PROXY STATEMENT

GENERAL INFORMATION

We are sending you this proxy statement in connection with the solicitation of proxies by our Board of Directors for use at the 2011 Annual Meeting of Stockholders of Netlist, Inc, a Delaware corporation (the "Company," "Netlist," "we" or "our"), which we will hold on Wednesday, June 1, 2011 at 10:00 a.m., Pacific Time, at our principal executive offices at 51 Discovery, Suite 150, Irvine, California 92618. The record date for the Annual Meeting is April 15, 2011. All holders of record of our common stock on the record date are entitled to notice of and to vote at the Annual Meeting and any meetings held upon any adjournment or postponement thereof. This proxy statement is being initially distributed to our stockholders on or about May 3, 2011.

Whether or not you plan to attend the Annual Meeting in person, please date, sign and return the enclosed proxy card as promptly as possible, in the postage prepaid envelope provided, to ensure that your shares will be voted at the Annual Meeting. You may revoke your proxy at any time prior to its use by filing with our Secretary an instrument revoking it or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Unless you instruct otherwise in the proxy, any proxy that is not revoked will be voted at the Annual Meeting:

for each nominee to our Board of Directors;

to ratify the appointment of KMJ Corbin & Company LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011; and

as recommended by our Board of Directors, in its discretion, with regard to all other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Voting Information

At the Annual Meeting, votes will be counted by written ballot. The presence, in person or by a proxy relating to any matter to be acted upon at the Annual Meeting, of the holders of a majority of the outstanding shares of common stock will constitute a quorum for purposes of the Annual Meeting. Abstentions, broker non-votes, which are explained below, and shares as to which authority to vote on any proposal is withheld, are each included in the determination of the number of shares present at the Annual Meeting for purposes of obtaining a quorum.

Under our Amended and Restated Bylaws ("Bylaws"), when a quorum is present at any meeting, directors are elected by a plurality of the votes cast by the stockholders entitled to vote in the election of directors. All other matters are determined by a majority of the votes cast affirmatively or negatively on the proposal, except when a different vote is required by law, the national securities exchange on which we are listed, our Restated Certificate of Incorporation or our Bylaws. As a result, abstentions and broker non-votes are not considered votes cast on either of the proposals presented at the Annual Meeting and will have no affect on the voting results for such proposals.

A "broker non-vote" occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting

power with respect to that proposal and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast on a proposal. Under applicable rules, brokers or other nominees have discretionary voting power with respect to matters that are considered routine, but not with respect to non-routine matters. Proposal No. 1 (the election of directors) is considered a non-routine matter and Proposal No. 2 (ratification of independent registered public accounting firm) is considered a routine matter. A broker or other nominee cannot vote without instructions on non-routine matters such as Proposal No. 1, and therefore there may be broker non-votes on this proposal. Broker non-votes are not expected to result from the vote on Proposal No. 2.

Election of Directors. Directors are elected by a plurality of the votes cast. That is, the Director nominees receiving the greatest number of votes will be elected. As described above, your broker is not able to vote uninstructed shares on your behalf in any director election. As such, we encourage you to sign and return your proxy and vote your shares in the election of directors before the meeting so that your shares will be represented and voted at the meeting even if you cannot attend in person.

Ratification of the Appointment of the Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast affirmatively or negatively on this proposal is required to approve the proposal to ratify the appointment of KMJ Corbin & Company LLP as our independent registered public accounting firm. Broker non-votes are not expected to result from the vote on Proposal No. 2. Abstentions will have no effect on the outcome of the vote on this proposal.

If any other matters are properly presented at the Annual Meeting for consideration, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting there under will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is postponed or adjourned, a stockholder's proxy may remain valid and may be voted at the postponed or adjourned meeting. A stockholder will still be able to revoke the stockholder's proxy until it is voted. As of the date of this Proxy Statement, the Board of Directors does not know of any matters other than those described in this Proxy Statement that will be presented at the Annual Meeting.

Proxies properly executed and received by us prior to the Annual Meeting and not revoked will be voted as directed therein on all matters presented at the Annual Meeting. In the absence of specific direction from a stockholder, proxies will be voted "FOR" the election of all named director nominees and "FOR" the proposal to ratify the appointment of the independent registered public accounting firm.

