At the Meeting, three Class I directors are to be elected to serve until the 2006 Annual Meeting of Stockholders and until their successors have been elected and qualified.

The Company's Certificate of Incorporation, as amended, and Bylaws provide that the Board of Directors shall be divided into three classes. At each Annual Meeting of Stockholders, the directors elected to succeed those whose terms expire shall be identified as being the same class as the directors they succeed and shall be elected to hold office for a term to expire at the third Annual Meeting of Stockholders after this election, and until their respective successors are duly elected and qualified, unless an adjustment in the term to which an individual director shall be elected is made because of a change in the number of directors.

Employment Contract

In April 2000 the Company entered into an employment agreement with R. Jeffrey Bailly, its President and Chief Executive Officer, which is terminable by either party at any time, except as provided below. The Agreement provides that Mr. Bailly will receive a minimum annual salary of \$200,000 and consideration for discretionary bonuses. Mr. Bailly's agreement prohibits him from competing with the Company during the term of his employment and for a period of eighteen months thereafter. Pursuant to the agreement, the Company agreed to issue Mr. Bailly 10,000 shares of its Common Stock on January 1, 2001, provided that Mr. Bailly remains employed with the Company. Further, pursuant to the agreement, the Company agreed to grant Mr. Bailly immediately exercisable nonqualified stock options to acquire 125,000 shares of Common Stock. The employment agreement provides Mr. Bailly with certain other benefits, including the opportunity to participate in the Company's stock option plans, insurance plans and other employment benefits as may be generally available to senior executives of the Company.

Under the terms of the employment agreement, if Mr. Bailly's employment with the Company is terminated by the Company without cause, or if Mr. Bailly terminates his employment with the Company for good reason (a reduction in his base salary, removal from his position as president or chief executive officer, required relocation outside the greater Boston, Massachusetts area or a material reduction in his overall level of responsibility) or due to a change in control of the Company, (i) the Company is required to pay Mr. Bailly a lump sum amount equal to three times his average annual compensation for the two years preceding, (ii) all of Mr. Bailly's shares and options granted pursuant to the employment agreement will vest in full and (iii) the Company will continue to pay Mr. Bailly's health insurance.

Severance Plans

In September 1993, the Company adopted a policy that all executive officers of the Company not otherwise a party to an employment arrangement with the Company will receive a severance benefit should the employee's employment with the Company be terminated by the Company other than for cause in connection with a change in control of the Company, in the form of a base salary continuation for a period equal to the sum of (i) four months plus (ii) one month for each year of service with the Company up to a maximum of 18 months.

1993 Stock Option Plan. Effective October 1993, the Company adopted the 1993 Stock Option Plan (the "1993 Plan"). The purpose of the 1993 Plan is to benefit the Company through the maintenance and development of its businesses by offering certain present and future key individuals a favorable opportunity to become holders of stock in the Company over a period of years, thereby giving them a permanent stake in the growth and prosperity of the Company. There are 1,555,000 shares of Common Stock available for issuance under the 1993 Plan. The 1993 Plan may be administered by the Board of Directors of the Company or by a committee appointed by the Board of Directors. Employees of the Company (including officers and directors of the Company who are also employees), as well as certain consultants and advisors of the Company, are eligible to receive grants of

options under the 1993 Plan. Under the 1993 Plan, the Company may grant both incentive stock options intended to qualify under Section 422 of the Internal Revenue Code of 1986 ("incentive stock options") and other options which are not qualified as incentive stock options

("nonqualified stock options"). Unless otherwise determined by the Board of Directors or the committee, all options granted under the 1993 Plan vest at the rate of 25% per year, with the first installment vesting at the end of one year from the date of grant.

Compensation Committee Interlocks and Insider Participation

Decisions regarding executive compensation are made by the Compensation Committee of the Board of Directors, which in 2002 was composed of Messrs. Curry, Worrell and Ross. Neither Mr. Curry, Mr. Worrell nor Mr. Ross is a former or current officer or employee of the company.

Compensation Committee and Board of Directors Report

The primary objectives of the Compensation Committee in developing executive compensation policies are to attract, motivate and retain superior talent to enable the Company to achieve its business objectives and to align the financial interests of its executive officers with the stockholders of the Company.

The compensation of executive officers consists of base compensation, bonus, the grant of options and participation in benefit plans generally available to employees. In setting compensation, the Compensation Committee strives to maintain base compensation for the Company's executive officers at levels which the Compensation Committee believes are competitive with the compensation of comparable executive officers in similarly situated companies, while relying upon stock options and the bonus plan to provide significant performance incentives.

Executive officers are eligible to participate in the bonus plan which is administered by the Compensation Committee. Under the plan, executive officers may receive bonuses derived from a formula tied to the Company's income. In addition, executive officers, including R. Jeffrey Bailly, may receive discretionary bonuses payable in cash or the Company's common stock based upon a subjective evaluation of the performance of the Company and their contributions to the Company.

Each of the executive officers and all key employees are eligible to receive grants of options under the 1993 Stock Option Plan. The 1993 Stock Option Plan is used to align a portion of the officer's compensation with the stockholders' interests and the long-term success of the Company. In determining the number of options to be granted to each executive officer, the Compensation Committee reviews recommendations provided by R. Jeffrey Bailly and makes a subjective determination regarding those recommendations based upon the following criteria: (i) the individual performance and position of responsibility of the executive officer, (ii) the number of options held by the executive officer, and (iii) the financial performance of the Company. No particular weight is given to any of these factors, rather each executive officer's total compensation package is reviewed as a whole. During the fiscal year ended December 31, 2001, the Company granted options to purchase 47,500 shares to executive officers other than Mr. Bailly as a group under the 1993 Stock Option Plan.

