PROXY STATEMENT

The Board of Directors of Cogent Communications Holdings, Inc. (the "Company"), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 16, 2015, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's 2014 Annual Report to Stockholders are first being mailed to stockholders on or about March 19, 2015.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., February 20, 2015 (the "Record Date"), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 46,391,534 shares of common stock, par value \$0.001 per share.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. In general, our Bylaws provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. Broker non-votes (which occur when a brokerage firm has not received voting instructions from the beneficial owner on a non-routine matter, as defined under applicable rules and as discussed in greater detail below) and abstentions are counted for purposes of determining whether a quorum is present.

Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders, including Proposals 1, 2, 3, 4 and 5.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

delivering written notice of revocation to the Company, Attention: Ried Zulager;

delivering a duly executed proxy bearing a later date to the Company; or

attending the Annual Meeting and voting in person.

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

Any proxy that is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted "FOR" the election of directors, "FOR" the ratification of the selection by

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

the Audit Committee of Ernst & Young LLP as independent registered public accountants, "FOR" the non-binding vote on the Bylaw amendment for litigation forum, "FOR" the non-binding vote on the Bylaw amendment concerning litigation costs, and "FOR" the non-binding approval of the compensation of the Company's named executive officers.

Proposals 1, 3, 4 and 5 are matters considered non-routine under applicable rules. A broker or other nominee cannot vote on these non-routine matters without specific voting instructions and therefore there may be broker non-votes on Proposals 1, 3, 4 and 5.

Proposal 2 is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters without specific voting instructions, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

Broker non-votes will not be deemed to have voting power and thus will have no effect on voting. However, abstentions will be treated as present and having voting power, and accordingly will have the effect of a negative vote for purposes of determining the approval of Proposals 1, 2, 3, 4 and 5.

The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or email.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Six directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board of Directors shall be approved by a majority of the votes cast by holders of our common stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

Set forth below is certain information concerning the six directors of the Company nominated to be elected at the Annual Meeting:

Dave Schaeffer, age 58, founded our Company in August 1999 and is our Chairman of the Board of Directors, Chief Executive Officer and President. Prior to founding the Company, Mr. Schaeffer was the founder of Pathnet, Inc., a broadband telecommunications provider, where he served as Chief Executive Officer from 1995 until 1997 and as Chairman from 1997 until 1999. Mr. Schaeffer has been a director since 1999. Mr. Schaeffer serves as both Chairman and CEO because he is the founder of the Company and has successfully led the Company and the board since the Company was founded. For this reason he has been nominated to continue serving on the Board. Mr. Schaeffer is also a director of CyberArk Software Ltd., (NASDAQ: CYBR) an Israeli company that had an IPO in September of 2014.

Steven D. Brooks, age 63, has served on our Board of Directors since October 2003. Mr. Brooks is a private investor. He was Managing Partner of BCP Capital Management from 1999 to 2009. Previously, Mr. Brooks held a variety of positions in the investment banking and private equity fields, including: Head of Global Technology Banking at Union Bank of Switzerland, Managing Partner of Corporate Finance at Robertson Stephens, founder and Managing Partner of West Coast technology investment banking at Alex Brown & Sons, and Principal at Rainwater, Inc., a private equity firm in Fort Worth, Texas. Mr. Brooks has been nominated to continue serving on the Board because of his extensive experience with firms such as Cogent and with public market activities of such companies. Having been involved with the Company since its early days he also brings extensive historical perspective to the Board.

Timothy Weingarten, age 39, has served on our Board of Directors since October 2003. Mr. Weingarten is the co-founder & CEO of ShopTAP Inc. Mr. Weingarten is also a member of the board of directors of ShopTAP Inc., a privately held company. Mr. Weingarten has been nominated to continue serving on the Board because of his extensive knowledge of the U.S. venture capital backed companies making use of the Internet. The Board values this insight since Cogent's future growth depends to a great extent on the uses made of the Internet.

Richard T. Liebhaber, age 79, has served on our Board of Directors since March 2006. Mr. Liebhaber was with IBM from 1954 to 1985, where he held a variety of positions. Subsequently, he served as executive vice president and member of the management committee at MCI

D. Blake Bath, age 52, has served on our Board of Directors since November 2006. He is the Chief Executive Officer of Bay Bridge Capital Management, LLC, an investment firm in Bethesda, MD. From 1996 until 2006, Mr. Bath was Managing Director at Lehman Brothers and, as a senior equity research analyst for Lehman Brothers, was Lehman's lead analyst covering wireline and wireless telecommunications services. Marc Montagner, age 53, has served on our Board of Directors since April 2010. He is currently Chief Financial Officer at LightSquared. He had been Executive Vice President of Strategy, Development and Distribution at LightSquared previously. On May 14, 2012, LightSquared filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code. Prior to joining LightSquared in February of 2009, Mr. Montagner was Managing Director and Co-Head of the Global Telecom, Media and Technology Merger and Acquisition Group at Banc of America Securities. Until August of 2006, he was Senior Vice President, Corporate Development and M&A with the Sprint Nextel Corporation. Prior to this, Mr. Montagner had the same responsibilities with Nextel Communications. Prior to 2002, Mr. Montagner was a Managing Director in the Media and Telecom Group at Morgan Stanley. Prior to joining Morgan Stanley, Mr. Montagner worked for France Télécom in New York where he was Head of Corporate Development for North America. Unless marked otherwise, proxies received will be voted "FOR" the election of each of the nominees named above.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the election of all nominees named above.

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED
PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2015. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal years 2013 and 2014 are described under "Relationship with Independent Registered Public Accountants Fees and Services of Ernst & Young LLP," below.

We are asking our stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

Representatives of Ernst & Young LLP will be available by telephone at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification. The Board recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2015. Unless marked otherwise, proxies received will be voted "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2015.

In the event stockholders do not ratify the appointment, the appointment may be reconsidered by the Audit Committee and the Board. The Company believes that neither the Audit Committee nor the Board is obliged to make any such reconsideration under Delaware law, the rules of the stock exchange on which it is listed, or the rules promulgated by the Securities and Exchange Commission that frame certain specific obligations of the members of all public company audit committees with respect to the selection of independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2015.

PROPOSAL NO. 3
NON-BINDING VOTE ON THE BYLAW AMENDMENT FOR LITIGATION FORUM

On November 3, 2014, the Board of Directors amended and restated the Bylaws of the Company, effective immediately, to provide that shareholder actions must be filed in Delaware and awards the Company attorney's fees if it prevails and otherwise provides that each party bears its own expenses of litigation, which are new sections 62 and 63 in the Bylaws. The text of Section 62 which stockholders are asked to approve by voting FOR this proposal is printed below, and the complete amended and restated Bylaws are attached hereto as *Appendix A*. The Board of Directors also approved that each new article added to the Bylaws shall be submitted separately to the stockholders for confirmation at the annual meeting. If the stockholders fail to confirm either bylaw change the board intends, absent extraordinary circumstances, to remove from the bylaws the change that was not confirmed.