Proxy Solicitation Costs

We will pay for the cost of preparing, assembling, printing and mailing these proxy materials to our stockholders, as well as the cost of soliciting proxies relating to the Annual Meeting. We may request banks and brokers to solicit their customers who beneficially own our common stock listed of record in names of nominees. We will reimburse these banks and brokers for their reasonable out-of-pocket expenses regarding these solicitations. Our officers, directors and employees may supplement the original solicitation by mail of proxies by telephone, facsimile, e-mail and personal solicitation. We will pay no additional compensation to our officers, directors and employees for these activities.

The Board of Directors recommends a vote FOR the election of each of the named nominees as directors.

Director Independence

Our Board of Directors has determined that each of our directors, other than Chun Ki Hong and Nam Ki Hong; qualify as "independent" in accordance with the NASDAQ rules. The Board has determined that Chun Ki Hong is not independent because he is an executive officer of our company and Nam Ki Hong is not independent because he is the brother of Chun Ki Hong. In making these determinations, the Board of Directors reviewed and discussed information provided by the directors and management with regard to each director's business and personal activities as they may relate to our management.

Information Regarding our Board of Directors and its Committees

Our Board of Directors met four times during fiscal year 2010. Each of our directors attended 100% of the total number of meetings of the Board of Directors and of the committees of the Board of Directors on which he served during fiscal year 2010. Our Board of Directors has established the following committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

Audit Committee

Messrs. Char, Portnoy and Lagatta served on our Audit Committee during fiscal year 2010. Mr. Char joined the Audit Committee, and became its Chair upon his appointment to the Board of

Directors in January 2010. Our Board of Directors determined that Mr. Char qualifies as an "audit committee financial expert" in accordance with Securities and Exchange Commission (the "SEC") rules, and that each current member of our Audit Committee is "independent" under the NASDAQ rules.

Our Board of Directors has adopted a written charter for our Audit Committee. The charter is set forth on our website, located at <http://www.netlist.com>. Our Audit Committee (a) oversees the integrity of our consolidated financial statements, our financial reporting process, systems of accounting, internal controls and disclosure controls and procedures, and our financial reporting legal and regulatory compliance, (b) reviews and approves in advance any transactions by us with related parties, (c) appoints our independent registered public accounting firm, (d) monitors the independence and performance of our independent registered public accounting firm, (e) is responsible for setting the corporate tone for quality financial reporting and sound business risk practices and ethical behavior and, (f) provides an avenue of communication among the independent registered public accounting firm, management, and our Board of Directors. The Audit Committee must also pre-approve all audit services and, subject to a "de minimus" exception, all other services performed by the independent registered public accounting firm. Our Audit Committee also has the responsibility to review with management and approve in advance any transactions or courses of dealing with related parties. Our Audit Committee met four times during fiscal year 2010 and met with our independent registered public accounting firm without management present on four occasions in fiscal year 2010.

Compensation Committee

Messrs. Lagatta (Chair) and Char served on our Compensation Committee during fiscal year 2010. Each of the members of our Compensation Committee is independent in accordance with the NASDAQ rules. Each of the members of this committee is also currently a "non-employee director" as that term is defined under Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act") and an "outside director" as that term is defined in Internal Revenue Service Regulations. Our Compensation Committee reviews the performance of our chief executive officer and other executives and makes decisions and specific recommendations regarding their compensation to the Board of Directors with the goal of ensuring that our compensation system for our executives, as well as our philosophy for compensation for all employees, is aligned with the long term interests of our stockholders and does not encourage our executives to take excessive or unnecessary risks that might threaten our long-term value. The Compensation Committee also oversees the development of executive succession plans. Pursuant to its charter, the Compensation Committee may select, retain and terminate such compensation consultants, outside counsel and other advisors as it deems necessary or appropriate in its sole discretion and has the authority to approve the fees and retention terms relating to such consultants. The Compensation Committee met one time during fiscal year 2010. The charter of the Compensation Committee is set forth on our website, located at <http://www.netlist.com>.

