**PROXY STATEMENT**

---

**Approximate date proxy material first sent to shareholders: May 13, 2003**

**INFORMATION CONCERNING SOLICITATION AND VOTING**

The following information is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Chicago Pizza & Brewery, Inc. (the "Company") in connection with the Annual Meeting of Shareholders of the Company (the "Annual Meeting") and adjournments thereof to be held on June 19, 2003 at the Company's "BJ's Restaurant & Brewhouse" located at 16060 Beach Boulevard, Huntington Beach, California 92647, at 9:00 a.m., Pacific Time for the purposes stated in the Notice of Annual Meeting of Shareholders preceding this Proxy Statement.

**SOLICITATION AND REVOCATION OF PROXIES**

A form of proxy is being furnished herewith by the Company to each shareholder and in each case is solicited on behalf of the Board of Directors of the Company for use at the Meeting. The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others forwarding the solicitation material to beneficial owners of stock. The Company may pay persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositaries, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. The costs of such solicitation are not expected to exceed \$5,000. Directors, officers and regular administrative employees of the Company may solicit proxies personally, by telephone or telegraph but will not be separately compensated for such solicitation services.

Shareholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Any proxy given may be revoked by a shareholder at any time before it is voted at the Annual Meeting and all adjournments thereof by filing with the Secretary of the Company a notice in writing revoking it, or by duly executing and submitting a proxy bearing a later date. Proxies may also be revoked by any shareholder present at the Annual Meeting who expresses a desire to vote such shares in person. Subject to such revocation, all proxies duly

## Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEFR14A

executed and received prior to, or at the time of, the Annual Meeting will be voted FOR the election of all eight of the nominee-directors specified herein, FOR the amendment of the 1996 Stock Option Plan to increase the total number of shares available for grant of options under the Plan from 1,200,000 to 2,200,000 and to extend the term of the Plan until June 19, 2013, and FOR the ratification of the selection of Ernst & Young LLP as the Company's independent public accountants for fiscal year 2003, unless a contrary choice is specified in the proxy. Where a specification is indicated as provided in the proxy, the shares represented by the proxy will be voted and cast in accordance with the specification made. As to other matters, if any, to be voted upon, the persons designated as proxies will take such actions as they, in their discretion, may deem advisable. The persons named as proxies were selected by the Board of Directors of the Company and each of them is a director of the Company.

Your execution of the enclosed proxy will not affect your right as a shareholder to attend the Annual Meeting and to vote in person.

Under the Company's bylaws and California law, shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a

2

---

particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes. Any shares represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to ratification of the selection of Ernst & Young LLP, or the approval of the amendment to the 1996 Stock Option Plan, will have no effect on the vote for such proposal except to the extent the number of shares not voted causes the number of shares voted in favor of the proposal not to equal or exceed a majority of the shares present or represented and entitled to vote at the Annual Meeting (in which case such proposal would not be approved).

### SHAREHOLDERS' VOTING RIGHTS

Only holders of record of the Company's Common Stock, no par value ("Common Stock"), at the close of business on April 25, 2003 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. On such date, there were 19,329,715 shares of Common Stock outstanding, with one vote per share.

With respect to election of directors, assuming a quorum is present, the eight candidates receiving the highest number of votes are elected. See "Nomination and Election of Directors." To ratify the appointment of Ernst & Young LLP, and to approve the amendment to the Company's 1996 Stock Option Plan, assuming a quorum is present, the affirmative vote of shareholders holding a majority of the voting power represented and voting at the meeting (which shares voting affirmatively also constitute at least a majority of the required quorum) is required. A quorum is the presence in person or by proxy of shares representing a majority of the voting power of the Common Stock.

