PROXY STATEMENT

Solicitation of Proxies

This proxy statement is furnished by the Board of Directors (the "Board") of PRIMEDIA Inc. (the "Company" or "PRIMEDIA" and, where appropriate, together with its subsidiaries), in connection with its solicitation of proxies for use at the annual meeting of stockholders to be held on Wednesday, May 12, 2004, at 10:00 a.m., at the Four Seasons Hotel, 57 East 57th St., New York, NY 10022 and at any and all adjournments thereof. Mailing of this proxy statement and form of proxy will commence on or about April 23, 2004. Holders of record of common stock of the Company, \$.01 par value (the "Common Stock"), at the close of business on April 1, 2004, will be entitled to one vote for each share held on all matters to come before the meeting. On April 1, 2004, there were outstanding 259,995,950 shares of Common Stock. Stockholders are requested to complete, date and sign the enclosed proxy card and promptly return it in the enclosed envelope. Alternatively, stockholders may vote via the Internet or by telephone as indicated on the enclosed materials.

The proxy on the enclosed form may be revoked at any time before it has been exercised. Unless the proxy is revoked or there is a direction to abstain on one or more proposals, it will be voted on each proposal and, if a choice is made with respect to any matter to be acted upon, in accordance with such choice. If no choice is specified, the proxy will be voted as recommended by the Board.

The cost of the preparation of proxy materials and the solicitation of proxies will be borne by the Company.

Voting at the Meeting

A majority of the votes entitled to vote on matters at the meeting constitutes a quorum. If a share is represented for any purpose at the meeting, it is present for all other matters. Abstentions and shares held of record by a broker or its nominee ("Broker Shares") that are voted on any matter are included in determining the number of votes present. Broker Shares that are not voted on any matter at the meeting will not be included in determining whether a quorum is present.

Each matter to be voted on requires a majority of the votes cast. Abstentions and Broker Shares that are not voted on the matter will not be included in determining the number of votes cast.

Stockholders' proxies are received by the Company's independent proxy processing agent, and the vote is certified by independent inspectors of election. Proxies will be kept confidential, except as necessary to meet legal requirements. During the proxy solicitation period, the Company will receive vote tallies from time to time from the inspectors, but such tallies will provide aggregate figures rather than names of stockholders. The independent inspectors will notify the Company if a stockholder has failed to vote so that he or she may be reminded and requested to do so.

CORPORATE GOVERNANCE

Governance Principles

The Board is committed to establishing and maintaining corporate governance practices which reflect the highest standards of ethics and integrity. Toward that end, a Corporate Governance Committee has been established. The Corporate Governance Committee charter and the Company's Corporate Governance Guidelines will be posted on the Company's website at www.primedia.com prior to the annual meeting and are available in print by writing to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151.

Director Independence

Because more than 50% of the stockholder voting power of the Company is held by investment partnerships controlled by Kohlberg Kravis Roberts & Co. L.P. ("KKR"), under the applicable rules of the New York Stock Exchange ("NYSE"), the Company is a "controlled company". As a "controlled company", the Company may elect and has elected not to have a majority of independent directors.

To increase the quality of the Board's oversight and to lessen the possibility of damaging conflicts of interest, the Board intends to have at least three "independent directors", as defined from time to time by the NYSE, by law or by any rule or regulation of any other regulatory body or self-regulatory body applicable to the Company. No director will be considered "independent" unless the Board of Directors affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). The Board has established guidelines to assist it in determining director independence. The independence guidelines are set forth in Annex A of our Corporate Governance Guidelines. Applying these guidelines and the rules of the NYSE and other applicable laws, the Board has determined that the following three directors are independent: David Bell, Timothy D. Dattels and H. John Greeniaus.

All members of the Audit Committee must be independent directors and must meet the Company's independence guidelines and all of the criteria established for audit committee service by the NYSE, the NASD, the Sarbanes-Oxley Act, any other law and any other rule or regulation of any other regulatory body or self-regulatory body applicable to the Company. No member of the Audit Committee of the Board of Directors may serve on the audit committee of more than five public corporations without the approval of the Board.

