PROXY STATEMENT ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement and the accompanying proxy card and Notice of Annual Meeting are provided in connection with the solicitation of proxies by the Board of Directors of Starwood Property Trust, Inc., a Maryland corporation (the "Company"), for use at the 2010 Annual Meeting of Stockholders (the "Annual Meeting") to be held at The Ritz Carlton, Westchester, Three Renaissance Square, White Plains, NY 10601, on May 6, 2010 at 1:00 p.m., Eastern time, and any adjournments or postponements thereof. Directions to attend the Annual Meeting and vote in person are available on the Company's website, www.starwoodpropertytrust.com, under the heading "Investor Relations" then under "Directions to the Annual Meeting." The mailing address of the Company's executive office is 591 West Putnam Avenue, Greenwich, Connecticut 06830. This Proxy Statement, the accompanying proxy card and the Notice of Annual Meeting are first being mailed to holders of the Company's common stock, par value \$.01 per share (the "Common Stock"), on or about April 5, 2010.

Matters to Be Voted on at the Annual Meeting

At the Annual Meeting, the following matters will be voted on:

1. The election of seven directors, each to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies;
2. The ratification of the appointment by the Audit Committee of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2010; and
3. The transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Stockholders Entitled to Vote

The Board of Directors has fixed the close of business on March 19, 2010 as the record date for the determination of stockholders entitled to notice of and to vote their shares of Common Stock at the Annual Meeting. As of March 19, 2010, the Company had outstanding 47,583,800 shares of Common Stock. Each share of Common Stock entitles its holder to one vote.

Voting at the Annual Meeting

If the enclosed proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of Common Stock represented by the proxy will be voted as follows:

FOR the election of each of the director nominees; and

FOR the ratification of the appointment by the Audit Committee of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010.

Voting on Other Matters

If any other matters are properly presented at the Annual Meeting for consideration, the persons named in the proxy will have the discretion to vote on those matters for you. As of the date this Proxy Statement went to press, the Company did not know of any other matter to be raised at the Annual Meeting.

Required Vote

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum for purposes of transacting business at the Annual Meeting. Abstentions and "broker non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A "broker non-vote" occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Election of the nominees for the seven director positions requires the affirmative vote of a plurality of all votes cast at the Annual Meeting. This means that the director nominee with the most votes for a particular slot is elected for that slot. Votes "withheld" from one or more director nominees therefore will have no effect on the outcome of the vote.

The affirmative "FOR" vote of a majority of votes cast at the Annual Meeting is required to approve all other proposals, including the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm and the approval of the stockholder proposal described in this Proxy Statement. In tabulating the voting result for any particular proposal, abstentions and, if applicable, broker non-votes are not counted as votes "FOR" or "AGAINST" the proposal.

Under the rules of the New York Stock Exchange ("NYSE"), if you are a beneficial owner of the Company's shares, your bank, broker or other holder which holds your shares in "street name" (each, a "record holder") has the authority to vote your shares on certain matters when it does not receive voting instructions from you. Record holders that do not receive voting instructions are entitled to vote on the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm. Record holders may not vote on the proposal regarding election of directors absent instructions from you. Without your voting instructions, a broker non-vote will occur.

How to Vote

You may submit a proxy in any of the following ways:

Submitting a Proxy by Telephone or the Internet: If you are a stockholder of record, you may appoint your proxy by telephone, or electronically through the Internet, by following the instructions on your proxy card. Easy-to-follow prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. The Company's telephone and Internet proxy submission procedures are designed to authenticate stockholders by using individual control numbers. If you hold your shares in "street name", please check your voting instruction card or contact your bank or broker to determine whether you will be able to provide your instructions by telephone or the Internet.

Submitting a Proxy by Mail: If you are a stockholder of record, you can appoint your proxy by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your shares in street name, you can instruct your bank or broker to vote by following the directions on your voting instruction card.

Edgar Filing: STARWOOD PROPERTY TRUST, INC. - Form DEF 14A

By casting your vote in any of the ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions.

Voting in Person at the Annual Meeting: Stockholders may vote in person by ballot at the Annual Meeting. Stockholders who own their shares in street name may vote in person at the Annual Meeting only if they provide a legal proxy, executed in their favor, from the holder of record of their shares. You will also be asked to provide photo identification at the Annual Meeting.

Please note that even if you plan to attend the Annual Meeting, we encourage you to submit a proxy in advance to ensure your shares are represented. Your vote in person at the Annual Meeting will revoke any proxy previously submitted.

Solicitation of Proxies

In addition to solicitations made by mail, solicitations also may be made by telephone, through the Internet or in person by officers or employees of the Company and by certain financial services firms and their representatives, who will receive no extra compensation for their services. If the Company records votes by telephone or through the Internet, it will use procedures designed to authenticate stockholders' identities, to allow stockholders to authorize the voting of their shares in accordance with their instructions and to allow stockholders to confirm that their instructions have been recorded properly.

Cost of Proxy Solicitation

The Company will pay the expenses of soliciting proxies in connection with this Proxy Statement. Proxies may be solicited in person or by mail, telephone, electronic transmission and facsimile transmission on the Company's behalf by directors, officers or employees of the Company or its subsidiaries, without additional compensation. Innisfree M&A Incorporated has been engaged to assist in the solicitation of proxies for the Company for a fee of \$8,500 plus reasonable out-of-pocket expenses. The Company will reimburse brokerage houses and other custodians, nominees and fiduciaries that are requested to forward soliciting materials to the beneficial owners of the stock held of record by such persons.

Revocation of Proxies

A person giving the enclosed proxy has the power to revoke it at any time before it is exercised by (i) attending the Annual Meeting and voting in person, (ii) duly executing and delivering a proxy bearing a later date prior to the Annual Meeting or (iii) sending written notice of revocation to the Company's Secretary prior to the Annual Meeting at 591 West Putnam Avenue, Greenwich, Connecticut 06830.

Pursuant to the Company's Corporate Governance Guidelines, the Board of Directors must be comprised of a majority of directors who qualify as independent directors ("Independent Directors") under the listing standards of the New York Stock Exchange (the "NYSE"). The Board of Directors reviews annually the relationships that each director has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). Following such annual review, only those directors who the Board affirmatively determines have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) will be considered Independent Directors, subject to additional qualifications prescribed under the listing standards of the NYSE or under applicable law. The Board may adopt and disclose categorical standards to assist it in determining director independence. In the event that a director becomes aware of any change in circumstances that may result in such director no longer being considered independent under the listing standards of the NYSE or under applicable law, the director shall promptly inform the Chairman of the Corporate Governance and Nominating Committee.