**NOMINATION AND ELECTION OF DIRECTORS  
(PROPOSAL NO. 1 ON PROXY CARD)**

The Company's directors are to be elected at each annual meeting of shareholders. At this Annual Meeting, eight directors are to be elected to serve until the next annual meeting of shareholders and until their successors are elected and qualify. The nominees for election as directors at this Annual Meeting set forth in the table below are all recommended by the Board of Directors of the Company. In the event that any of the nominees for director should become unable to serve if elected, it is intended that shares represented by proxies which are executed and returned will be voted for such substitute nominee(s) as may be recommended by the Company's existing Board of Directors.

The eight nominee-directors receiving the highest number of votes cast at the Annual Meeting will be elected as the Company's directors. Subject to certain exceptions specified below, shareholders of record on the Record Date are entitled to cumulate their votes in the election of the Company's directors (i.e., they are entitled to the number of votes determined by multiplying the number of shares held by them times the number of directors to be elected) and may cast all of their votes so determined for one person, or spread their votes among two or more persons as they see fit. No shareholder shall be entitled to cumulate votes for a given candidate for director unless such candidate's name has been placed in nomination prior to the vote and the shareholder has given notice at the Annual Meeting, prior to the voting, of the shareholder's intention to cumulate his or her votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. Discretionary authority to cumulate votes is hereby solicited by the Board of Directors if any shareholder gives notice of his or her intention to exercise the right to cumulative voting. In that event, the Board of Directors will instruct the proxy holders to vote all shares represented by proxies in a manner that will result in the approval of the maximum number of directors from the nominees selected by the Board of Directors that may be elected with the votes held by the proxy holders.

## REPORT OF AUDIT COMMITTEE

In 2001, the Company adopted a written Charter for the Audit Committee. The Audit Committee assists the Board in overseeing and monitoring the Company's financial reporting practices. The members of the Audit Committee are independent (as such term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards, which are applicable to the Company as a result of the listing of its Common Stock on the Nasdaq Market).

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during fiscal year 2002.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 29, 2002 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

**EMPLOYMENT AGREEMENTS**

Under the employment agreements of the Company with Paul Motenko and Jeremiah Hennessy dated March 25, 1996, and with Ernest Klinger dated June 21, 1999, the change in control provisions of those agreements were triggered in November 2000 as a result of the acquisition of more than 15% of the Company's outstanding Common Stock by The Jacmar Companies. Each of those employment agreements provided that the executive had the right to terminate his contract and receive compensation in accordance with the terms of the contract for its remaining term. Messrs. Motenko and Hennessy advised the Board that they were willing to waive their right to terminate their agreements upon approval by the Board of certain modifications to their employment agreements. These modifications included: (1) an increase in annual base salary from approximately \$150,000 per year to \$225,000 per year, (2) an extension of the agreements to December 31, 2006, and (3) a grant of options for 330,679 shares of Common Stock at an exercise price of \$2.75, subject to approval of the shareholders of the Corporation or, if the shareholders did not approve the option, an increase in base salary by an additional \$170,000 per year. Options were approved at the 2001 Annual Shareholders Meeting and options were granted.

Pursuant to such agreements, the Executives are each entitled to receive annual cash compensation of \$225,000, subject to escalation annually in accordance with the Consumer Price Index (the "CPI"). In addition, the employment agreements entitle each of the Executives to receive two annual bonuses based on the Company's financial performance, one for attainment of specified earnings before interest, amortization, depreciation and income taxes ("EBITDA"), and one for attainment of specified pre-tax income.

The EBITDA bonus entitles each Executive to receive the following amounts if the following EBITDA amounts are attained for each fiscal year during the term of their respective employment agreements:

EBITDA	Cash Bonus
\$ 2,000,000	\$ 25,000
\$ 3,000,000	\$ 35,000
\$ 6,000,000	\$ 80,000
\$ 9,000,000	\$ 150,000

Based on the above bonus formula, for the year ended December 29, 2002, each of Messrs. Motenko, Hennessy and Klinger earned a cash bonus of \$35,000 based on the Company's EBITDA for the year 2002 of approximately \$5,000,000.

