Item 2. Acquisition or Disposition of Assets

On December 6, 2002, Buyers United, Inc. entered into the Asset Purchase Agreement and Software License Agreement to purchase assets of I-Link, Inc., and its subsidiary, I-Link Communications, Inc., and license in perpetuity software developed by I-Link for the operation of a real-time Internet protocol communications network (RTIP Network). The transaction was closed effective May 1, 2003.

The assets acquired include dedicated equipment required for operating the RTIP Network, customers of I-Link serviced through the network, and certain trademarks. In consideration for the assets and software license, Buyers United issued to I-Link 246,430 shares of Series B Convertible Preferred Stock, assumed certain liabilities, and agreed to issue an additional 53,570 shares of Series B Convertible Preferred Stock in equal monthly installments over a term of 10 months commencing June 1, 2003, subject to satisfaction of certain conditions pertaining to provisioning of one of the former I-Link customers acquired in the transaction.

Edgar Filing: BUYERS UNITED INC - Form 8-K

Assuming the additional 53,570 shares are issued to I-Link, Buyers United will have 853,800 shares of Series B Convertible Preferred Stock outstanding. The Series B Preferred Stock is senior to the common stock with respect to payment of dividends and distributions in liquidation. Holders of the Series B Preferred Stock are entitled to receive dividends payable semi-annually equal to 8 percent of the liquidation preference value of the Series B Preferred Stock, which is \$10.00 per share. No dividends or distributions may be made with respect to the common stock unless all dividend payments on the Series B Preferred Stock are current. Each share of Series B Preferred Stock is convertible at the election of the holder to five shares of common stock, subject to adjustment in certain circumstances to prevent dilution of the equity interest of the holders of the Series B Preferred Stock. Buyers United may convert the Series B Preferred Stock to common stock when the market price of Buyers United common stock is \$4.00 or more during 30 consecutive trading days. The Series B Preferred Stock does not have voting rights. Under the Asset Purchase Agreement Buyers United may redeem the Series B Preferred Stock issued to I-link at the liquidation preference value after December 5, 2007. Assuming all of the shares of Series B Preferred Stock are issued to I-Link and converted to common stock, I-Link would hold approximately 12.11 percent of the outstanding common stock of Buyers, without giving effect to the exercise of conversion or purchase rights under any other outstanding shares of preferred stock, options, or warrants.

In connection with the closing, the parties together with Counsel Corporation, an Ontario corporation, and Counsel Communications LLC, a Delaware limited liability company, both affiliates of I-Link, entered into a Reimbursement Agreement pursuant to which Counsel Corporation, Counsel Communications, and I-Link agreed to reimburse Buyers United for any loss sustained as a result of any claims asserted against the assets acquired from I-Link by certain creditors of I-Link, and out of the shares it received in the transaction I-Link deposited in escrow 40,000 shares of Series B Preferred Stock that may be applied to reimburse any such loss. This is in addition to 25,000 shares of Series B Preferred Stock I-Link received in the transaction that it deposited in escrow under the Asset Purchase Agreement to satisfy any claims for indemnification under the Asset Purchase Agreement.
