PROXY STATEMENT

This Proxy Statement and the accompanying materials are being made available to OneMain Holdings, Inc. stockholders beginning on or about April 14, 2016. In this Proxy Statement, "OMH" refers to OneMain Holdings, Inc. (formerly known as Springleaf Holdings, Inc.), the "Company," "we," "us" or "our" may refer to OneMain Holdings, Inc. or to it and one or more of its subsidiaries, as the context may require, "OneMain" refers to OneMain Financial Holdings, LLC and its subsidiaries, "Springleaf" refers to OMH and its subsidiaries other than OneMain, "SFI" refers to Springleaf Finance, Inc., and "SFC" refers to Springleaf Finance Corporation. This Proxy Statement contains information to assist you in voting your shares on the matters to be presented at the Company's 2016 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 25, 2016.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of this Proxy Statement?

The purpose of this Proxy Statement is to provide information regarding matters to be voted on at the Annual Meeting. Additionally, it contains certain information that the U.S. Securities and Exchange Commission (the "SEC") and the New York Stock Exchange (the "NYSE") require the Company to provide to its stockholders. This Proxy Statement is also the document used by the Company's Board of Directors (the "Board") to solicit proxies to be used at the Annual Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on the matters to be presented at the Annual Meeting, even if they cannot attend the meeting.

Who pays the cost of soliciting proxies?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. The solicitation of proxies or votes may be made by mail, in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We also will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

How is the Company distributing proxy materials?

The SEC has adopted rules regarding how companies must provide proxy materials to their stockholders. These rules are often referred to as "Notice and Access." Under the Notice and Access model, a company may select either of the following two options for making proxy materials available to stockholders:

the full set delivery option; or

the notice only option.

Under the full set delivery option, a company delivers all proxy materials to its stockholders by mail or, if previously agreed, electronically. In addition to delivering proxy materials to stockholders, the company must post all proxy materials on a publicly-accessible website and provide information to stockholders about how to access that website. Under the notice only option, a company must post all proxy materials on a publicly accessible website, and rather than delivering proxy materials to its stockholders, the company instead delivers a "Notice Regarding the Internet Availability of Proxy Materials."

In connection with the Annual Meeting, we have elected to use the notice only option. The proxy materials will not be mailed to our stockholders, but instead are available on the Internet at www.proxyvote.com.

Edgar Filing: OneMain Holdings, Inc. - Form DEF 14A

Table of Contents

Although we have elected to use the notice only option in connection with the Annual Meeting, we may choose to use the full set delivery option in the future.

What is "householding"?

If you and others who share your mailing address own the Company's ordinary shares or shares of other companies through bank or brokerage accounts, you may have received a notice that your household will receive only one annual report and proxy statement from each company whose shares are held in such accounts. This practice, known as "householding," is designed to reduce the volume of duplicate information and reduce printing and postage costs. You may discontinue householding by contacting your bank or broker.

You may also request delivery of an individual copy of the Proxy Statement, 2015 Annual Report or Notice Regarding the Internet Availability of Proxy Materials by contacting the Company at OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary.

You may be able to initiate householding if your bank or broker has chosen to offer such service by following the instructions provided by your bank or broker.

When and where will the Annual Meeting be held?

The meeting will be held on May 25, 2016, at the Old Vanderburgh County Courthouse, 201 NW 4th Street, Evansville, Indiana 47708, beginning at 1:00 p.m., local time. Stockholders may obtain directions to the location of the meeting by contacting the Company's Secretary at 601 NW Second Street, Evansville, Indiana 47708, Telephone: (812) 424-8031.

What matters will the stockholders vote on at the meeting?

You will be voting on the following:

to elect two Class III directors, Wesley R. Edens and Ronald M. Lott, to serve until the 2019 Annual Meeting, and until such director's successor has been duly elected and qualified, or until such director's earlier death, resignation or removal (the "Director Election Proposal");

to approve the OneMain Holdings, Inc. Amended and Restated 2013 Omnibus Incentive Plan, including the performance goals established under the plan for purposes of compliance with Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") (the "Incentive Plan Proposal");

to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016 (the "Ratification of Auditors Proposal"); and

to consider and act upon any other business that may properly come before the meeting or any adjournment or postponement thereof.

