PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS To Be Held May 3, 2005

GENERAL INFORMATION

The enclosed proxy is being solicited by the Board of Directors of Aaron Rents, Inc. (the "Company") for use at the 2005 annual meeting of shareholders to be held on Tuesday, May 3, 2005 (the "Annual Meeting"), and any adjournment thereof.

Each proxy that is properly executed and returned by a shareholder will be voted as specified thereon by the shareholder unless it is revoked. Shareholders are requested to execute the enclosed proxy and return it in the enclosed envelope. If no direction is specified on the proxy as to any matter being acted upon, the shares represented by the proxy will be voted in favor of such matter. Any shareholder giving a proxy has the power to revoke it at any time before it is voted by executing another proxy bearing a later date or by written notification to the Secretary of the Company. Shareholders who are present at the Annual Meeting may revoke their proxy and vote in person.

The presence, in person or by proxy, of holders of a majority of the outstanding shares of the Company's Class A Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. The affirmative vote of a plurality of the holders of shares of the Company's Class A Common Stock present, in person or represented by proxy, at the Annual Meeting will be necessary to elect the nominees for director listed in this Proxy Statement. Assuming the presence of a quorum, the Aaron Rents, Inc. Executive Bonus Plan ("Executive Bonus Plan") will be approved if more shares of Class A Common Stock are voted in favor of approval than against it. For other matters that may be properly presented at the Annual Meeting, the matter will also be approved if more shares of Class A Common Stock are voted in favor of the matter than against it, unless a greater vote is required by law.

Abstentions and broker non-votes will be included in determining whether a quorum is present at the Annual Meeting, but will otherwise have no effect on the election of the nominees for director or the approval of the Executive Bonus Plan. Broker non-votes are proxies received from brokers or other nominees holding shares on behalf of their clients who have not received specific voting instructions from their clients with respect to non-routine matters.

Only shareholders of record of Class A Common Stock at the close of business on March 11, 2005 are entitled to vote at the Annual Meeting. A list of all shareholders entitled to vote will be available for inspection at the Annual Meeting. As of March 11, 2005, the Company had 8,396,233 shares of Class A Common Stock and 41,371,818 shares of Common Stock outstanding. Each share of Class A Common Stock entitles the holder thereof to one vote for the election of directors, one vote for approval of the Executive Bonus Plan and any other matters that may properly come before the Annual Meeting. The holders of the Common Stock are not entitled to vote with respect to the election of directors or the other proposal described herein or with respect to most other matters presented to the shareholders for a vote.

The Company will bear the cost of soliciting proxies, including the charges and expenses of brokerage firms, banks, and others for forwarding solicitation material to beneficial owners of shares of the Company's Class A Common Stock. The principal solicitation is being made by mail; however, additional solicitation may be made by telephone, telegraph, or personal interview by officers of the Company who will not be additionally compensated therefore. It is anticipated that this Proxy Statement and the accompanying proxy will first be mailed to shareholders on April 6, 2005.

Based solely on copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all applicable Section 16(a) filing requirements were complied with by its directors, officers, and more than 10% shareholders during the year ended December 31, 2004, except that: (1) a Form 4, relating to the issuance of shares of Common Stock in lieu of cash for directors' fees, was inadvertently not timely filed on two separate occasions for each of Mr. Kolb and Ms. Jones, (2) a Form 4 relating to the purchase of Common Stock by Mr. Robinson, was inadvertently not timely filed and

ELECTION OF DIRECTORS
(Item 1)

The Board of Directors is responsible for directing the management of the Company. The Company's Bylaws provide for the Board of Directors to be comprised of eleven members. The Board recommends the election of the ten nominees listed below to constitute the entire Board, who will hold office until the next annual meeting of shareholders and until their successors are elected and qualified. If, at the time of the Annual Meeting, any of such nominees should be unable to serve, the persons named in the proxy will vote for such substitutes or will vote to reduce the number of directors for the ensuing year, as the Board recommends, but in no event will the proxy be voted for more than ten nominees. Management has no reason to believe any substitute nominee or reduction in the number of directors for the ensuing year will be required. The Board has not named an eleventh nominee for director, which will result in a vacancy on the Board until the Board names additional nominees or reduces the size of the Board to ten members.