The Board of Directors has determined that each of Richard D. Bronson, Jeffrey F. DiModica, Camille J. Douglas and Strauss Zelnick is an Independent Director under the listing standards of the NYSE. The Board of Directors separately determined that Lynn Forester de Rothschild was an Independent Director under the listing standards of the NYSE during her service on the Board of Directors from August 2009 through January 2010.

In making this determination with respect to Mr. DiModica, the Board of Directors took into account potential relationships between the Company and RBS, for which Mr. DiModica is the head of MBS/ABS/CMBS sales for the Americas. The Board of Directors acknowledged that although the Company may engage in transactions with RBS or its affiliates (together, the "RBS Parties") from time to time, the Company and RBS have entered into an agreement providing that the RBS Parties shall not make payments to, or receive payments from, the Company for property or services which exceeds the greater of \$1 million or 2% of the RBS Parties' consolidated gross revenues in any fiscal year, in order to maintain Mr. DiModica's status as an Independent Director of the Company.

Board Leadership Structure and Role in Risk Oversight

Barry S. Sternlicht serves as both Chief Executive Officer and as Chairman of the Board of Directors. The Board of Directors believes that this leadership structure is appropriate and has enabled the Company to attract and retain a strong Chief Executive Officer. This structure avoids any lack of clarity over who runs the Company and results in a leader of the Board of Directors with greater substantive knowledge of the Company and the industry in which it operates than would otherwise be the case. The Board of Directors believes that all of these considerations provide value for the Company's stockholders.

The Board of Directors does not have a lead independent director, but the Board of Directors believes that the current arrangement provides for adequate independent oversight of the Company. For example, there is already a significant emphasis on Board of Directors independence. Currently, a majority of the members of the Board of Directors meet the independence requirements under NYSE rules. The members of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee of the Board of Directors, including their respective chairs, are comprised entirely of Independent Directors who serve in oversight roles. Through these committees, the Board is actively involved in oversight of risk, compliance, possible conflicts of interest and related party transactions, and business results. Members of the Board of Directors have complete access to management and outside advisors; thus, the Chairman is not the sole source of information for the

Board of Directors. The Company's overall corporate governance policies and practices combined with the strength of the Company's Independent Directors minimize any potential conflicts that may result from combining the roles of Chief Executive Officer and Chairman. In the Company's view, splitting the roles would potentially have the consequence of making the Company's management and governance processes less effective than they are today through undesirable duplication of work and, in the worst case, lead to a blurring of the clear lines of accountability and responsibility, without any clear offsetting benefits.

The Manager is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Board and Committee Meetings

The Board of Directors has four standing committees: an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee and an Investment Committee. Each of the Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee is composed entirely of independent directors, as determined in accordance with the applicable rules of the NYSE. The current charters for each of the Audit Committee, Nominating and Corporate Governance Committee, Compensation Committee and Investment Committee are available on the investor relations page of the Company's website, www.starwoodpropertytrust.com, under the heading "Investor Relations" then the sub-heading "Corporate Governance." Further, the Company will provide a copy of these charters without charge to each stockholder upon written request. Requests for copies should be addressed to Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830, Attention: Secretary.

The following descriptions of the functions performed by the committees of the Board of Directors are general in nature and are qualified in their entirety by reference to the committees' charters.

Audit Committee

The Audit Committee, presently composed of Mr. Bronson, Ms. Douglas and Mr. Zelnick, assists the Board in its general oversight of the integrity of our financial statements, compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent auditors, and the performance of our internal audit function and independent auditor. The Board of Directors adopted a charter for the Audit Committee on August 11, 2009. Each Audit Committee member is "independent" as defined in the NYSE listing standards. The Board of Directors has determined that Mr. Zelnick qualifies as an "audit committee financial expert" as defined in the applicable SEC rules, and the Board of Directors has determined that Mr. Zelnick has accounting and related financial management expertise and that each member of the Audit Committee is financially literate within the meaning of the listing standards of the NYSE. The Audit Committee met two (2) times during the fiscal year ended December 31, 2009.

The primary purposes of the Audit Committee are to provide assistance to the Board of Directors in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and legal compliance functions of the Company and its subsidiaries,

including, without limitation, (a) assisting the Board of Directors' oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the Company's independent auditors' qualifications and independence, and (iv) the performance of the Company's independent auditors and the Company's internal audit function, and (b) preparing the report required to be prepared by the Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, presently composed of Mr. Bronson, Ms. Douglas and Mr. Zelnick, recommends to the Board of Directors individuals qualified to serve as directors of the Company and on committees of the Board of Directors; advises the Board of Directors with respect to the composition of the Board of Directors, procedures and committees; advises the Board of Directors with respect to the corporate governance principles applicable to the Company; and oversees the evaluation of the Board of Directors and the Company's management. The Board of Directors adopted a charter for the Nominating and Corporate Governance Committee on August 11, 2009. Each Nominating and Corporate Governance Committee member is "independent" as defined in the NYSE listing standards. The Company commenced operations in August 2009, and the Nominating and Corporate Governance Committee did not meet during the fiscal year ended December 31, 2009.

The Nominating and Corporate Governance Committee, as required by the Company's Bylaws, will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate and may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

The Company's Bylaws provide certain procedures that a stockholder must follow to nominate persons for election to the Board of Directors. Nominations for director at an annual stockholder meeting must be submitted in writing to Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830, Attention: Secretary. The Secretary must receive the notice of a stockholder's intention to introduce a nomination or proposed item of business at an annual stockholder meeting:

in the case of the 2010 Annual Meeting, no later than the close of business on April 2, 2010;

in the case of Annual Meetings after the 2010 Annual Meeting, not earlier than the close of business on the 120th day nor later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; or

in the event that the date of the mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made by the Company.

The Bylaws also provide that the stockholder nomination notice must contain all information relating to such nominee that is required to be disclosed in solicitations of proxies for elections of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serve as director if elected).

