EXPLANATORY NOTE

This Post-Effective Amendment No. 1 (this "Amendment") to Registration Statement No. 333-152069 (the "Registration Statement"), as amended, is being filed pursuant to Rule 414(d) under the Securities Act of 1933, as amended (the "Securities Act"), with the Securities and Exchange Commission (the "Commission") by Tyco Electronics Ltd. ("Tyco Electronics"), a Swiss company. Tyco Electronics (as a Swiss company) expressly adopts the Registration Statement as its own registration statement for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"). This Amendment sets forth the additional information necessary to reflect any material changes made in connection with or resulting from the change of domicile or necessary to keep the Registration Statement from being misleading in any material respect.

On June 25, 2009, Tyco Electronics effected the "Swiss Continuation" in the manner described in Tyco Electronics' Form S-4/A filed with the Commission on May 1, 2009 (No. 333-156927) (the "Form S-4"), by discontinuing its existence as a Bermuda company as provided in Section 132G of The Companies Act 1981 of Bermuda and, according to article 161 of the Swiss Federal Code on International Private Law, continuing its existence under articles 620 et seq. of the Swiss Code of Obligations as a Swiss company. The Swiss Continuation did not result in any change to the business, management, assets, liabilities or net worth of Tyco Electronics. As a result of the Swiss Continuation, holders of common shares, par value US\$ 0.20 per share, of Tyco Electronics (as a Bermuda company) became holders of registered shares, par value CHF 2.60 per share, of Tyco Electronics (as a Swiss company), and their rights as holders of Tyco Electronics registered shares are now governed by the Swiss Code of Obligations and Tyco Electronics' articles of association and organizational regulations (constituting Exhibits 4.1 and 4.2 to this Registration Statement). Tyco Electronics' registered shares continue to be listed on the New York Stock Exchange under the same ticker symbol, "TEL."

This Amendment is also being filed to deregister all of the preferred shares that were unsold under the Registration Statement as of the date hereof because Tyco Electronics does not currently have any authorized preferred shares. Accordingly, the base prospectus that forms a part of the Registration Statement is hereby revised to remove references to preferred shares.

Change of Place of Incorporation by Tyco Electronics Ltd.

Tyco Electronics previously operated as an exempt company incorporated under the laws of Bermuda. Effective June 25, 2009, Tyco Electronics discontinued its existence as a Bermuda company as provided in Section 132G of The Companies Act 1981 of Bermuda and, according to article 161 of the Swiss Federal Code on International Private Law, continuing its existence under articles 620 et seq. of the Swiss Code of Obligations as a Swiss company. The Swiss Continuation did not result in any change to the business, management, assets, liabilities or net worth of Tyco Electronics. As a result of the Swiss Continuation, holders of common shares, par value US\$ 0.20 per share, of Tyco Electronics (as a Bermuda company) became holders of registered shares, par value CHF 2.60 per share, of Tyco Electronics (as a Swiss company), and their rights as holders of Tyco Electronics registered shares are now governed by the Swiss Code of Obligations and Tyco Electronics' articles of association and organizational regulations (constituting Exhibits 4.1 and 4.2 to this Registration Statement).

We will set forth in the applicable prospectus supplement a description of the registered shares, warrants, debt securities or units that may be offered under this prospectus.

PLAN OF DISTRIBUTION

Tyco Electronics and TEGSA may offer and sell these securities to or through one or more underwriters, dealers and agents, or directly to purchasers, on a continuous or delayed basis. Tyco Electronics and TEGSA will provide the specific plan of distribution for any securities to be offered in supplements to this prospectus.

ENFORCEMENT OF CIVIL LIABILITIES

TEGSA is a Luxembourg company and Tyco Electronics is a Swiss company. TEGSA and Tyco Electronics have consented in the indenture to jurisdiction in the U.S. federal and state courts in The City of New York and to service of process in The City of New York in any legal suit, action or proceeding brought to enforce any rights under or with respect to the indenture, the notes and the guarantee. A substantial majority of Tyco Electronics' directly held assets consists of shares in TEGSA. Accordingly, any judgment against TEGSA or Tyco Electronics in respect of the indenture, the notes or the guarantee, including for civil liabilities under the U.S. federal securities laws, obtained in any U.S. federal or state court may have to be enforced in the courts of Luxembourg or Switzerland. Investors should not assume that the courts of Luxembourg or Switzerland would enforce judgments of U.S. courts obtained against TEGSA or Tyco Electronics predicated upon the civil liability provisions of the U.S. federal securities laws or that such courts would enforce, in original actions, liabilities against TEGSA or Tyco Electronics predicated solely upon such laws.

Luxembourg

TEGSA is incorporated under the laws of Luxembourg. Certain members of the board of directors are non-residents of the United States and a substantial portion of TEGSA's assets and those of such directors are located outside the United States. As a result, you may not be able to effect a service of process within the United States on TEGSA or on such persons or to enforce in Luxembourg courts

Edgar Filing: Tyco Electronics Ltd. - Form POSASR

Table of Contents

judgments obtained against TEGSA or such persons in U.S. courts, including actions predicated upon the civil liability provisions of the U.S. federal and state securities laws or other laws. Likewise, it may also be difficult for an investor to enforce in U.S. courts judgments obtained against TEGSA or such persons in courts in jurisdictions outside the United States, including actions predicated upon the civil liability provisions of the U.S. securities laws.