Code of Ethics

All directors, officers and employees of PRIMEDIA are expected to act in accordance with the Company's Code of Business Conduct and Ethics to ensure that the Company's core values of honesty, fair dealing, ethical business practice, and full disclosure are followed by all. A copy of the Business Conduct and Code of Ethics is posted on the Company's website at www.primedia.com and is available in print by writing to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151.

Stockholder Communications

Stockholders who wish to communicate with a member or members of the Board may do so by addressing their correspondence to such member or members c/o Corporate Secretary, PRIMEDIA Inc., 745 Fifth Avenue, New York, NY 10151.

ELECTION OF DIRECTORS

Board of Directors

The Board has responsibility for establishing broad corporate policies and for the overall performance of the Company. Members of the Board are kept informed of the Company's businesses by various reports and documents sent to them each month as well as by operating and financial reports made at Board and committee meetings by the Chairman of the Board, Chief Executive Officer ("CEO") and other officers.

Regular meetings of the Board are held each calendar quarter. The organizational meeting will follow immediately after the annual meeting of stockholders. The Board held five meetings in 2003 and also acted by unanimous written consent. Each director standing for election attended at least 75 percent of the total number of meetings of the Board of Directors and Board committees of which he or she was a member in 2003.

It is the Company's policy that directors are encouraged to attend the annual meeting of stockholders. Six directors attended the annual meeting in 2003.

Executive Sessions

The directors of the Company who are not officers or employees of the Company will hold regular executive sessions at which management, including the Chairman and the CEO, is not present. Unless the Board determines otherwise, these sessions shall occur, at a minimum, two times a year. In addition, those directors of the Company who have been determined by the Board to be independent shall hold an executive session at which only independent directors shall be present at least once a year. The director with the most seniority in attendance at an executive session shall preside over such executive session.

Committees of the Board

Various committees of the Board have been established to assist it in the discharge of its responsibilities. Those committees are described below. The biographical information on the nominees for director set forth in this proxy statement includes regular committee memberships currently held by each nominee.

The **Audit Committee** in accordance with its duties and obligations set forth in the Audit Committee Charter attached to this proxy statement as Annex A, meets with management, the Company's independent auditors and its internal auditors to consider the adequacy of the Company's internal controls and other financial reporting matters. The Audit Committee engages the Company's independent auditors, discusses with the independent auditors their audit scope and, in connection with determining their independence, reviews the services performed by the independent auditors. The Committee met twelve times in 2003. Timothy Dattels (Chairman), David Bell and H. John Greeniaus presently serve as the members of the Audit Committee. Meyer Feldberg stepped down from the Audit Committee (which he had chaired) effective December 2003 because he did not believe he could devote the time required. The Board has determined that Messrs. Dattels, Greeniaus and Bell each qualify as an "audit committee financial expert" as defined in Section 401(h) of Regulation S-K promulgated by the SEC and that each has accounting and related financial management expertise within the meaning of the NYSE listing standards. The Audit Committee's Report appears elsewhere in this proxy statement. The Audit Committee charter is posted on the Company's website at www.primedia.com and is available by writing to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151.

The **Compensation Committee** is responsible for administering the Company's compensation programs and remuneration arrangements for its senior executives, including the chief executive officer. As a "controlled company" as defined in the applicable rules of the NYSE, the Company may elect and has elected not to have a compensation committee composed entirely of independent directors. The Committee's Report on Executive Compensation appears elsewhere in this proxy statement. The Compensation Committee consists of Henry R. Kravis (Chairman), Perry Golkin and Joseph Bae and met three times in 2003. To meet the requirements for deductibility of certain executive compensation under the Internal Revenue Code of 1986, as amended (the "Code"), the Company established in 1999 the Special Compensation Committee, consisting of Professor Feldberg and Mr. Greeniaus, which did not meet in 2003.

The **Executive Committee** consists of Messrs. Kravis, Golkin and Bae and has authority to act for the Board on all matters during intervals between Board meetings. The Executive Committee met twice and also acted by unanimous written consent during 2003.