For 2002, R. Jeffrey Bailly received the following compensation: (i) a salary of \$200,000; (ii) a bonus valued at \$100,000, which was comprised of \$50,000 in cash and 47,170 fully vested shares of the Company's Common Stock; (iii) an additional 15,000 fully vested shares of the Company's Common Stock; and (iv) \$57,227 to defray the taxes attributable to Mr. Bailly's receipt of shares of the Company's Common Stock. The Company's Board of Directors conducted a survey of salaries of chief executive officers at the time it negotiated Mr. Bailly's employment agreement. Based upon that information and the Company's experience since that time, the Company believes that Mr. Bailly's

12

aggregate fiscal 2002 compensation was comparable to the compensation of chief executive officers of similar companies.

**PROPOSAL NO. 2
ADOPTION OF THE COMPANY'S
2003 EQUITY INCENTIVE PLAN**

In April 2003, the Board of Directors adopted, subject to stockholder approval, the Company's 2003 Equity Incentive Plan (the "Plan"). The Plan is intended to benefit the Company by offering equity-based incentives to certain of the Company's executives and employees, thereby giving them a permanent stake in the growth and long-term success of the Company and encouraging the continuance of their involvement with the Company's businesses. The following is a summary description of the Plan and is qualified in its entirety by reference to the full text of the Plan, which is set forth as Appendix A to this Proxy Statement.

Description of the 2003 Equity Incentive Plan

The Plan will be administered by the Compensation Committee, or another committee consisting of not less than two directors as appointed from time to time by the Board of Directors. Only independent directors may serve on the committee administering the Plan (hereinafter, the "Committee"). Subject to the express provisions of the Plan, the Committee has the authority to interpret and construe the Plan and to adopt rules and regulations for administering the Plan. Such powers of the Committee include, except as otherwise provided in the Plan, exclusive authority to select the employees or determine classes of employees to be granted awards under the Plan, to determine the aggregate amount, type, size, and terms of the awards to be made to eligible employees, and to determine the time when awards will be granted. The Committee in its discretion may grant awards in exchange for any or no consideration, including without limitation cash.

Executives and other employees of the Company (including directors and officers) who (i) are employed full time or part time by the Company or its subsidiaries on a salaried basis and (ii) are selected on the basis of such criteria as the Committee may determine, are eligible to participate in the Plan. Employees who participate in other incentive or benefit plans of the Company or any of its subsidiaries may also participate in the Plan.

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

The maximum number of shares of Common Stock, in the aggregate, that may be delivered in payment or in respect of stock issued under the Plan is 500,000 shares, subject to adjustments for stock splits, stock dividends, mergers, consolidations, and similar transactions as provided in the Plan. Such shares may be authorized but unissued shares of Common Stock or shares of Common Stock reacquired by the Company, including shares purchased in the open market. Any share subject to a Plan award that for any reason is not delivered, due to forfeiture or for any other reason, may again be subject to an award subsequently granted under the Plan. As of April 25, 2003, the closing price of the Company's Common Stock on the Nasdaq Small Cap Market was \$1.02.

Two types of award may be granted to eligible participants under the Plan, restricted shares ("Restricted Shares") or other stock awards ("Other Stock Awards"). Restricted Shares are shares of Common Stock awarded subject to restrictions and to possible forfeiture upon the occurrence of specified events. Such restrictions may include, without limitation, restrictions on the right of the grantee to sell, assign, transfer or encumber shares while such shares are subject to other restrictions imposed under the Plan. If so determined by the Committee at the time of an award of Restricted Shares, the lapse of restrictions on, and the events that trigger a partial or total forfeiture of, Restricted Shares may be based on the extent of achievement over a specified performance period of one or more performance targets based on performance criteria established by the Committee. Following a Restricted Share award and prior to the lapse or termination of the applicable restrictions, the share certificates for such Restricted Shares shall be held in escrow by the Company. Upon the lapse or termination of the applicable restrictions (and not before such time), the certificates for the Restricted Shares shall be issued or delivered to the participant.

16

Restricted Share awards shall be effective upon execution of the applicable Restricted Share agreement by the Company and the Participant. As of the effective date of the Restricted Share award, the Participant shall be a shareholder with respect to all the shares represented by such certificates and shall have all the rights of a shareholder with respect to all such shares, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares, subject only to the restrictions imposed by the Committee.

Other Stock Awards are awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock. The Committee shall determine the form, terms and conditions, if any, of any Other Stock Awards made under the Plan. Such awards may include, without limitation, unrestricted stock, nonqualified options, performance shares or stock appreciation rights.

Restricted Shares and Other Stock Awards may be granted to the same Participant as separate awards at or for the same period of time. Under the Plan, the number of Restricted Shares or Other Stock Awards providing for the acquisition of shares of Common Stock for a consideration less than "fair market value" as of the date of grant or exercise of such awards may not exceed 250,000 in the aggregate in any one fiscal year. "Fair market value" of a share of Common Stock of the Company on any date means either (i) the last trading price of the Common Stock on the trading day next preceding such date, except that if the Common Stock is then listed on any national exchange, fair market value shall be the mean between the high and low sales price on the trading day next preceding such date, or (ii) any other value as the Committee may determine appropriate. In addition, the number of Restricted Shares or Other Stock Awards granted to a participant may not exceed 150,000 in the aggregate in any one fiscal year.

