## PATHFINDER BANCORP, INC. ANNOUNCES SECOND QUARTER EARNINGS

Oswego, New York, July 21, 2003            Pathfinder Bancorp, Inc., the mid-tier holding company of Pathfinder Bank, (NASDAQ SmallCap Market; symbol: PBHC, listing: PathBcp) reported net income of \$516,000, or \$0.21 per share, for the quarter ended June 30, 2003 as compared to \$360,000, or \$.14, per share for the same period in 2002. For the six months ended June 30, 2003, the Company reported net income of \$1.0 million, or \$0.42 per share, compared to \$911,000, or \$0.36 per share, for the same period in 2002.

"Results for the first half of the year reflect the strength of the Company's balance sheet which allowed us to maintain a strong net interest rate spread in this historically low interest rate environment," according to Thomas W. Schneider, President and Chief Executive Officer. "The spread maintenance and fee income growth have allowed us to absorb increased operating costs resulting from branch expansion, high residential loan volumes and enhanced internal controls."

Net interest income for the quarter ended June 30, 2003, increased 7% to \$2.3 million when compared to the same period during 2002. Interest expense decreased \$197,000 partially offset by a slight decrease in interest income of \$37,000. Net interest spread increased to 3.60% for the quarter ended June 30, 2003 from 3.53% for the same period in 2002. Interest earning assets increased 2% to \$258.8 million as compared to \$253.3 million at December 31, 2002. The increase in earning assets is primarily attributable to a \$4.4 million increase in investment securities, a \$2.0 million increase in mortgage loans held for sale, and a \$4.1 million increase in net loans receivable, partially offset by a \$5.2 million decrease in interest earning deposits.

Provision for loan losses for the quarter ended June 30, 2003 decreased 71% to \$260,000 from \$907,000 for the same period in 2002. The Company had non-performing loans of \$1.3 million at June 30, 2003. The allowance for loan losses to non-performing loans and to total loans was 124% and .86%, respectively, at June 30, 2003.

The Company's non-interest income is principally comprised of fees on deposit

## Edgar Filing: PATHFINDER BANCORP INC - Form 8-K

accounts and transactions, loan servicing, commissions, and net securities and loan sale gains and losses. Non-interest income, exclusive of net gains and losses from the sale of securities, loans and other real estate, increased 21% to \$483,000 for the quarter ended June 30, 2003 compared to \$399,000 for the same period in the prior year. The increase in non-interest income is primarily attributable to a \$61,000 increase in service charges on deposit accounts and a \$27,000 increase in other charges commissions and fees. Net gains and losses from the sale of securities, loans and other real estate decreased 31% to \$491,000 for the quarter ended June 30, 2003 compared to \$712,000 for the same period in the prior year.

Operating expenses increased 24% to \$2.3 million for the quarter ended June 30, 2003, when compared to the same period in the prior year. The increase in operating expenses was primarily due to a \$133,000 increase in salary and employee benefits, a \$59,000 increase in building occupancy expenses, a \$56,000 increase in the amortization of intangible asset and a \$35,000 increase in other expenses. The increases in operating costs are primarily attributable to the operation of an additional branch location acquired in October 2002. Salaries and employee benefits were also impacted by an increase in pension benefit costs and an increase in the cost of health insurance benefits. In addition, the Company incurred \$164,000 in unusual expenses in 2003 relating to personnel realignment. These increases were partially offset by a \$31,000 decrease in professional and other services.

On June 18, 2003, the Board of Directors of Pathfinder Bancorp, Inc. declared a \$0.10 per share cash dividend to shareholders of record as of June 30, 2003, payable on July 15, 2003.

Pathfinder Bancorp, Inc. is the mid-tier holding company of Pathfinder Bank, a New York chartered savings bank headquartered in Oswego, New York. The Bank has six full service offices located in its market area consisting of Oswego County. Financial highlights for Pathfinder Bancorp, Inc. are attached. Presently, the only business conducted by Pathfinder Bancorp, Inc. is the 100% ownership of Pathfinder Bank and Pathfinder Statutory Trust I.

This release may contain certain forward-looking statements, which are based on management's current expectations regarding economic, legislative, and regulatory issues that may impact the Company's earnings in future periods. Factors that could cause future results to vary materially from current management expectations include, but are not limited to, general economic conditions, changes in interest rates, deposit flows, loan demand, real estate values, and competition; changes in accounting principles, policies, or guidelines; changes in legislation or regulation; and economic, competitive, governmental, regulatory, and technological factors affecting the Company's operations, pricing, products, and services.
