Item 2.02 - Results of Operations and Financial Condition

On September 8, 2005, Lantronix, Inc. (the "Company") issued a press release announcing its financial results for the quarter and fiscal year ended June 30, 2005. The full text of this press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein. On September 8, 2005, the Company held a conference call announcing its financial results for the quarter and fiscal year ended June 30, 2005. A copy of the transcript of the conference call is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated by reference herein.

Subsequent to the September 8, 2005 announcement of the Company's preliminary fourth quarter and full fiscal year results for 2005, the Company has made certain adjustments to its announced results. During the fourth fiscal quarter, adjustments were identified which pertained to the Company's unaudited first, second and third fiscal 2005 quarters. The unaudited quarterly financial information for those fiscal 2005 quarters has been restated to reflect adjustments to net loss from continuing operations and net loss, and to properly (i) accrue professional fees and other accrued liabilities by reducing selling, general and administrative expenses as originally reported in the Company's first, second and third fiscal quarter 2005 consolidated financial statements by \$106,000, \$107,000 and \$116,000, respectively, and (ii) account for a stock option grant by reducing stock-based compensation expense as originally reported in the Company's first, second and third fiscal 2005 quarters consolidated financial statements by \$118,000, \$10,000 and \$30,000, respectively. The effect of these and other adjustments modifies the results which were announced in the Company's September 8, 2005, press release and discussed in the September 8, 2005, conference call for the fourth fiscal quarter from a net loss of \$15,000 to a net loss of \$549,000 and for the full 2005 fiscal year from a new loss of \$6.957 million to a net loss of \$7.004 million.

As a result of the restatement described above, the information included in the press release attached hereto as Exhibit 99.1 and the transcript attached hereto as Exhibit 99.2 should not be relied upon and we direct your attention to our Annual Report on Form 10-K, filed on September 28, 2005, including Item 9 and Note 16 to the financial statements contained therein.

In accordance with General Instruction B.2. of Form 8-K, the information in this Current Report on Form 8-K and the Exhibits attached hereto is being "furnished" and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, except if the Company specifically states that the information and the Exhibit is to be considered "filed" under the Exchange Act or incorporates it by reference into a filing under the Securities Act or the Exchange Act.