Each award shall be evidenced by a written document delivered to the participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Committee considers necessary or advisable. The terms of each type of award need not be identical and the Committee need not treat participants uniformly. The Committee will determine the effect on an award of the death, disability, retirement or other termination of employment of a participant and the extent to which and period during which the participant's legal representative, guardian or designated beneficiary may receive payment of an award or exercise rights thereunder. Except as otherwise provided by the Committee, awards under the Plan are not transferable other than as designated by the participant by will or by the laws of descent and distribution.

The Board of Directors may at any time terminate or from time to time amend or suspend the Plan in any respect; *provided*, however, that no such amendment shall be made without stockholder approval if stockholder approval of the amendment is at the time required by applicable law, or by the rules of the Nasdaq Stock Market or any stock exchange on which Common Stock may be listed. If the Plan is approved by the Company's stockholders, it will remain in effect, subject to the right of the Board of Directors to amend or terminate the Plan at any time, until all shares subject to it have been purchased or acquired according to the Plan's provisions.

Federal Income Tax Consequences

The following discussion of the Federal income tax consequences of the issuance of awards granted under the Plan is based upon the provisions of the Internal Revenue Code of 1986, as amended, as in effect on the date hereof, current regulations adopted and proposed thereunder, and existing administrative rulings and pronouncements of the Internal Revenue Service. It is not intended to be a complete

discussion of all of the Federal income tax consequences of the Plan or of all of the requirements that must be met in order to qualify for the described tax treatment. The Plan provides the Company with broad discretion to grant many different types of awards. The discussion below

illustrates the Federal income tax consequences of only some of the types of awards the Company is permitted to make under the Plan. Depending on the type of award granted under the Plan, the Federal income tax consequences to the Company and recipients of awards could materially differ from the discussion below. In addition, because the tax consequences may vary, and certain exceptions to the general rules discussed herein may be applicable, depending upon the personal circumstances and the type of award granted, each recipient should consider his or her personal situation and consult with his or her tax advisor with respect to the specific tax consequences applicable to each recipient. No information is provided in the discussion below about state tax laws.

Nonqualified Stock Options. An option holder will not recognize any taxable income upon the grant of a nonqualified option under the Plan. Generally, an option holder recognizes ordinary taxable income at the time a nonqualified option is exercised in an amount equal to the excess of the fair market value of the shares of Common Stock on the date of exercise over the exercise price.

However, if the Company imposes restrictions on the shares that do not permit the recipient to transfer the shares to others and that require the recipient to return the shares to the Company at less than fair market value upon termination of employment (a "risk of forfeiture"), the date on which taxable income (if any) is recognized will be the date on which the stock becomes "freely transferable" or not subject to risk of forfeiture (the "Recognition Date"). In this circumstance, the option holder will generally recognize ordinary taxable income on the Recognition Date in an amount equal to the excess of the fair market value of the shares at that time over the exercise price. If an option holder is subject to Section 16(b) of the Securities Exchange Act of 1934, as amended, the date on which the fair market value of the shares is determined may similarly be postponed. The IRS regulations have not yet been amended to conform with the most recent changes to Section 16(b). However, it is generally anticipated that the date on which the fair market value of the shares is determined will be postponed to the earlier of (i) the date six months after the options are granted, or (ii) the first day on which the sale of the shares would not subject the holder to liability under Section 16(b). It is possible that the six month period will instead run from the option holder's most recent grant or purchase of stock prior to his or her exercise of the option.

Despite this general rule, in the case of a risk of forfeiture, or in the case of holders subject to Section 16(b) (if the Recognition Date is after the date of exercise), then the option holder may make an election pursuant to Section 83(b) of the Code. In this case, the option holder will recognize ordinary taxable income at the time the option is exercised and not on the later date. In order to be effective, the Section 83(b) election must be filed with the Company and the Internal Revenue Service within 30 days of exercise.

The Company will generally be entitled to a compensation deduction for Federal income tax purposes in an amount equal to the taxable income recognized by the option holder, provided the Company reports the income on a form W-2 or 1099, whichever is applicable, that is timely provided to the option holder and filed with the IRS.

When an option holder subsequently disposes of the shares of Common Stock received upon exercise of a nonqualified option, he or she will recognize long-term or short-term capital gain or loss (depending upon the holding period), in an amount equal to the difference between the sale price and the fair market value on the date on which the option holder recognized ordinary taxable income as a result of the exercise of the nonqualified option. The holding period for the shares generally would begin on the date the shares were acquired and would not include the period of time during which the option was held.

An option holder who pays the exercise price for a nonqualified option, in whole or in part, by delivering shares of Common Stock already owned by him or her will recognize no gain or loss for Federal income tax purposes on the shares surrendered, but otherwise will be taxed according to the rules described above.

Incentive Stock Options. An option holder generally will not recognize taxable income upon either the grant or the exercise of an incentive stock option. However, under certain circumstances, there may be alternative minimum tax or other tax consequences, as discussed below.