Section 62. FORUM SELECTION. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery (the "Chancery Court") of the State of Delaware (or, in the event that the Chancery Court does not have jurisdiction, the federal district court for the District of Delaware or other state courts of the State of Delaware) shall, to the fullest extent permitted by applicable law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by, or other wrongdoing by, any director, officer or employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL or the Corporation's Certificate of Incorporation or these Bylaws (as either may be amended from time to time), (iv) any action to interpret, apply, enforce or determine the validity of the Corporation's Certificate of Incorporation or these Bylaws, or (v) any action asserting a claim against the Corporation or any director, officer or employee of the Corporation governed by the internal affairs doctrine. To the fullest extent permitted by law, any person purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 62. If any provision or provisions of this Section 62 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 62 (including, without limitation, each portion of any sentence of this Section 62 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

Background and Reasons for the Proposed Amendment

The Board of Directors has carefully considered the proposed bylaw amendment and concluded that requiring certain stockholder disputes to be brought exclusively in the Delaware Chancery Court is in the best interests of our stockholders for the following reasons:

Delaware Chancery Court Expertise in Corporate Affairs The Board of Directors believes that Delaware courts are best suited to address disputes involving the Company, its officers, directors and shareholders, and the interpretation of its charter and bylaws, because the Company is incorporated in Delaware and Delaware law generally applies to such matters. Additionally, the Delaware Chancery Court is widely regarded as the preeminent court for the determination of disputes involving a corporation's internal affairs based on its extensive precedent, experience and focus. The Chancery Court has experienced judges who have a deep understanding of Delaware corporate law and the duties of directors and officers thereunder. This well-developed body of case law would provide stockholders and the Company with more predictability regarding the outcome of stockholder disputes.

Reduced Legal Expenses and Risk of Inconsistent Outcomes By ensuring that particular stockholder disputes are heard in a Delaware court, the Company and its stockholders could avoid costly and duplicative litigation, the risk that Delaware law would be misapplied by a court in another jurisdiction, and the risk of inconsistent outcomes when two similar claims proceed in different courts. Further, Delaware's system of specialized Chancery Courts to adjudicate corporate law questions offers streamlined procedures and processes which help provide prompt resolutions. This accelerated schedule can limit the time, cost and uncertainty of litigation for all parties.

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

The Board of Directors recognizes that there are potential burdens and disadvantages to stockholders in connection with the adoption of an exclusive forum amendment. For instance:

Inability to Engage in Forum Shopping A plaintiff may believe that the relevant law or demographic of a potential jury pool of a jurisdiction other than the State of Delaware might be more convenient or favorable to their claims. Adoption of the exclusive forum amendment would prevent a plaintiff from bringing an action in an alternative forum which they perceive to be more favorable to their claims.

Inability to Increase Settlement Value of Claims by Filing in Multiple Jurisdictions Some plaintiffs desire to file legal claims in multiple jurisdictions against the Company and/or its directors, officers and/or employees in order to increase the settlement value of their claims by increasing the Company's costs to defend against multiple claims. Adoption of the exclusive forum amendment would prevent stockholders from pursuing this plan of action.

Certain proxy advisors and institutional holders may not support the adoption of an exclusive forum amendment unless it can be shown that the Company has already suffered material harm as a result of multiple claims in different jurisdictions regarding the same matter. However, the Board of Directors believes that it is more prudent and in the best interests of stockholders to take preventive measures before the Company and the interests of most of its stockholders are materially harmed by the increasing practice of plaintiffs to file claims in multiple jurisdictions.

On balance, the Board of Directors believes that the benefits to the Company and its stockholders of adopting the exclusive forum amendment outweigh the potential burdens and disadvantages of adopting such amendment. As written, the amendment establishes a default forum for litigation while also preserving the ability to consent to an alternative forum if the Board of Directors believes the interests of the Company and its stockholders will be better served by an alternative forum. The Board of Directors believes that the adoption of the exclusion forum amendment is in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the non-binding vote on the Bylaw amendment for litigation forum.

PROPOSAL NO. 4 NON-BINDING VOTE ON THE BYLAW AMENDMENT CONCERNING LITIGATION COSTS

On November 3, 2014, the Board of Directors amended and restated the Bylaws of the Company, effective immediately, to provide that shareholder actions must be filed in Delaware and awards the Company attorney's fees if it prevails and otherwise provides that each party bears its own expenses of litigation, which are new sections 62 and 63 in the Bylaws. The text of Section 63 which stockholders are asked to approve by voting FOR this proposal is printed below, and the complete amended and restated Bylaws are attached hereto as *Appendix A*. The Board of Directors also approved that each new article added to the Bylaws shall be submitted separately to the stockholders for confirmation at the annual meeting. If the stockholders fail to confirm either bylaw change the board intends, absent extraordinary circumstances, to remove from the bylaws the change that was not confirmed.

Section 63. LITIGATION COSTS.

(A) To the fullest extent permitted by law, in the event that (i) any stockholder or anyone on their behalf ("Claiming Party") initiates or asserts any claim or counterclaim ("Claim") or joins, offers substantial assistance to, or has a direct financial interest in any Claim against the Corporation and/or any director, officer, employee or affiliate of the Corporation (together, the "Corporation Parties"), and (ii) the Claiming Party (or the third party that received substantial

assistance from the Claiming Party or in whose Claim the Claiming Party had a direct financial interest) does not obtain a judgment on the merits that substantially achieves, in substance and amount, the full remedy sought, then each Claiming Party shall be obligated jointly and severally to reimburse the Corporation Parties the greatest amount permitted by law of all fees, costs and expenses of every kind and description (including but not limited to, all reasonable attorney's fees and other litigation expenses) (collectively, "Litigation Costs") that the Corporation Parties may incur in connection with such Claim.

(B) To the fullest extent permitted by law, in the event that any Claiming Party initiates or asserts any Claim or joins, offers substantial assistance to, or has a direct financial interest in any Claim against any Corporation Parties regarding or based upon the Claiming Party's status as a stockholder in the Corporation or a Corporation Party's conduct or actions relating to the Corporation, then, regardless whether the Claiming Party is successful on its Claim in whole or in part, the Claiming Party will bear its own Litigation Costs, and the Claiming Party and the Claiming Party's attorneys will not seek or recover any Litigation Costs or receive any attorney's fees or expenses as the result of the creation of any common fund or from a corporate benefit purportedly conferred upon the Corporation.

Background and Reasons for the Proposed Amendment

The Board of Directors has carefully considered the proposed bylaw amendment and concluded that requiring a stockholder who brings a stockholder claim against the Company to reimburse the Company for its Litigation Costs under certain circumstances is in the best interests of our stockholders. Shareholder claims are very costly and exert significant settlement pressures on a company. Even a weak stockholder claim requires a company to expend significant amounts of money to defend against or settle the claim. When a stockholder asserts a claim against the Company, the costs the Company incurs are ultimately borne by the stockholders. The adoption of this amendment would discourage stockholders from bringing frivolous claims which lack merit, resulting in an economic benefit for both the Company and its stockholders as a group.

The Board of Directors recognizes that there are potential burdens and disadvantages to stockholders in connection with the adoption of this litigation costs amendment. All stockholder lawsuits inherently involve risk, and it is impossible to confidently predict the outcome of a claim. Although the amendment aims to discourage only frivolous or abusive stockholder claims, stockholders may also be discouraged from bringing meritorious claims against the Company due to the risk of exposure to substantial attorneys' fees.

On balance, the Board of Directors believes that the benefits to the Company and its stockholders of adopting the litigation costs amendment outweigh the potential burdens and disadvantages of adopting such amendment. The Board of Directors believes that the adoption of the litigation costs amendment is in the best interests of the Company and its stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the non-binding vote on the Bylaw amendment concerning litigation costs.

PROPOSAL NO. 5
ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to approve the following non-binding advisory resolution at the 2015 Annual Meeting of Stockholders:

RESOLVED that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2014 Summary Compensation Table and the other related tables and disclosure.