The pre-tax income bonus provision of the employment agreements would entitle each Executive to receive the following amounts if the following pre-tax income amounts (as determined by the Company's independent public accountants in accordance with GAAP) are attained for each fiscal year during the term of the employment agreements, commencing with the fiscal year ending December 31, 2001.

Pre-Tax Income	Cash Bonus
\$ 5,972,000	\$ 25,000
\$ 11,943,900	\$ 75,000
\$ 23,887,900	\$ 150,000

Based on the above bonus formula, for the year ended December 29, 2002, each of Messrs. Motenko, Hennessy and Klinger did not earn a bonus based on pre tax income.

The pre-tax income levels required to receive each bonus level for each fiscal year following the 2002 fiscal year are increased by 20% per year.

Messrs. Motenko and Hennessy are entitled to certain other fringe benefits including use of a Company automobile or automobile allowance, life insurance coverage, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans.

The employment agreements further provide that following the voluntary or involuntary termination of their employment by the Company, each Executive is entitled to demand registration rights with respect to the Common Stock held by or issuable to him. Upon the occurrence of any Termination Event (as hereinafter defined), the Company may terminate the employment agreements. If such termination occurs, the Executive will be entitled to receive all amounts payable by the Company under his employment agreement to the date of termination. If the Company terminates the employment agreement for a reason other than the occurrence of a Termination Event or if the Executive terminates the employment agreement because of a breach by the Company of its obligations thereunder or for Good Reason (as hereinafter defined), the Executive will be entitled to receive any and all payments and benefits which would have been due to him from the Company up to and including December 31, 2006 or any extension thereof had his employment not been terminated.

"Termination Event" means any of the following: (i) the willful and continued failure by the Executive to substantially perform his duties under the Employment Agreement (other than any such failure resulting from the Executive's incapacity due to physical or mental illness) after demand for substantial performance is delivered by the Company specifically identifying the manner in which the Company believes the Executive has not substantially performed his duties; (ii) the Executive being convicted of a crime constituting a felony; (iii) the Executive intentionally committing acts or failing to act, either of which involves willful malfeasance with the intent to maliciously harm the business of the Company; (iv) the Executive's willful violation of the confidentiality provisions under the Employment Agreement; or (v) death or physical or mental disability which results in the inability of the Executive to perform the required services for an aggregate of 180 calendar days during any period of 12 consecutive months. No act, or failure to act, on the Executive's part shall be considered "willful" unless intentionally done, or intentionally omitted to be done, by him not in good faith and without reasonable belief that his action or omission was in the best interest of the Company. Notwithstanding the foregoing, a Termination Event shall not have been deemed to have occurred unless and until there shall have been delivered to the Executive a copy of a resolution, duly adopted by the affirmative vote of not less than a majority of the entire membership of the Board at a meeting of the Board called and held for such purpose (after reasonable notice to the Executive and an opportunity for him, together with his counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, the Executive conducted, or failed to conduct, himself in a manner set forth above in clauses (i)-(iv), and specifying the particulars thereof in detail.

For purposes of the Employment Agreement, "Good Reason" shall mean (i) any removal of the Executive from, or any failure to re-elect the Executive to his current office except in connection with termination of the Executive's employment for disability; provided, however, that any removal of the Executive from, or any failure to re-elect the Executive to his current office (except in connection with termination of the Executive's employment for disability) shall not diminish or reduce the obligations of the Company to the Executive under the employment agreement; (ii) a reduction of ten percent (10%) or more in the Executive's then current base salary; (iii) any failure by the Company to comply with any of its obligations to the Executive under the employment agreement; (iv) for any reason within 120 days following a Change of Control (as defined in the employment agreement); or (v) the failure of the Company to obtain the assumption of the employment agreement by any successor to the Company, as provided in the employment agreement.