Nominating and Corporate Governance Committee

Messrs. Portnoy (Chair) and Lagatta served on our Nominating and Corporate Governance Committee during fiscal year 2010. The charter of the Nominating and Corporate Governance Committee and our corporate governance guidelines are set forth on our website, located at <http://www.netlist.com>. Our Nominating and Corporate Governance Committee reviews and makes recommendations to the Board of Directors about our governance processes, assists in identifying and recruiting candidates for the Board of Directors, reviews the performance of our Board of Directors and its committees, recommends to the Board proposed nominees for Board membership and makes recommendations to our Board of Directors regarding the membership and chairs of the committees of our Board of Directors. Our Nominating and Corporate Governance Committee met one time during fiscal year 2010.

Board Leadership Structure

Both the Chairman of the Board and the Chief Executive Officer positions are currently held by Mr. Chun Ki Hong. We do not have a lead independent director. However, all Board committee members are independent directors.

The Board of Directors believes that our Chief Executive Officer is best situated to serve as Chairman of the Board of Directors because, as one of our founders, he possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its businesses and is best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Further, Mr. C.K. Hong is intimately involved in the day-to-day operations of our company and is thus in a position to elevate the most critical business issues for consideration by the independent directors of the Board. His combined role, along with his significant ownership in the Company, ensures clear accountability and enhances the Company's ability to communicate its message and strategy clearly and consistently to the relevant stakeholders. The Board of Directors believes that combining the role of the Chairman and Chief Executive Officer at this point in time promotes strategy development and execution, and facilitates information flow between management and the Board of Directors, which are essential to effective governance.

Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the Chief Executive Officer brings company-specific experience and expertise. All Board committee members are independent directors, and the independent directors of the Board meet regularly in executive session (with no management directors or management present) as often as they deem advisable, but at least semi-annually. Executive sessions of the independent directors are called and chaired by the chairman of the Board's Nominating and Corporate Governance Committee. These executive session discussions may include such topics as the independent directors determine. During our fiscal year 2010, the independent directors met four times in executive session.

Our Board of Directors has always been small in number, with strong participation by all Board members. The Nominating and Corporate Governance Committee and Board of Directors have considered the need for, and desirability of, the separation of the Chief Executive Officer and Chairman positions or the formal appointment of a lead independent director. After consideration, both the Nominating and Corporate Governance Committee and the Board of Directors have concluded that the independent nature of the Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. C.K. Hong, Mr. N.K. Hong and the other members of our management present, ensures that our Board maintains a level of independent oversight of management that is appropriate for our company.

Director Qualifications and Review of Director Nominees

Our Nominating and Corporate Governance Committee identifies qualified individuals to become members of our Board of Directors and recommends to the Board proposed nominees for Board membership. Our Nominating and Corporate Governance Committee does not have a specific set of minimum criteria for membership on the Board of Directors. In making its recommendations, however, it takes into account an individual's skills, expertise, industry and other knowledge and business and other experience that may be useful to the effective oversight of the Company's business. This committee also considers continuing director tenure and takes steps as may be appropriate to ensure that our Board of Directors is open to new ideas. Pursuant to our Corporate Governance Guidelines, a majority of our Board of Directors must qualify as "independent" under the NASDAQ rules and Section 10A of the Exchange Act and no director may stand for re-election who has not participated in at least 65% of the combined total of the Board and committee meetings, unless excused for a medical

purpose, during the entire term for which he or she was elected. Per our Corporate Governance Guidelines, no director may concurrently serve on the board of directors of more than three public companies and our Chief Executive Officer and any other director that is employed fulltime may not serve on the board of directors of more than two public companies, including our Board of Directors. The Nominating and Governance Committee assess the effectiveness of the Corporate Governance Guidelines, including with respect to director nominations and qualifications, through completion of the annual self-evaluation process.