In 2011, the Board of Directors recommended that this advisory resolution to approve named executive officer compensation be conducted annually and stockholders voted in favor of this recommendation by a substantial majority. Accordingly, the Board of Directors has determined that it will hold an advisory resolution to approve named executive officer compensation annually until the next vote to determine the frequency of such an advisory vote. Although the stockholder's vote is advisory and non-binding upon our Board of Directors, our Board will take your vote into consideration when making future decisions regarding executive compensation. However, our Board of Directors and the Compensation Committee will retain full responsibility for determining the final compensation of the executive management of the Company.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval.

As described in the Compensation Discussion and Analysis section of this Proxy Statement, the Company's executive compensation is designed to attract, reward and retain the executives of our Company in order to achieve our corporate goals and to align the interests of the executives with the long-term interests of our stockholders.

In 2014 the stockholders did not approve the compensation of the named executive officers. The Board believes that this occurred as a result of recommendations by some organizations that advise stockholders on the votes to be cast at a company's annual meeting, e.g. Institutional Shareholder Services (ISS) which found cause for concern in the size of the restricted stock award made to the CEO in 2012 (no stock award was made in 2013), and the discretionary nature of and the lack of performance criteria used to determine the CEO's compensation. In response to the stockholder vote the Board eliminated the CEO's salary in 2015 and replaced it with an incentive plan based on attainment of revenue and EBITDA goals (discussed more fully in the Compensation Discussion and Analysis section). As further discussed in the Compensation Discussion and Analysis section of this Proxy Statement, the Board believes the CEO's compensation is reasonable and appropriate for the Company in light of the following factors:

Mr. Schaeffer founded and has successfully led the Company for more than 15 years. He is intimately involved in all aspects of the Company's business and his knowledge of the Company and marketplace in which it operates is unequalled;

The Company's overall compensation program is designed to provide incentives over 2-3 year periods and links a significant portion of our executive's overall compensation to the value of our equity; awards made in 2012 and 2014 reflect the value of two years' worth of grants,

The total compensation of other CEOs and other executives at similar companies in our industry.

The Board believes the Company's overall compensation program is reasonable, effective, and appropriate for its size and nature of the Company.

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

The Board urges stockholders to carefully read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail our executive compensation philosophy, policies and procedures, as well as the Summary Compensation Table and other related compensation tables and the narrative discussion.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the resolution set forth above thereby approving the compensation of the named executive officers as described in the Compensation Discussion and Analysis and Summary Compensation and related tables set forth in this Proxy Statement.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met seven times during 2014. Each director, during his term as director, attended 100% of the meetings of the Board. Each director, during his term as director, attended 100% of the meetings of the committees of the Board of which he was a member. The independent directors met five times. All of the directors attended the annual meeting of stockholders. During 2014, the Board had a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Mr. Schaeffer serves as CEO and Chairman of the Board of Directors. He is the founder of the Company and owns approximately 7.92% of the Company's stock. His dual role was established 15 years ago when he founded the Company. The Board believes that at the Company's current stage of growth the Board is best served by a chairman who is involved with the Company on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. The Board does not have a designated lead independent director.

The Board's role in the Company is to provide general oversight of strategy and operations. As part of its oversight of operations it reviews the performance of the Company and the risks involved in the operations of the Company. The Board and the Audit Committee receive regular reports on the status of the Company's internal controls and each has reviewed key operational risks. The Board's risk oversight role has no effect on its leadership structure as all directors other than Mr. Schaeffer are independent directors and therefore have no conflict that might discourage critical review.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. During all of 2014 the members of this committee were Messrs. Brooks (Chairman) and Montagner, each of whom are independent members of our Board. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com. Pursuant to its charter, the Nominating and Corporate Governance Committee's tasks include assisting the Board of Directors in identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting.

The Nominating and Corporate Governance Committee seeks diversity in the membership of the Board and the Company. It does not have formal objective criteria for determining the amount of diversity needed or present on the Board. Instead it and the Board seek candidates with a range of experience. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the Nominating and Corporate Governance Committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, the Company seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the Secretary, at least three months before the next annual meeting to ensure meaningful consideration by the Nominating and Corporate Governance Committee. See also "Stockholder Proposals" for Bylaw requirements for nominations.

The Nominating and Corporate Governance Committee had one (1) formal meeting in 2014. All meetings and activities of the Nominating and Corporate Governance Committee were held in conjunction with a meeting of the full board to accommodate the views of all members of the Board of Directors concerning its membership and constitution.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, are then forwarded to the Board has served the Board's and the stockholders' needs. In the past several institutional investors communicated with the Board in this fashion. The investor letters were subsequently addressed by direct communications with representatives of the investors and a member of the Board with responsibility for the topics addressed by the investors, and the full Board was apprised of the conversations. Accordingly, the Board considers that an effective and well established traditional means of receiving communications from stockholders currently exists. In view of Securities and Exchange Commission, or SEC, disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website at www.cogentco.com, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. All of the directors attended the 2014 Annual Meeting. The Company generally holds a Board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

regarding the facts and circumstances pertaining to each member, considered in the context of applicable Nasdaq Marketplace Rules, the Board has determined that all of the directors nominated for election, other than Mr. Schaeffer, are independent.

Audit Committee

The Audit Committee is established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During all of 2014 the members of this committee were Messrs. Liebhaber (Chairman), Bath and Montagner, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each of Messrs. Liebhaber, Bath and Montagner qualifies as a financial expert, as that term is defined in the Exchange Act. The responsibilities of this Audit Committee include:

the appointment, compensation, retention and oversight of our independent registered public accountants;

reviewing with our independent registered public accountants the plans and results of the audit engagement;

pre-approving professional services provided by our independent registered public accountants;

reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;

reviewing the independence of our independent registered public accountants; and

reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met six (6) times during 2014. The charter of the Audit Committee may be found under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Audit Committee Report

To the Board of Directors:

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2014.

We have discussed with the independent registered public accountants, Ernst & Young LLP, the matters required to be discussed with us by the American Institute of Certified Public Accountants, the Securities and Exchange Commission, the Nasdaq Stock Market and the Public Company Accounting Oversight Board, including those required by the Statement on Auditing Standards No. 61, as amended.

We have received and reviewed the letter from Ernst & Young LLP required by the Public Company Accounting Oversight Board, and have discussed with Ernst & Young LLP their independence, including the written disclosures and letter required by Rule 3526 of the Public Company Accounting Oversight Board.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission. The Board of Directors caused the Form 10-K to be so filed.

Audit Committee:

Richard T. Liebhaber
Marc Montagner
D. Blake Bath

Compensation Committee

During 2014 the Compensation Committee consisted of Messrs. Brooks and Weingarten, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq. By agreement with the board of directors Messrs. Brooks and Weingarten serve as equals on this committee and neither is treated as chairman thereof. The Compensation Committee is responsible in conjunction with the other independent directors for determining compensation for our executive officers and other employees, and administering our compensation programs. The Compensation Committee had two (2) formal meetings in 2014 and acted once by written consent. In 2014 the functions of the Compensation Committee were largely undertaken by the full Board during closed executive session meetings held in conjunction with regularly scheduled in-person meetings of the Board. Salary and equity compensation awards for all of the executive officers and key employees of the Company listed in this proxy statement were considered during these meetings and Mr. Schaeffer was absent from any discussions concerning his compensation. The charter of the Compensation Committee is available under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

The Company's 2014 compensation program for named executive officers had three simple components:

Base salary;

Restricted stock grants that vest over time; and

Sales commissions for the Vice President of Sales.

