FORWARD LOOKING STATEMENTS

This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate", "believe", "estimate", "expect", "future", "intend", "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

ITEM 5. Other Events and Regulation FD Disclosure.

## Edgar Filing: AETHLON MEDICAL INC - Form 8-K

Aethlon Medical, Inc. (the "Company") has completed a \$673,000 private placement of common stock with accredited investors, including Fusion Capital Fund II, LLC, a Chicago based institutional investor. Aethlon entered into a common stock purchase agreement with Fusion Capital, whereby Fusion Capital has committed to buy an additional \$6.0 million of Aethlon's common stock. The funds from both of these transactions will be utilized to accelerate the development and commercialization of Aethlon's treatment countermeasures against Biological Weapons, HIV/AIDS, and Hepatitis-C.

Under terms of the \$6.0 million transaction with Fusion Capital, Fusion has agreed to purchase from the Company up to \$6.0 million of Aethlon's common stock over a 30-month period. Specifically, after the Securities & Exchange Commission has declared effective a registration statement, each month Aethlon has the right to sell to Fusion Capital \$200,000 of its common stock at a purchase price based upon the market price of Aethlon's common stock on the date of each sale without any fixed discount to the market price. At Aethlon's sole option, Fusion Capital can be required to purchase lesser or greater amounts of common stock each month up to \$6.0 million in the aggregate. The Company has the right to control the timing and the amount of stock sold to Fusion Capital. Aethlon also has the right to terminate the agreement at any time without any additional cost. Fusion Capital has agreed not to engage in any direct or indirect short selling or hedging of the common stock in any manner whatsoever.

This announcement is not an offer to sell securities of Aethlon Medical, Inc. and any opportunity to participate in the private placement was available to a very limited group of accredited investors.
