Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On July 17, 2006, ePlus, inc. (the “Company”) notified The Nasdaq Global Market (formerly named The Nasdaq National Market) that it had not timely filed its Annual Report on Form 10-K for the fiscal year ended March 31, 2006 with the Securities and Exchange Commission (“SEC”), and therefore, the Company was not in compliance with Nasdaq’s filing requirement as set forth in Nasdaq Marketplace Rule 4310(c)(14). Nasdaq requires, among other things, that the Company timely file all required reports with the SEC. Consequently, on July 18, 2006, the Company received a staff determination letter from the staff of Nasdaq indicating that, as a result of not having timely filed the Annual Report on Form 10-K for the fiscal year ended March 31, 2006 as required, the Company’s common stock will be delisted from the Nasdaq Global Market at the opening of business on July 27, 2006, unless the Company requests a hearing in accordance with the Nasdaq Marketplace Rule 4800 series.

The Company intends to appeal the staff’s determination by requesting a hearing before a Nasdaq Listing Qualifications Panel (the “Panel”). Under Nasdaq’s rules, a timely hearing request automatically stays the delisting of the Company’s securities pending the Panel’s decision. There can be no assurance that the Panel will grant the Company’s request for continued listing.

As previously disclosed, the Company’s delay in filing its Form 10-K is due to its compilation of the effect of restating its statement of cash flows, and an Audit Committee review of certain stock options that were granted to the Company’s four senior managers and reported in a Form 8-K filed by the Company on February 10, 2005. The Chief Executive Officer received a letter dated June 20, 2006 from a stockholder raising concerns regarding these stock option grants. The Chief Executive Officer forwarded the letter to the Chairman of the Company’s Audit Committee and it commenced an investigation and retained independent legal counsel to assist it. In connection with its review of the stock options reported in the Form 8-K filed on February 10, 2005, the Audit Committee has decided to review additional stock option grants by the Company since its initial public offering in 1996. The Audit Committee’s investigation has not been concluded as of the date of this report.

A copy of the Company’s press release issued on July 21, 2006, relating to the foregoing, is filed as Exhibit 99.1 hereto and incorporated herein by reference.