Edgar Filing: AARON RENTS INC - Form DEF 14A

There are no family relationships among any of the executive officers, directors, and nominees of the Company, except that Robert C. Loudermilk, Jr. is the son of R. Charles Loudermilk, Sr.

The Board held four meetings during the year ended December 31, 2004 with each director attending 100% of the aggregate of the total number of meetings of the Board and the total number of meetings of all committees on which he or she served. The Board has determined that Messrs. Allen, Benatar, Dolive, Kolb and Robinson and Ms. Jones are independent directors under the listing standards of the New York Stock Exchange. The Board believes that it should be sufficiently represented at the Company's annual meetings of shareholders. Last year all of the Board's members attended the annual meeting.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF ALL 10 NOMINEES.

Committees of the Board of Directors

The Board has a standing Audit Committee which is composed of Messrs. Allen, Dolive, and Kolb. All of the members of the Committee are "independent" within the meaning of the listing standards of the New York Stock Exchange, and the Board has determined that Mr. Dolive is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission. The function of the Audit Committee is to assist the Board of Directors in fulfilling their oversight responsibility relating to: the integrity of the Company's financial statements; the financial reporting process; the systems of internal accounting and financial controls; the performance of the Company's internal audit function and independent auditors; the independent auditors' qualifications and independence; and the Company's compliance with ethics policies and legal and regulatory requirements. Among other responsibilities, the Audit Committee is directly responsible for the appointment, compensation, retention, and termination of the independent auditors, who report directly to the Committee. The Audit Committee operates pursuant to a written charter adopted by the Board, a copy of which may be obtained from the Company's website at www.aaronrents.com or without charge, to any shareholder, upon request, in writing to the Corporate Secretary, Aaron Rents, Inc., 309 E. Paces Ferry Road, N.E., Atlanta, Georgia 30305-2377. The Audit Committee held six meetings during the year ended December 31, 2004. Please see page 19 for the 2004 Audit Committee Report.

The Board has a Stock Option Committee, which is composed of Mr. Robinson and Ms. Jones. The function of the Stock Option Committee is to administer the Company's stock option plans. The Stock Option Committee held six meetings during the year ended December 31, 2004.

At its February 22, 2005 meeting, the Board established a Special Committee, initially comprised of Messrs. Benatar and Kolb, to examine certain executive compensation and corporate governance matters on behalf of the Board.

The Board does not have a nominating or compensation committee. Certain New York Stock Exchange listing criteria related to nominating and compensation committees and the composition of the Board are not applicable to the Company because a majority of its voting Class A Common Stock is beneficially owned by the Chairman and Chief Executive Officer, Mr. Loudermilk, Sr.

In addition to these committees, the non-management and independent members of the Board meet from time to time in executive session, without management present. These meetings are currently chaired by Leo Benatar.

Director Nominations

The Board of Directors is responsible for considering and making recommendations to the shareholders concerning nominees for election as director at the Company's meetings of shareholders, and

nominees for appointments to fill any vacancy on the Board. Because of the practical necessity that a candidate for director must be acceptable to Mr. Loudermilk, Sr., in his capacity as holder of a majority of the Company's voting stock, in order to be elected, the Board believes it is desirable for the nominations function to be fulfilled by the full Board, including Mr. Loudermilk, Sr., rather than by a nominating committee that does not include him.

To fulfill its nominations responsibilities, the Board periodically considers the experience, talents, skills and other characteristics the Board as a whole should possess in order to maintain its effectiveness. In determining whether to nominate an incumbent director for reelection, the Board evaluates each incumbent's continued service, in light of the Board's collective requirements. When the need for a new director arises (whether because of a newly created Board seat or vacancy), the Board proceeds by whatever means it deems appropriate to identify a qualified candidate or candidates. The Board evaluates the qualifications of each candidate. Final candidates are generally interviewed by one or more Board members before the Board makes a decision.

At a minimum, directors should have high moral character and personal integrity, demonstrated accomplishment in his or her field and the ability to devote sufficient time to carry out the duties of a director. In addition to these minimum qualifications, in evaluating candidates the Board may consider all information relevant in their business judgment to the decision of whether to nominate a particular candidate for a particular Board seat, taking into account the then current composition of the Board. These factors may include: a candidate's professional and educational background, reputation, industry knowledge and business experience, and the relevance of those characteristics to the Company and the Board; whether the candidate will complement or contribute to the mix of talents, skills and other characteristics needed to maintain the Board's effectiveness; the candidate's ability to fulfill the responsibilities of a director and of a member of one or more of the Board's standing committees; and input from the Company's majority shareholder.