Who may vote at the meeting?

All stockholders who owned Company common stock at the close of business on the record date of March 31, 2016, may attend and vote at the meeting.

How do I vote?

You can vote either in person at the meeting or by proxy whether or not you attend the meeting. You can vote by telephone or Internet by following the instructions on the proxy card. Stockholders of record also can vote by mail by completing, signing, dating and returning the proxy card. Stockholders

Table of Contents

who hold shares beneficially in street name may submit proxies by following the instructions provided by your stock broker, bank or other nominee (see "What if I hold my shares in a brokerage account or with another nominee ('street name')?" below for more information). If you sign your proxy card but do not specify how you want your shares voted, they will be voted as the Board recommends. The deadline for voting by telephone or electronically is 11:59 p.m., Eastern Daylight Time, on Tuesday, May 24, 2016. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person.

What if I hold my shares in a brokerage account or with another nominee ("street name")?

If you hold your shares in a brokerage account or with another nominee, the shares are said to be held in "street name." In this case your broker or other nominee will send you a package, including a voter instruction card, which will ask you how you want your shares to be voted. If you give the nominee instructions, the nominee will vote your shares as you direct. If you do not give your nominee instructions and the proposal involves a "routine" matter, then the rules of the NYSE provide nominees with discretionary power to vote your shares. However, if a proposal involves a "non-routine" matter, then nominees are not permitted to vote your shares without instructions from you (these shares are often referred to as broker non-votes).

At the Annual Meeting, all matters submitted to the stockholders for approval, other than the Ratification of Auditors Proposal, are "non-routine," meaning that your broker or other nominee may not vote your shares on those matters without instructions from you. It is, therefore, important that you provide instructions to your nominee if your shares are held by a nominee so that your votes with respect to the Director Election Proposal and Incentive Plan Proposal are counted. Since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker or other nominee that holds your shares, giving you the right to vote the shares at the meeting.

Can I change my vote after I execute my proxy?

You may revoke a proxy at any time prior to its exercise at the meeting. You can send in a new proxy card with a later date or send a written notice of revocation to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. You also can use telephone or Internet voting methods to change your vote. Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares.

Is my vote confidential?

We keep all proxies, ballots and voting tabulations confidential as a matter of practice. We permit only our Inspector of Election and Proxy Tabulator to examine these documents. If you write comments on your proxy card or ballot, the proxy card or ballot may be forwarded to the Company's management and the Board to review your comments.

How many votes do I have?

You will have one vote for each share of Company common stock which you owned at the close of business on March 31, 2016, the record date for the meeting.

Who will tabulate and count the votes?

Representatives or agents of Broadridge Financial Solutions, Inc. will tabulate the votes and act as the Company's Inspector of Election.

Table of Contents

How many shares of stock are eligible to vote at the Annual Meeting?

At the close of business on March 31, 2016, there was a total of 134,751,118 shares of Company common stock issued and outstanding and eligible to vote at the Annual Meeting.

How many shares must be present to hold the Annual Meeting?

The holders of a majority of the shares of our common stock outstanding as of the record date and entitled to vote at the Annual Meeting must be present, in person or by proxy, at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. In determining whether a quorum is present, shares represented by votes to withhold, abstentions and broker non-votes will be deemed present at the Annual Meeting. Once a share is deemed present for any purpose at the Annual Meeting, it is deemed present for quorum purposes for the remainder of the Annual Meeting.

How many votes are required to elect directors and adopt other proposals?

Proposal 1 Director Election Proposal: Directors are elected by a plurality of the votes of holders of shares present, in person or by proxy, and entitled to vote at a meeting of stockholders at which a quorum is present. Accordingly, the nominees with the highest number of "**FOR**" votes will be elected. Votes to withhold and broker non-votes, if any, will not have any effect on the election of a director.

Proposal 2 Incentive Plan Proposal: Approval of the OneMain Holdings, Inc. Amended and Restated 2013 Omnibus Incentive Plan, including the performance goals established under the plan for purposes of compliance with Section 162(m) of the Code, requires the affirmative vote of the holders of a majority of the total number of shares present, in person or by proxy, and entitled to vote on the proposal. Abstentions will have the same effect as a vote against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

Proposal 3 Ratification of Auditors Proposal: Approval of the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016, requires the affirmative vote of the holders of a majority of the total number of shares present, in person or by proxy, and entitled to vote on the proposal. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

Other business: All other business that may properly come before the Annual Meeting requires the affirmative vote of the holders of a majority of the total number of shares present, in person or by proxy, and entitled to vote on any such other business.