The **Corporate Governance Committee** was formed in March 2004 for the purpose of monitoring and making recommendations to the Board on matters of corporate governance. The Corporate Governance Committee members are Meyer Feldberg (Chairman), David Bell, Timothy Dattels and H. John Greeniaus. As a "controlled company" as defined in the applicable rules of the NYSE, the Company may elect and has elected not to have a Corporate Governance Committee composed entirely of independent directors. The Corporate Governance Committee charter and the Company's Corporate Governance Guidelines will be posted on the Company's website at www.primedia.com prior to the Annual Meeting and will be available in print by writing to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151.

Director Nominations

As a "controlled company" as defined in the applicable rules of the NYSE, the Company is not required to have a nominating committee. The Board does not delegate the responsibility of nominating potential new directors to a separate nominating committee because it believes that all directors should be involved in this process. The Board will consider stockholder recommendations for candidates for the Board which should be sent to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151. Such nominations must conform to the procedures set forth in the Company's by-laws, a copy of which is available by writing to PRIMEDIA Inc., Corporate Secretary, 745 Fifth Avenue, New York, NY 10151. The Board also considers candidates recommended by current directors, Company officers, employees and others. Candidates should be individuals with high standards of ethics and integrity, good judgment and who are committed to representing the interests of the stockholders. They should have broad business, governmental, non-profit or professional experience that indicates the candidate will be able to make significant and immediate contributions to the Board's discussions and decisions. They should be able to devote sufficient time and energy to the performance of the duties of a director. The Board's review of a candidate is typically based on any written materials provided with respect to the potential candidate, personal references and interviews. In 2003, the Board did not pay a fee to any third party to identify candidates.

The Nominees

It is proposed that ten directors be elected to hold office until the next annual meeting of stockholders and until their successors have been elected. Unless otherwise marked or indicated a proxy will be voted for such persons. George R. Roberts has decided not to stand for reelection because he does not believe he can devote the necessary time because of other responsibilities. The number of directors constituting the full Board will be reduced to ten upon Mr. Roberts stepping down on May 14, 2004.

Kelly P. Conlin became a Director of the Company when he became CEO and President of the Company in October 2003. Mr. Dattels became a Director of the Company in September 2003. Mr. Charles McCurdy resigned as a director of the Company in October 2003 when he stepped down as President and Interim CEO. Each of the other nominees was elected at the last annual meeting as a director.

Although management does not anticipate that any of the persons named below will be unable or unwilling to stand for election, a proxy, in the event of such an occurrence, may be voted for a substitute designated by the Board. However, in lieu of designating a substitute, the Board may reduce the number of directors.

Compensation of Directors

Directors who are full-time employees of the Company receive no additional compensation for services as a director. Non-employee directors receive an annual all inclusive fee of \$55,000 for all services on the Board and all committees, except that in connection with serving on the Audit Committee of the Board, and in recognition of the additional duties and time commitments required of Audit Committee members, the Chairman of the Audit Committee receives an additional \$30,000 and all other members of the Audit Committee receive an additional \$25,000. Consistent with the past practices of the Company, upon becoming a director of the Company, on September 17, 2003, Mr. Dattels was granted 50,000 options to purchase Common Stock of the Company at an exercise price of \$2.95 per share under the Company's 1992 Stock Purchase and Option Plan, as amended (the "Stock Option Plan"), the then fair market value of the Company's Common Stock.

Pursuant to the Directors' Deferred Compensation Plan, a non-employee director may elect to defer all or part of the fee. Deferred amounts are "credited" to an unfunded cash account or Common Stock equivalent account, as selected by the director. Interest, at PRIMEDIA's average borrowing rate, is credited quarterly for bookkeeping purposes to a director's cash account. Subject to certain restrictions, a director is permitted to take distributions in cash from a cash account or in shares of Common Stock or cash equivalent equal to the then value of credited shares, at the Company's option, in whole or in part, from his account following retirement or termination of service. Two of the current non-employee directors have elected to defer their fees in Common Stock equivalents.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

To Our Stockholders:

The Compensation Committee is responsible for administering executive compensation programs of the Company. Those programs are designed to:

Match the Company's compensation plans to its business strategies as well as the external business environment;

Emphasize the relationship between pay and performance by placing a significant portion of compensation at risk and subject to the achievement of financial goals and objectives;

Maximize profitability through growth and cost efficiency, balancing appropriately the short-term and long-term goals of the Company;

Align the interests of executives with those of stockholders through the use of equity-based incentive awards to link a significant portion of compensation to stockholder value; and

Target executive compensation at a level sufficient to insure PRIMEDIA's ability to attract and retain superior executives.

