FORM T-3

GENERAL

ITEM 1. GENERAL INFORMATION.

(a) The Applicant, Syratech Corporation (the "Company"), is a corporation.

(b) The Company was organized under the laws of the State of Delaware.

ITEM 2. SECURITIES ACT EXEMPTION APPLICABLE.

The Company intends to offer, under the terms and subject to the conditions set forth in a Disclosure Statement (the "Disclosure Statement") and an accompanying First Amended Joint Plan of Reorganization (the "Plan"), each filed as an exhibit hereto, Convertible Senior Notes due 2010 (the "Notes") in an aggregate principal amount of \$55,000,000, subject to adjustment as set forth in the Disclosure Statement and Plan. The Notes will be issued pursuant to the indenture to be qualified under this Form T-3 (the "Indenture").

The Notes are being offered by the Company in reliance on an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), afforded by Section 1145 of Title 11 of the United States Code, as amended (the "Bankruptcy Code"). Generally, Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a bankruptcy plan of reorganization from registration under the Securities Act and under equivalent state securities and "blue sky" laws if the following requirements are satisfied: (i) the securities are issued by the debtor (or its successor) under a plan of reorganization; (ii) the recipients of the securities hold a claim against the debtor, an interest in the debtor or a claim for an administrative expense against the debtor; and (iii) the securities are issued entirely in exchange for the recipient's claim against or interest in the debtor or are issued "principally" in such exchange and "partly" for cash or property. The Company believes that the offer of the Notes under the Plan will satisfy such requirements of Section 1145(a)(1) of the Bankruptcy Code and, therefore, such offer is exempt from the registration requirements referred to above. For a more complete description of the Notes, reference is made to the Indenture.