These components generally apply to all of our employees, not just our executive officers. Other than commissions, we did not have any annual incentives for our named executive officers in 2014. The Company uses equity in the form of time-vested restricted stock as significant component of executive's

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

compensation 96% for the CEO and 70% for other executives (measured over time). The Board believes this compensation structure is in the interests of stockholders as it links a significant portion of the executive's compensation to the Company's fortunes as reflected in its stock price.

Decision Making Process

Our Compensation Committee comprises two members with multiple decades' career experience in managing executive compensation in small and large corporations, both public and private. Additionally, it is the practice of the Committee regularly to discuss compensation matters with the full Board of Directors to draw upon their considerable experience. Each year's ultimate compensation decisions, therefore, reflect the synthesis of the Compensation Committee's, other Board member's and the CEO's experience and views on compensation levels with respect to companies of a similar profile as Cogent. The Compensation Committee and the board this year received input from major stockholders at the annual meeting. In addition, the CEO meets with major stockholders and potential stockholders representing over 300 funds in the course of the year and seeks their input on executive compensation in those meetings.

Given the Company's size, the simplicity of our compensation program and the knowledge and experience of the Compensation Committee, the Board and the CEO regarding compensation practices, we do not think it is cost effective for us to engage an independent compensation consultant.

When setting senior executive compensation, the Compensation Committee evaluates multiple operational and performance metrics which it believes are most appropriate for measuring the success of the senior executives and ultimately increase shareholder value. Among the principal factors evaluated by the Compensation Committee in determining the overall all compensation structure for senior executives, including the biennial grants of restricted stock, are:

Revenue Growth: The Company believes that its superior execution skills offer the potential for greater than industry average growth. Growth performance is a key component of the variable portion of the CEO's compensation.

Capital Efficiency: The Company has since its inception been committed to the efficient use of capital. As it has entered a phase of mature growth, it has sought to manage its balance sheet in a fashion that optimizes leverage and return of capital to shareholders. Our executive officer's successful use of capital markets to accomplish this has been rewarded.

Sales Force Productivity: The Company has recently re-organized its sales management and increased its focus upon major corporate accounts and wholesale partners; productivity per sales representative has notably improved.

Shareholder Communication: The CEO devotes considerable time and energy to participation in investor meetings in order to communicate effectively our strategy and market position.

Industry Leadership: Recently, our executive officers have taken a leadership role in representing our views to the FCC, FTC and other national and international regulatory agencies on the important issue of "net neutrality". We believe our efforts have significantly affected the outcome of this debate and benefitted the Company and the entire industry.

Network Expansion: Our executive officers have continued to increase the Company's addressable market in a capital efficient and prudent manner through the geographic expansion of the network and by adding additional buildings within its existing network footprint.

Operating Margin Expansion: The Company believes that its business model offers our executive officers the ability to continue to improve operating margins. Our executive officers expansion of operating margins is rewarded.

Cash Flow Returned to Investors: The Company seeks to increase its return of cash to investors through dividends and stock purchases and its success in doing so is rewarded.

We believe our grants of restricted stock have aligned the interests of our executives with those of the stockholders and resulted in the above market performance of the Company's stock price as demonstrated below:

The graph below matches the Company's cumulative 5-Year total shareholder return on common stock with the cumulative total returns of the S&P 500 index and the NASDAQ Telecommunications index. The following table shows the change in enterprise value (market capitalization plus debt reduced by cash) from December 31, 2011 to December 31, 2014 compared to the change in the compensation of our CEO during that time. (Because of the biennial nature of our stock awards CEO compensation was calculated using the average of 2011 and 2012 compared to the average of 2013 and 2014.)

Compensation Philosophy

The Company's philosophy is to compensate all of its employees in a manner which reflects the competitive value of their skills and experience in the marketplace, to pay our sales force and sales management substantial cash commissions based upon revenue generated, and to tie senior executive compensation to the value of the Company's common stock through the grant of restricted stock vesting over multi-year periods. The Company believes the success of its philosophy is demonstrated by its record of growth, its stable and capable leadership and its equity appreciation.

2014 Highlights

In 2014, the Board and Compensation Committee made awards of restricted stock to the executive officers and all employees who had been with the Company since January 1, 2013. The awards to named executive officers are detailed in the Summary Compensation Table and other tables below. The number of shares granted to each executive officer was determined by the Board and Compensation Committee. All of the awards vest over three years with the last vesting event for any restricted stock grant to a named executive officer occurring on December 1, 2018.

In addition, the Company follows the following compensation practices:

The Compensation Committee is composed solely of independent directors.

The Company does not offer any ancillary compensation, such as automobiles, club dues, etc.

Restricted stock awards vest over a period of at least three years.

The Company does not provide any tax gross up benefits.

Restricted stock awards do not begin to vest prior to the first anniversary of the grant.

The Company's commission plan for Mr. Ortega (described below) is based on sales revenue generated.

Salary

The general policy of the Compensation Committee and the Board is to grant to executive officers only the same general salary increase granted to all employees each year. Consistent with this policy executive officers received the same 1.5% salary increase as other employees for both 2014 and 2015. From time to time the Compensation Committee reviews the compensation of the Company's CEO and each executive officer and, based on recommendations from the CEO, has in the past given specific executive officers raises based on the officer's increased responsibilities as the Company has grown.

Bonus and Commissions

As discussed above, bonuses have not been a component of the Company's compensation structure for non-sales personnel. Instead, as further discussed below the Company has used only grants of restricted stock to align the interests of executives with those of the stockholders and incent performance.

Due to the importance of his position in driving revenue and therefore stockholder value, the Company's Chief Revenue Officer and Vice President of Global Sales, Ernest Ortega, is paid monthly commissions based on the achievement of the entire sales organization against monthly revenue quotas. Revenue, for purposes of the quota and commission calculation, is the expected revenue from customers that have had the Company's service (Internet access and related services) installed during the relevant period and includes monthly recurring revenue and a portion of non-recurring revenue, such as installation charges. Since revenue growth is key to the Company's performance, the Board thinks it is important to directly link a significant portion of Mr. Ortega's compensation to achieving our monthly revenue targets. His commission is currently determined by his achievement of the revenue goals of the Company as reflected in sales quotas.

Options and Restricted Stock

The Company believes that the greatest alignment of shareholder and executive interests arises from their common ownership of equity. Accordingly, compensation of the Company's senior management is based in large part upon time-vested restricted stock and stock options whose value directly reflects the success of their efforts. The Compensation Committee, often in conjunction with the full Board of Directors, determines the size of awards in the process described above, in light of the executive's responsibilities and comparable compensation levels of similar positions in the industry.

Apart from initial hiring grants, it should be noted that restricted stock awards are made every other year and vest over a three-year period; thus, they may appear comparatively large when compared to the awards of companies which use annual grants. The Company believes less frequent issuance reinforces its focus on longer term objectives.

Over the last three years restricted stock awards have represented 96% of the CEO's total compensation, and 70% of the total compensation for other executive officers (based on grant date value of the stock compared to total compensation).

In the past, Mr. Schaeffer's stock awards have been substantially greater than the awards given to other executive officers, in light of his role as founder of the Company and CEO since inception, as well as his responsibility for hiring our senior management, leading the Company's capital raising activities, and actively managing the Company for its entire history. Accordingly, the Compensation Committee regards him as critical to the future prospects of the Company.

