Notes to Financial Statements

June 30, 2003 and 2002

(Unaudited)

Note 1 - Financial Statements

The accompanying consolidated financial statements included herein have been prepared by Westsphere Asset Corporation, Inc. (the "Company") without audit, pursuant to the rules and regulations of the Securities and Exchange Commission for reporting on Form 10-QSB. Certain information and footnote disclosure normally included in the financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted as allowed by such rules and regulations, and Westsphere Asset Corporation, Inc. believes that the disclosures are adequate to make the information presented not misleading. It is suggested that these financial statements be read in conjunction with the December 31, 2002 audited financial statements and the accompanying notes thereto contained in the Annual Report on Form 10-KSB filed with the Securities and Exchange Commission. While management believes the procedures followed in preparing these financial statements are reasonable, the accuracy of the amounts are in some respects dependent upon the facts that will exist, and procedures that will be accomplished by Westsphere Asset Corporation, Inc. later in the year. The results of operations for the interim periods are not necessarily indicative of the results of operations for the full year. In management's opinion all adjustments necessary for a fair presentation of the Company's financial statements are reflected in the interim periods included.

Note 2 - Common Stock

During the six months ended June 30, 2003, the Company issued an additional 996,500 shares of its common stock at an average price of \$0.035 for settlement of accrued interest and salaries.

Note 3 - Settlement of debt

During the six months ended June 30, 2003, the Company settled debt in the amount of \$50,965 by exchanging a 5% interest in Trac POS Processing, Inc. This reduced the Company's holding in Trac POS Processing, Inc. to 31% of the outstanding shares of Trac POS Processing, Inc.

Note 4 - Bank loan

During May 2003, the Company's subsidiary, Westsphere Financial Group, Ltd. borrowed CAD\$250,000 (US\$185,000) from a bank. The loan bears interest at the bank's prime rate plus 2% (currently 6.75%). The loan is secured by the assets of the subsidiary, and is also guaranteed by the Company's subsidiary Vencash Capital Corporation and Douglas N. Mac Donald, President/CEO.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION.

During the three (3) month period of operations ended June 30, 2003, Westsphere and its subsidiaries generated net income of \$32,142, while income from operations of \$13,805 were realized for the same period from the previous year. The total revenue earned during the second quarter of year 2003 increased by approximately \$32,376 to \$705,955 from total revenue earned during the same period from the previous year of \$673,579. This increased revenue was primarily due to an increase in residual and interchange income. Westsphere's gross margin has increased from 38% to 45%. The total cost of salaries and benefits also increased from the second quarter of year 2002 from \$45,993 to a total of \$139,280 during the second quarter of year 2003. The increase in salaries and benefits is due to the settlement of employee contracts totaling \$39,270 in the second quarter of year 2002 and an addition to sales and marketing and service personnel to support the increase in total revenue. There was a decrease in consulting fees from the second quarter of year 2002 from \$18,344 to a total of \$16,498 during the second quarter of year 2003, which is due to a decrease in equipment sales. Other expenses also decreased from the second quarter of year 2002 of \$87,889 to \$58,904 during the second quarter of year 2003, which was primarily due to a decrease in sales and marketing and office and administrative costs related to lower sales and placement in the market during the second quarter of year 2003 as compared to the second quarter of year 2002.

Westsphere and its subsidiaries currently generate sufficient cash flow to cover all of its consolidated operating expenses. During the three month period of operations ended June 30, 2003, Westsphere raised \$185,000 from a bank to pay down its accounts payable. The loan is a demand loan with a maximum term of 48 months with monthly payments of \$3,865.00, bears interest at prime plus two (2%) and is repayable at any time without penalty. The Company's President and CEO, Douglas N. MacDonald has provided his unlimited liability personal guarantee for the loan.

In order to grow Westsphere's businesses of ATM machines, Financing/Leasing and POS machines, Westsphere is dependent upon private placements, loans and/or joint venture arrangements. Westsphere's profit is expected to be generated by the surcharges collected from ATM machines, the sale of ATM machines, sale of POS machines and the collection of Finance/Lease charges.

### Changes in Financial Position

During the three (3) month period ended June 30, 2003, Westsphere's total assets increased to \$1,886,123 from \$1,711,112 as at December 31, 2002. This increase is primarily due to the increase in accounts receivable, prepaid expenses and loan receivables. As of June 30, 2003, Westsphere's current liabilities totaled \$679,195 and consisted of accounts payable of \$364,353 to suppliers for the purchase of ATM machines and POS machines, accounts payable to related parties in the amount of \$134,071, a bank loan in the amount of \$180,496 and \$275 due for deposits payable. Long-term liabilities as at June 30, 2003 consist of \$107,589 in convertible debentures, \$204,278 in shareholders loan and non-current lease obligations of \$10,935.

Shareholders' equity as of June 30, 2003 was \$874,222, inclusive of an accumulated loss from operations of \$700,702, as compared to shareholders equity of \$721,369 as of December 31, 2002. Total issued and outstanding share capital as of the year ended June 30, 2003 was 29,564,640 common shares as compared to a total of 28,568,140 common shares as of December 31, 2002.

### REPORT OF MANAGEMENT'S RESPONSIBILITY

We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed in our Exchange Act reports is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our

Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Within 90 days prior to the date of this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures pursuant to Exchange Act Rule 13a-14. Based upon the foregoing, our Chief Executive Officer and our Chief Financial Officer concluded that our disclosure controls and procedures are effective in connection with the filing of this Quarterly Report on Form 10-Q for the quarter ended September 30, 2002.

2

There were no significant changes in our internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation, including any significant deficiencies or material weaknesses of internal controls that would require corrective action.

Prior to the filing date of this quarterly report, the Company had not adopted a complete set of written policies, controls and procedures. The Company is now developing such written document and expects that in the process of such undertaking it will discover internal control policies and practices that the Company should implement and follow that are not part of its current practice.