Our Nominating and Corporate Governance Committee will consider nominees for directors recommended by stockholders upon submission in writing to our Secretary of the names and qualifications of such nominees at the following address: Netlist, Inc., 51 Discovery, Suite 150, Irvine, California 92618. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. The submissions should include a current resume and curriculum vitae of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

Nominations for Directors

Our Bylaws provide that any stockholder who is entitled to vote at the annual meeting and who complies with the notice requirements described below may nominate persons for election to the Board of Directors. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 120 calendar days prior to the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders. However, if an annual meeting was not held or has been advanced more than thirty (30) days from the date of the prior year's annual meeting, notice by the stockholder to be timely must be delivered to our corporate secretary at our principal executive offices not later than the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder's notice relating to director nomination(s) shall set forth: (i) the name and address of the stockholder who intends to make the nomination, of the beneficial owner, if any, on whose behalf the nomination is being made and of the person or persons to be nominated; (ii) a representation that the stockholder is a holder of record of stock of the corporation entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the stockholder or such beneficial owner and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (iv) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors; (v) the consent of each nominee to serve as a director of the corporation if so elected; and (vi) if proxies are intended to be solicited in support of such stockholder's nominee(s), a representation to that effect.

Corporate Governance Guidelines; Code of Business Conduct

Our Board of Directors has adopted a set of corporate governance guidelines established to assist the Board of Directors and its committees in performing their duties and serving the best interests of the company and our stockholders. Our corporate governance guidelines are available on our website, located at <http://www.netlist.com>. We also have a Code of Business Conduct and Ethics. This code

describes certain ethical principles that we have established for the conduct of our business and outlines certain key legal requirements of which all employees must be generally aware and with which all employees must comply. Our Code of Business Conduct and Ethics is available on our website, located at <http://www.netlist.com>.

Risk Oversight

The Board of Directors as a whole is responsible for risk management oversight of the Company. The involvement of the full Board of Directors in setting our business strategy and objectives is integral to the Board's assessment of our risk and also a determination of what constitutes an appropriate level of risk and how best to manage any such risk. This involves receiving reports and/or presentations from applicable members of management and the committees of the board. The full Board of Directors conducts on-going risk assessment of our financial risk, legal/compliance risk and operational/strategic risk and addresses individual risk issues with management throughout the year as necessary.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, the Board delegates responsibility for certain aspects of risk management to its committees. In particular, the Audit Committee focuses on financial risks and related controls and processes. Per its charter, the Audit Committee discusses with management our financial statements and the reasonableness of significant judgments and the adequacy and effectiveness of the accounting and financial controls. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy and objectives. Finally, the Nominating and Governance Committee is responsible for overseeing our corporate governance and developing and reviewing our Code of Business Conduct and Ethics. Additionally, the full Board regularly receives reports from our Chief Executive Officer and Chief Financial Officer, the two executive officers principally responsible for aiding the Board in identifying, evaluating and implementing risk management controls and methodologies to address identified risks.

Board of Directors' Attendance at Annual Meeting of Stockholders

We do not have a policy requiring that directors attend our annual meeting of stockholders. Other than Mr. C.K. Hong, none of our directors attended the 2010 annual meeting.

Compensation of Non-Employee Directors

Our non-employee directors receive annual base compensation of \$30,000, which is paid in four quarterly installments, and compensation of \$1,000 for each regularly scheduled board meeting, and each board committee meeting not held on the same day as a board meeting, that is attended by the director. The chairperson of our Audit Committee receives an additional \$5,000 per year. All of our directors, including our non-employee directors, are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and board committee meetings. Our non-employee directors are also granted options to purchase 25,000 shares of our common stock upon appointment or initial election to the Board of Directors, and receive a grant of options to purchase 20,000 shares of our common stock on August 1st of each year in which they continue to be a director. These option grants are subject to vesting in equal installments over four years, contingent upon continued service as a director on the vesting date, and have an exercise price equal to the fair market value of the shares of common stock underlying the option on the date of grant as determined in accordance with the terms of the 2006 Plan. In 2010 the Board voted to grant each director 8,000 shares of restricted stock in lieu of options to purchase 20,000 shares of common stock. The restrictions lapse ratably on a semi-annual

basis through September 8, 2014. The following table sets forth a summary of the compensation we paid to our non-employee directors in our fiscal year 2010.