Edgar Filing: STARWOOD PROPERTY TRUST, INC. - Form DEF 14A

As to the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is being made, the notice must include:

the name and record address of the stockholder, as they appear on the Company's stock ledger, and of such beneficial owner;
and

the number of shares of each class of stock of the Company which are owned beneficially and of record by such stockholder and such beneficial owner.

In considering the qualifications for serving as a director of the Company, the Nominating and Corporate Governance Committee examines a candidate's experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the committee considers appropriate in the context of the needs of the Board. The Corporate Governance and Nominating Committee also may seek to have the Board represent a diversity of backgrounds and experience.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of suitable candidates. The Nominating and Corporate Governance Committee also may, from time to time, engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating and Corporate Governance Committee requests information from the candidate and reviews the person's accomplishments and qualifications. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder; however, as stated above, the Board of Directors may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Compensation Committee

The Compensation Committee, presently composed of Mr. Bronson, Mr. DiModica and Mr. Zelnick, oversees the Company's compensation and employee benefit plans and practices, including its executive compensation plans, and its incentive-compensation and equity-based plans. The Compensation Committee also oversees the annual review of the management agreement, dated as of August 11, 2009, as the same may be amended from time to time, by and among the Company and SPT Management, LLC, as manager, and oversees the annual review of the Manager Equity Plan, the Equity Plan and the Director Stock Plan, each as adopted on August 11, 2009. The Board of Directors adopted a charter for the Compensation Committee on August 11, 2009. Each Compensation Committee member is "independent" as defined in the NYSE listing standards. The Company commenced operations in August 2009, and the Compensation Committee did not meet during the fiscal year ended December 31, 2009.

The primary purposes of the Compensation Committee are:

to oversee the Company's compensation and employee benefit plans and practices, including its executive compensation plans, and its incentive-compensation and equity-based plans;

to review and discuss with management the Company's compensation discussion and analysis ("CD&A") to be included in the Company's annual proxy statement or annual report on Form 10-K filed with the SEC;

to prepare the Compensation Committee Report as required by the rules of the SEC;

to oversee the annual review of the Management Agreement; and

to oversee the annual review of the Manager Equity Plan, the Equity Plan and the Director Stock Plan.

The Compensation Committee has authority to determine the compensation payable to the Company's directors and to grant awards under the Company's equity incentive plans and from time to time may solicit recommendations from the Company's executive officers and/or outside compensation consultants in determining the amount or form of such director compensation or awards. The Compensation Committee also oversees risk when it considers granting equity awards to the Manager under the Management Agreement. In particular, the factors considered by the Compensation Committee in making grants to the Manager may include performance related factors such as achievement of specified levels of net income. In evaluating investments and other management strategies, the opportunity to earn incentive compensation based on net income may lead the Manager to place undue emphasis on the maximization of net income at the expense of other criteria, such as preservation of capital, maintaining sufficient liquidity, and/or management of credit risk or market risk, in order to achieve higher incentive compensation. Investments with higher yield potential are generally riskier or more speculative. As a result, the Compensation Committee evaluates performance factors, such as net income, in conjunction with other key risk exposure factors in making grants to the Manager. The Compensation Committee has the discretion to retain and terminate compensation consultants as it deems necessary to fulfill its duties.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is presently comprised of Messrs. Bronson, DiModica and Zelnick, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2009, the year of the Company's formation, and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K.

Number of Meetings of the Board of Directors and Attendance in 2009

The Board of Directors met two (2) times during the fiscal year ended December 31, 2009. In 2009, each director which served through the end of the fiscal year attended at least 75% of the meetings of the Board of Directors and of the committees of the Board of Directors on which such director served. The Company expects each director serving on its Board of Directors to regularly attend meetings of the Board of Directors and the committees on which such director serves, and to review, prior to meetings, material distributed in advance for such meetings. A director who is unable to attend a meeting is expected to notify the Chairman of the Board of Directors or the chairman of the appropriate committee in advance of such meeting. The Company's policy regarding director attendance at the Annual Meetings of Stockholders is to encourage directors to attend such meetings. The Company was formed in 2009 and did not hold an Annual Meeting during the fiscal year ended December 31, 2009.

Report of the Audit Committee

In accordance with and to the extent permitted by the rules of the Securities and Exchange Commission (the "SEC"), the information contained in the following Report of the Audit Committee shall not be incorporated by reference into any of the Company's future filings made under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or under the Securities Act of 1933, as amended (the "Securities Act"), and shall not be deemed to be "soliciting material" or to be "filed" under the Exchange Act or the Securities Act.

The Board of Directors has appointed an Audit Committee consisting of three directors. All of the members of the Audit Committee are "independent" as defined in the NYSE listing standards.

The Audit Committee's job is one of oversight, as set forth in its charter. It is not the duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The independent registered public accounting firm is responsible for auditing the financial statements and expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with the generally accepted accounting principles.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and with Deloitte & Touche LLP, the Company's independent registered public accounting firm for fiscal year 2009.

The Audit Committee has discussed with Deloitte & Touche LLP the matters required by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T.

The Audit Committee has received from Deloitte & Touche LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding Deloitte & Touche LLP's communications with the Audit Committee concerning independence, has discussed Deloitte & Touche LLP's independence with Deloitte & Touche LLP and has considered the compatibility of non-audit services with independence of the independent registered public accounting firm.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the SEC.

MEMBERS OF THE AUDIT COMMITTEE

Strauss Zelnick (Chairperson)
Richard D. Bronson
Camille J. Douglas

Executive Sessions of Non-Management Directors

Executive sessions of the non-management directors occur regularly during the course of the year. "Non-management directors" include all Independent Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Because the Management Agreement provides that the Manager is responsible for managing the Company's affairs, the Company's chief executive officer and each of its other executive officers (other than Ms. Anderson, the Company's chief financial officer and treasurer and Mr. Sossen, the Company's executive vice president, general counsel, chief compliance officer and secretary), each of whom is an executive of Starwood Capital Group, do not receive cash compensation from the Company for serving as the Company's executive officers. Instead the Company pay the Manager the management fees described in "The Manager and the Management Agreement Management Agreement Management Fees, Incentive Fees and Expense Reimbursements" and, in the discretion of the compensation committee of the board of directors, the Company may also grant the Manager equity based awards pursuant to the Manager Equity Plan described below.