As discussed above, restricted stock awards to named executive officers were made in 2014. The size of such awards was determined by the Board and Compensation Committee and reflective of a two years' worth of value.

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

The "burn rate" at which the Company has awarded stock and options to employees, including the named executive officers, in the last three years is set out below. We believe this rate is reasonable and low compared to that of other companies in our industry. The "burn rate" is the sum of stock and option awards granted divided by the number of shares of stock outstanding.

(shares in thousands)	2014	2013	2012	Total	Average
Options granted	84	58	61	203	68
Shares granted	793	176	1,338	2,307	769
TOTAL	877	234	1,399	2,510	837

Weighted average shares basic EPS 45,961

Burn rate 1 year 1.91%

Burn rate 3 year average 1.82%

Severance and Change of Control Compensation

Each of our named executive officers is entitled to receive 3-12 months of salary and, in certain cases, acceleration of vesting in restricted stock in the event of discharge or a change of control. The specific amounts that each executive officer would receive are described below in the section titled "Employment Agreements and Other Potential Post-Employment Payments." The Compensation Committee and the Board believe such termination arrangements are necessary to secure and retain the services of experienced managers and provide value by contributing to stability of management.

Additionally, restricted stock grants to our named executive officers fully vest upon a change of control, even if the named executive officer is not discharged; provided that, the value of the shares that vest immediately cannot not exceed three times the named executive officers annual compensation. The Compensation Committee and the Board believes that these arrangements encourage executives to be receptive to changes, such as sale of the company or management changes, that may benefit the Company and its stockholders though they may place an individual executive at risk and uncertainty with respect to future employment.

Other Benefits

All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan (which matches employee contributions up to 2% of salary) and its medical, dental and other benefits plans, on the same basis as other employees.

Tax Deductibility of Compensation

Section 162(m) of the U.S. Internal Revenue Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the three other most highly compensated executive officers (excluding the Chief Financial Officer). The awards made to the CEO will cause his compensation to exceed \$1,000,000 in most years and such compensation will not be fully deductible for federal income tax purposes.

Consideration of 2014 Say on Pay Vote

In 2014 the stockholders did not approve the compensation of the named executive officers. The Board believes that this occurred as a result of recommendations by some organizations that advise stockholders on the votes to be cast at a company's annual meeting, e.g. Institutional Shareholder Services (ISS) which found cause for concern in the size of the restricted stock award to the CEO in 2012 (no stock award was made in 2013), and the discretionary nature of, and the lack of performance

criteria used to determine, the CEO's compensation. As discussed above, the Board believes the size of the awards to the CEO and the Company's overall compensation practices are reasonable and appropriate. In response to such negative vote and comments of stockholders the Board has changed the CEO's cash compensation program (discussed below) to a performance-based compensation.

For 2015, the Compensation Committee made significant changes to the compensation program for the Company's CEO to better align Mr. Schaeffer's compensation opportunities with the Company's performance. Effective January 1, 2015, Mr. Schaeffer's annual base salary was reduced to \$0.00 from \$338,000. He will be eligible for a performance-based cash bonus based on the Company's ability to grow revenue and EBITDA, as adjusted, year-over-year. If the revenue growth equals or exceeds 15%, he will receive \$250,000 and, separately, if EBITDA, as adjusted, growth equals or exceeds 20%, he will receive \$250,000. If the growth of the performance measures is less than the amount specified, he would receive a proportionally lesser amount. For example, if revenue growth equaled 7.5% and EBITDA growth equaled 15%, he would be paid 50% of \$250,000 or \$125,000 of the revenue growth bonus and 75% of \$250,000 or \$187,500 of the EBITDA growth bonus.

The change from an annual base salary to a performance-based cash bonus is intended to provide incentive to Mr. Schaeffer to drive growth of the Company for the benefit of all stockholders. Mr. Schaeffer's compensation is now entirely tied to the financial performance and stock price of the Company through higher or lower cash compensation based on the prescribed performance metrics and an increase or decrease in the value of his equity compensation. This change to the CEO's compensation does not reflect a shift in the Board or Compensation Committee's overall compensation philosophy, but rather is indicative of its effort to best align the CEO's compensation opportunities with the long-term financial success of the Company.

Summary Compensation Table

The following table sets forth the cash and non-cash compensation paid or incurred on our behalf to our Chief Executive Officer, our principal financial officer, and each of our three other most highly compensated executive officers, or our named executive officers, whose annual compensation equaled or exceeded \$100,000 for the year three years ended December 31, 2014.

Grants of Plan-Based Awards in Fiscal 2014

In 2014, the CEO and other named executive officers received awards of restricted stock in August and November, respectively. The awards are detailed in the table below.

Mr. Ortega's commission has been paid on a continuing basis since he was hired. Mr. Ortega's revenue quota is based on the sum of the quotas for all sales representatives. If the revenue generated by the entire sales organization for the month is 100% of Mr. Ortega's revenue quota, he will receive 100% of \$12,500. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the month, then he would be paid 50% of \$12,500 or \$6,250. If revenue were 200% of his quota he would receive \$25,000.

Mr. Schaeffer's performance-based cash bonus will begin in 2015 and be based on the growth of the Company's revenue and EBITDA, as adjusted. If the revenue growth equals or exceeds 15%, he will receive \$250,000 and, separately, if EBITDA, as adjusted, growth equals or exceeds 20%, he will receive \$250,000. If the growth of the performance measures is less than the amount specified, he would receive a proportionally lesser amount. For example, if revenue growth equaled 7.5% and EBITDA growth equaled 15%, he would be paid 50% of \$250,000 or \$125,000 of the revenue growth bonus and 75% of \$250,000 or \$187,500 of the EBITDA growth bonus.

Employment Agreements and Other Potential Post-Employment Payments

Each of Messrs. Schaeffer, Weed, Beury, Ortega, and O'Neill have entered into an employment agreement with us. Among other things, these agreements and the terms of the grants of options and restricted stock provide for certain benefits upon change of control, termination of employment without cause and resignation for "good reason" (as defined in the respective employment agreements). The agreements are as follows:

Dave Schaeffer Employment Agreement. Dave Schaeffer has an employment agreement that provides for his services as Chief Executive Officer. He also receives all of our standard employee benefits. If he is discharged without cause or resigns for "good reason" he is entitled to a lump sum amount equal to his annual salary at the time and continuation of his benefits for one year. Under the terms of the grants of restricted stock that have been made to him in the event of death, disability, retirement or a change of control, 100% of his then unvested restricted stock will vest immediately; provided that, in the event of a change of control, the total dollar value of the restricted stock that immediately vests shall not exceed three times his annual compensation. The value on December 31, 2014 of the unvested restricted stock and options that could have vested pursuant to these provisions was \$24.0 million. However, in the event the acceleration arose from a change of control this amount would have been limited to \$14.1 million (3 times his annual compensation) and the remaining \$9.9 million would have continued to vest normally. Had his employment been terminated without cause or had he resigned for "good reason" on December 31, 2014 he would have received a payment of \$343,000 (equal to one year's salary). Please note, Mr. Schaeffer's employment agreement was amended in 2014 to reduce his salary to \$0.00 from \$338,000, effective as of January 1, 2015. In addition he would have continued to vest in his restricted stock during his one year severance period and would have vested in certain other grants after the end of that severance period. The value on December 31, 2014 of that stock was \$11.3 million. "Good reason" for resignation includes removal from his position as CEO or failure to elect him as chairman of the Board of Directors.