Nominations of individuals for election to the Board at any meeting of shareholders at which directors are to be elected may be made by any shareholder entitled to vote for the election of directors at that meeting by complying with the procedures set forth in Article III, Section 3 of the Company's Bylaws. Article III, Section 3 generally requires that shareholders submit nominations by written notice to the President setting forth certain prescribed information about the nominee and nominating shareholder. That section also requires that the nomination be submitted at a prescribed time in advance of the meeting, as described below in SHAREHOLDER PROPOSALS FOR 2006 ANNUAL MEETING.

The Board will consider including in its slate of director nominees for an annual shareholders' meeting a nominee submitted to the Company by a shareholder. In order for the Board to consider such nominees, the nominating shareholder should submit the information about the nominee and nominating shareholder described in Article III, Section 3 of the Bylaws to the President at the Company's principal executive offices at least 120 days before the first anniversary of the date that the Company's Proxy Statement was released to shareholders in connection with the previous year's annual meeting of shareholders. The nominating shareholder should expressly indicate that such shareholder desires that the Board consider such shareholder's nominee for inclusion with the Board's slate of nominees for the meeting. The nominating shareholder and shareholder's nominee should undertake to provide, or consent to the Company obtaining, all other information the Board requests in connection with its evaluation of the nominee.

The shareholder's nominee must satisfy the minimum qualifications for director described above. In addition, in evaluating shareholder nominees for inclusion with the Board's slate of nominees, the Board may consider all relevant information, including the factors described above; whether there are or will be any vacancies on the Board; and the size of the nominating shareholder's holdings in the Company and the length of time such shareholder has owned such holdings.

**APPROVAL OF THE AARON RENTS, INC. EXECUTIVE BONUS PLAN
(Item 2)**

Subject to approval by the Company's shareholders with respect to payments to the Chief Executive Officer, the Board of Directors on March 31, 2005 adopted the Aaron Rents, Inc. Executive Bonus Plan (the "Executive Bonus Plan") effective as of January 1, 2005. Shareholder approval of the Executive Bonus Plan is sought in order to qualify the Executive Bonus Plan under Section 162(m) of the Internal Revenue Code and to thereby allow the Company to deduct for federal income tax purposes all compensation paid under the Executive Bonus Plan to the Chief Executive Officer.

This summary of certain features of the Executive Bonus Plan is qualified in its entirety by reference to the full text of the Executive Bonus Plan, which is set forth in Appendix A.

General

The purpose of the Executive Bonus Plan is to further the growth and financial success of the Company by offering performance incentives to designated executives who have significant responsibility for such success. The Executive Bonus Plan will be administered by the Special Committee or other committee designated by the Board (the "Committee"), subject to the Committee's right to delegate to the Chief Executive Officer and others responsibility for administration of the Executive Bonus Plan as it relates to participants other than the Chief Executive Officer. Persons eligible to participate in the Executive Bonus Plan are the executive officers and other executives of the Company, its operating units, or its affiliates who are in management positions designated as eligible for participation by the Committee or its designee. The Executive Bonus Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Executive Bonus Plan may be amended, suspended or terminated by the Committee at any time, subject to ratification by the Board and to the consent of each participant whose rights with respect to an award that has been determined and approved would be adversely affected. Unless terminated, the Executive Bonus Plan will remain in effect until awards thereunder are paid for the Company's fiscal year ending in 2009.

Awards Under the Executive Bonus Plan

Prior to, or as soon as practical after, the commencement of each fiscal year, the Committee will establish plan rules for that year with respect to the following matters: (a) employees who are eligible to participate; (b) performance targets and the measurement criteria for determining the level of achievement of the performance targets; (c) the dollar amount or the percentage of a participant's base salary which may be paid as an incentive award at specified levels of achievement of the performance targets; (d) the form of payment of an incentive award; and (e) the times and conditions subject to which any incentive award may become payable. Performance criteria for the Chief Executive Officer will include one or more of the following: earnings before interest and taxes (EBIT), earnings before interest, taxes, depreciation and amortization (EBITDA), pre-tax earnings, return on capital employed, cash flow, cash flow return, operating income, inventory turnover ratio, cost reductions, leverage ratios, gross margin, product introduction, sales, net income, earnings per share, return on equity, return on assets (or net assets), investments, pre-tax profit, after-tax profit, market value of the Company's stock, total shareholder return, utilize the above economic profit, capitalized economic profit, and strategic business objectives consisting of one or more objectives based on meeting specified cost targets, business expansion goals, and goals related to acquisitions and divestitures. The Committee may establish other performance criteria for participants other than the Chief Executive Officer or it may establish other criteria. The maximum incentive award payable to a participant in any year will be \$2.5 million.

