Board of Directors and Committees

The Board of Directors held five meetings in fiscal 2003. The Board of Directors has three standing committees, an Audit Committee, an Executive Committee and a Compensation Committee. The Audit Committee is composed entirely of non-employee directors.

The members of the Audit Committee in fiscal 2003 were of Messrs. Leonard, Neff and Gilman. The Audit Committee advises the Board from time to time with respect to internal controls, systems and procedures, accounting policies and other significant aspects of the financial management of the Company. The Audit Committee also reviews with the Company's independent public accounting firm its audit procedures and other significant aspects of the annual audit made by the independent public accounting firm. The Audit Committee met two times during fiscal 2003.

The members of the Executive Committee are Messrs. Hatcher, Gilman, Mears and Urbanowski. The Executive Committee was established principally to consult with and advise to the Company on potential acquisitions. These services have been provided by the non-employee members to the Company as requested under consulting agreements having a term of one year. During fiscal 2003 the Executive Committee held no meetings but individual members of the committee met with third parties and Company management to assist in the acquisition effort and to make introductions to industry executives.

The Compensation Committee is composed of Messrs. Leonard, Neff, and Urbanowski. The Compensation Committee makes recommendations to the Board of Directors regarding compensation for the Company's executive officers, directors, employees and agents. During fiscal 2003, the Compensation Committee held one meeting.

Compensation of Directors

Each director, including directors who were employees of the Company, received a fee in fiscal 2003 for attending regular meetings of the Board of Directors of \$1,500. Directors are reimbursed for out-of-pocket expenses incurred in attending meetings and for other expenses incurred in performing in their capacity as directors. During fiscal 2003 the Board of Directors of the Company held four regular meetings and one special meeting. In fiscal 2003 each of the five non-employee directors were granted fully vested options to purchase 10,000 shares of Common Stock (50,000 shares total) at an exercise price of \$3.21 per share. Certain non-employee directors who are members of the Executive Committee have consulted with the Company outside of meetings of the Board of Directors and have been compensated \$1,500 each day and been reimbursed for out-of-pocket expenses. In fiscal 2003 the Company paid a fee of \$6,750 to Mr. Mears and \$3,000 to Mr. Urbanowski for those consultations.

Management

Set forth below is a description of the backgrounds of certain significant employees of the Company and KMG in addition to Mr. Hatcher, whose background was described above.

John V. Sobchak, age 43, was employed in 2001 as the Chief Financial Officer of the Company. Before he joined the Company, Mr. Sobchak had been the CFO of Novistar, Inc., a joint venture between Torch Energy Advisors, Inc. and Oracle Corporation and prior to that he had been the Treasurer of Torch Energy Advisors, Inc. He was employed from 1988 to 1997 by Mesa, Inc, a publicly traded oil and gas company, most recently as its Treasurer.

Roger C. Jackson, age 52, was elected Secretary of the Company in 2001 and became Vice President and General Counsel of the Company in 2002. Prior to joining the company, Mr. Jackson had been a partner since 1995 in Woods & Jackson, L.L.P. and had been a partner in the Houston law firm Brown, Parker & Leahy L.L.P. beginning in 1985. He had joined that firm as an associate in 1978.

The Company has adopted a code of business conduct ("Business Code") that applies to all directors, officers and employees. The Code complies with the requirements of a "code of ethics" under Section 406(c) of the Sarbanes-Oxley Act of 2002 and it is available on the Company's website at kmgchemicals.com. The Code requires that any waiver of its provisions by executive officers or directors may be made only by the Board of Directors and must be promptly disclosed to shareholders along with the reason for the waiver.