Thaddeus G. Weed Employment Agreement. Thaddeus Weed has an employment agreement under which he serves as Chief Financial Officer and Treasurer. In the event that his employment with us is terminated without cause or he resigns for good reason, the agreement entitles him to twelve months of salary and continuation of benefits for twelve months. Had this occurred on December 31, 2014 he would have received \$265,000 (12 months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on

December 31, 2014 of the unvested stock for which vesting would continue was \$1.3 million. In the event of death, disability, retirement, or a change of control he becomes fully vested in his restricted stock; provided that, in the event of a change of control, the total dollar value of the restricted stock that immediately vests shall not exceed three times his annual compensation. If this had occurred on December 31, 2014 the value of the restricted stock that would have vested was \$3.0 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum. In the event acceleration arose from a change of control the value of the restricted stock that would have vested immediately would have been limited to \$2.7 million (3 times his annual compensation) and the remaining \$0.3 million would have continued to vest normally.

Robert N. Beury, Jr. Employment Agreement. Robert Beury's employment agreement entitles him to twelve months of salary and twelve months of benefits in the event that his employment with us is terminated without cause or he resigns for good reason. Had this occurred on December 31, 2014 he would have received \$263,000 (twelve months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2014 of the unvested stock for which vesting would continue was \$425,000. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested; provided that, in the event of a change of control, the total dollar value of the restricted stock that immediately vests shall not exceed three times his annual compensation. Had this occurred on December 31, 2014 the value of the restricted stock that would have vested was \$1.7 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Ernest Ortega Employment Agreement. Ernest Ortega's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive three months' salary and continuation of benefits for six months. Had this occurred on December 31, 2014 he would have received \$75,000 (three months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2014 of the unvested stock for which vesting would continue was \$88,000. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested; provided that, in the event of a change of control, the total dollar value of the restricted stock that immediately vests shall not exceed three times his annual compensation. Had this occurred on December 31, 2014 the value of the restricted stock that would have vested was \$1.5 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

Timothy G. O'Neill Employment Agreement. Timothy O'Neill's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive six months' salary and continuation of benefits for six months. Had this occurred on December 31, 2014 he would have received \$128,500 (six months' salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of his restricted stock during his severance period. The value on December 31, 2014 of the unvested stock for which vesting would continue was \$212,000. In the event of death, disability, retirement, or a change of control the vesting of his restricted stock accelerates so that he will be 100% vested; provided that, in the event of a change of control, the total dollar value of the restricted stock that immediately vests shall not exceed three times his annual compensation. Had this occurred on December 31, 2014 the value of the restricted stock that would have vested was \$1.7 million. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock will vest immediately and he will receive his severance payment as a lump sum.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with each of our named executive officers as described in "Employment Agreements and Other Potential Post-Employment Payments."

Our Headquarters Lease

The Company's headquarters is located in an office building owned by Niobium LLC. The two owners of the LLC are our Chief Executive Officer, Dave Schaeffer, who has a 51% interest in the LLC and his wife, Ruth Schaeffer, who has a 49% interest in the LLC. The Company paid \$0.55 million in 2014 in rent and related costs (including taxes and utilities) to this company. The dollar value of Mr. Schaeffer's interest in the lease payments in 2014 was \$0.27 million. The dollar value of Mrs. Schaeffer's interest in the lease payment in 2014 was \$0.27 million. If Mr. Schaeffer's interest is combined with that of his wife then the total dollar value of his interest in the lease payments in 2014 was \$0.55 million. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party. The lease has an expiration date of August 31, 2016 and is cancellable without penalty by the Company upon sixty days' notice.

The Company plans to relocate its headquarters in the second quarter of 2015 to a new office building located at 2450 N Street, N.W., Washington, D.C., 20037. The office building is owned by Sodium LLC. The two owners of the LLC are our Chief Executive Officer, Dave Schaeffer, who has a 51% interest in the LLC and his wife, Ruth Schaeffer, who has a 49% interest in the LLC. The amount of fixed annual rent will be \$942,724 plus operating expenses. We believe that the lease is on the terms at least as favorable to us as could have been obtained from an unaffiliated third party. The term of the lease is five years. It is cancellable without penalty by the Company upon sixty days' notice.

Approval of Related Party Transactions

The Audit Committee is responsible for reviewing and approving or ratifying any transaction in which the Company and any of our directors, director nominees, executive officers, 5% stockholders and their immediate family members are participants and in which such persons have a direct or indirect material interest as provided under SEC rules. The company does not have a written policy for reviewing these transactions. However, in the course of reviewing potential related person transactions, the Audit Committee considers the nature of the related person's interest in the transaction; the presence of standard prices, rates or charges or terms otherwise consistent with arms-length dealings with unrelated third parties; the materiality of the transaction to each party; the reasons for the Company entering into the transaction with the related person; the potential effect of the transaction on the status of a director as an independent, outside or disinterested director or committee member;

and any other factors the Audit Committee may deem relevant. In the case of the headquarters lease described above the Audit Committee reviewed information on comparable leases in making its determination to approve the lease.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based on its records and other information, the Company believes that all Section 16(a) filing requirements applicable to its directors and executive officers for 2014 were timely met, except for one Form 4 filing for Mr. Ortega relating to the sale of shares in one transaction.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2015. In making this appointment, the Audit Committee considered whether the audit and non-audit services Ernst & Young LLP provides are compatible with maintaining the independence of our outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Ernst & Young LLP before the firm is retained.

Representatives of Ernst & Young LLP will not be present at the Annual Meeting but are expected to be available by telephone should there be questions that need to be addressed by them.

Fees and Services of Ernst & Young LLP

The following table summarizes fees billed to us by Ernst & Young LLP for fiscal years 2013 and 2014; all services were pre-approved by the Audit Committee:

(in thousands)

Service	2013	2014
Audit fees(1)	\$ 1,329	\$ 1,494
Audit related fees	\$ 42	\$ 145
Tax fees(2)	\$ 43	\$ 49
TOTAL	\$ 1,414	\$ 1,688

(1) Fees for audit services include fees associated with the annual audit, the reviews of our quarterly reports on Form 10-Q, statutory audits (in jurisdictions where required).

(2) Tax fees included tax compliance, tax advice and tax planning.

All services performed by Ernst & Young LLP were pre-approved by the Audit Committee in accordance with its pre-approval policy. The policy describes the audit, audit-related, tax and other services permitted to be performed by the independent registered public accountants, subject to the Audit Committee's prior approval of the services and fees. On an annual basis, the Audit Committee will review and provide pre-approval for certain types of services that may be provided by the independent registered public accountants without obtaining specific pre-approval from the Audit Committee. If a type of service to be provided has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding

pre-approved cost levels or budgeted amounts will also require separate pre-approval by the Audit Committee.

These stockholder notices must set forth certain information specified in the Company's Bylaws.

OTHER MATTERS

Householding of Proxies

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

To request individual copies for each stockholder in your household, please contact our Investor Relations department by e-mail at investor.relations@cogentco.com, or by mail to Cogent Communication, Inc., 1015 31st Street, NW, Washington, DC 20007, Attn: Investor Relations; after

OFFICES

Section 1. REGISTERED OFFICE. The registered office of Cogent Communications Holdings, Inc. (the "Corporation") shall be in the City of Dover, County of Kent, State of Delaware.

Section 2. OTHER OFFICES. The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE 2.

MEETINGS OF STOCKHOLDERS

Section 3. PLACE OF MEETINGS. Meetings of stockholders shall be held at any place within or outside the State of Delaware designated by the Board of Directors. In the absence of any such designation, stockholders' meetings shall be held at the principal executive office of the Corporation.