TEGSA has been advised by Allen & Overy Luxembourg, its Luxembourg counsel, that the United States and the Grand-Duchy of Luxembourg are not currently bound by a treaty providing for reciprocal recognition and enforcement of judgments (other than arbitral awards) rendered in civil and commercial matters. According to such counsel, an enforceable judgment for the payment of monies rendered by any U.S. federal or state court based on civil liability, whether or not predicated solely upon the U.S. securities laws, would not directly be enforceable in Luxembourg. However, a party who received such favorable judgment in a U.S. court may initiate enforcement proceedings in Luxembourg (*exequatur*) by requesting enforcement of the U.S. judgment to the president of the District Court (*Tribunal d'Arrondissement*) of Luxembourg pursuant to Section 678 of the New Luxembourg Code of Civil Procedure. The president of the District Court will authorize the enforcement in Luxembourg of the U.S. judgment if it is satisfied that all of the following conditions are met:

the U.S. judgment is enforceable (*exécutoire*) in the United States;

the jurisdictional ground of the U.S. court is founded according to Luxembourg private international law rules and to the applicable domestic U.S. federal or state jurisdiction rules;

the U.S. court has applied to the dispute the substantive law which would have been applied by Luxembourg courts;

the U.S. judgment must not have violated the right of the defendant to present a defense;

the principles of natural justice have been complied with; and

the U.S. judgment does not contravene Luxembourg international public policy. In practice, Luxembourg courts tend not to review the merits of a U.S. judgment.

LEGAL MATTERS

Unless otherwise indicated in the applicable prospectus supplement, Weil, Gotshal & Manges LLP, New York, New York will pass upon the validity of the debt securities, guarantees, warrants for debt securities and units containing debt securities offered by Tyco Electronics or TEGSA. The validity of the registered shares offered by Tyco Electronics will be passed upon by Bär & Karrer, Zurich, Switzerland, unless otherwise indicated in the applicable prospectus supplement.

Tyco Electronics Ltd.

The articles of association and organizational regulations of Tyco Electronics that took effect upon the Swiss Continuation provide as follows:

Tyco Electronics shall indemnify and hold harmless, to the fullest extent permitted by law, the existing and former directors and officers of Tyco Electronics, and their heirs, executors and administrators out of the assets of Tyco Electronics from and against all damages, losses, liabilities and expenses in connection with threatened, pending or completed actions, proceedings or investigations, whether civil, criminal, administrative or other (including, but not limited to, liabilities under contract, tort and statute or any applicable foreign law or regulation and all reasonable legal and other costs and expenses properly payable) which they or any of them, their heirs, executors or administrators, shall or may incur or sustain by or by reason of (i) any act done or alleged to be done, concurred or alleged to be concurred in or omitted or alleged to be omitted in or about the execution of their duty, or alleged duty, or (ii) serving as director or officer of Tyco Electronics, or (iii) serving at the request of Tyco Electronics as director, officer, or employee or agent of another corporation, partnership, trust or other enterprise. This indemnity shall not extend to any matter in which any of said persons is found, in a final judgment or decree of a court, arbitral tribunal or governmental or administrative authority of competent jurisdiction not subject to appeal, to have committed an intentional or grossly negligent breach of said person's duties as director or officer.

Tyco Electronics shall advance to existing and former directors and officers court costs and attorney fees in connection with civil, criminal, administrative or investigative proceedings as described in the preceding paragraph. Tyco Electronics may reject and/or recover such advanced costs if a court or governmental or administrative authority of competent jurisdiction not subject to appeal holds that the director or officer in question has committed an intentional or grossly negligent breach of his statutory duties as a director or officer.

Tyco Electronics may procure insurance on behalf of any person who is or was a director, officer, employee or agent of Tyco Electronics, or is or was serving at the request of Tyco Electronics as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, or in a fiduciary or other capacity with respect to any employee benefit plan maintained by Tyco Electronics, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not Tyco Electronics would have the power to indemnify him against such liability. The insurance premiums shall be charged to and paid by Tyco Electronics or its subsidiaries.

Tyco Electronics Group S.A.

Under the articles of association of TEGSA, TEGSA may indemnify directors or officers against expenses reasonably incurred by a director or officer in connection with any action, suit or proceeding to which the person may be made a party by reason of being or having been a director or officer of TEGSA, except in relation to matters as to which the director or officer is finally adjudged in such action, suit or proceeding to be liable for gross negligence or misconduct. In the event of a settlement, indemnification will be provided only in connection with such matters covered by the settlement as to which TEGSA is advised by counsel that the person to be indemnified did not commit such a breach of duty. Luxembourg law permits TEGSA to maintain insurance to compensate for any civil liability incurred by a director or officer in their official capacity or to indemnify for such loss or liability, and Tyco Electronics has policies covering TEGSA's directors and officers.

Item 17. Undertakings

The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 and Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

securities offered therein and the offering of such securities in the post-effective amendment at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrants undertake that in a primary offering of securities of the undersigned Registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrants will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrants or used or referred to by the undersigned Registrants;

reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of the securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) To file an application for the purposes of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

(8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities and Exchange Act and will be governed by the final adjudication of such issue.
