SKREEM ENTERTAINMENT CORPORATION  
(A DEVELOPMENT STAGE COMPANY)  
NOTES TO UNAUDITED CONSOLIDATED CONDENSED FINANCIAL STATEMENTS

Note 1 - BASIS OF PRESENTATION

The accompanying unaudited consolidated condensed financial statements of Skreem Entertainment Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10QSB and Item 310(b) of Regulation S-B. They do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, considered necessary for a fair presentation, have been included in the accompanying unaudited consolidated financial statements. Operating results for the periods presented are not necessarily indicative of the results that may be expected for the full year.

These unaudited consolidated financial statements should be read in conjunction with the consolidated financial statements and footnotes, which are included as part of consolidated financial statements as of March 31, 2006 included in the Company's Form 10KSB.

Note 2 - ACCOUNTING POLICY FOR REVENUE RECOGNITION

Revenue is recognized in accordance with Staff Accounting Bulletin No. 104 (SAB 104) when persuasive evidence of an arrangement exists, the price to the buyer is fixed or determinable; delivery has occurred or services have been rendered or the license period has begun; and collect ability is reasonably assured.

Revenue from the distribution of recordings under license and distribution agreements is recognized as earned under the criteria established by Statement of Financial Accounting Standard No 50. Revenue is generally recognized when the Company receives an "accounting" of recordings sold with payment from the licensee. In the event the Company has not received an "accounting" from the licensee and if the Company has information related to the licensed use of recordings that would result in the revenue being fixed and determinable, and collection is reasonably assured, then revenue is recognized in the periods in which the license revenue is earned. Minimum guarantees (advances) received from licensees are recorded as deferred revenue and are amortized over the performance period, which is generally the period covered by the agreement.

Note 3 - NOTES PAYABLE

SKREEM ENTERTAINMENT CORPORATION  
(A DEVELOPMENT STAGE COMPANY)  
NOTES TO UNAUDITED CONSOLIDATED CONDENSED FINANCIAL STATEMENTS

### Note 4 - GOING CONCERN

The accompanying consolidated condensed financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company sustained losses of \$ 287,705 for the quarter ended June 30, 2006. The Company had an accumulated deficit of \$5,393,367 at June 30, 2006. These factors raise substantial doubt about the ability of the Company to continue as a going concern for a reasonable period of time. The Company is highly dependent on its ability to continue to obtain investment capital and loans from a major shareholder and an affiliate in order to fund the current and planned operating levels. The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern. The Company's continuation as a going concern is dependent upon its ability to continue receiving investment capital from a shareholder and an affiliate and obtaining loans to complete promotion of the Company's artists, continue production of music and achieve a level of success that will enable it to sustain its operations. No assurance can be given that the Company will be successful in these efforts.

### Note 5 - PRODUCTION AGREEMENT

On June 13, 2006, the Company entered into an agreement with 1171 Productions (1171) for the purpose of creating interest in and securing meeting opportunities of the "Star Maker" reality series. The Company shall pay a commission of 5% of the net profits of the "Star Maker" series worldwide. In addition, the Company agrees to use 1171 in the production of the series. The Company has not recorded any transactions related to this agreement.

### Note 6 - LICENSE AGREEMENT

During the quarter ended June 30, 2006, the Company entered into a 5 year License Agreement with Zero Degrees Entertainment (Zero). The agreement grants

## Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB

Zero certain exclusive rights to distribute and sell recordings of the artist "3rd Wish" in France. The Company shall receive royalties of 17% to 20% calculated on 100% net sales.

### Note 7 - ADVERTISING AND PROMOTIONAL SERVICE AGREEMENT

On May 24, 2006, the Company entered into a one-year agreement with Hobson, Bowerstock, & Associates, LLC (HLB) in which HLB will prepare and implement a promotional campaign for the Company. In accordance with the agreement, the Company shall pay HLB 500,000 shares of restricted 144 common stock and 500,000 shares of free trading common stock of the Company. During the quarter ended June 30, 2006, the Company issued 250,000 shares of common stock and recorded advertising expense of \$250,000.

### Note 8 - RELATED PARTY REVENUE

During the quarter ended June 30, 2006, there were unsold recordings returned to the Company by Cheyenne Records. Am-Pac Investment (Am-Pac) purchased these remaining recordings and the Company recorded this sale as related party revenue. Am-Pac is owned by Jeffery Martin, a major shareholder of the Company.

### Note 9 - SUBSEQUENT EVENT

On July 1, 2006, the Company entered into a 2 year Strategic Research and Analysis Agreement with Sterling LLC ("Sterling"). The Company retains Sterling to do research, market review and strategic analysis for the Company and to provide review and planning services. The Company agrees to compensate Sterling 3,000 free trading shares per month for year one and 5,000 free trading shares per month for year two, and additional incentives as described in the agreement.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

### Plan of Operation

The Company plans to continue operations by developing current acts into successful music performing and recording acts. The Company currently is actively promoting three acts, "3rd Wish", "Pat Moe" and "Willie Will". These three acts will tour, perform, make public appearances, and continue to record as opportunities are located. The Company is uncertain as to when these acts may enter the U.S. market. As of June 30, 2006, none of the Company's acts has received gold records for album sales.