Roger C. Jackson	50,000	8.00	July 31, 2012	\$ 64,163

All options are fully vested. No other employee was granted options in fiscal 2003. Under the rules of the Securities and Exchange Commission, the Company has elected to provide a grant date valuation for these option grants determined by a Black-Scholes pricing model. The assumptions utilized in this model include: an expected volatility of 60% (derived by using daily closing stock prices for the 12 months preceding the grant date), a dividend yield of 1.9%, an interest rate of 4.4% (the rate on United States treasury notes with a maturity date of 9 years from the grant date), and an expected time of exercise at the option expiration date. The Company does not believe that the values estimated by the Black-Scholes model, or any other model, will necessarily be indicative of the values to be realized by an executive.

Employment, Termination of Employment and Change of Control Agreements

The Company entered into employment agreements with Thomas H. Mitchell and John V. Sobchak in fiscal 2001 and Roger C. Jackson in fiscal 2003. Mr. Mitchell's and Mr. Jackson's agreements have initial three-year term and Mr. Sobchak's agreement has an initial one-year term. Each agreement automatically extends for additional one-year periods at the end of the initial term or any renewal term unless the Company gives at least 60 days prior notice of nonrenewal. If the Company terminates the executive's employment (other than for cause or due to death or disability) or if the executive voluntarily terminates his employment for good reason, the Company must pay the executive a termination payment equal to a multiple of his then annual base salary. For Mr. Mitchell and Mr. Jackson the multiple is three times his then annual base salary and for Mr. Sobchak it is two times. In addition, Mr. Mitchell also would be paid the benefit provided for under the Company's supplemental executive retirement plan. If the termination by the Company or the voluntary resignation for good reason was within one year of a Change of Control, options to acquire Common Stock held by each executive fully vest and the benefit payable to Mr. Mitchell under the supplemental executive retirement plan would be paid in a lump sum. If Mr. Mitchell dies while employed by the Company, his beneficiary will be paid a lump sum payment of \$500,000. A "good reason" includes demotion, relocation or an uncured breach of the employment agreement by the Company and a "Change of Control" includes the acquisition by any individual or group of beneficial ownership of more than 50% of the then outstanding Common Stock or certain business combination transactions.

7

Mr. Bobby G. Godfrey entered into an employment agreement with the Company in fiscal 1998 having a term of seven years and containing a covenant not to compete. If the agreement terminates because of the disability or death of the executive, he would be paid an amount equal to indebtedness then owing by him to the Company. As of the end of fiscal 2003, the amount of that indebtedness was \$48,421. The agreement does not include provisions regarding Change of Control.

In fiscal 2001 the Company adopted a supplemental executive retirement plan. Only persons specifically designated by the Company may be participants in the plan and Thomas H. Mitchell is currently the only participant. The estimated annual benefit payable under the plan to Mr. Mitchell at normal retirement is \$75,000. The plan is unfunded and amounts payable to participants are general obligations of the Company. The plan provides that a participant will be paid a supplemental retirement benefit for 10 years equal to a percentage of the participant's three-year average base salary at normal retirement. Mr. Mitchell's benefit percentage was established under the plan to pay 56% of his three-year average base salary at normal retirement prior to reductions. The benefit payable to participants is reduced by the equivalent actuarial value of Company's other pension plan payments to the participant, if any, the Company's 401(k) plan and one-half of social security benefits. Normal retirement is the earlier of age 65 and completion of 10 years credited service or age 60 with 30 years credited service.

COMPANY'S 1996 STOCK OPTION PLAN

The Company's 1996 Stock Option Plan (the "1996 Plan") was adopted and approved by its shareholders in 1996. The 1996 Plan has been filed previously by the Company (Exhibit 10.5, file number 29278). The 1996 Plan is the Company's only equity compensation plan and the following information is provided for it as of July 31, 2003.

Equity Compensation Plan Information

Plan Category	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column a)
Equity compensation plans approved by security holders	441,148	\$ 4.01	131,412
Equity compensation plans not approved by security holders	None		
Total	411,148	131,412	

Under the 1996 Plan, the Company initially reserved 700,000 shares of Common Stock for issuance pursuant to the exercise of options. The number of shares issuable upon the exercise of options was increased by 70,000 shares in August 2003 as permitted under the 1996 Plan to adjust for a 10% stock dividend in March 2001.