The Committee believes that compensation for executive officers should be linked to performance. To achieve correlation between executive compensation and performance, the Company targets a significant portion of the compensation paid to an executive officer, assuming performance targets are met, to be at-risk incentive compensation directly related to the performance of the Company, its business units and its Common Stock. This includes annual and longer-term cash bonuses, restricted stock awards, and stock option grants.

Base Salary. Base salary is based on a qualitative evaluation of a variety of factors, including level of responsibility and individual performance. It is the policy of the Committee to review the base salaries of its most senior executives no more frequently than every 15 to 20 months.

Annual Incentives. Annual cash bonuses, principally contingent on meeting revenues, earnings and cash flow performance targets, are provided to senior executives and middle managers. For 2003, over 900 senior executives and middle managers participated in the Company's various executive incentive plans. Each participant's incentive bonus opportunity is specially designed to reflect the participant's personal performance and performance of the business unit of which the participant is part. Bonuses consider both financial performance of the participant's business and personal performance.

Long-Term Performance Awards. The Company's 1992 Stock Purchase and Option Plan, as amended (the "Stock Option Plan"), provides that stock options, restricted stock and performance awards may be granted to key executives who contribute to the growth and profitability of the Company. During 2003, the Company granted stock options and restricted stock under the Stock Option Plan and both restricted stock and options are outstanding under the Stock Option Plan. Effective at the end of 2003, the Company adopted SFAS 123, providing for the expensing of stock options. The Compensation Committee and the Board of Directors believe that the cost of equity compensation, based on Black-Scholes valuation, should be reflected in the Company's results.

The Company on occasion has used cash bonus plans covering two years or more to incentivize performance growth initiatives.

2003, A Year of Chief Executive Officer Transition. From the beginning of 2003 until April 2003, Thomas S. Rogers served as Chairman and Chief Executive Officer of the Company. From

mid-April 2003 through mid-October 2003, Charles G. McCurdy served as President and Interim Chief Executive Officer of the Company. The compensation and termination arrangements for Mr. Rogers and Mr. McCurdy are disclosed under the headings "Executive Compensation" and "Employment Agreements" elsewhere in this proxy statement.

In mid-October, 2003, Kelly Conlin became President and CEO of the Company.

Compensation of Kelly Conlin, Chief Executive Officer. The Company entered into an employment agreement with Mr. Conlin which is described under the heading "Employment Agreements" elsewhere in this proxy statement. Mr. Conlin's compensation under that agreement provides for salary and short-term incentive compensation in the form of a cash bonus conditioned on the Company attaining certain results. The incentive cash compensation is targeted to equal at least half and as much as 100% of his annual salary in line with the Company's policy to maximize incentive-based compensation. For long-term compensation, Mr. Conlin was granted stock options and restricted shares to align his interests with the stockholders. As part of his employment agreement, Mr. Conlin was required to purchase \$500,000 of the Company's Common Stock, which he has already done.

Policy with Respect to Qualifying Compensation for Deductibility and Other Matters. Section 162(m) of the Code generally limits to \$1,000,000 the annual tax deductible compensation paid to a covered officer. However, the limitation does not apply to performance-based compensation, provided certain conditions are satisfied.

The Company's policy is generally to preserve the federal income tax deductibility of compensation paid. Accordingly, the Company has taken, to the extent it believes feasible, appropriate actions to preserve the deductibility of annual incentive, long-term performance, restricted stock and stock option awards. However, notwithstanding the Company's general policy, the Committee retains the authority to authorize payments that may not be deductible if it believes that it is in the best interests of the Company and its stockholders. As the Company is not currently a taxpayer for federal income tax purposes, the loss of deductibility does not have a current effect on the Company.

