Item 5. Other Events.

On August 16, 2004, BIO-key International, Inc. (the "Company") entered into a definitive agreement with Aether Systems, Inc. ("Aether") to purchase its Mobile Government Division for \$10 million in cash. It is anticipated that \$4.5 million in net working capital will be included in the assets and liabilities being conveyed, and that the acquisition will be financed using the Company's existing cash resources and new debt. In addition to the cash purchase price, the Company will either replace or secure the release of up to \$10.75 million of credit support arrangements that Aether currently has in place for its Mobile Government Division. Aether has agreed to accept a subordinated, secured note from the Company for up to \$8 million of this credit support if the Company cannot arrange to replace or release all of it by closing. The closing is expected to occur on or about September 30, 2004, and is subject to customary closing conditions.

On August 16, 2003, the Company issued a press release announcing the signing of the agreement, a copy of which is included as Exhibit 99.1 to this report.