On December 26, 2000, the Company's former President, Mr. Klinger, voluntarily terminated his employment agreement with the Company under the change in control provisions of his employment agreement, which were substantially identical to those described above with respect to the employment agreements of Messrs. Motenko and Hennessy. Under Mr. Klinger's employment agreement, he now

has certain rights to receive compensation equal to the amount of compensation to which he would have been entitled under his agreement for its remaining term. The Company has recorded an accrual at December 31, 2000 for amounts due under the employment agreement, and the Company intends to pay such amounts as they become due.

Under the three year employment agreement of the Company with Michael A. Nahkunst dated March 20, 2002, the executive is entitled to receive a base salary of \$200,000 per year and an annual bonus of \$67,772 to be paid over the first year of employment. Bonus payments for the second and third year of the agreement are at the discretion of the Company. Mr. Nahkunst also received a stock option grant of 150,000 shares on his first day of employment with vesting over a five year period.

If Mr. Nahkunst is terminated without cause, he is entitled to up to one year of salary payments and all remaining stock options would vest.

## Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEFR14A

Under the employment agreement of the Company with C. Douglas Mitchell dated September 17, 2002, the executive is entitled to receive a base salary of \$150,000 per year and an annual bonus of \$25,000 to be paid over the first year of employment. Bonus payments for subsequent years are at the discretion of the Company. Mr. Mitchell also received a stock option grant of 50,000 shares on his first day of employment with vesting over a five year period.

If Mr. Mitchell is terminated due to a change in control of the Company, he is entitled to up to one year of salary payments and all remaining stock options would vest.

Both Mr. Nahkunst and Mr. Mitchell are each entitled to certain other fringe benefits including an automobile allowance, life insurance, disability insurance, family health insurance and the right to participate in the Company's customary executive benefit plans.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended December 29, 2002, the Board of Directors of the Company determined compensation for the executive officers of the Company as the Board does not maintain a separate Compensation Committee. Messrs. Paul Motenko and Jeremiah Hennessy were executive officers and were on the Board of Directors in 1996 when the prior Employment Agreements between the Company and each of them were approved. In December 2000, when the change in control provisions of their Employment Agreements were triggered by the acquisition of Common Stock of the Company by The Jacmar Companies, the Board of Directors appointed an Independent Committee of the Board, consisting of Stanley Schneider and Barry Grumman, to review and approve new Employment Agreements with Paul Motenko and Jeremiah Hennessy. The new Employment Agreements were approved by the Independent Committee of the Board in December 2000.

Certain of the members of the Company's Board of Directors or their affiliates have entered into transactions or arrangements with the Company during the past fiscal year which transactions and arrangements are described in "Certain Relationships and Related Transactions" below.

### REPORT OF THE BOARD OF DIRECTORS AS TO COMPENSATION

The Board of Directors makes this report on executive compensation pursuant to Item 402 of Regulation S-K. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this Proxy Statement, in whole or in part, this report and the graph which follows this report shall not be incorporated by reference into any such filings, and such information shall be entitled to the benefits provided in Item 402(a)(9) of Regulation S-K.

16

---

The Board of Directors, as a whole, reviews the performance of the Company's officers and key employees. In such capacity, the Board administers the executive compensation plans, reviews programs and policies, and monitors the performance and compensation of executive officers and other key employees, except for Mr. Motenko and Mr. Hennessy whose compensation is established under Employment Agreements described elsewhere in this Proxy Statement. See "Executive Compensation and Other Matters Employment Agreements." The Company's Stock Option Committee makes recommendations regarding option grants to executive officers and other employees pursuant to the Company's 1996 Stock Option Plan.

As to executives and other key employees, other than Messrs. Motenko and Hennessy, the Board establishes compensation designed to achieve an overall level of compensation which is competitive with other companies in the restaurant industry in each geographical area in which the Company operates.