Section 4. NOTICE OF STOCKHOLDER BUSINESS AND NOMINATIONS. The annual meeting of stockholders shall be held each year at a date and a time designated by the Board of Directors. At each annual meeting directors shall be elected and any other proper business may be transacted.

(A) ANNUAL MEETING OF STOCKHOLDERS.

(1) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders only (a) pursuant to the Corporation's notice of meeting (or any supplement thereto), (b) by or at the direction of the Board of Directors or (c) by any stockholder of the Corporation who was a stockholder of record of the Corporation at the time the notice provided for in this Section 4 is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 4.

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (c) of paragraph (A)(1) of this Section 4, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive office of the Corporation not later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty days before or more than seventy days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and Rule 14a-11 thereunder (and such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) as to any other business that the

stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and in the event that such business includes a proposal to amend the By-laws of the Corporation, the language of the proposed amendment; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on the Corporation's books, and or such beneficial owner, (ii) the class and number of shares of capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner, (iii) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business of nomination, and (iv) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to (a) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise solicit proxies from stockholders in support of such proposal or nomination. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(3) Notwithstanding anything in the second sentence of paragraph (A)(2) of this Section 4 to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation at an annual meeting is increased and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 4 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive office of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(B) SPECIAL MEETINGS OF STOCKHOLDERS. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting pursuant to Section 9. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 4 is delivered to the Secretary of the Corporation, who shall be entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 4. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (A)(2) of this Section 4 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth day prior to such special meeting and not later than the close of business on the later of the ninetieth day prior to such special meeting, or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period for the giving of a stockholder's notice as described above.

(C) GENERAL

(1) Only such persons who are nominated in accordance with the procedures set forth in this Section 4 shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 4. Except as otherwise provided by law or the Certificate of Incorporation, the chairman of the meeting shall have the power and duty to (a) determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 4 and (b) if any proposed nomination or business is not in compliance with this Section 4 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicits (or is part of a group which solicits), or fails to so solicit (as the case may be), proxies in support of such stockholder's proposal in compliance with such stockholder's representation required by clause (c)(iv) of Section (A)(2) of this By-law), to declare that such defective nomination shall be disregarded or that such proposed business shall not be transacted.

(2) For purposes of this Section 4, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation, with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(3) Notwithstanding the foregoing provisions of this Section 4, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 4. Nothing in this Section 4 shall be deemed to affect any rights (a) of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or (b) of the holders of any series of Preferred Stock to elect directors under specified circumstances.

Section 5. QUORUM; ADJOURNED MEETINGS AND NOTICE THEREOF. A majority of the stock issued and outstanding and entitled to vote at any meeting of stockholders, the holders of which are present in person or represented by proxy, shall constitute a quorum for the transaction of business except as otherwise provided by law, by the Certificate of Incorporation, or by these Bylaws. A quorum, once established, shall not be broken by the withdrawal of enough votes to leave less than a quorum and the votes present may continue to transact business until adjournment. If, however, such quorum shall not be present or represented at any meeting of the stockholders, a majority of the voting stock represented in person or by proxy may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote thereat.

Section 6. VOTING. When a quorum is present at any meeting, the vote of the holders of a majority of the stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of the statutes, or the Certificate of Incorporation, or these Bylaws, a different vote is required in which case such express provision shall govern and control the decision of such question.

Section 7. PROXIES. At each meeting of the stockholders, each stockholder having the right to vote may vote in person or may authorize another person or persons to act for him by proxy appointed by an instrument in writing subscribed by such stockholder and bearing a date not more than three years prior to said meeting, unless said instrument provides for a longer period. All proxies must be filed with the Secretary of the Corporation at the beginning of each meeting in order to be counted in

any vote at the meeting. Each stockholder shall have one vote for each share of stock having voting power, registered in his name on the books of the Corporation on the record date set by the Board of Directors as provided in Article 6, Section 53 hereof.

Section 8. SPECIAL MEETINGS. Special meetings of the stockholders, for any purpose, or purposes, unless otherwise prescribed by statute or by the Certificate of Incorporation, may be called by the President and shall be called by the President or the Secretary at the request in writing of a majority of the Board of Directors, or at the request in writing of stockholders owning at least a majority of the entire capital stock of the Corporation, issued and outstanding, and entitled to vote. Such request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 9. NOTICE OF MEETINGS. Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which notice shall state the place, date and hour of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. The written notice of any meeting shall be given to each stockholder entitled to vote at such meeting not less than ten nor more than sixty days before the date of the meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at his address as it appears on the records of the Corporation.

Section 10. MAINTENANCE AND INSPECTION OF STOCKHOLDER LIST. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 11. STOCKHOLDER ACTION BY WRITTEN CONSENT WITHOUT A MEETING. Unless otherwise provided in the Certificate of Incorporation, any action required to be taken at any annual or special meeting of stockholders of the Corporation, including the election of directors, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

ARTICLE 3.

DIRECTORS

Section 12. THE NUMBER OF DIRECTORS. The number of directors which shall constitute the whole Board shall be six (6). Thereafter, the number of directors constituting the whole Board may be increased or decreased, from time to time, in conformity with the Certificate of Incorporation or any Stockholders Agreement (as defined below). The directors need not be stockholders. The directors shall be elected at the annual meeting of the stockholders, except as provided in Section 13, and each director elected shall hold office until his successor is elected and qualified; provided, however, that unless otherwise restricted by the Certificate of Incorporation, any stockholders agreement, the execution of which is approved unanimously the Board of Directors (a "Stockholders Agreement"), or

Edgar Filing: COGENT COMMUNICATIONS HOLDINGS, INC. - Form PRER14A

by law, any director or the entire Board of Directors may be removed, either with or without cause, from the Board of Directors at any meeting of stockholders by a majority of the stock represented and entitled to vote thereat.

Section 13. VACANCIES. Vacancies on the Board of Directors by reason of death, resignation, retirement, disqualification, removal from office, or otherwise, and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director, provided, however, that the Board of Directors shall not take any action unless and until the any Stockholders entitled to designate nominees of the Board of Directors under any Stockholders Agreement have been given adequate opportunity to do so.

Section 14. POWERS. The Board of Directors shall elect and appoint management to manage the business and property of the Corporation. In addition to the powers and authorities by these Bylaws expressly conferred upon them, the Board may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws directed or required to be exercised or done by the stockholders.

Section 15. PLACE OF DIRECTORS' MEETINGS. The directors may hold their meetings and have one or more offices, and keep the books of the Corporation outside of the State of Delaware.

Section 16. REGULAR MEETINGS. Regular meetings of the Board of Directors may be held without notice at such time and place as shall from time to time be determined by the Board.

Section 17. SPECIAL MEETINGS. Special meetings of the Board of Directors may be called by the Chairman of the Board or the President on forty-eight hours' notice to each director, either personally or by mail or by facsimile; special meetings shall be called by the President or the Secretary in like manner and on like notice on the written request of two directors.

Section 18. QUORUM. At all meetings of the Board of Directors, a majority of the then-appointed directors shall be necessary and sufficient to constitute a quorum for the transaction of business, and the vote of a majority of the directors present at any meeting at which there is a quorum, shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute, by the Certificate of Incorporation, by any Stockholders Agreement or by these Bylaws. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. If only one director is authorized, such sole director shall constitute a quorum. At any meeting, a director shall have the right to be accompanied by counsel (provided that such counsel shall agree to any confidentiality restrictions reasonably imposed by the Corporation) and an observer (to the extent such right is agreed upon in any Stockholders Agreement).