Ms. Anderson, the Company's chief financial officer and treasurer and Mr. Sossen, the Company's executive vice president, general counsel, chief compliance officer and secretary, were seconded to the Company exclusively by Starwood Capital Group under the terms of agreements with Starwood Capital Group pursuant to which the Company is charged by Starwood Capital Group for its expenses incurred in employing the person or persons serving those roles, including annual base salary, bonus potential, any related employee's withholding taxes and employee benefits. Ms. Anderson's initial annual base salary was \$200,000, and her initial annual cash bonus was \$200,000. Concurrently with the completion of the Company's initial public offering of Common Stock, the Company granted Ms. Anderson 5,000 restricted stock units. This award vests ratably in quarterly installments over a three-year period beginning on October 1, 2009, subject to her continued service as one of the Company's executive officers. Once vested, this award will be settled in shares of Common Stock. However, restricted stock units that vest during the first year of the three-year vesting period will not be settled in shares until promptly following the first anniversary of the commencement of vesting. Restricted stock units that vest after the fourth quarterly vesting date will be settled promptly, but in no event later than 30 days, following the applicable quarterly vesting date. Ms. Anderson is entitled to receive "distribution equivalents" with respect to these restricted stock units, whether or not vested, at the same time and in the same amounts as distributions are paid to the Company's common stockholders. Mr. Sossen was seconded to the Company in January 2010.

In their capacities as officers or personnel of Starwood Capital Group, persons other than Ms. Anderson and Mr. Sossen will devote such portion of their time to our affairs as is necessary to enable the Company to operate its business. The Company has adopted equity incentive plans for its officers, its non-employee directors, the Manager and the Manager's personnel and other service providers to encourage their efforts toward the Company's continued success, long-term growth and profitability and to attract, reward and retain key personnel. See " Equity Incentive Plans" for detailed descriptions of the Company's equity incentive plans.

Equity Incentive Plans

The Company has adopted equity incentive plans to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including the Manager and affiliates and personnel of the Manager and its affiliates, and any joint venture affiliates of the Company. All of the Company's equity incentive are administered by the compensation committee of the board of directors. The compensation committee, as appointed by the board of directors, has the full authority (1) to administer and interpret the equity incentive plans, (2) to authorize the granting of awards, (3) to determine the eligibility of directors, officers, advisors, consultants and other personnel, including the Manager and affiliates and personnel of the Manager and its affiliates, and any joint venture affiliates of the Company, to receive an award, (4) to determine the number of shares of

Common Stock to be covered by each award (subject to the individual participant limitations provided in the applicable equity incentive plan), (5) to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the applicable equity incentive plan), (6) to prescribe the form of instruments evidencing such awards, and (7) to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the applicable equity incentive plan or the administration or interpretation thereof; however, neither the compensation committee nor the board of directors may take any action under any of the Company's equity incentive plans that would result in a repricing of any stock option without having first obtained the consent of the Company's stockholders. In connection with this authority, the compensation committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The compensation committee consists solely of non-executive directors, each of whom is intended to be, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director and will, at such times as the Company is subject to Section 162(m) of the Internal Revenue Code, qualify as an outside director for purposes of Section 162(m) of the Internal Revenue Code, or, if no committee exists, the board of directors. The total number of shares that may be made subject to awards under the Manager Equity Plan and the Equity Plan (both of which are described below) is equal to 3,112,500. The Company has also reserved a total of 100,000 shares of Common Stock for issuance under the Director Stock Plan.

Manager Equity Plan

The Starwood Property Trust, Inc. Manager Equity Plan provides for the grant of stock options, restricted shares of Common Stock, restricted stock units, dividend equivalent rights and other equity-based awards to the Manager. As noted above, under "Equity Incentive Plans," the maximum number of shares that may be made subject to awards under the Manager Equity Plan is equal to 3,112,500, less any shares of Common Stock issued or subject to awards granted under the Equity Plan. If any vested awards under the Manager Equity Plan are paid or otherwise settled without the issuance of shares of Common Stock, or any shares of Common Stock are surrendered to or withheld by the Company as payment of the exercise price of an award and/or withholding taxes in respect of an award, the shares that were subject to such award will not be available for re-issuance under the Manager Equity Plan. If any awards under the Manager Equity Plan are cancelled, forfeited or otherwise terminated without the issuance of shares of Common Stock (except as described in the immediately preceding sentence), the shares that were subject to such award will be available for re-issuance under the Manager Equity Plan. Shares issued under the Manager Equity Plan may be authorized but unissued shares or shares that have been reacquired by the Company. In the event that the compensation committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Manager Equity Plan, then the compensation committee will make equitable changes or adjustments to any or all of: (i) the number and kind of shares of stock or other property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of stock or other property (including cash) issued or issuable in respect of outstanding awards; (iii) the exercise price, base price or purchase price relating to any award and (iv) the performance goals, if any, applicable to outstanding awards. In addition, the compensation committee may determine that any such equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of stock). Awards under the Manager Equity Plan are intended to either be exempt from, or comply with, Section 409A of the Code.

Upon termination of the Management Agreement by the Company for cause or by the Manager for any reason other than for cause or due to a change in the Manager's compensation under the

Management Agreement, any then unvested awards held by the Manager will be immediately forfeited and cancelled without consideration. Upon any other termination of the Management Agreement or change in control of the Company (as defined under the Manager Equity Plan), any award that was not previously vested will become fully vested and/or payable, and any performance conditions imposed with respect to the award will be deemed to be fully achieved, provided, that with respect to an award that is subject to Section 409A of the Code, a change in control of the Company must constitute a "change of control" within the meaning of Section 409A of the Code.

Concurrently with the closing of the Company's initial public offering of Common Stock, the Company granted to the Manager 1,375,000 restricted stock units. The award of restricted stock units vests ratably on a quarterly basis over a three-year period that began on October 1, 2009. Once vested, this award of restricted stock units will be settled in shares of Common Stock. However, restricted stock units that vest during the first year of the three-year vesting period will not be settled in shares until promptly following the first anniversary of the commencement of vesting. Restricted stock units that vest after the fourth quarterly vesting date will be settled promptly, but in no event later than 30 days, following the applicable quarterly vesting date. The Manager is entitled to receive "distribution equivalents" with respect to these restricted stock units, whether or not vested, at the same time and in the same amounts as distributions are paid to the Company's common stockholders. This award was intended to further align the interests of the Manager and Starwood Capital Group with the Company's stockholders.