The Company's compensation program consists of three main components: base salary, bonus and long term incentives in the form of stock options. The bonus and long-term incentives constitute the "at risk" portion of the compensation program. In general, compensation is determined based upon individual performance, responsibility and achievement in light of the Company's goals and expectations.

The Board of Directors generally adheres to compensation policies that are designed to (i) attract and retain individuals with outstanding ability, (ii) motivate and reward such individuals for outstanding performance, (iii) create a portion of the total compensation that is based on the performance of the Company as well as of the individual employee and (iv) within the foregoing basic parameters, compensate employees in the middle to the top of the range of compensation offered by comparable companies.

## Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEFR14A

As described above, the Board compensates its co-Chief Executive Officers pursuant to Employment Agreements previously approved by the Board of Directors, as modified and extended with respect to Paul Motenko and Jeremiah Hennessy pursuant to new Employment Agreements effective as of January 1, 2001. Such Employment Agreements provide for basic compensation as well as the possibility of significant additional bonus compensation based upon formulas specifically tied to performance criteria for the Company. The Board of Directors determined, for 2002, that the Company's EBITDA was approximately \$5,000,000 and pretax income was approximately \$2,547,000, and that based on the contractual bonus formula for EBITDA and pretax income, each of Paul Motenko, Jeremiah Hennessy and Ernest Klinger earned a cash bonus of \$35,000 for the year ended December 29, 2002.

Respectfully submitted,

Board of Directors

**APPROVAL OF AMENDMENT TO 1996 STOCK  
OPTION PLAN  
(Proposal No. 2 on Proxy Card)**

The Board of Directors has unanimously approved and recommends to its stockholders the adoption of an amendment to the Company's 1996 Stock Option Plan (the "1996 Plan"). The proposed amendment would increase the number of shares of Common Stock available for grant under the 1996 Plan from 1,200,000 to 2,200,000 and extend the term of the Plan from May 31, 2006 until June 19, 2013.

The primary purpose of the amendment is to provide the Company with sufficient shares in the 1996 Plan allowing it flexibility to use the 1996 Plan to provide an incentive to existing personnel to continue employment with the Company and to allow the Company to use the 1996 Plan to recruit the talent necessary for the future well being of the Company.

**1996 Stock Option Plan**

The Company adopted the 1996 Stock Option Plan (the "1996 Plan") in 1996 and amended the 1996 Plan in 1999 to increase the number of shares available for grant under the Plan from 600,000 to 1,200,000. The following summary of the 1996 Plan is qualified in its entirety by the form of Stock Option Plan previously filed.

**Summary of the 1996 Plan.** The 1996 Plan empowers the Company to award or grant from time to time until May 31, 2006, to officers, directors, outside consultants and employees of the Company and its subsidiaries, Incentive and Non-Qualified Stock Options ("Options") authorized by the Stock Option Committee of the Board of Directors (the "Committee"), which will administer the 1996 Plan.

**Administration.** The 1996 Plan is administered by the Committee. The 1996 Plan provides that the Committee must consist of at least two directors of the Company who are "non-employee directors" within the meaning of Rule 16b-3(b)(3)(i) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Committee has the sole authority to construe and interpret the 1996 Plan, to make rules and procedures relating to the implementation of the 1996 Plan, to select participants, to establish the terms and conditions of Options and to grant Options, with broad authority to delegate its responsibilities to others, except with respect to the selection for participation of and the granting of Options to, persons subject to Sections 16(a) and 16(b) of the Exchange Act.

**Eligibility Conditions.** All employees (including officers) of the Company, its subsidiaries, non-employee directors and outside consultants are eligible to receive Options under the 1996 Plan. Non-employee directors and outside consultants are only eligible to receive Non-Qualified Stock Options under the 1996 Plan. Except for Non-Qualified Stock Options granted to non-employee directors, the selection of recipients of, and the nature and size of, Options granted under the 1996 Plan are wholly within the discretion of the Committee.