Under these plans, cash awards are contingent and are based on various factors including earnings performance and cash flow of the Company (or in the case of Messrs. Metz and Ferm, earnings and cash flow of the operations they respectively manage) and the executive's individual performance during the calendar year in question as evaluated by the committee overseeing the plans. The bonus amounts reflected in the table for Messrs. Rogers, McCurdy and Ferm were determined as part of their respective separation agreements with the Company. See "Employment Agreements" for a more detailed description. The amount reflected in the table for Mr. Ferm represents Mr. Ferm's annual target bonus for 2003. Pursuant to Mr. Ferm's severance agreement, he is entitled to receive the greater of his annual target bonus for 2003 and his actual bonus for 2003 calculated pursuant to the Executive Incentive Plan.

Mr. Conlin was required pursuant to the agreement to purchase \$500,000 of Common Stock of the Company, which he has already done. If Mr. Conlin's employment is terminated by reason of death or disability, he is entitled to receive (a) his base salary through the end of the month in which death occurs or in which disability benefits commence, as applicable, (b) if such termination occurs in any year other than 2003 or 2004, 50% of Mr. Conlin's base salary then in effect in lieu of an annual bonus, (c) the Guaranteed Bonus to the extent unpaid on the date of termination, and (d) vesting of outstanding unvested stock options and restricted stock. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time, KKR, which is an affiliate of KKR Associates, may receive customary investment banking fees for services rendered to the Company in connection with divestitures, acquisitions and certain other transactions. In addition, KKR renders management, consulting, acquisition and financial services to the Company for an annual fee of \$1 million payable quarterly in arrears. The Company believes that this fee is no less favorable than that which could be obtained for comparable services from unaffiliated third parties. Partners of KKR who also serve as directors of the Company do not receive additional compensation for service in such capacity, other than customary director's fees.

In August 2001, the Company financed its acquisition of EMAP in part by issuing 1,000,000 shares of Series J Convertible Preferred Stock to KKR 1996 Fund L.P. (a limited partnership associated with KKR) for \$125 million. Dividends on the Series J Convertible Preferred Stock accrue quarterly, at an annual rate of 12.5% and are payable quarterly in-kind.

In 2002, the Company retained Capstone to provide consulting services to the Company primarily to identify and advise on potential opportunities to reduce costs at the Company. In 2003, the Company paid Capstone \$699,000 in cash for consulting services received. Since Mr. Nelson, the Chairman of the Board and a Director of the Company, is the Chief Executive Officer of Capstone, this payment is shown as paid to Mr. Nelson in the Executive Compensation table in this proxy statement under "All Other Compensation." Additionally, although neither KKR nor any entity affiliated with KKR owns any of the equity of Capstone, KKR has provided financing to Capstone.

After engaging in a competitive bidding process, in 2000, the Company retained Willis of New York, Inc. ("Willis"), a subsidiary of Willis Group Holdings Limited, to provide insurance brokerage services to the Company. During the years ended December 31, 2003, 2002 and 2001, the Company paid insurance broker fees aggregating \$395,000, \$358,000 and \$331,000, respectively. On a fully diluted basis, an investment partnership associated with KKR owned more than 20% of Willis as of December 31, 2003.

See the disclosure under "Employment Agreements" elsewhere in this proxy statement for a description of the employment agreements between the Company and certain executive officers.

SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has recommended to the Board that Deloitte & Touche LLP, which firm has been the independent auditors of the Company since the Company's inception in 1992 (and its predecessors from 1989), be continued as auditors for the Company. The stockholders are being asked to approve the Board's decision to retain Deloitte & Touche LLP for the fiscal year ending December 31, 2004. A representative of Deloitte & Touche LLP will be present at the meeting. The representative will be given an opportunity to make a statement if he or she desires to do so and will be available to answer questions.

Principal Accountant Fees and Services

The following table sets forth the aggregate fees billed to the Company for the years ended December 31, 2003 and 2002 by the Company's principal accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, "Deloitte & Touche"):

	Fiscal year ended

All Other Fees(c)		
Total Fees	\$ 6,697,000	\$ 7,293,000

- (a) Includes fees for consultation on financial accounting and reporting standards, acquisition related services, employee benefit plan audits and Sarbanes-Oxley Act Section 404 implementation assistance.
- (b) Includes tax consultation services.
- (c) None.