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

An option holder will recognize taxable income upon the disposition of the shares received upon exercise of an incentive stock option. Any gain recognized upon a disposition that is not a "disqualifying disposition" will be taxable as long-term capital gain. A "disqualifying disposition" means any disposition of shares acquired on the exercise of an incentive stock option within two years of the date the option was granted or within one year of the date the shares were issued to the option holder. The use of shares acquired pursuant to the exercise of an incentive stock option to pay the option price under another stock option is treated as a disposition for this purpose. In general, if an option holder makes a disqualifying disposition, an amount equal to the excess of (a) the lesser of (i) the fair market value of the shares on the date of exercise or (ii) the amount actually realized on the disposition over (b) the option exercise price, will be taxable as ordinary income and the balance of the gain recognized, if any, will be taxable as either long-term or short-term capital gain, depending on the optionee's holding period for the shares. The holding period for the shares generally would begin on the date the shares were acquired and would not include the period of time during which the option was held. In the case of a gift or certain other transfers, the amount of ordinary income taxable to the optionee is not limited to the amount of gain which would be recognized in the case of a sale. Instead, it is equal to the excess of the fair market value of the shares on the date of exercise over the option exercise price.

The tax result may change if (a) the Company imposes restrictions on the shares which do not permit the recipient to transfer the shares to others and which require the recipient to return the shares to the Company at less than fair market value upon termination of employment, or (b) the recipient is an officer or director of the Company subject to Section 16(b). In the case of a disqualifying disposition of shares acquired pursuant to the exercise of such an incentive stock option, the date on which the fair market value of the shares is determined may be postponed, and the tax consequences will be similar to the treatment that applies to shares acquired pursuant to nonqualified options granted under the Plan, including the ability to make a Section 83(b) election, as described above.

In general, in the year an incentive stock option is exercised, the holder must include the excess of the fair market value of the shares issued upon exercise over the exercise price in the calculation of alternative minimum taxable income. The application of the alternative minimum tax rules for an option holder subject to Section 16(b) or who receives shares that are not "substantially vested" are more complex and may depend upon whether the holder makes a Section 83(b) election, as described above.

The Company will not be entitled to any deduction with respect to the grant or exercise of an incentive stock option provided the holder does not make a disqualifying disposition. If the option holder does make a disqualifying disposition, the Company will generally be entitled to a deduction for Federal income tax purposes in an amount equal to the taxable income recognized by the holder, provided the Company reports the income on a Form W-2 or 1099 (whichever is applicable) that is timely provided to the option holder and filed with the IRS.

Stock Appreciation Rights. A recipient of a SAR will not be considered to receive any income at the time a SAR is granted, nor will the Company be entitled to a deduction at that time. Upon the exercise of a SAR, the holder will have ordinary income equal to the cash received upon the exercise. At that time, the Company will be entitled to a tax deduction equal to the amount of ordinary income realized by the holder.

Restricted Stock and Performance Shares. The recipient of restricted stock or performance shares will generally will not recognize income at the time that shares subject to such restrictions are issued,

unless a section 83(b) election (described below) is made. Absent a section 83(b) election, recipients of restricted shares will recognize income at the time the restrictions are removed from the shares. In such event, recipients will recognize ordinary compensation income on the date the restrictions are removed in an amount equal to the excess of the then fair market value of such shares over the purchase price (if any) paid for such shares. The tax basis in the shares with respect to which restrictions are removed will be equal to the sum of the amount paid for such shares plus the amount of ordinary compensation income recognized by the recipient. The holding period for such shares for purposes of determining whether any capital gain or loss is short term or long term will begin just after the restrictions are removed (absent a Section 83(b) election).

Recipients will generally recognize capital gain or loss on a sale or exchange of the shares. The gain or loss will equal the difference between the proceeds received and the adjusted tax basis in the shares. The gain or loss recognized on a sale or exchange of the shares will be long-term capital gain or loss if the shares are held for more than one year. The deductibility of capital losses is subject to limitation.

If a recipient makes a section 83(b) election with respect to the shares, the recipient will recognize ordinary compensation income at the time the shares are issued and not when the restrictions are removed from such shares. In such event, the tax basis in the shares would equal their fair market value on the date issued, and the holding period for the shares would begin just after such date. However, if a section 83(b) election is made and any shares are forfeited, a recipient will not be entitled to recover any of the taxes paid in connection with the 83(b) election described above, nor will the recipient receive any capital loss. The advisability of making a section 83(b) election will depend on various factors and each recipient's individual circumstances. Recipients are urged to consult with his or her own tax advisors regarding whether, where

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

and how to make a section 83(b) election. Recipients who decide to do so must make a section 83(b) election no later than the thirtieth day following the issuance of the shares and, once made, such election generally would be irrevocable by a recipient.

Any distributions that the Company makes in respect of the shares will be treated as a dividend, taxable to recipients as ordinary income, to the extent it is paid out of the Company's current or accumulated earnings and profits. If the distribution exceeds the Company's current or accumulated earnings and profits, such excess will be treated first as a tax-free return of the recipient's investment, up to the recipient's basis in the shares. Any remaining excess will be treated as capital gain. The Company will generally be entitled to a compensation deduction for Federal income tax purposes in an amount equal to, and at the same time as, the ordinary compensation income recognized by recipients. The Company will report the income on a Form W-2 or 1099, whichever is applicable, and will recognize a deduction in such amount.

