-

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 2, 2008, *infoGROUP Inc.* (the Company) received a letter from the NASDAQ Stock Market (the NASDAQ) stating that the Company has regained compliance with the continued listing standards of the NASDAQ and that the Company's common stock will continue to be listed on the NASDAQ Global Select Market. The letter also indicated, however, that the Listing Qualifications Panel has determined to issue a public reprimand to the Company.

As disclosed previously, the Company was unable to timely file its annual report on Form 10-K for the year ended December 31, 2007 (the 2007 Form 10-K) and its quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2008 (the First Quarter 2008 Form 10-Q) due to the time required to complete the internal investigation conducted by the Special Litigation Committee of the Company's Board of Directors (the Special Litigation Committee). The Special Litigation Committee was formed in response to the consolidated complaint *In re infoUSA, Inc. Shareholders Litigation*, Consol. Civil Action No. 1956-CC (Del. Ch.), and in response to an informal investigation of the Company by the Securities and Exchange Commission (the SEC) and the related SEC request for the voluntary production of documents concerning related party transactions, expense reimbursement, other corporate expenditures and certain trading in the Company's securities. As a result of the delayed filings, the NASDAQ staff notified the Company that it was in violation of NASDAQ Marketplace Rule 4310(c)(14) (the Rule), which requires that copies of all reports and other documents required to be filed with the SEC also be filed with NASDAQ on the day they are due.

The Special Litigation Committee concluded its investigation and announced remedial measures, which were disclosed in the Company's Current Report on Form 8-K filed with the SEC on July 23, 2008, the 2007 Form 10-K and in subsequent SEC filings. On August 8, 2008, the Company filed its 2007 Form 10-K and the First Quarter 2008 Form 10-Q. On August 21, 2008, the Company filed its Form 10-Q for the quarter ended June 30, 2008 (the Second Quarter 2008 Form 10-Q).

In reaching the determination to continue the listing of the Company's common stock, the NASDAQ staff stated that filing the 2007 Form 10-K, the First Quarter 2008 Form 10-Q and the Second Quarter 2008 Form 10-Q remedied the violation of the Rule and that the remedial measures announced by the Special Litigation Committee brought the Company back into compliance with the continued listing standards of the NASDAQ. The NASDAQ letter also noted that a public reprimand was warranted due to the lack of appropriate market disclosure with respect to transactions between the Company and Mr. Vinod Gupta, its former chief executive officer, lack of oversight with respect to such transactions and a general lack of controls that allowed these issues to occur.

On September 5, 2008, the Company issued a press release in accordance with NASDAQ Marketplace Rule 4811(f). A copy of the Company's press release is filed herewith as Exhibit 99.1 and is incorporated herein by reference in its entirety.