**Shares Subject to 1996 Plan.** The maximum number of shares of Common Stock in respect of which Options may be granted under the 1996 Plan (the "Plan Maximum") is currently 1,200,000. The Board of Directors has approved an amendment, subject to shareholder approval, that would increase the maximum number of shares for which Options may be granted to 2,200,000. If any Options previously granted are forfeited, terminated, settled in cash or exchanged for other Options or expire unexercised, the shares of Common Stock previously subject to such Options shall again be available for further grants under the 1996 Plan. The shares of Common Stock which may be issued to participants in the 1996 Plan upon exercise of an Option may be either authorized and unissued Common Stock or issued Common Stock reacquired by the Company. No fractional shares may be issued under the 1996 Plan. The maximum number of shares which can be granted to any one person in any year under the 1996 plan is 500,000 shares.

19

---

The maximum numbers of shares of Common Stock issuable upon the exercise of Options granted under the 1996 Plan are subject to appropriate equitable adjustment in the event of a reorganization, stock split, stock dividend, combination of shares, merger, consolidation or other recapitalization of the Company.

## Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEFR14A

**Transferability.** No Option granted under the 1996 Plan, and no right or interest therein shall be assignable or transferable by a participant except by will or the laws of descent and distribution.

**Term, Amendment and Termination.** The 1996 Plan currently provides for termination on May 31, 2006, except with respect to Options then outstanding. The Board of Directors has approved an amendment, subject to shareholder approval, that would extend the term of the 1996 Plan until June 19, 2013. The Board of Directors of the Company may amend or terminate the 1996 Plan at any time, except that, to the extent restricted by Rule 16b-3 promulgated under the Exchange Act, as amended and in effect from time to time (or any successor rule), the Board of Directors may not, without approval of the stockholders of the Company, make any amendment that would (1) increase the total number of shares available for issuance (except as permitted by the 1996 Plan to reflect changes in capital structure), (2) materially change the eligibility requirements, or (3) materially increase the benefits accruing to participants under the 1996 Plan.

**Incentive Stock Options.** Options designated as Incentive Stock Options, within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), in an amount up to the Plan Maximum may be granted under the 1996 Plan. The number of shares of Common Stock in respect of which Incentive Stock Options are first exercisable by any participant in the 1996 Plan during any calendar year shall not have a fair market value (determined at the date of grant) in excess of \$100,000 (or such other limit as may be imposed by the Code). To the extent the fair market value of the shares for which options are designated as Incentive Stock Options that are first exercisable by any optionee during any calendar year exceed \$100,000, the excess amount is treated as Non-Qualified Stock Options. Incentive Stock Options are exercisable for such period or periods, not in excess of ten years after the date of grant, as shall be determined by the Committee.

**Non-Qualified Stock Options.** Non-Qualified Stock Options may be granted for shares of Common Stock and will be exercisable for such period or periods as the Committee shall determine.

**Options to Non-Employee Directors.** The 1996 Plan also provides for the grant of Options to non-employee directors of the Company without any action on the part of the Board or the Committee, only upon the terms and conditions set forth in the 1996 Plan. Each non-employee director shall automatically receive Non-Qualified Options to acquire 25,000 shares of Common Stock upon appointment, and shall receive Options to acquire an additional 10,000 shares of Common Stock for each additional year that the non-employee director continues to serve on the Board of Directors. Each Option shall become exercisable as to 50% of the shares of Common Stock subject to the Option on the first anniversary date of the grant and 50% on the second anniversary date of the grant, and will expire on the earlier of ten years from the date the Option was granted, upon expiration of the 1996 Plan or three months after the optionee ceases to be a director of the Company (one year if due to the director's death or disability). Each Option shall be subject to the other provisions of the 1996 Plan.