Common Stock. A person who receives an award of Common Stock generally will have taxable income at the time the shares are received (i) in an amount equal to the excess of the then fair market value of such shares over the purchase price (if any) paid for such shares, if the Common Stock is not subject to restrictions, or (ii) as described in the preceding paragraph for restricted stock, if they are subject to restrictions. The tax treatment of a stock award that consists of other rights will depend on the provisions of the award. It may be immediately taxable if there are no restrictions on the receipt of the cash or other property that the stock award represents, or the tax consequences may be deferred if the receipt of cash or other property for the stock award is restricted, or subject to vesting or performance goals. In those situations in which a participant receives property subject to restrictions, the participant may wish to make a Section 83(b) election, as described above. At the time that the holder of the stock award has ordinary income, the Company will be entitled to a tax deduction equal to the amount of ordinary income realized by the holder.

Compensation Plan Information

The Company maintains three stock option plans to provide long-term rewards and incentives to the Company's key employees, officers, employee directors, and director consultants and advisors. The first plan (1993 Employee Stock Option Plan) provides for the issuance of up to 1,550,000 shares of the Company's common stock. The second plan (1993 Director Plan) provided for the issuance of 110,000 shares of the Company's common stock to non-employee directors; this plan was frozen with the inception of the 1998 Director Plan, which provides for the issuance of up to 425,000 shares of the Company's common stock to non-employee directors. Details of these plans are discussed in Note 13 to the Consolidated Financial Statements of the Company contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2002.

The Company also maintains an Employee Stock Purchase Plan, which is intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986.

Summary compensation plan information as of December 31, 2002 is as follows:

The affirmative vote of a majority of the votes of holders of the Common Stock present in person or by proxy at the Meeting is required for adoption of Proposal No. 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR APPROVAL OF PROPOSAL NO. 2.

OTHER MATTERS

Voting Procedures

The votes of stockholders present in person or represented by proxy at the Meeting will be tabulated by an inspector of elections appointed by the Company. A quorum, consisting of a majority of shares of all stock issued, outstanding and entitled to vote at the Meeting, will be required to be present in person or by proxy for consideration of the proposal to elect directors and for the proposal to adopt the 2003 Equity Incentive Plan. If a quorum is not present, a vote of a majority of the votes properly cast will adjourn the Meeting.

The nominees for director of the Company who receive the greatest number of votes cast by stockholders present in person or represented by proxy at the Meeting and entitled to vote thereon will be elected directors of the Company. The affirmative vote of the holders of a majority of shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote thereon is required to approve the adoption of the 2003 Equity Incentive Plan.

Abstentions will have no effect on the outcome of the vote for the election of directors, but will have the effect of being cast against the proposal to adopt the 2003 Equity Incentive Plan, even though the stockholder so abstaining intends a different interpretation.

21

Shares of Common Stock held of record by brokers who do not return a signed and dated proxy will not be considered present at the Meeting, will not be counted towards a quorum and will not be voted in the election of directors or on either of the proposal to adopt the 2003 Equity Incentive Plan. Shares of Common Stock held of record by brokers who return a signed and dated proxy but who fail to vote (a "broker nonvote") on the election of directors or on the proposal to adopt the 2003 Equity Incentive Plan will count toward the quorum but will have no effect on those proposals not voted.

Independent Auditors

The Board of Directors has appointed PricewaterhouseCoopers LLP, independent accountants, to audit the consolidated financial statements of the Company for the year ending December 31, 2003. PricewaterhouseCoopers LLP has continuously served as the Company's independent public accountants since June 19, 2002. The Company is advised that no member of PricewaterhouseCoopers LLP has any direct financial interest or material indirect financial interest in the Company since the date of their engagement, June, 2002 or, has had any connection with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee since such date.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Meeting and will be given the opportunity to make a statement if so desired. The representative will be available to respond to appropriate questions.

Arthur Andersen LLP was dismissed as the Company's independent public accountants effective as of the close of business on June 11, 2002. The Company engaged PricewaterhouseCoopers LLP as its new independent accountants as of June 19, 2002. The change in accountants was reported by the Company in a Current Report on Form 8-K/A filed with the Securities and Exchange Commission on June 25, 2002 (the "Form 8-K/A").

The reports of Arthur Andersen LLP on the consolidated financial statements of the Company at December 31, 2000 and December 31, 2001, and for the three years ended December 31, 2001, contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The decision to change accountants was recommended by the Audit Committee of the Company's Board of Directors, and approved by the full Board of Directors of the Company.

In connection with its audits for the two most recent fiscal years and through June 11, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused Arthur Andersen LLP to make reference thereto in their report on the financial statements for such years.

During the two most recent fiscal years and through June 11, 2002 there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

The Company provided Arthur Andersen LLP with a copy of the foregoing statements prior to the filing of its Form 8-K/A and requested Arthur Andersen LLP to furnish it with a letter addressed to the Securities and Exchange Commission stating whether Arthur Andersen LLP agreed with such statements and, if not, stating the respects in which it did not agree. The Company received such a letter, which stated that Arthur Andersen LLP did agree with such statements. The Company filed this letter as an exhibit to the Form 8-K/A.

Reporting Under Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports

22

of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and the Nasdaq Small Cap Market. Executive officers, directors and greater than 10% stockholders are required to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of such Forms it has received and written representations from certain reporting persons that they were not required to file Forms 5 for specified fiscal years, the Company believes that, except as described below, all of its executive officers, directors and greater than 10% stockholders complied with all Section 16(a) filing requirements applicable to them during the Company's fiscal year ended December 31, 2002. Mr. Curry filed one Form 4 after the date specified therefor to report one transaction in 2002.