In addition to the restricted stock units that the Company granted to the Manager concurrently with the completion of the Company's initial public offering of Common Stock, the Company may from time to time grant additional equity incentive awards to the Manager pursuant to the Manager Equity Plan. The Manager may, in the future, allocate a portion of these awards or ownership or profits interests in it to officers of the Manager or other personnel of Starwood Capital Group in order to provide incentive compensation to them.

Equity Plan

The Starwood Property Trust, Inc. Equity Plan provides for the grant of stock options, restricted shares of Common Stock, restricted stock units, dividend equivalent rights and other equity-based awards to the Company's non-executive directors, officers and other employees and independent contractors, including employees or directors of the Manager and its affiliates who are providing services to the Company. As noted above under "Equity Incentive Plans," the maximum number of shares that may be made subject to awards under the Equity Plan is equal to 3,112,500, less any shares of Common Stock issued or subject to awards granted under the Manager Equity Plan. During the term of the Equity Plan, no more than 50,000 shares may be made subject to awards granted to the person or persons who serve as the Company's chief financial officer and/or chief compliance officer. If any vested awards under the Equity Plan are paid or otherwise settled without the issuance of Common Stock, or any shares of Common Stock are surrendered to or withheld by the Company as payment of the exercise price of an award and/or withholding taxes in respect of an award, the shares that were subject to such award will not be available for re-issuance under the Equity Plan. If any awards under the Equity Plan are cancelled, forfeited or otherwise terminated without the issuance of shares of Common Stock (except as described in the immediately preceding sentence), the shares that were subject to such award will be available for re-issuance under the Equity Plan. Shares issued under the Equity Plan may be authorized but unissued shares or shares that have been reacquired by the Company. In the event that the compensation committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants

under the Equity Plan, then the compensation committee will make equitable changes or adjustments to any or all of: (i) the number and kind of shares of stock or other property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of stock or other property (including cash) issued or issuable in respect of outstanding awards; (iii) the exercise price, base price or purchase price relating to any award and (iv) the performance goals, if any, applicable to outstanding awards. In addition, the compensation committee may determine that any such equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of stock). Awards under the Equity Plan are intended to either be exempt from, or comply with, Section 409A of the Code.

Unless otherwise determined by the compensation committee and set forth in an individual award agreement, upon termination of an award recipient's services to the Company, any then unvested awards will be cancelled and forfeited without consideration. Upon a change in control of the Company (as defined under the Equity Plan), any award that was not previously vested will become fully vested and/or payable, and any performance conditions imposed with respect to the award will be deemed to be fully achieved, provided, that with respect to an award that is subject to Section 409A of the Code, a change in control of the Company must constitute a "change of control" within the meaning of Section 409A of the Code.

Director Stock Plan

The Starwood Property Trust, Inc. Non-Executive Director Stock Plan (referred to below as the Director Stock Plan provides for the issuance of restricted or unrestricted shares of Common Stock or restricted stock units. The Director Stock Plan is intended, in part, to implement the Company's program of non-executive director compensation described above under "Executive and Director Compensation Compensation of Directors." The Company has reserved a total of 100,000 shares for issuance under the Director Stock Plan. If any awards under the Equity Plan are cancelled, forfeited or otherwise terminated, the shares that were subject to such award will be available for re-issuance under the Director Stock Plan. Shares issued under the Director Stock Plan may be authorized but unissued shares or shares that have been reacquired by the Company. In the event that the compensation committee determines that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Common Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Director Stock Plan, then the compensation committee will make equitable changes or adjustments to any or all of: (i) the number and kind of shares of stock or other property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of stock or other property (including cash) issued or issuable in respect of outstanding awards; and (iii) the performance goals, if any, applicable to outstanding awards. In addition, the compensation committee may determine that any such equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of stock). Awards under the Director Stock Plan are intended to either be exempt from, or comply with, Section 409A of the Code.

Each award of restricted stock or restricted stock units will be subject to such restrictions as will be set forth in the applicable award agreement. Unless otherwise determined by the compensation committee, upon a non-executive director's removal or resignation from the board of directors, the director will forfeit any as yet unvested awards granted under the Director Stock Plan. Upon a change in control of the Company (as defined under the Director Stock Plan), any award that was not previously vested will become fully vested and/or payable, and any performance conditions imposed with respect to the award will be deemed to be fully achieved, provided, that with respect to an award

that is subject to Section 409A of the Code, a change in control of the Company must constitute a "change of control" within the meaning of Section 409A of the Code.

Management Agreement

Pursuant to the Management Agreement, the Manager provides the day-to-day management of the Company's operations. The Management Agreement requires the Manager to manage the Company's business affairs in conformity with the policies and the investment guidelines that are approved and monitored by the board of directors.

Base Management Fee

The Company pays the Manager a base management fee in an amount equal to 1.5% of the Company's stockholders' equity, per annum, calculated and payable quarterly in arrears in cash. For purposes of calculating the base management fee, the Company's stockholders' equity means: (a) the sum of (1) the net proceeds from all issuances of the Company's equity securities since inception (allocated on a pro rata basis for such issuances during the fiscal quarter of any such issuance), plus (2) the Company's retained earnings at the end of the most recently completed calendar quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less (b) any amount that the Company pays to repurchase its Common Stock since inception. It also excludes (1) any unrealized gains and losses and other non-cash items that have impacted stockholders' equity as reported in the Company's financial statements prepared in accordance with GAAP, and (2) one-time events pursuant to changes in GAAP, and certain non-cash items not otherwise described above, in each case after discussions between the Manager and the Company's independent directors and approval by a majority of the Company's independent directors. As a result, the Company's stockholders' equity, for purposes of calculating the management fee, could be greater or less than the amount of stockholders' equity shown on the Company's financial statements. The Manager uses the proceeds from its management fee in part to pay compensation to its officers and personnel who, notwithstanding that certain of them also are the Company's officers, receive no cash compensation directly from the Company, other than Ms. Anderson, the Company's chief financial officer and treasurer and Mr. Sossen, the Company's executive vice president, general counsel, chief compliance officer and secretary, who were seconded exclusively to the Company by Starwood Capital Group. The management fee is payable independent of the performance of the Company's portfolio.