After the end of each fiscal year, the Committee will certify the extent to which the performance criteria have been achieved for that year. In measuring performance, the Committee may adjust the

Company's financial results to exclude the effect of unusual charges or income items which distort year-to-year comparisons of results and other events, including acquisitions or dispositions of businesses or assets, recapitalizations, reorganizations, or reductions in force. With respect to the Chief Executive Officer and other participants designated by the Committee, the Committee shall exclude such items whose exclusion has the effect of increasing achievement of performance criteria if such items constitute "extraordinary items" under generally accepted accounting principles or are unusual events or items. The Committee will also make adjustments to eliminate the effect of unanticipated changes in the tax or accounting rules and regulations.

Incentive awards shall be approved by the Committee, subject to ratification by the Board when required under the Plan or elected by the Committee, based on the Plan rules then in effect and the achievement of performance criteria as certified by the Committee. The Committee may in its discretion grant awards to deserving participants, except the Chief Executive Officer, notwithstanding levels of achievement of performance criteria.

Awards will generally be made in lump sum cash payments or in such other form as the Committee may specify at the beginning of the year. Payment will be made as soon as practicable after determination of awards.

A partial incentive award may be authorized by the Committee for a participant who is terminated without cause or who retires, dies, or becomes permanently and totally disabled. Otherwise, no award will be paid to a participant who is not an active employee of the Company, an operating unit, or an affiliate at the end of the fiscal year to which the award relates. In general and unless with respect to some or all participants, the Committee has established a different rule, upon the occurrence of a Change in Control (as defined in the Executive Bonus Plan), the participant's incentive award for that year will be deemed to have been fully earned for the year, with deemed performance at the target level; will be prorated for the portion of the year that has elapsed; and will be paid within thirty days after the effective date of the Change in Control.

Federal Tax Consequences

An award under the Executive Bonus Plan will constitute taxable ordinary income to the participant to the extent it is paid in cash. Generally, the Company will be entitled to a corresponding deduction.

Section 162(m) of the Internal Revenue Code limits to \$1 million the amount of compensation that may be deducted in any tax year with respect to a named executive officer (generally, the executive officers who would be listed for a fiscal year in the Summary Compensation Table appearing on page 12 hereof), with an exception for certain performance-based compensation. The Executive Bonus Plan is designed, and is to be administered, to qualify payments to the Chief Executive Officer and other participants designated by the Committee for that performance-based exception, so that such payments are deductible by the Company.

2005 Awards

For fiscal year 2005, each Named Executive Officer has been granted an opportunity to receive a cash incentive award under the Executive Bonus Plan. Because the performance periods have not yet been completed, the amount of annual incentive compensation to be paid in the future to the Company's current or future Named Executive Officers cannot be determined at this time. Actual amounts will depend on actual performance measured against the attainment of the pre-established performance goals.

The Named Executive Officers earned annual cash incentives for 2004 under the Company's existing bonus program as set forth in the Summary Compensation Table and described in the Board Report on Executive Compensation.

Vote Required for Approval of the Executive Bonus Plan

The presence, in person or by proxy, of holders of a majority of the outstanding shares of the Company's Class A Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. In the event the Executive Bonus Plan is not approved by the Company's stockholders, the Board will take such action with respect to incentive awards as it considers to be in the best interests of the Company, consistent with the compensation policies set forth in the Board of Directors' Report on Executive Compensation on pages 13 and 14.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE EXECUTIVE BONUS PLAN, AND THE ENCLOSED PROXY WILL BE VOTED IN THAT MANNER UNLESS THE SHAREHOLDER EXECUTING THE PROXY SPECIFICALLY VOTES TO THE CONTRARY OR ABSTAINS FROM VOTING ON THIS PROPOSAL.