Other Proposed Action

The Board of Directors knows of no matters that may come before the Meeting other than the election of directors and the adoption of the 2003 Equity Incentive Plan. However, if any other matters should properly be presented to the Meeting, the persons named as proxies shall have discretionary authority to vote the shares represented by the accompanying proxy in accordance with their own judgment.

Stockholder Proposals

Proposals that stockholders intend to present at the Company's 2004 Annual Meeting of Stockholders and wish to have included in the Company's proxy materials pursuant to Rule 14a-8 promulgated under the Securities and Exchange Act of 1934, as amended, must be received by the Company no later than January 1, 2004. If a proponent fails to notify the Company by March 16, 2004 of a non-Rule 14a-8 stockholder proposal that it intends to submit at the Company's 2004 Annual Meeting of Stockholders, the proxy solicited by the Board of Directors with respect to such meeting may grant discretionary authority to the proxies named therein to vote with respect to such matter.

Incorporation By Reference

To the extent that this Proxy Statement has been or will be specifically incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, the sections of the Proxy Statement entitled "Report of the Audit Committee," "Compensation Committee and Board of Directors Report" and "Performance Graph" shall not be deemed to be so incorporated, unless specifically otherwise provided in any such filing.

Annual Report on Form 10-K

Copies of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 as filed with the Securities and Exchange Commission are available to stockholders without charge upon written request addressed to Investor Relations, UFP Technologies, Inc. at 172 East Main Street, Georgetown, Massachusetts 01833.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. THEREFORE, STOCKHOLDERS ARE URGED TO FILL IN, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY IN THE ENCLOSED ENVELOPE.

APPENDIX A

UFP TECHNOLOGIES, INC.
2003 EQUITY INCENTIVE PLAN

1. *Statement of Purpose.* The purpose of this 2003 Equity Incentive Plan (the "Plan") is to benefit UFP TECHNOLOGIES, INC. (the "Company") through the maintenance and development of its businesses by offering equity-based incentives to certain present and future executives and other employees who are in a position to contribute to the long-term success and growth of the Company, thereby giving them a permanent stake in the growth and prosperity of the Company and encouraging the continuance of their involvement with the Company and/or its subsidiaries.

2. *Administration of the Plan.*

(a) *Board or Committee Administration.* The Plan shall be administered by the Compensation Committee of the Company's Board of Directors (the "Board") or such other committee thereof consisting of such members (not less than two) of the Board as are appointed from time to time by the Board (the "Compensation Committee"), each of the members of which, at the time of any action under the Plan, shall be (i) a "non-employee director" as then defined under Rule 16b-3 under the Act (or meeting comparable requirements of any successor rule relating to exemption from Section 16(b) of the Act), (ii) an "outside director" as then defined under Section 162(m) of the Internal Revenue Code and (iii) an "independent director" as then defined under the rules of the Nasdaq Stock Market (or meeting comparable requirements of any stock exchange on which the Company's Common Stock may then be listed). Hereinafter, all references in this Plan to the "Committee" shall mean the Board if no Committee has been appointed. The Committee shall have all necessary powers to administer and interpret the Plan. Such powers of the Compensation Committee include exclusive authority (within the limitations described and except as otherwise provided in the Plan) to select the employees or determine classes of employees to be granted awards under the Plan, to determine the aggregate amount, type, size, and terms of the awards to be made to eligible employees, and to determine the time when awards will be granted. The Compensation Committee may take into consideration recommendations from the appropriate officers of the Company with respect to making the foregoing determinations as to Plan awards, administration, and interpretation. The Committee shall have full power and authority to adopt such rules, regulations, agreements and instruments for the administration of the Plan and for the conduct of its business as the Committee deems necessary or advisable. The Committee's interpretations of the Plan and all action taken and determinations made by the Committee pursuant to the powers vested in it hereunder shall be conclusive and binding on all parties concerned, including the Company, its shareholders and any director or employee of the Company or any Subsidiary.

(b) *Committee Actions.* The Committee may select one of its members as its chairman, and shall hold meetings at such time and places as it may determine. A majority of the Committee shall constitute a quorum and acts of a majority of the members of the Committee at a meeting at which a quorum is present, or acts reduced to or approved in writing by all the members of the Committee (if consistent with applicable state law), shall be the valid acts of the Committee. From time to time the Board may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause) and appoint new members in substitution therefor, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

(c) *Performance-based Compensation.* The Board, in its discretion, may take such action as may be necessary to ensure that Awards granted under the Plan qualify as "qualified performance-based compensation" within the meaning of Section 162(m) of the Internal Revenue Code and applicable regulations promulgated thereunder.

3. *Eligibility.* Participation in the Plan shall be limited to executives or other employees (including officers and directors who are also employees) of the Company and its Participating

A-1

Subsidiaries selected on the basis of such criteria as the Committee may determine. Employees who participate in other incentive or benefit plans of the Company or any Subsidiary may also participate in this Plan. As used herein, the term "employee" shall mean any person employed full time or part time by the Company or a Subsidiary on a salaried basis, and the term "employment" shall mean full-time or part-time salaried employment by the Company or a Subsidiary.

4. *Shares Subject to the Plan.* The shares that may be delivered in payment or in respect of stock issued under the Plan shall not exceed in the aggregate 500,000 shares of common stock of the Company ("Common Stock") subject to adjustment as provided in Section 8. Any share subject to a Plan award which for any reason is not delivered, due to forfeiture or for any other reason, may again be subject to an award subsequently granted under the Plan.