**Option Exercise Prices.** The exercise price of any Option granted under the 1996 Plan shall be at least 85% of the fair market value of the Common Stock on the date of grant, except that the exercise price of any Option granted to any participant in the 1996 Plan who owns in excess of 10% of the outstanding voting stock of the Company shall be 110% of the fair market value of the Common Stock on the date of the grant. The exercise price of any Incentive Stock Options shall be at least 100% of the fair market value on the date of grant. Fair market value per share of Common Stock shall be determined as the closing price per share on the grant date if the Common Stock is listed on an established stock exchange, or as the average of the closing bid and asked prices per share if the

Common Stock is quoted by the Nasdaq National Market, or as the amount determined in good faith by the Committee if the Common Stock is neither listed for trading on an exchange or quoted by the Nasdaq National Market.

**Exercise of Options.** Each option shall become exercisable according to the terms specified in the Option Agreement. No Option may be exercised, except as provided below, unless the holder thereof remains in the continuous employ or service of the Company. No Options shall be exercisable after the earlier of ten years from grant or three months after employment or service as a director of the Company or its subsidiary terminates (one year if such termination is due to the participant's death or disability). Options shall be exercisable upon the payment in full of the applicable option exercise price in cash or, if approved by the Committee, by instruction to a broker directing the broker to sell the Common Stock for which such Option is exercised and remit to the Company the aggregate exercise price of the Option or, in the discretion of the committee, upon such terms as the Committee shall approve, in shares of the Common Stock then owned by the optionee.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of December 29, 2002, Jacmar Companies and their affiliates (collectively referred to herein as "Jacmar") owned approximately 42.0% of the Company's outstanding common stock. Jacmar's ownership was diluted to approximately 42.0% as of December 29, 2002 due to warrant and option exercises during fiscal 2002 which resulted in issuance of 7,537,000 new shares of Common Stock. During fiscal 2001, Jacmar

acquired 6,868,000 shares of common stock increasing its ownership to 68.5% at December 31, 2001 from 15.5% at the beginning of 2001. Common stock activity for Jacmar for the year ended December 31, 2001 was as follows:

Date Acquired	Shares Acquired	Ownership Percentage
Through December 31, 2000	1,190,000	15.5%
January 18, 2001	2,207,000(1)	28.9%
March 13, 2001	661,000(2)	8.6%
April 30, 2001	800,000(3)	3.7%
August 14, 2001	3,200,000(3)	11.8%
December 31, 2001	8,058,000	68.5%
December 29, 2002	8,101,000	42.0%

- (1) On January 18, 2001, BJ Chicago, LLC, an affiliate of the Jacmar Companies, completed a transaction to purchase approximately 2,207,000 shares from ASSI, Inc. (a shareholder of the Company). The Company granted registration rights to Jacmar on the shares purchased from ASSI Inc. Concurrently, the Company issued to ASSI, Inc. an option to purchase 200,000 shares of common stock at an exercise price of \$4.00 per share through December 31, 2005 in exchange for a release of any claims of ASSI, Inc., against the Company and affiliates including any rights it might have had to purchase additional shares from the Company under an agreement that was pending immediately prior to the Jacmar transaction. The Company recorded \$268,000, the estimated fair value of the option upon grant, as a direct cost of the stock offering.
- (2) On March 13, 2001, Jacmar completed a transaction to purchase approximately 661,000 shares of the Company's outstanding common stock from two of the Company's officers.
- (3) The Company entered into an agreement on February 22, 2001 to sell an aggregate of 800,000 shares of common stock to Jacmar at \$2.50 per share, with an option, exercisable by Jacmar prior to August 15, 2001, for an additional 3,200,000 shares of common stock at \$2.50 per share. The 800,000 share transaction closed on April 30, 2001. Jacmar then fully exercised its option to

21

acquire 3,200,000 shares on August 14, 2001. The Company received a favorable fairness opinion regarding the private placement, and the sale was approved by a vote of the shareholders at the Company's annual shareholders' meeting held on July 18, 2001. The Company agreed to grant registration rights on the shares purchased by Jacmar under this agreement.