Section 19. ACTION WITHOUT MEETING. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board or committee.

Section 20. TELEPHONIC MEETINGS. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee, by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at such meeting.

Section 21. COMMITTEES OF DIRECTORS. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each such committee to consist of one or more of the directors of the Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors, shall make recommendations regarding the management of the business and affairs of the Corporation.

The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

ARTICLE 4.

INDEMNIFICATION AND INSURANCE

Section 24. POWER TO INDEMNIFY IN OTHER THAN ACTIONS BY OR IN THE RIGHT OF THE CORPORATION. Subject to Section 26 of this Article 4, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that such person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Corporation, and with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 25. POWER TO INDEMNIFY IN ACTIONS BY OR IN THE RIGHT OF THE CORPORATION. Subject to Section 26 of this Article 4, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit or by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other

enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 26. AUTHORIZATION OF INDEMNIFICATION. Any indemnification under this Article 4 (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 24 or 25 of this Article 4, as the case may be. Such determination shall be made (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iii) by the stockholders. To the extent, however, that a director or officer of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, without the necessity of authorization in the specific case.

Section 27. GOOD FAITH DEFINED. For purposes of any determination under Section 26 of this Article 4, a person shall be deemed to have acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe his or her conduct was unlawful, if such person's action is based on the records or books of account of the Corporation or another enterprise, or on information supplied to such person by the officers of the Corporation or another enterprise in the course of their duties, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports made to the Corporation or another enterprise by an independent certified public accountant or by an appraiser or other expert selected with reasonable care by the Corporation or another enterprise. The term "another enterprise" as used in this Section 27 shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which such person is or was serving at the request of the Corporation as director, officer, employee or agent. The provisions of this Section 27 shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in Section 24 or 25 of this Article 4, as the case may be.

Section 28. INDEMNIFICATION BY A COURT. Notwithstanding any contrary determination in the specific case under Section 26 of this Article 4, and notwithstanding the absence of any determination thereunder, any director or officer may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under Sections 24 and 25 of this Article 4. The basis of such indemnification by a court shall be a determination by such court that indemnification of the director or officer is proper in the circumstances because such person has met the applicable standards of conduct set forth in Section 24 or 25 of this Article 4, as the case may be. Neither a contrary determination in the specific case under Section 26 of this Article 4 nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the director or officer seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this Section 28 shall be given to the Corporation

promptly upon the filing of such application. If successful, in whole or in part, the director or officer seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

Section 29. EXPENSES PAYABLE IN ADVANCE. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in this Article 4. Notwithstanding the foregoing, the Corporation shall not be required to advance any expenses to an Indemnitee in the event and to the extent that such Indemnitee has entered a plea of guilty in the applicable criminal proceeding.

Section 30. NON-EXCLUSIVITY OF INDEMNIFICATION AND ADVANCEMENT OF EXPENSES. The indemnification and the advancement of expenses provided by or granted pursuant to this Article 4 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Certificate of Incorporation or any By-law, agreement, contract, vote of stockholders or disinterested directors or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, it being the policy of the corporation that indemnification of persons specified in Section 24 and 25 of this Article 4 shall be made to the fullest extent permitted by law. The provisions of this Article 4 shall not be deemed to preclude the indemnification of any person who is not specified in Section 24 or 25 of this Article 4 but whom the Corporation has the power or obligation to indemnify under the provision of the Delaware General Corporation Law ("DGCL") or otherwise.

Section 31. INSURANCE. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Corporation or is or was a director or officer of the Corporation serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power or the obligation to indemnify such person against such liability under the provisions of this Article 4.

Section 32. CERTAIN DEFINITIONS. For the purposes of this Article 4, references to the "Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors or officers, so that any person who is or was a director or officer of such constituent corporation, or is or was a director or officer of such constituent corporation serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, shall stand in the same position under the provisions of this Article 4 with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued. For purposes of this Article 4, references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director or officer which respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the Corporation" as referred to in this Article 4.

Section 33. SURVIVAL OF INDEMNIFICATION AND ADVANCEMENT OF EXPENSES. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article 4 shall,

unless otherwise provided when authorized or ratified. continue as to a person who has ceased to be a director or officer shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 34. **LIMITATION ON INDEMNIFICATION.** Notwithstanding anything contained in this Article 4 to the contrary, except for proceedings to enforce rights to indemnification (which shall be governed by Section 28 hereof), the Corporation shall not be obligated to indemnify any director or officer (or his heirs, executors or personal or legal representatives) or advance expenses in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the Board of Directors of the Corporation.

Section 35. **INDEMNIFICATION OF EMPLOYEES AND AGENTS.** The Corporation may, to the extent authorized from time to time by the Board of Directors, provide rights to indemnification and to advancement of expenses to employees and agents of the Corporation similar to those conferred in this Article 4 to directors and officers of the Corporation.

Whenever any notice is required to be given under the provisions of the statutes or of the Certificate of Incorporation or of these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent thereto.

Section 62. FORUM SELECTION. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery (the "*Chancery Court*") of the State of Delaware (or, in the event that the Chancery Court does not have jurisdiction, the federal district court for the District of Delaware or other state courts of the State of Delaware) shall, to the fullest extent permitted by applicable law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by, or other wrongdoing by, any director, officer or employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL or the Corporation's Certificate of Incorporation or these Bylaws (as either may be amended from time to time), (iv) any action to interpret, apply, enforce or determine the validity of the Corporation's Certificate of Incorporation or these Bylaws, or (v) any action asserting a claim against the Corporation or any director, officer or employee of the Corporation governed by the internal affairs doctrine. If any provision or provisions of this Section 62 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 62 (including, without limitation, each portion of any sentence of this Section 62 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

Section 63. LITIGATION COSTS.

(A) To the fullest extent permitted by law, in the event that (i) any stockholder or anyone on their behalf ("*Claiming Party*") initiates or asserts any claim or counterclaim ("*Claim*") or joins, offers substantial assistance to, or has a direct financial interest in any Claim against the Corporation and/or any director, officer, employee or affiliate of the Corporation (together, the "*Corporation Parties*"), and (ii) the Claiming Party (or the third party that received substantial assistance from the Claiming Party or in whose Claim the Claiming Party had a direct financial interest) does not obtain a judgment on the merits that substantially achieves, in substance and amount, the full remedy sought, then each Claiming Party shall be obligated jointly and severally to reimburse the Corporation Parties the greatest amount permitted by law of all fees, costs and expenses of every kind and description (including but not limited to, all reasonable attorney's fees and other litigation expenses) (collectively, "*Litigation Costs*") that the Corporation Parties may incur in connection with such Claim.

(B) To the fullest extent permitted by law, in the event that any Claiming Party initiates or asserts any Claim or joins, offers substantial assistance to, or has a direct financial interest in any Claim against any Corporation Parties regarding or based upon the Claiming Party's status as a stockholder in the Corporation or a Corporation Party's conduct or actions relating to the Corporation, then, regardless whether the Claiming Party is successful on its Claim in whole or in part, the Claiming Party will bear its own Litigation Costs, and the Claiming Party and the Claiming Party's attorneys will not seek or recover any Litigation Costs or receive any attorney's fees or expenses as the result of the creation of any common fund or from a corporate benefit purportedly conferred upon the Corporation.