Board of Directors' Report on Executive Compensation

General. Decisions on compensation of the Company's executive officers generally are made by the entire Board of Directors, based upon the recommendation of the Chief Executive Officer. The objectives of the Company's compensation program are to enhance the profitability of the Company, and thus shareholder value, by aligning executive compensation with the Company's business goals and performance and by attracting, retaining and rewarding executive officers who contribute to the long-term success of the Company. In determining the compensation to be paid to the executive officers of the Company, the directors rely upon their own knowledge of compensation paid to executives of companies of comparable size and complexity. Such companies are not limited to those comprising the Peer Group in the Five-Year Shareholder Return Comparison graph. They also consider the performance of the Company and the merits of the individual under consideration.

Salary. The Chief Executive Officer makes recommendations annually to the Board of Directors regarding the base salary, if any, for the Company's executive officers, including himself, based upon the profitability of the Company and the level of responsibility, time with the Company, contribution and performance of the executive officer. The beginning point for determining such salaries is the salary the executive officer received in the prior fiscal year. The Chief Executive Officer received a salary of \$454,000 for the year ended December 31, 2004, which represented no change in his salary from fiscal 2003 or 2002. The other Named Executive Officers received raises as set forth in the Summary Compensation Table, in accordance generally with the principles set forth above.

Bonus. For 2004, the Company's annual incentive bonus program was based solely on the Company's financial performance. The Board of Directors approved incentive bonus plans for the following Named Executive Officers: Messrs. Loudermilk, Sr., Loudermilk, Jr., Danielson, and Butler. In addition, Messrs. Loudermilk, Sr. and Butler established a bonus plan for Mr. Evans. The bonus plans for Messrs. Loudermilk, Sr., Loudermilk, Jr., and Danielson provided for the payment to them of cash incentives equal to specified percentages of the pre-tax earnings of the Company for its 2004 fiscal year (without giving effect to bonuses), provided that 2004 pre-tax earnings exceeded those of 2003 (after giving effect to bonuses). The bonus plans for Messrs. Butler and Evans were similar, except that their bonuses depended, in Mr. Butler's case, on the cash basis pre-tax earnings of the Aaron's Sales & Lease Ownership Division, and in Mr. Evans' case, on achievement of quarterly pre-tax profit objectives for the Aaron's Sales & Lease Ownership Division's franchise operations and on new franchise store opening goals.

Mr. Loudermilk, Sr.'s bonus opportunity was equal to 1% of the Company's pre-tax earnings for fiscal 2004. Factors considered in setting his bonus opportunity included the successful acceleration of the Company's growth plans and continued improvement in the Company's financial condition.

In accordance with these previously established incentive plans, the Board of Directors approved the payment of the incentive bonuses for 2004 to the Named Executive Officers in the amounts set forth in the Summary Compensation Table, as it had been determined that the objectives had been met. In addition, Mr. Butler was awarded a discretionary \$50,000 bonus in December 2004, which is also included in the table.

Stock Options. The Company in the past has used grants of stock options to its key employees and executive officers to more closely align the interests of such employees and officers with the interests of its

shareholders. Options and awards equivalent to 855,388 shares of Common Stock were awarded to officers and employees during the year ended December 31, 2004. Details on options granted to the Named Executive Officers in 2004 are set forth in the Option Grants in Last Fiscal Year table. The amount and nature of prior awards are generally considered in determining new option awards for executive officers, although other factors, such as the need to retain experienced managers, are also considered.

Compensation Deductibility. An income tax deduction under federal law will generally be available for annual compensation in excess of \$1 million paid to the Named Executive Officers only if that compensation is "performance-based" and complies with certain other tax law requirements. In order to help preserve deductibility of compensation, the Company is submitting its Executive Bonus Plan to the shareholders for approval at the Annual Meeting, as described in Item 2 Approval of Executive Bonus Plan. Although the Board considers deductibility issues when approving executive compensation, the Board believes that other compensation objectives, such as attracting, retaining and providing incentives to qualified executives, are important and may supersede the goal of maintaining deductibility. Consequently, the Board may make compensation decisions without regard to deductibility when it is in the best interests of the Company and its shareholders to do so.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has no compensation committee. The Board of Directors of the Company, upon the recommendation of the Chairman and Chief Executive Officer, determines the annual compensation payable to its executive officers. The following directors of the Company served as officers or employees of the Company or its subsidiaries during the last fiscal year or prior thereto: R. Charles Loudermilk, Sr., Robert C. Loudermilk, Jr., Gilbert L. Danielson, and William K. Butler, Jr.