5. *Awards.* Awards granted to employees under the Plan may be either restricted shares or other stock awards. Restricted shares ("Restricted Shares") are shares of Common Stock awarded subject to restrictions and to possible forfeiture upon the occurrence of specified events. Other stock awards ("Other Stock Awards") are awards in such form as the Committee may determine that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock. Restricted Shares and Other Stock Awards, may be granted to the same Participant as separate awards at or for the same period of time under terms whereby the issuance of shares or payment under one award has no effect on any other award. In no event shall the number of Restricted or Other Stock Awards granted to any Participant in any Fiscal Year exceed 150,000. In addition, in no event shall the number of Restricted or Other Stock Awards providing for the acquisition of shares of Common Stock for a consideration less than Fair Market Value as of the date of grant or exercise of such awards granted to all Participants in any Fiscal Year exceed 250,000. For this purpose, Fair Market Value may be determined as of a date not more than two trading days prior to the date of grant or exercise in order to facilitate compliance with the reporting requirements under Section 16 of the Act.

6. *Restricted Shares.* Restricted Share awards shall be evidenced by a written agreement in the form prescribed by the Committee in its discretion, which shall set forth the number of shares of Common Stock awarded, the restrictions imposed thereon (which may include, without limitation, restrictions on the right of the grantee to sell, assign, transfer or encumber shares while such shares are subject to other restrictions imposed under this Section 6), the duration of such restrictions; the events (which may, in the discretion of the Committee, include performance-based events or objectives) the occurrence of which would cause a forfeiture of the Restricted Shares in whole or in part; and such other terms and conditions as the Committee in its discretion deems appropriate. If so determined by the Committee at the time of an award of Restricted Shares, the lapse of restrictions on Restricted Shares may be based on the extent of achievement over a specified performance period of one or more performance targets based on performance criteria established by the Committee. Restricted share awards shall be effective upon execution of the applicable Restricted Share agreement by the Company and the Participant. Following a Restricted Share award and prior to the lapse or termination of the applicable restrictions, the share certificates for such Restricted Shares shall be held in escrow by the Company. Upon the lapse or termination of the applicable restrictions (and not before such time), the certificates for the Restricted Shares shall be issued or delivered to the Participant. From the date a Restricted Share award is effective, the Participant shall be a shareholder with respect to all the shares represented by such certificates and shall have all the rights of a shareholder with respect to all such shares, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares, subject only to the restrictions imposed by the Committee.

7. *Other Stock Awards.* The Committee shall have the authority in its discretion to grant to eligible Participants such other awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of Common Stock as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase

A-2

rights, or shares awarded without restrictions or conditions. The Committee shall determine the terms and conditions, if any, of any Other Stock Awards made under the Plan.

8. *Dilution and Other Adjustments.* Notwithstanding any other provision of the Plan, in the event of any change in the outstanding shares of Common Stock by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares, or other similar corporate change, an equitable adjustment shall be made, as determined by the Committee, so as to preserve, without increasing or decreasing, the value of Plan awards and authorizations, in (i) the maximum number or kind of shares issuable or awards which may be granted under the Plan, (ii) the maximum number, kind or value of any Plan awards which may be awarded or paid in general or to any one employee or to all employees in a Fiscal Year, (iii) the performance-based events or objectives applicable to any Plan awards, (iv) any other aspect or aspects of the Plan or outstanding awards made thereunder as specified by the Committee, or (v) any combination of the foregoing. Such adjustments shall be made by the Committee and shall be conclusive and binding for all purposes of the Plan.

9. *Miscellaneous Provisions.*

(a) The holder of a Plan award shall have no rights as a Company shareholder with respect thereto unless, and until the date as of which, certificates for shares of Common Stock are issued in respect of such award.

(b) Except as the Committee shall otherwise determine in connection with determining the terms of awards to be granted or shall thereafter permit, no Plan award or any rights or interests therein of the recipient thereof shall be assignable or transferable by such recipient except upon death to his or her Designated Beneficiary or by will or the laws of descent and distribution, and, except as aforesaid, during the lifetime of the recipient, a Plan award shall be exercisable only by, or payable only to, as the case may be, such recipient or his or her guardian or legal representative.

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

(c) All Restricted Shares granted under the Plan shall be evidenced by agreements in such form and containing and/or incorporating such terms and conditions (not inconsistent with the Plan and applicable law) in addition to those provided for herein as the Committee shall approve.

(d) No shares of Common Stock shall be issued, delivered or transferred upon exercise or in payment of any award granted hereunder unless and until all legal requirements applicable to the issuance, delivery or transfer of such shares have been complied with to the satisfaction of the Committee and the Company, including, without limitation, compliance with the provisions of the Securities Act of 1933, the Act and the applicable requirements of the exchanges on which the Company's Common Stock may, at the time, be listed. The Committee and the Company shall have the right to condition any issuance of shares of Common Stock made to any Participant hereunder on such Participant's undertaking in writing to comply with such restrictions on his or her subsequent disposition of such shares as the Committee and/or the Company shall deem necessary or advisable as a result of any applicable law, regulation or official interpretation thereof, and certificates representing such shares may be legended to reflect any such restrictions.