How do I attend the Annual Meeting?

Admission to the Annual Meeting is limited to Company stockholders or their proxy holders. In order to be admitted to the Annual Meeting, each stockholder will be asked to present proof of stock ownership and a valid, government-issued photo identification, such as a driver's license. Proof of stock ownership may consist of the proxy card, or if shares are held in the name of a broker, bank or other nominee ("street name"), an account statement or letter from the nominee indicating that you beneficially owned shares of Company common stock at the close of business on March 31, 2016, the record date for the Annual Meeting.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and report final results on a Current Report on Form 8-K, which we will file with the SEC within four business days after the Annual Meeting.

CORPORATE GOVERNANCE

Governing Documents

The following primary documents make up the Company's corporate governance framework:

Corporate Governance Guidelines ("Governance Guidelines")

Audit Committee Charter

Compensation Committee Charter

Nominating and Corporate Governance ("NCG") Committee Charter

Compliance Committee Charter

Code of Business Conduct and Ethics ("Code of Conduct")

Code of Ethics for the Principal Executive and Senior Financial Officers ("Principal Officer Code")

These documents are accessible on the Company's website at www.springleaf.com by clicking on "Investor Relations" at the bottom of the webpage and then "Corporate Governance." You also may obtain a free copy of any of these documents by sending a written request to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. Any material amendment to or grant of a waiver from a provision of the Code of Conduct or Principal Officer Code requiring disclosure under applicable SEC or NYSE rules will be posted on the Company's website.

Corporate Governance Guidelines

The Governance Guidelines, which are available on our website as outlined above, set forth the Company's primary principles and policies regarding corporate governance. The Governance Guidelines are reviewed from time to time as deemed appropriate by the Board. The Governance Guidelines are supplemented by the Code of Conduct and the Principal Officer Code, as well as by policies and procedures addressing specific topics and practices.

Codes of Business Conduct and Ethics

The Board adopted a Code of Conduct to help ensure that the Company abides by applicable laws and corporate governance standards. This code applies to all directors, employees and officers, including our Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), Principal Accounting Officer and Controller. The Board has also adopted a Principal Officer Code that applies to our CEO, CFO, and Principal Accounting Officer. The Code of Conduct and the Principal Officer Code are available on our website as outlined above.

Board Leadership Structure

Although not required, the Company has separated the roles of CEO and Chairman of the Board. The CEO is responsible for the day-to-day leadership, management, direction and performance of the Company, while the Chairman of the Board is responsible for presiding over meetings of the Board, establishing the agenda of Board meetings and, together with the CEO and the other members of the Board, setting the strategic direction of the Company.

Board's Role in Risk Oversight

While management is responsible for day-to-day risk management of the Company's operations, the Board is responsible for overseeing enterprise-wide risks. The Board uses its standing committees (more fully discussed below) to monitor and address what may be within the scope of each committee's

Table of Contents

expertise or charter. For example, the Audit Committee oversees the financial statements, accounting and auditing functions and related risk; the Compensation Committee oversees the Company's compensation programs, including goals, objectives, performance and compensation for our CEO and other executive officers, and the compensation disclosure in this Proxy Statement; and the NCG Committee oversees director qualifications, Board structure and corporate governance matters. The Board also has created a Compliance Committee to oversee regulatory compliance matters and risks relating to the Company's operations and business, which provides regular reports to the Board. In addition to getting information from its committees, the Board also receives updates directly from members of management. In this regard, Mr. Levine, due to his position as both CEO and director of the Company, is particularly important in communicating with other members of management and keeping the Board updated on the important aspects of the Company's operations.