The Company purchased a parcel of land in 2000 and finished construction in 2001 of an approximately 50,000 square foot building which accommodates the Company's financial and information technology operations. The cost of this land and building was approximately \$6.1 million. During April 2002, the Company sold the land and building to a limited liability company whose sole owners are Mr. Loudermilk, Sr. and Mr. Loudermilk, Jr. for approximately \$6.3 million. The Company loaned the limited liability company approximately \$1 million to partially finance the acquisition, and the loan plus interest was paid back to the Company shortly after closing. The Company is leasing this facility from the limited liability company under a 15-year lease with a current rent of approximately \$617,000 annually.

Aaron Ventures I, LLC ("Aaron Ventures") was formed in December 2002 for the purpose of acquiring properties from the Company and leasing them. Messrs. Loudermilk, Sr., Butler, Rogovin and Cates are the managers of Aaron Ventures, and its owners are all officers of the Company, including all of the Named Executive Officers and six other executive officers. The combined ownership interest for all Named Executive Officers represents 47.37% of which Mr. Loudermilk Sr.'s interest is 10.53%. In December 2002, Aaron Ventures purchased eleven properties from the Company, all former Heilig-Meyers stores, for a total purchase price of \$5,000,000. The Company acquired these properties from Heilig-Meyers in 2001 and 2002 for an aggregate purchase price of approximately \$4,000,000. The price paid by Aaron Ventures was arrived at by adding the Company's acquisition cost to the cost of improvements made by the Company to the properties prior to the sale to Aaron Ventures. In September

of 2004, Aaron Ventures purchased an additional eleven properties from the Company for a total purchase price of \$6,895,000. The Company had acquired these properties over a period of several years. The purchase price paid by Aaron Ventures was determined from the individual fair market valuation and the results of current formal written appraisals completed for each location. Aaron Ventures currently leases all of the above properties to the Company for 15-year terms at an annual rental of approximately \$1,475,000.

Each of two irrevocable trusts holds a cash value life insurance policy on the life of Mr. Loudermilk, Sr., the aggregate face value of which is \$4,400,000. The Company and the Trustee of such trusts are parties to split-dollar agreements pursuant to which the Company has agreed to make all payments on the policies until Mr. Loudermilk, Sr.'s death. Upon his death, the Company will receive the aggregate cash value of those policies, which as of December 31, 2004 represented \$2,259,278 and the balance of such policies will be payable to the trusts or beneficiaries of such trusts. The premiums paid by the Company on these policies during the year ended December 31, 2004 totaled \$253,230.

The Audit Committee of the Company's Board of Directors reviews all material transactions between the Company and the Company's directors and executive officers.

To help fulfill this responsibility, the Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy ("Policy"). Under the Policy, all auditor services must be pre-approved by the Audit Committee either (1) before the commencement of each service on a case-by-case basis called "specific pre-approval" or (2) by the

description in sufficient detail in the Policy of particular services which the Audit Committee has generally approved, without the need for case-by-case consideration called "general pre-approval." Unless a particular service has received general pre-approval, it must receive the specific pre-approval of the Committee or the Chairman of the Committee. The Policy describes the audit, audit-related and tax services which have received general pre-approval these general pre-approvals allow the Company to engage the independent accountants for the enumerated services for individual engagements up to the fee levels prescribed in the Policy. The annual audit engagement for the Company is subject to the specific pre-approval of the Committee. Any engagement of the independent accountants pursuant to a general pre-approval must be reported to the Audit Committee at its next regular meeting. The Audit Committee periodically reviews the services that have received general pre-approval and the associated fee ranges. REPORT OF AUDIT COMMITTEE

The Audit Committee is comprised of three "independent" members of the Board of Directors as defined under the listing standards of the New York Stock Exchange and operates pursuant to a written charter adopted by the Board and available through the Company's website, www.aaronrents.com. Management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The Company's independent auditors for 2004, Ernst & Young LLP, are responsible for performing an audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for expressing an opinion as to their conformity with generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes.