Policy on Approval of Independent Auditor Fees and Services

The services performed by Deloitte & Touche in fiscal 2003 were pre-approved by the Audit Committee in accordance with the pre-approval policy and procedures adopted by written consent of the Audit Committee dated June 19, 2003. This policy describes the permitted audit, audit-related, non-audit related (tax) and non-permitted services (all other fees) (collectively, the "Disclosure Categories") that Deloitte & Touche may perform. The policy requires that prior to the beginning of each fiscal year audit, a description of services ("Service List") to be performed by Deloitte & Touche in each of the Disclosure Categories must be presented to the Audit Committee for approval. In 2003, all services included on the Service List were pre-approved following the policies and procedures of the Audit Committee.

Any requests for audit, audit-related, and non-audit related (tax) services not included on the Service List must be submitted to the Audit Committee for specific pre-approval. Generally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the Chairman of the Audit Committee, or any member of the Committee in the absence of the Chairman. In the event unexpected matters arise requiring services by Deloitte & Touche not included on the Service List, Company management may approve the services for limited amounts. In the event any of the audit-related services or non-audit related services are authorized by less than all members of the Audit Committee, the Chief Accounting Officer of the Company shall notify any members of the Audit Committee who did not participate in such determination of the services and fees authorized.

Edgar Filing: PRIMEDIA INC - Form DEF 14A

On a quarterly basis, the Audit Committee reviews the status of services and fees incurred year-to-date against the original Service List and the forecast of remaining services and fees for the fiscal year.

AUDIT COMMITTEE REPORT

In accordance with the Audit Committee Charter, attached hereto as Annex A, the Audit Committee of the Board (the "Committee") assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of PRIMEDIA Inc. During year 2003, the Committee met twelve times, including meetings whereby the Committee discussed the financial information contained in each quarterly earnings announcement and in each quarterly Form 10-Q and in the Form 10-K with senior management, including the Chief Financial Officer and Chief Accounting Officer, as well as the independent auditors, Deloitte & Touche, prior to public release.

In discharging its oversight responsibility as to the audit process, the Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and discussed with the auditors any relationships that may impact their objectivity and independence. The Committee satisfied itself as to the auditors' independence.

The Committee also discussed with management and the internal auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks. The Committee also discussed the responsibilities and staffing of the Company's accounting and financial reporting functions with senior management and Deloitte & Touche, as well as reviewed periodic updates on the Company's implementation of an enterprise-wide general ledger system, refinement of its business continuity planning and preparation for the Company's certification and related independent auditor attestation for internal controls over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002.

The Committee discussed and reviewed with the independent auditors all communications required by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' audit of the financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the audited financial statements of the Company as of and for the year ended December 31, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements. The Company's independent auditors are responsible for auditing the financial statements. The Audit Committee responsibility is to monitor and review the financial processes and procedures designed to insure compliance with accounting standards and applicable laws and regulations.

Based on the above-mentioned review and discussions with management, the independent auditors and the internal auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of the independent auditors and the Board concurred in such recommendation.

The Board of Directors Recommends a Vote FOR the Selection of Independent Auditors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers, and persons who own more than 10% of a registered class of its equity securities to file reports of ownership and reports of changes in ownership of such equity securities with the Securities and Exchange Commission (the "SEC"). Directors, executive officers and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such forms furnished to the Company and written representations that no other reports were required, the Company believes that all of its directors, executive officers and greater than 10% stockholders complied with all Section 16(a) filing requirements.

OTHER MATTERS

Management knows of no other business that will be presented to the meeting for a vote, except that stockholder proposals not included in this proxy statement may be presented. If other matters properly come before the meeting, the persons named as proxies will vote on them in accordance with their best judgment.

In addition to the use of the mails, some of the officers and regular employees of the Company may solicit proxies by telephone and will request brokerage houses, banks and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of Common Stock held of record by such persons. The Company will reimburse such persons for expenses incurred in forwarding such soliciting material. It is contemplated that additional solicitation of proxies will be made in the same manner under the engagement and direction of Georgeson & Co., at an anticipated cost of less than \$5,000, plus reimbursement of out-of-pocket expenses.

The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, including certified financial statements and all other information required to be included in an annual report to shareholders, has been furnished to all persons who were shareholders of the Company on the record date for the annual meeting of stockholders.