The management fee of the Manager shall be calculated within 30 days after the end of each quarter and such calculation shall be promptly delivered to the Company. The Company is obligated to pay the management fee in cash within five business days after delivery to the Company of the written statement of the Manager setting forth the computation of the management fee for such quarter.

Incentive Fee

The Company pays the Manager an incentive fee with respect to each calendar quarter (or part thereof that the management agreement is in effect) in arrears. The incentive fee will be an amount, not less than zero, equal to the difference between (1) the product of (x) 20% and (y) the difference between (i) the Company's Core Earnings (as defined below) for the previous 12-month period, and (ii) the product of (A) the weighted average of the issue price per share of Common Stock of all of the Company's public offerings of Common Stock multiplied by the weighted average number of all shares of Common Stock outstanding (including any restricted stock units, any restricted shares of Common Stock and any other shares of Common Stock underlying awards granted under the Company's equity incentive plans) in the previous 12-month period, and (B) 8% and (2) the sum of any incentive fee paid to the Manager with respect to the first three calendar quarters of such previous 12-month period; provided, however, that no incentive fee is payable with respect to any calendar quarter unless Core Earnings for the 12 most recently completed calendar quarters is greater than zero.

Core Earnings is a non-GAAP measure and is defined as GAAP net income (loss) excluding non-cash equity compensation expense, the incentive fee, depreciation and amortization (to the extent that the Company forecloses on any properties underlying its target assets), any unrealized gains, losses or other non-cash items recorded in net income for the period, regardless of whether such items are included in other comprehensive income or loss, or in net income. The amount will be adjusted to exclude one-time events pursuant to changes in GAAP and certain other non-cash charges after discussions between the Manager and the Company's independent directors and after approval by a majority of the Company's independent directors.

Reimbursement of Expenses

The Company is required to reimburse the Manager for the expenses described below. Expense reimbursements to the Manager are made in cash on a monthly basis following the end of each month. The Company's reimbursement obligation is not subject to any dollar limitation. Because the Manager's personnel perform certain legal, accounting, due diligence tasks and other services that outside professionals or outside consultants otherwise would perform, the Manager is paid or reimbursed for the documented cost of performing such tasks, provided that such costs and reimbursements are in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis.

The Company also pays all operating expenses, except those specifically required to be borne by the Manager under the Management Agreement. The expenses required to be paid by the Company include, but are not limited to:

expenses in connection with the issuance and transaction costs incident to the acquisition, disposition and financing of the Company's investments;

costs of legal, tax, accounting, consulting, auditing and other similar services rendered for the Company by providers retained by the Manager or, if provided by the Manager's personnel, in amounts which are no greater than those which would be payable to outside professionals or consultants engaged to perform such services pursuant to agreements negotiated on an arm's-length basis;

the compensation and expenses of the Company's directors and the cost of liability insurance to indemnify the Company's directors and officers;

costs associated with the establishment and maintenance of any of the Company's credit facilities, other financing arrangements, or other indebtedness of the Company (including

expenses connected with communications to holders of the Company's securities or of the Company's subsidiaries and other bookkeeping and clerical work necessary in maintaining relations with holders of such securities and in complying with the continuous reporting and other requirements of governmental bodies or agencies, including, without limitation, all costs of preparing and filing required reports with the SEC, the costs payable by the Company to any transfer agent and registrar in connection with the listing and/or trading of the Company's stock on any exchange, the fees payable by the Company to any such exchange in connection with its listing, costs of preparing, printing and mailing the Company's annual report to its stockholders and proxy materials with respect to any meeting of the Company's stockholders;

costs associated with any computer software or hardware, electronic equipment or purchased information technology services from third-party vendors that is used for the Company;

expenses incurred by managers, officers, personnel and agents of the Manager for travel on the Company's behalf and other out-of-pocket expenses incurred by managers, officers, personnel and agents of the Manager in connection with the purchase, financing, refinancing, sale or other disposition of an investment or establishment and maintenance of any of the Company's securitizations or any of the Company's securities offerings;

costs and expenses incurred with respect to market information systems and publications, research publications and materials, and settlement, clearing and custodial fees and expenses;

compensation and expenses of the Company's custodian and transfer agent, if any;

the costs of maintaining compliance with all federal, state and local rules and regulations or any other regulatory agency;

all taxes and license fees;

all insurance costs incurred in connection with the operation of the Company's business except for the costs attributable to the insurance that the Manager elects to carry for itself and its personnel;

costs and expenses incurred in contracting with third parties;

all other costs and expenses relating to the Company's business and investment operations, including, without limitation, the costs and expenses of acquiring, owning, protecting, maintaining, developing and disposing of investments, including appraisal, reporting, audit and legal fees;

expenses relating to any office(s) or office facilities, including, but not limited to, disaster backup recovery sites and facilities, maintained for the Company or its investments separate from the office or offices of the Manager;

expenses connected with the payments of interest, dividends or distributions in cash or any other form authorized or caused to be made by the board of directors to or on account of holders of the Company's securities or of the Company's subsidiaries, including, without limitation, in connection with any dividend reinvestment plan;

any judgment or settlement of pending or threatened proceedings (whether civil, criminal or otherwise) against the Company or any subsidiary, or against any trustee, director, partner, member or officer of the Company or of any subsidiary in his capacity as such for which we or any subsidiary is required to indemnify such trustee, director, partner, member or officer by

any court or governmental agency; and

all other expenses actually incurred by the Manager (except as described below) which are reasonably necessary for the performance by the Manager of its duties and functions under the Management Agreement.

The Company will not reimburse the Manager for the salaries and other compensation of its personnel except that, pursuant to the secondment agreements between Starwood Capital Group and the Company with respect to Ms. Anderson and Mr. Sossen and described above, the Company is responsible for Starwood Capital Group's expenses incurred in employing Ms. Anderson as its chief financial officer and treasurer and Mr. Sossen as its executive vice president, general counsel, chief compliance officer and secretary, including annual base salary, bonus potential, any related employee's withholding taxes and employee benefits. In addition, the Company may be required to pay its pro rata portion of rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of the Manager and its affiliates required for the Company's operations.