In keeping with its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2004 with management and has discussed with Ernst & Young the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. The Audit Committee has also received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young their independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Audit Committee Charter, the Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

the time or times, the form of payment, and the conditions subject to which any Incentive Award may become payable.

The Plan Rules will be adopted by the Committee prior to, or as soon as practical after, the commencement of each Plan Year. Subject to the provisions of the Plan and the Committee's right to delegate its responsibilities, the Committee will also have the discretionary authority to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it, and to make all other determinations deemed necessary or advisable in administering the Plan. The determinations of the Committee on the matters referred to in paragraphs (a) through (d) of this Section 4 with respect to the Chief Executive Officer (and such other Participants as the Committee may determine) shall be submitted at least annually to the Board of Directors for its consideration and ratification. For Participants other than the Chief Executive Officer, the Committee may in its discretion establish performance measures and criteria not listed in this Section 4 without obtaining shareholder approval.

5. PARTICIPATION

Eligibility for participation in the Plan is limited to executive officers of the Company and certain other executives of the Company and its Operating affiliates who hold key management and staff positions. From among those eligible and based upon the recommendations of the Chief Executive Officer and other designees, the Committee will designate by name or position the Participants each Plan Year. Any employee who is a Participant in one Plan Year may be excluded from participation in any other Plan Year. If, during the Plan Year, a Participant other than the Chief Executive Officer changes employment positions to a new position which corresponds to a different award level, the Committee may, in its discretion, adjust the Participant's award level for such Plan Year. The Committee may, in its discretion, designate employees who are hired after the beginning of the Plan Year as Participants for such Plan Year and as eligible to receive full or partial Incentive Awards for such year.

6. INCENTIVE AWARDS

(a)

Determination of the Amount of Incentive Awards

At the end of each Plan Year, the Committee or its designee shall certify the extent to which the performance targets and measurement criteria established pursuant to Section 4 have been achieved for such Plan Year based upon financial information provided by the Company. A Participant's Incentive Award shall be computed by the Committee based upon the achievement of the established performance targets, measurement criteria and the requirements of the Plan. In addition to any adjustments provided by the Incentive Award, the Committee may in determining whether

performance targets have been met adjust the Company's financial results to exclude the effect of unusual charges or income items or other events, including acquisitions or dispositions of businesses or assets, recapitalizations, reorganizations, restructurings, reductions in force, currency fluctuations or changes in accounting, which are distortive of results for the year (either on a segment or consolidated basis); provided, that for purposes of determining the Incentive Awards of the Chief Executive Officer, the Committee shall exclude unusual items whose exclusion has the effect of increasing Relative Performance if such items constitute "extraordinary items" under generally accepted accounting principles or are unusual events or items. In addition, the Committee will adjust its calculations to exclude the unanticipated effect on financial results of changes in the Code or other tax laws, or the regulations relating thereto.

The Committee may, in its discretion, decrease the amount of a Participant's Incentive Award for a Plan Year based upon such factors as it may determine.

In the event that the Company's or an Operating Unit's performance is below the anticipated performance thresholds for the Plan Year and the Incentive Awards are below expectations or not earned at all, the Committee may in its discretion grant Incentive Awards (or increase the otherwise earned Incentive Awards) to deserving Participants, except for Incentive Awards to the Chief Executive Officer.

The Plan Rules and Incentive Awards under the Plan shall be administered in a manner to qualify payments under the Plan to the Chief Executive Officer (and such other Participants as the Committee may determine) for the performance-based exception under Code Section 162(m) and the regulations thereunder, except where the Board of Directors determines such compliance is not necessary. The maximum Incentive Award that may be paid to an individual Participant for a Plan Year shall be \$2.5 million.

(b)

Eligibility for Payment of Incentive Award

No Participant will have any vested right to receive any Incentive Award until such date as the Board of Directors has ratified the Committee's determination with respect to the payment of individual Incentive Awards, except where the Committee determines such ratification is not necessary. No Incentive Award will be paid to any Participant who is not an active employee of the Company, an Operating Unit or an affiliate at the end of the Plan Year to which the Incentive Award relates; provided, however, at the discretion of the Committee or its designee (subject to ratification by the Board of Directors, where required, and the limitations of Code Section 162(m)), partial Incentive Awards may be paid to Participants (or their beneficiaries) who are terminated without cause (as determined by the Committee or its designee) or who retire, die or become permanently and totally disabled during the Plan Year. No Participant entitled to receive an Incentive Award shall have any interest in any specific asset of the Company, and such Participant's rights shall be equivalent to that of a general unsecured creditor of the Company.