Jacmar, through its specialty wholesale food distributorship, is the Company's largest supplier of food, beverage and paper products. Jacmar sells products to the Company at prices comparable to those offered by unrelated third parties. Jacmar supplied the Company with approximately \$11,470,000, \$8,945,000 and \$6,647,000 of food, beverage and paper products during fiscal 2002, 2001 and 2000, respectively, and had trade payables related to these products of approximately \$1,038,000 and \$781,000 at December 29, 2002 and December 31, 2001, respectively.

During 2001, the Company repriced a stock option outstanding with an officer. The repricing of options requires variable accounting treatment which results in a future noncash charge to earnings which is directly linked to the movement of the Company's stock price. The Company recorded approximately \$139,000 in compensation expense until the option was exercised by the employee in 2001. The option exercise was funded by a \$150,000 note receivable in 2001, which was paid in full in 2002.

## Edgar Filing: CHICAGO PIZZA & BREWERY INC - Form DEFR14A

Action is to be taken by the shareholders at the Annual Meeting with respect to the ratification of Ernst & Young L.L.P., independent certified public accountants, as independent auditors for the Company for the fiscal year ending December 28, 2003. Ernst & Young does not have, and has not had at any time, any direct or indirect financial interest in the Company or any of its subsidiaries and does not have, and has not had at any time, any connection with the Company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer, or employee. Neither the Company nor any officer or director of the Company has or has had any interest in Ernst & Young.

The Board of Directors of the Company and its Audit Committee has approved Ernst & Young as its independent auditors. Prior thereto, they had questioned partners of that firm about its methods of operation and received assurances that any litigation or other matters involving it would not affect its ability to perform as the Company's independent accountants.

Representatives of Ernst & Young will be present at the Annual Meeting, will have an opportunity to make statements if they so desire, and will be available to respond to appropriate questions.

Notwithstanding the ratification by shareholders of the appointment of Ernst & Young, the Board of Directors or the Audit Committee may, if the circumstances dictate, appoint other independent auditors.

### CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

On November 26, 2001, the Company dismissed PricewaterhouseCoopers LLP ("PwC") as its independent auditors.

The reports of PwC on the Company's financial statements for 2000 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The Company's Audit Committee approved the decision to change independent auditors on November 7, 2001.

In connection with its audits for 2000, and through November 26, 2001, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused them to make reference thereto in their report on the financial statements for such years.

During 2000, and through November 26, 2001, there were no reportable events (as defined in Regulation S-K Item 304 (a)(1)(v)).

The Company has received a letter from PwC addressed to the SEC stating whether or not it agrees with the above statements, and if not, stating the respects in which it does not agree. A copy of such letter is included as Exhibit 16 in the Company's Form 10-K for fiscal 2002.

At a meeting held on November 7, 2001, the Board of Directors approved the engagement of Ernst & Young, LLP ("E&Y") as its new independent auditor, for the fiscal year ending December 31, 2001 to replace PwC. During 2000, and through November 26, 2001, the Company had not consulted with E&Y regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) or the type of audit opinion that might be rendered on the Company's financial statements; or (iii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K. The Company has authorized PwC to respond fully to any inquiries from E&Y relating to its engagement as the Company's independent auditor.

**SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities to file various reports with the Securities and Exchange Commission concerning their holdings of, and transactions in, securities of the Company. Copies of these filings must be furnished to the Company.

During the year ended December 29, 2002, Mr. William Tilley and Mr. J. Roger King did not file on a timely basis a Form 4, but the required reports were subsequently filed by filing a Form 5. In addition, Form 3 filings were not timely filed for Mr. Michael Nahkunst and Mr. C. Douglas Mitchell, but required reports have been subsequently filed.

To the Company's knowledge, based solely on a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers and directors, the Company believes all other filings required to be made by executive officers, directors and greater than 10% beneficial owners of the Company under Section 16 of the Securities Exchange Act of 1934 were made on a timely basis.