The Company's cash balance is insufficient to satisfy the Company's cash requirements for the next 12 months. The Company believes it can satisfy its cash requirements for 6 months with current cash and receivables. The Company is dependent on continued receipt of revenues and will need outside funding from the sale of shares or debt financing in order to continue operations beyond that.

The Company does not anticipate acquiring any significant equipment during the next twelve months.

The Company does not anticipate any significant changes in the number of employees in the next twelve months. The Company has two full time employees.

The Company has entered into various license agreements that grant certain exclusive rights to sell and distribute certain recordings by "3rd Wish". Approximately 42% of the Company's revenue for the quarter ended June 30, 2006 came from the Cheyenne Records agreement. During the quarter ended June 30, 2006, there were unsold recordings returned to the Company by Cheyenne Records. A related party purchased these remaining recordings which represent approximately 55% of the total revenue. The remaining contracts represent, individually, less than 1% of revenue. The table below sets forth the parties, material terms, and territories covered by these license agreements:

Party (Licensee)	Territories
Cheyenne Records	Germany, Switzerland and Austria

Our agreement with Cheyenne Records provide that Cheyenne will market and sell 3rd Wish's recordings for a period of 5 years beginning in March 2004. Three 8 Music Limited	UK, Eire
-----------------------	----------

Our agreement with Three 8 provides that they will receive royalties from 3rd Wish's first three singles released. Royalties are 19% on record sales and 50% on third party licensing. The term of the contract is 15 years from October 2004.

Shock Records Pty Ltd	Australia, New Zealand
-----------------------	------------------------

Vidisco

Portugal

Zero Degrees

France

The Company plans to officially launch its new online video site Skreem.TV on September 1st. It will provide music videos of top artists, unsigned artists, and custom programming produced by the Company. Revenues will be generated by advertising, pay to play videos, as well as music and video downloads.

Revenue is recognized in accordance with Staff Accounting Bulletin No. 104 (SAB 104) when persuasive evidence of an arrangement exists, the price to the buyer is fixed or determinable; delivery had occurred or services have been rendered or the license period has begun; and collect ability is reasonably assured.

Revenue from the distribution of recordings under license and distribution agreements is recognized as earned under the criteria established by Statement of Financial Accounting Standard No. 50. Revenue is generally recognized when the Company receives an "accounting" of recordings sold with payment from the licensee. In the event the Company has not received an "accounting" from the licensee and if the Company has information related to the licensed use of recordings that would result in the revenue being fixed and determinable, and collection is reasonably assured, then revenue is recognized in the periods in which the license revenue is earned. Minimum guarantees (advances) received from licensees are recorded as deferred revenue and are amortized over the performance period, which is generally the period covered by the agreement.

Results of Operations for the Three Months Ended June 30, 2006 as Compared to the Three Months Ended June 30, 2005

Revenues - The Company recorded revenue of \$66,695 and \$22,759 for the three months ended June 30, 2006 and June 30, 2005, respectively. The revenue consists of earnings from Licensing agreements to distribute 3rd Wish's music and sales of recordings to a related party.

Operating expenses - Operating expenses for the three months ended June 30, 2006 were \$323,105, a decrease of \$39,718 or 11% from \$362,823 for the corresponding period ended June 30, 2005. The decrease is primarily due to less tour expenses and a decrease in travel and support for artists in Germany.

General and Administrative Expenses - General and administrative expenses increased by \$43,186 or 40.68% to \$149,352 for the three months ended June 30, 2006 from \$106,166 for the corresponding period ended June 30, 2005. This increase is primarily attributable to an increase in salaries, delivery expense, and other general and administrative expenses offset by a decrease in professional fees.

Interest Expense - Interest expense decreased by \$8,731 or 23.9% to \$27,776 for

## Edgar Filing: SKREEM ENTERTAINMENT CORP - Form 10QSB

the three months ended June 30, 2006 from \$36,507 for the corresponding period of the prior year. This decrease is attributable to having less debt outstanding during the three months ended June 30, 2006.

### Liquidity and Capital Resources

As of June 30, 2006, the Company had cash of \$7,475 and a deficit in working capital of \$2,010,597. This compares with cash of \$62,383 and a deficit in working capital of \$1,852,361 as of March 31, 2006.

Cash used in operations decreased by \$97,245 to \$139,230 for the three months ended June 30, 2006 from \$236,475 for the corresponding period of the prior year.

Cash provided by financing activities for the three months ended June 30, 2006 was \$84,695 from the issuance of promissory notes and common stocks. This compares with \$199,000 of cash being provided from financing activities during the three months ended June 30, 2005, all from the issuance of promissory notes.

Historically, the Company has been funded by the sale of its shares and loans from its Shareholders. However, the Company's continuation as a going concern is dependent upon its ability to continue receiving investment capital and obtaining loans to complete promotion of the Company's artists, continue production of music and achieve a level of success that will enable it to sustain its operations. No assurance can be given that the Company will be successful in these efforts.

### ITEM 3. CONTROLS AND PROCEDURES

As of the end of the period covered by this report, we have evaluated the effectiveness of the design and operation of our disclosure controls and procedures under the supervision of and with the participation of our Chief Executive Officer ("CEO") and our Chief Financial Officer ("CFO"). Based on this evaluation, our management, including our CFO and CEO, concluded that our disclosure controls and procedures were effective, and that there have been no significant changes in our internal controls or in other factors that could significantly affect internal controls subsequent to the evaluation.