(e) The Company shall have the right to require, as a condition of the distribution of awards in Common Stock, that the Participant or other person receiving such Common Stock either (i) pay to the Company at the time of distribution thereof the amount of any federal, state, or local taxes which the Company is required to withhold with respect to such Common Stock or (ii) make such other arrangements as the Company may authorize from time to time to provide for such withholding including without limitation having the number of the units of the award cancelled or the number of the shares of Common Stock to be distributed reduced by an amount with a value equal to the value of such taxes required to be withheld. Notwithstanding the foregoing, the Committee may, in its discretion, in connection with the grant of any award of Common Stock, authorize the Company to pay

A-3

to Participant receiving the award, a cash gross-up payment in an amount necessary to cover such federal, state or local taxes attributable to such award and to such cash payment.

(f) No employee or director of the Company or a Subsidiary or other person shall have any claim or right to be granted an award under this Plan. Neither this Plan nor any action taken hereunder shall be construed as giving any employee any right to be retained in the employ of the Company or a Subsidiary, it being understood that all Company and Subsidiary employees who have or may receive awards under this Plan are employed at the will of the Company or such Subsidiary and in accord with all statutory provisions.

(g) Distributions of shares of Common Stock in payment or in respect of awards made under this Plan may be made either from shares of authorized but unissued Common Stock reserved for such purpose by the Board of Directors or from shares of authorized and issued Common Stock reacquired by the Company and held in its treasury, as from time to time determined by the Committee, the Board, or pursuant to delegations of authority from either.

(h) The costs and expenses of administering this Plan shall be borne by the Company and not charged to any award or to any employee or Participant receiving an award.

(i) In addition to the terms defined elsewhere herein, the following terms as used in this Plan shall have the following meanings:

"Act" shall mean the Securities Exchange Act of 1934 as amended from time to time.

"Designated Beneficiary" shall mean the person or persons, if any, last designated as such by the Participant on a form filed by him or her with the Company in accordance with such procedures as the Committee shall approve.

"Fair Market Value" of a share of Common Stock of the Company on any date shall mean the last trading price of the Common Stock on the trading day next preceding such date except that if the Common Stock is then listed on any national exchange, fair market value shall be the mean between the high and low sales price on the trading day next preceding such date. If shares of the Common Stock shall not have been traded on any national exchange or interdealer quotation system for more than 10 days immediately preceding such date or if deemed appropriate by the Committee for any other reason, the fair market value of shares of Common Stock shall be determined by the Committee in such other manner as it may deem appropriate.

"Fiscal Year" shall mean the twelve-month period used as the annual accounting period by the Company and shall be designated according to the calendar year in which such period ends.

"Internal Revenue Code" shall mean the Internal Revenue Code of 1986 and regulations thereunder as amended from time to time. References to particular sections of the Internal Revenue Code shall include any successor provisions.

Edgar Filing: UFP TECHNOLOGIES INC - Form DEF 14A

"Participant" shall mean, as to any award granted under this Plan and for so long as such award is outstanding, the employee to whom such award has been granted.

"Subsidiary" shall mean any domestic or foreign corporation, partnership, association, joint stock company, trust or unincorporated organization "affiliated" with the Company, that is, directly or indirectly, through one or more intermediaries, "controlling", "controlled by" or "under common control with", the Company.

"Control" for this purpose means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of such person, whether through the ownership of voting securities, contract or otherwise.

A-4

(j) This Plan shall be governed by the laws of the Commonwealth of Massachusetts and shall be construed for all purposes in accordance with the laws of said Commonwealth except as may be required by the General Corporation Law of Delaware or by applicable federal law.

10. *Amendments and Termination; Requisite Shareholder Approval.* The Board may at any time terminate or from time to time amend or suspend the Plan in whole or in part in such respects as the Board may deem advisable in order that awards granted thereunder shall conform to any change in the law, or in any other respect which the Board may deem to be in the best interests of the Company; provided, however, that no amendment of the Plan shall be made without shareholder approval if shareholder approval of the amendment is at the time required by applicable law, or by the rules of the Nasdaq Stock Market or any stock exchange on which Common Stock may be listed. The Board shall have the power to amend the Plan in any manner contemplated by Section 10 deemed necessary or advisable for awards granted under the Plan to qualify for the exemption provided by Rule 16b-3 (or any successor rule relating to exemption from Section 16(b) of the Act), to qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code or to comply with applicable law, and any such amendment shall, to the extent deemed necessary or advisable by the Board, be applicable to any outstanding awards theretofore granted under the Plan notwithstanding any contrary provisions contained in any award agreement. In the event of any such amendment to the Plan, the holder of any award outstanding under the Plan shall, upon request of the Board and as a condition to the exercisability thereof, execute a conforming amendment in the form prescribed by the Board to any award agreement relating thereto within such reasonable time as the Board shall specify in such request. With the consent of the Participant affected, the Board may amend outstanding agreements evidencing Plan awards in a manner not inconsistent with the terms of the Plan. Notwithstanding anything contained in this Section 10 or in any other provision of the Plan, unless required by law, no action contemplated or permitted by this Section 10 shall adversely affect any rights of Participants or obligations of the Company to Participants with respect to any award theretofore made under the Plan without the consent of the affected Participant.

11. *Effective Date and Term of Plan.* This Plan was adopted by the Board on April 8, 2003 subject to ratification by the stockholders of the Company at the Annual Meeting of Stockholders to be held on June 4, 2003. The Plan shall remain in effect, subject to the right of the Board of Directors to amend or terminate the Plan at any time pursuant to Section 10 hereof, until all shares subject to it shall have been purchased or acquired according to the Plan's provisions.