Alan H. Portnoy	\$ 38,000	\$	\$ 25,200	\$ 63,200

(1) Represents the dollar value of the grant date fair value of fiscal 2010 awards, measured in accordance with Accounting Standards Codification Topic 718.

(2) Represents the dollar value of the restricted stock awards calculated on the basis of the fair value of the underlying shares of our Class A common stock on the respective grant dates in accordance with FASB ASC Topic 718 and without any adjustment for estimated forfeitures. The actual value that a director will realize on each RS award will depend on the price per share of our Class A common stock at the time shares underlying the RSA's are sold. There can be no assurance that the actual value realized by a director will be at or near the grant date fair value of the RS awarded.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KMJ Corbin & Company LLP as our independent registered public accounting firm with respect to our financial statements for the fiscal year ending December 31, 2011. In taking this action, the Audit Committee considered KMJ Corbin & Company LLP's independence with respect to the services to be performed and other factors that the Audit Committee and the Board of Directors believe are advisable and in the best interest of the stockholders. As a matter of good corporate governance, the Audit Committee has decided to submit its selection to stockholders for ratification. In the event that this selection of independent registered public accounting firm is not ratified by a majority vote of the shares of common stock present or represented at the Annual Meeting, it will be considered as a direction to the Audit Committee to consider the selection of a different firm.

Representatives of KMJ Corbin & Company LLP are expected to attend the 2011 Annual Meeting and will be available to respond to appropriate questions and to make a statement if they so desire. If KMJ Corbin & Company LLP should decline to act or otherwise become incapable of acting, or if KMJ Corbin & Company LLP's engagement is discontinued for any reason, the Audit Committee will appoint another independent registered public accounting firm to serve as our independent registered public accounting firm for our 2011 fiscal year.

Required Vote

Approval of this proposal requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal at the Annual Meeting. Abstentions will have no effect on the outcome of the vote on this proposal.

The Board of Directors recommends that you vote "FOR" approval of the ratification of KMJ Corbin & Company LLP.

The following table presents the aggregate fees billed for the indicated services performed by KMJ Corbin & Company LLP during fiscal years 2010 and 2009:

	2010	2009

Audit-Related Fees		
Tax Fees		
All Other Fees		
Total Fees	\$ 167,475	\$ 146,300

Audit fees consist of the aggregate amount of fees billed to us for the fiscal years ended January 1, 2011 and January 2, 2010 by KMJ Corbin & Company LLP, the company's independent registered public accounting firm, for the audit of our annual consolidated financial statements and the review of our quarterly consolidated financial statements. These fees also included the review of our registration statements on Form S-3 and Form S-8 and certain other related matters such as the delivery of comfort letters and consents in connection with our registration statements.

KMJ Corbin & Company LLP did not bill any audit-related fees, tax fees or other fees to us in fiscal years 2010 or 2009.

Pre-approval Policies and Procedures

Our Audit Committee's charter requires our Audit Committee to pre-approve all audit and permissible non-audit services to be performed for the Company by our independent registered public accounting firm, giving effect to the "de minimus" exception for ratification of certain non-audit services allowed by the applicable rules of the SEC, in order to assure that the provision of such services does not impair the auditor's independence. Our Audit Committee pre-approved all services performed by KMJ Corbin & Company LLP in fiscal year 2010 and concluded that such services were compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. Messrs. Char, Portnoy and Lagatta served on our Audit Committee during fiscal year 2010. Mr. Char joined the Audit Committee and became its Chair upon his appointment to the Board in January 2010. Each member of the Audit Committee is an independent director. Management is responsible for internal controls and the financial reporting process. The independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance

with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee's responsibility is to monitor and oversee these processes.

In fulfilling its responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss our January 1, 2011 consolidated financial statements and our fiscal year 2010 interim consolidated financial statements, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent annual report on Form 10-K, any material changes in accounting policies used in preparing such consolidated financial statements prior to filing the annual report on Form 10-K or our quarterly reports on Form 10-Q with the SEC, and the items required to be discussed by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), with respect to annual consolidated financial statements, and Statement of Auditing Standards No. 100, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 722), with respect to quarterly consolidated financial statements.

