OTHER INFORMATION

In accordance with Dutch law, our external auditor is appointed by our general meeting of stockholders on the proposal of the Supervisory Board, after the Supervisory Board has been advised by the Audit Committee. Further, under the Dutch Audit Profession Act we are required to rotate our external audit firm at least every eight years, which would require us to change our external auditor in 2016. At a meeting held on May 5, 2015, the audit committee advised the Supervisory Board to recommend that our stockholders approve KPMG Accountants N.V. as its independent registered public accounting firm for the fiscal year ending December 31, 2015. It is currently the Supervisory Board's intention to make such recommendation at the June 23, 2015 annual general meeting of stockholders.

At a meeting held on May 5, 2015, the Supervisory Board approved the dismissal of Ernst & Young GmbH Wirtschaftsprüfungsgesellschaft and all EY member firms ("EY") as independent registered public accounting firm of the Company effective May 5, 2015. The audit committee approved the change in independent registered public accounting firms on May 5, 2015, subject to approval of the shareholders.

The reports of EY on the Company's consolidated financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's financial statements for each of the two fiscal years ended December 31, 2014 and 2013, and the subsequent interim period through May 5, 2015 there were no disagreements with EY on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of EY, would have caused EY to make reference to the matter in their report.

On May 6, 2015, the Company provided EY with a copy of the disclosures it is making on this Report on Form 6-K, and requested that E&Y furnish it with a letter addressed to the SEC stating whether it agrees with the above statements. A copy of the letter from EY dated May 6, 2015, is filed as Exhibit 99.1 to this Report on Form 6-K.