Grants of Equity Compensation to the Manager

Under the Company's equity incentive plans, our compensation committee (or our board of directors, if no such committee is designated by the board) is authorized to approve grants of equity-based awards to the Company's officers or directors and to the Manager and its personnel and affiliates. Concurrently with the closing of the Company's initial public offering of common stock, the Company granted to the Manager 1,375,000 restricted stock units. This award of restricted stock units will vest ratably on a quarterly basis over a three-year period beginning on October 1, 2009. Once vested, this award of restricted stock units will be settled in shares of Common Stock. However, restricted stock units that vest during the first year of the three-year vesting period will not be settled in shares until promptly following the first anniversary of the contract of vesting. Restricted stock units that vest after the fourth quarterly vesting date will be settled promptly, but in no event later than 30 days, following the applicable quarterly vesting date. The Manager will be entitled to receive "distribution equivalents" with respect to these restricted stock units, whether or not vested, at the same time as distributions are paid to the Company's common stockholders. See "Management Equity Incentive Plans."

Pre-Approval Policies for Services of Independent Registered Public Accounting Firm

In accordance with Audit Committee policy and requirements of law, the Audit Committee pre-approves all services to be provided by the independent audit firm, including audit services, audit-related services, tax services, and other services. In some cases, the full Audit Committee provides pre-approval for up to a year, related to a particular defined task or scope of work and subject to a specific budget. The Audit Committee has authorized its chairperson to pre-approve additional services and, if the chairperson pre-approves a service pursuant to this authority, he or she reviews the matter with the full Audit Committee at its next regularly scheduled meeting. To avoid potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its independent audit firm. The Company obtains these services from other firms as needed.

Audit Fees consisted of fees for the audits and quarterly reviews of the consolidated financial statements filed with the SEC on Forms 10-K and 10-Q, as well as work generally only the independent registered public accounting firm can be reasonably expected to provide, such as comfort letters, statutory audits, consents and review of documents filed with the SEC, including certain Form 8-K filings.

Audit-Related Fees relate primarily to services provided in connection with the Company's application of new accounting pronouncements.

Tax Fees represent professional services for tax compliance, tax advice and tax planning.

All Other Fees not listed in the Policies or appendices thereto must be separately pre-approved by the Audit Committee or the Chairperson.

For the year ended December 31, 2009, all services provided by Deloitte & Touche LLP were pre-approved by the Audit Committee pursuant to the Policies.

Procedures

Requests or applications to provide services that require specific approval by the Audit Committee or the Chairperson will be submitted to the Audit Committee or the Chairperson, as the case may be, by both the independent auditor and the Company's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the rules of the SEC on auditor independence and the requested services is not a non-audit service prohibited by the SEC.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company is party to the Management Agreement with the Manager, pursuant to which the Manager provides the day-to-day management of the Company's operations. The Management Agreement requires the Manager to manage the Company's business affairs in conformity with the policies and the investment guidelines that are approved and monitored by the Company's Board of Directors. The Management Agreement has an initial three year term and will be renewed for one-year terms thereafter unless terminated by either the Company or the Manager. The Manager is entitled to receive a termination fee from the Company under certain circumstances. The Company is also obligated to reimburse certain expenses incurred by the Manager. The Manager is entitled to receive from the Company base management fee and an incentive fee. One half of each quarterly installment of the incentive fee will be payable in shares of Common Stock so long as the ownership of such additional number of shares by the Manager would not violate the 9.8% stock ownership limit set forth in the Company's Articles of Incorporation, after giving effect to any waiver from such limit that the Company's Board of Directors may grant to the Manager in the future. For the year ended December 31, 2009, the Company incurred \$3,425,000 in base management fees and \$0 in incentive compensation payable to the Manager. The Company also reimbursed the Manager for \$163,000 of certain expenses incurred on the Company's behalf during that year, of which \$114,000 was included in general and administrative expenses, \$31,000 was included in offering costs and \$18,000 was capitalized as loan costs in the Company's consolidated financial statements.

The Company's chief executive officer and its president are also executives of Starwood Capital Group. As a result, the Management Agreement between the Company and the Manager was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to the Company as if it had been negotiated with an unaffiliated third party.

The Management Agreement is intended to provide the Company with access to the Manager's pipeline of investment opportunities and its personnel and its experience in capital markets, credit analysis, debt structuring and risk and asset management, as well as assistance with corporate operations, legal and compliance functions and governance. However, the Company's chief executive officer and its president are also executives of Starwood Capital Group.

Mr. Sternlicht, the Company's chairman and chief executive officer, is an investor in a fund sponsored by ZelnickMedia. Mr. Zelnick, one of the Company's directors, is a founding partner of ZelnickMedia.

With respect to Mr. DiModica, the Board of Directors took into account potential relationships between the Company and RBS, for which Mr. DiModica is the head of MBS/ABS/CMBS sales for the Americas. The Board of Directors acknowledged that although the Company may engage in transactions with RBS or its affiliates (together, the "RBS Parties") from time to time, the Company and RBS have entered into an agreement providing that the RBS Parties shall not make payments to, or receive payments from, the Company for property or services which exceeds the greater of \$1 million or 2% of the RBS Parties' consolidated gross revenues in any fiscal year, in order to maintain Mr. DiModica's status as an Independent Director of the Company.

Related Party Transaction Policies

The Starwood Global Fund and the Starwood Hotel Fund Starwood Private Real Estate Funds (together, the "Starwood Private Real Estate Funds") collectively have the right to invest 25% of the equity capital proposed to be invested by any investment vehicle managed by an affiliate of Starwood Capital Group in debt interests relating to real estate. The Company's independent directors will periodically review the Manager's and Starwood Capital Group's compliance with these co-investment provisions, but they will not approve each co-investment by the Starwood Private Real Estate Funds and the Company unless the amount of capital the Company invests in the proposed co-investment

otherwise requires the review and approval of the Company's independent directors pursuant to its investment guidelines.

In order to avoid any actual or perceived conflicts of interest between the Manager, Starwood Capital Group, any of their affiliates or any investment vehicle sponsored or managed by Starwood Capital Group or any of its affiliates (the "Starwood Parties"), and the Company, the approval of a majority of the Company's independent directors is required to approve (i) any purchase of the Company's assets by any of the Starwood Parties, and (ii) any purchase by the Company of any assets of any of the Starwood Parties.

