As previously disclosed on March 15, 2011, Carrizo Oil & Gas, Inc. (the "Company") has responded to comments from the staff of the Commission regarding the basis for including cash distributions on the Company's B Unit investment in ACP II Marcellus, LLC, its initial joint venture partner in the Marcellus Shale, in net income in the Company's results for the third quarter of 2010. This same issue also arises in connection with similar distributions received by the Company in the fourth quarter of 2010. Because the Company's response is currently under review by the staff of the Commission, the Company's financial results for the year ended December 31, 2010 are preliminary. As a result, the Company has not been able to finalize the financial results to be included in the Company's Form 10-K for the year ended December 31, 2010.