In addition, the Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accounting firm's communications with the Audit Committee concerning independence, and discussed with the independent registered public accounting firm such firm's independence from the Company and its management. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and our management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended January 1, 2011, for filing with the SEC.

Employment Agreements

We entered into an employment agreement with Chun Ki Hong in September 2006. This agreement provides for an initial base salary of \$323,000 plus other customary benefits, including the reimbursement of professional fees and expenses incurred in connection with income and estate tax planning and preparation, income tax audits and the defense of income tax claims, the reimbursement of membership fees and expenses for professional organizations and one country club, the reimbursement of employment-related legal fees, the use of a company automobile, and the reimbursement of health club dues and other similar health-related expenses. Mr. C.K. Hong may earn annual performance bonuses, at the discretion of our Board of Directors, of up to 100% of his base salary based upon the achievement of performance objectives.

The initial five-year term of Mr. C.K. Hong's employment agreement will automatically be extended for additional one-year periods unless we or Mr. Hong provide notice of termination six months prior to the renewal date, but at all times Mr. C.K. Hong may terminate his employment upon six months' advance written notice to us. If we terminate Mr. C.K. Hong's employment without cause

or if he terminates his employment for good reason, which includes a change of control of our company, he will be entitled to receive continued payments of his base salary for one year, reimbursement of medical insurance premiums during that period unless he becomes employed elsewhere, a pro-rated portion of his annual performance bonus, and, if any severance payment is deemed to be an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code, an amount equal to any excise tax imposed under Section 4999 of the Internal Revenue Code. If Mr. C.K. Hong resigns without good reason or is terminated for cause, we will have no further obligation to him other than to pay his base salary through the date of termination.

As compensation for Ms. Sasaki's service as our vice president, chief financial officer and secretary, she will receive an annualized base salary of \$200,000, effective June 1, 2010. Prior to this date her annualized base salary was \$170,000. In the event Ms. Sasaki's employment is terminated due to death or disability, any options held shall vest to the same extent as they would have vested one year thereafter. Additionally, in the event that Ms. Sasaki's employment is terminated due to death or disability, to the extent that such amounts remain restricted, the restriction on 25% of the restricted stock award will immediately lapse and no additional restrictions shall lapse thereafter. Ms. Sasaki is eligible for a target bonus of 75% of her base salary if she achieves certain specific objectives to be determined by our Board of Directors.

In considering whether to approve any transaction, the Audit Committee considers such factors as it deems appropriate, which may include: (i) the related party's relationship with the Company and interest in the transaction; (ii) the material facts of the proposed transaction, including the proposed value of such transaction, or, in the case of indebtedness, the principal amount that would be involved; (iii) the benefits of the transaction to the Company; (iv) an assessment of whether the transaction is on terms that are comparable to the terms available with an unrelated party; (v) in the case of an existing transaction, the impracticability or cost of securing alternative arrangements; and (vi) such other factors as the Audit Committee deems relevant.

Our Board of Directors does not know of any other matters to be presented at the 2011 Annual Meeting of Stockholders but, if other matters do properly come before the meeting, it is intended that the persons named as proxies in the proxy card will vote on them in accordance with their best judgment.

ANNUAL REPORT

A copy of our 2010 annual report is being mailed to each stockholder of record together with this proxy statement. The 2010 annual report includes our audited consolidated financial statements for the fiscal year ended January 1, 2011. Our annual report on Form 10-K includes these consolidated financial statements, as well as other supplementary financial information and certain schedules. The annual report on Form 10-K is not part of our proxy soliciting material. **Copies of the annual report on Form 10-K, without exhibits, can be obtained without charge by contacting us at 51 Discovery, Suite 150, Irvine, California 92618, (949) 474-4300, or through our website, located at <http://www.netlist.com>.**

DELIVERY OF VOTING MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company's stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Netlist, Inc., c/o Corporate Secretary, 51 Discovery, Suite 150, Irvine, California, 92618 or call Investor Relations at 949-474-4300. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their brokers.

By order of the Board of Directors,

Gail Sasaki