The Board of Directors has adopted a policy with respect to any proposed investments by the Company's directors or officers or the officers of the Manager (the "Covered Persons"), in any of the Company's target asset classes. This policy provides that any proposed investment by a Covered Person for his or her own account in any of the Company's target asset classes will be permitted if the capital required for the investment does not exceed the personal investment limit. To the extent that a proposed investment exceeds the personal investment limit, the Board of Directors will only permit the Covered Person to make the investment (i) upon the approval of the disinterested directors, or (ii) if the proposed investment otherwise complies with terms of any other related party transaction policy the Board of Directors may adopt in the future.

The Board of Directors has also adopted a policy regarding the approval of any "related person transaction," which is any transaction or series of transactions in which the Company or any of its subsidiaries is or are to be a participant, the amount involved exceeds \$120,000, and a "related person" (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person must promptly disclose to the Company's Secretary any related person transaction and all material facts about the transaction. The Company's Secretary then assesses and promptly communicates that information to the Compensation Committee. Based on its consideration of all of the relevant facts and circumstances, the Compensation Committee decides whether or not to approve such transaction and will generally approve only those transactions that do not create a conflict of interest. If the Company becomes aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Compensation Committee, which will evaluate all options available, including ratification, revision or termination of such transaction. This policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Restricted Common Stock and Other Equity-Based Awards

The Company's Manager Equity Plan and Equity Plan together provide for the grants of restricted Common Stock and other equity-based awards up to an aggregate of 3,112,500 shares of Common Stock. Under the Manager Equity Plan, awards may be made to the Manager and under the Equity Plan awards may be made to the directors, officers, advisors and consultants of the Company. In addition, 100,000 shares under the Company's Director Stock Plan, 8,800 shares of which were granted to the Company's four independent directors at the time of the Company's initial public offering concurrently with the completion of such offering.

Purchases of Common Stock by Affiliates

Concurrently with the completion of the Company's initial public offering of Common Stock and pursuant to the Private Placement Purchase Agreement, dated August 11, 2009, with Starwood Property Trust, Inc., SPT Investment, LLC, an affiliate of Starwood Capital Group which is controlled by Mr. Sternlicht, acquired 1,000,000 shares of common Stock in a private placement at a price per share equal to the price per share of the Common Stock offered in the initial public offering.

Registration Rights Agreement

The Company is party to a registration rights agreement, dated August 17, 2009 (the "Registration Rights Agreement"), with regard to (i) the 1,000,000 shares of the Common Stock acquired by SPT Investment, LLC in the private placement occurring simultaneously with the completion of the Company's initial public offering, (ii) the shares of Common Stock that are issuable upon the vesting of the restricted stock units granted to the Manager under the Manager Equity Plan concurrently with the completion of the Company's initial public offering, (iii) any equity-based awards granted to the Manager under our Manager Equity Plan in the future and (iv) any shares of Common Stock that the Manager may receive pursuant to the incentive fee provisions of the Management Agreement in the future (collectively, the "Registrable Shares"). Pursuant to the Registration Rights Agreement, the Company SPT Investment, LLC, the Manager and their direct and indirect transferees:

unlimited demand registration rights to have the Registrable Shares registered for resale; and

in certain circumstances, the right to "piggy-back" the Registrable Shares in registration statements the Company might file in connection with any future public offering so long as the Company retain the Manager as its Manager under the Management Agreement.

Notwithstanding the foregoing, any registration pursuant to the Registration Rights Agreement is subject to cutback provisions, and the Company is permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as "blackout periods."

"Starwood" License Agreement

The Company is party to a license agreement, dated as of August 17, 2009 (the "License Agreement"), with Starwood Capital Group Global, L.P. ("Starwood Global") pursuant to which Starwood Global grants the Company a non-exclusive, royalty-free license to use the name and trademark "Starwood" and the logo for Starwood Capital Group. Under this agreement, the Company has a right to use this name, trademark and logo for so long as Starwood Capital Group and SPT Management, LLC are under common control and SPT Management, LLC serves as the Manager pursuant to the Management Agreement. This license and trademark terminate concurrently with any termination of the Management Agreement or any change of control of SPT Management, LLC.

Co-Investment and Allocation Agreement

Pursuant to a Co-Investment and Allocation Agreement, dated as of August 17, 2009 (the "Co-Investment Agreement"), among the Manager, Starwood Capital Group and the Company, each of the Manager and Starwood Capital Group have agreed that the Company will be entitled to co-investment rights with the Starwood Private Real Estate Funds for so long as the Management Agreement is in effect and the Manager and Starwood Capital Group are under common control. In addition, the Manager and Starwood Capital Group have agreed that neither they nor any entity controlled by Starwood Capital Group will sponsor or manage any U.S. publicly traded investment vehicle that invests primarily in the Company's target asset classes other than the Company for so long as the Management Agreement is in effect and the Manager and Starwood Capital Group are under common control. However, the Manager, Starwood Capital Group and their respective affiliates may sponsor or manage another U.S. publicly traded investment vehicle that invests generally in real estate assets but not primarily in the Company's target assets, or a potential competing vehicle. The Manager and Starwood Capital Group have also agreed that for so long as the Management Agreement is in effect and the Manager and Starwood Capital Group are under common control, no entity controlled by Starwood Capital Group will sponsor or manage a potential competing vehicle or private or foreign competing vehicle, unless Starwood Capital Group adopts a policy that either (i) provides for the fair and equitable allocation of investment opportunities among all such vehicles and the Company, or

(ii) provides the Company the right to co-invest with such vehicles, in each case subject to the suitability of each investment opportunity for the particular vehicle and us and each such vehicle's and the Company's availability of cash for investment. Since the Company intends to invest predominantly in the United States in target assets secured primarily by U.S. collateral, any investment vehicle that invests predominantly in non-U.S. mortgage assets would not be considered a private or foreign competing vehicle for purposes of the Co-Investment Agreement.

No person is authorized to give any information or to make any representation not contained in this Proxy Statement, and, if given or made, such information or representation should not be relied upon as having been authorized. The delivery of this Proxy Statement shall not, under any circumstances, imply that there has not been any change in the information set forth herein since the date of the Proxy Statement.

ADDITIONAL INFORMATION

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement and annual report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by phone at (203) 422-7700 or send a written request to Starwood Property Trust, Inc., 591 West Putnam Avenue, Greenwich, Connecticut 06830, Attention: Secretary.

If your household has received multiple copies of proxy statements and annual reports, you can request the delivery of single copies in the future by notifying the Company as listed above.

Andrew J. Sossen
Secretary