In August 2003 the Board of Directors also approved an amendment to the 1996 Plan to increase the number of shares of Common Stock that may be purchased upon the exercise of options granted under the 1996 Plan (as amended, the "Stock Option Plan"). This amendment increases the number of shares of Common Stock issuable under the Stock Option Plan by an additional 300,000 shares. The amendment is to be effective upon its ratification by the Company's shareholders. Unless extended or earlier terminated, the Stock Option Plan will terminate on August 31, 2007.

The Stock Option Plan is intended to encourage ownership of the Common Stock of the Company by certain of the Company's directors, consultants and key employees and the directors, consultants and key employees of any subsidiary or parent corporation to create an increased interest in and a greater concern for the welfare of the Company.

The Stock Option Plan is intended to qualify for favorable treatment under Section 16 of the Exchange Act, as amended, pursuant to Rule 16b-3 promulgated thereunder ("Rule 16b-3"). The Stock Option Plan provides for the grant of "incentive stock options," as defined in Section 422 of the Internal Revenue Code ("Code") and nonqualified stock options. The Stock Option Plan will be administered either by the Board of Directors or by a committee of two or more "non-employee directors" within the meaning of Rule 16b-3. Subject to the terms of the Stock Option Plan, the Board of Directors or the committee has the authority to grant options under the Stock Option Plan, to amend, construe and interpret it, and to make all other determinations and take any and all actions necessary or advisable for its administration. The directors, consultants and key employees of the Company or any subsidiary or parent corporation are eligible to receive options under the Stock Option Plan, but only salaried employees of the Company or its subsidiaries or parent are eligible to receive incentive stock options.

Options will be exercisable during the period specified in each option agreement and will be exercisable in accordance with a vesting schedule to be designated by the Board of Directors or the committee. Any option agreement may provide that options will become immediately exercisable in the event of a change or threatened change in control of the Company and in the event of certain mergers and reorganizations of the Company. Options may be subject to early termination within a designated period following the optionee's cessation of service with the Company.

The Board of Directors recommends a vote FOR the ratification of the increase in shares of Common Stock issuable under the Company's 1996 Stock Option Plan.

Report of the Audit Committee

Edgar Filing: KMG CHEMICALS INC - Form DEF 14A

The Audit Committee consists of three directors all of whom are independent under the standards of The Nasdaq Stock Market, Inc. The Board of Directors has determined that the Chairman of the Audit Committee, George Gilman, is a financial expert. The Audit Committee operates under a written charter approved by the Board of Directors, a copy of which has been previously filed. As described more fully in its charter, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During fiscal 2003 the Committee met two times.

The Audit Committee reviewed the audited financial statements of the Company for the fiscal year ended July 31, 2003, with the independent auditors. Management has the responsibility for the preparation, presentation and integrity of the Company's financial statements and the independent auditors have the responsibility for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The Audit Committee discussed and reviewed with the independent auditors all communications required by accounting principles generally accepted in the United States of America, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and discussed and reviewed the results of the independent auditors' audit of the financial statements.

In discharging its oversight responsibility with respect to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee also discussed with the auditors any relationship that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's responsibilities, budget and staffing.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its report on Form 10-K for the fiscal year ended July 31, 2003, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of the independent accountants and auditors and the Board concurred in such recommendation.

All Other Fees	8,465	47,849
Total	\$ 135,904	\$ 165,734

The policy of the Audit Committee is to pre-approve of all audit and non-audit services conducted by the Company's independent accountants and auditors. Under the policy, pre-approval is required before the independent accountants are engaged for the particular services. The amount set forth in the above table for "Tax Fees" was for tax return preparation and consulting and the amount described as "All Other Fees" was for services rendered in connection with the Company's acquisition efforts, including certain due diligence assistance. The Audit Committee has considered whether the provision of the services included in other fees is compatible with maintaining the independence of the Company's accountants and auditors.
