quarterly in arrears beginning on June 30, 2003. Accrued interest was \$-0- and \$15,434 at December 31, 2005 and 2004, respectively. Interest expense was \$16,525 and \$8,003 at December 31, 2005 and 2004, respectively. In December 2005, we approved a request from Dr. Wachter to exchange the total loan amount of \$174,000 plus accrued interest of \$24,529 for 264,705 shares of common stock at \$0.75 per share which are committed to be issued at December 31, 2005 and were issued on January 3, 2006. In connection with this transaction, which was based on the same terms as the private placement conducted at the same time, we also issued warrants to Dr. Wachter to purchase up to 330,881 shares of common stock at an exercise price of \$0.935 per share.