(c)

Payment of Awards

Payment of the Incentive Awards will be made as soon as practicable after their determination pursuant to Sections 6 to the extent required to avoid a plan failure under Code Section 409A(a)(1), and not later than 2¹/₂ months after the end of the corporation's fiscal year to which the Incentive Award relates, subject to the Committee's right to allow a Participant to defer payment pursuant to an applicable deferred compensation plan of the Company. Payment will generally be made in a lump sum in cash unless the Committee otherwise determines at the beginning of the Plan Year.

7. DELEGATION OF AUTHORITY BY THE COMMITTEE

Notwithstanding the responsibilities of the Committee set forth herein, the Committee may delegate to the Chief Executive Officer or others all or any portion of its responsibility for administration of the Plan as it relates to Participants other than the Chief Executive Officer. Such delegation may include, without limitation, the authority to designate employees who can participate in the Plan, to establish Plan Rules, to interpret the Plan, to determine the extent to which performance criteria have been achieved, and to adjust any Incentive Awards that are payable. In the case of each such delegation, the administrative actions of the delegate shall be subject to the approval of the person within the Company to whom the delegate reports (or, in the case of a delegation to the Chief Executive Officer, to the approval of the Committee).

8. CHANGE IN CONTROL

Upon the occurrence of a Change in Control, unless the Participant otherwise elects in writing, the Participant's Incentive Award for the Plan Year shall be determined as if the Target Award level of performance has been achieved (without any reductions under Section 6(a)) and shall be deemed to have been fully earned for the Plan Year, provided that the Participant shall only be entitled to a pro rata portion of the Incentive Award based upon the number of days within the Plan Year that had elapsed as of the effective date of the Change in Control. The Incentive Award amount shall be paid only in cash within thirty (30) days of the effective date of the Change in Control. The Incentive Award payable upon a Change in Control to a Participant for the Plan Year during which a Change in Control occurs shall be the greater of the amount provided for under this Section 8 or the amount of the Incentive Award payable to such Participant for the Plan Year under the terms of any employment agreement or severance agreement with the Company, its Operating Units or affiliates. Notwithstanding the above, the Committee may provide in the Plan Rules for alternative consequences upon a Change in Control, which may apply to some or all Participants and which may vary among Participants.

9. BENEFICIARY

To the extent provided by the Committee or its designee each Participant will designate a person or persons to receive, in the event of death, any Incentive Award to which the Participant would then be entitled under Section 6(b). Such designation will be made in the manner determined by the Committee and may be revoked by the Participant in writing. If the Committee does not provide for a designation of beneficiary or if a Participant fails effectively to designate a beneficiary, then the estate of the Participant will be deemed to be the beneficiary.

10. WITHHOLDING OF TAXES

The Company shall deduct from each Incentive Award the amount of any taxes required to be withheld by any governmental authority.

11. EMPLOYMENT

Nothing in the Plan or in any Incentive Award shall confer (or be deemed to confer) upon any Participant the right to continue in the employ of the Company, an Operating Unit or an affiliate, or interfere with or restrict in any way the rights of the Company, an Operating Unit or an affiliate to discharge any Participant at any time for any reason whatsoever, with or without cause.

12. SUCCESSORS

All obligations of the Company under the Plan with respect to Incentive Awards granted hereunder shall be binding upon any successor to the Company, whether such successor is the result of an acquisition of stock or assets of the Company, a merger, a consolidation or otherwise.

13. TERMINATION AND AMENDMENT OF THE PLAN; GOVERNING LAW

The Committee, subject to the ratification rights of the Board of Directors, has the right to suspend or terminate the Plan at any time, or to amend the Plan in any respect, provided that no such action will, without the consent of a Participant, adversely affect the Participant's rights under an Incentive Award approved under Section 6(b). The Plan shall be interpreted and construed under the laws of the State of Delaware.

AS APPROVED BY THE BOARD OF DIRECTORS OF THE CORPORATION ON THE 31ST DAY OF MARCH, 2005.