Independent Directors

The Company recognizes the importance of having an independent Board that is accountable to the Company and its stockholders. Accordingly, the Governance Guidelines (a copy of which may be found in the "Investor Relations Corporate Governance" section of the Company's website) provide that a majority of the Board's directors shall be independent in accordance with the NYSE listing standards. Our Board has affirmatively determined that Ms. Kotval and Messrs. Guthrie, Jacobs and Lott are "independent" under Section 303A.02(b) of the NYSE listing standards. In making these determinations, the Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

Board, Committee and Annual Meeting Attendance

The Board held twelve meetings during 2015. Each director attended at least 75% of the total number of meetings of the Board and committees held during the period he or she served, except for Mr. Edens. Mr. Edens' views were represented at the meetings by Mr. Levine. Directors are invited and encouraged, but are not required, to attend the Company's annual meeting of stockholders. One of the Company's directors attended the Company's 2015 Annual Meeting of Stockholders.

Presiding Non-Management Director and Executive Sessions

The Company's non-management and independent directors met in executive session without management four times in 2015. Roy Guthrie is the presiding non-management director appointed to preside at each executive session.

Communications with the Board of Directors

Any Company stockholder or other interested party who wishes to communicate with the Board or any of its members may do so by writing to: Board of Directors (or one or more named directors), c/o, Jack R. Erkill, Senior Vice President, Deputy General Counsel & Secretary, OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708.

Communications with the Audit Committee

Complaints and concerns relating to the Company's accounting, financial reporting, internal accounting controls or auditing matters (together, "Accounting Matters") should be communicated to the Audit Committee of the Board. Any such communications may be made on an anonymous basis. Employee concerns or complaints may be reported to the Audit Committee through a third-party vendor, Global Compliance (Navex Global), that has been retained by the Audit Committee for this purpose. Global Compliance may be contacted toll-free at (855) 296-9088, or via the Internet at www.springleaf.alertline.com. Outside parties, including stockholders, may bring issues regarding

Accounting Matters to the attention of the Audit Committee by writing to: Audit Committee, c/o, Jack R. Erkill, Senior Vice President, Deputy General Counsel & Secretary, OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708.

All complaints and concerns will be reviewed under the direction of the Audit Committee and overseen by the General Counsel and other appropriate persons as determined by the Audit Committee. The General Counsel also prepares a periodic summary report of all such communications for the Audit Committee.

Criteria and Procedures for Selection of Director Nominees

Although the Board retains ultimate responsibility for nominating members for election to the Board, the NCG Committee of the Board conducts the initial screening and evaluation process. Although there are no minimum qualifications, skills or qualities required to be nominated for election, as provided in the Company's Governance Guidelines, director nominees, including those directors eligible to stand for re-election, are selected based on, among other things, the following factors:

whether the nominee has demonstrated, by significant accomplishment in his or her field, an ability to make meaningful contributions to the Board's oversight of the business and affairs of the Company;

the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities;

experiences, skills and expertise;

diversity;

business judgment;

composition of the Board;

requirements of applicable laws and NYSE listing standards;

time availability and dedication; and

conflicts of interest.

While the NCG Committee has not adopted a formal diversity policy for the selection of director nominees, diversity is one of the factors that the NCG Committee considers in identifying director nominees. In considering diversity, in particular, the NCG Committee considers general principles of diversity in the broadest sense. The NCG Committee seeks to recommend the nomination of directors who represent different qualities and attributes and a mix of professional and personal backgrounds and experiences that will enhance the quality of the Board's deliberations and oversight of our business.

In conducting the screening and evaluation of potential director nominees, the NCG Committee considers candidates recommended by directors and the Company's management, as well as recommendations from Company stockholders. While the NCG Committee's Charter and our Governance Guidelines provide that the NCG Committee may, if it deems appropriate, establish procedures to be followed by stockholders in submitting recommendations for director candidates, the NCG Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because our Amended and Restated Bylaws, as amended (the "Bylaws"), include procedures for stockholders to nominate candidates to serve on the Board for election at any Annual Meeting or at any special meeting called for the purpose of electing directors. The Board believes that it is appropriate for the Company not to have a specific policy since stockholders may submit recommendations for director candidates by following the procedures set forth in the Bylaws, as summarized below.

Compensation Discussion and Analysis

In this section, we discuss our compensation philosophy and describe the compensation for our President and Chief Executive Officer ("CEO") and our other "named executive officers" within the meaning of Item 402 of Regulation S-K (collectively, the "NEOs"). We explain how our Board's Compensation Committee (as used in this section, the "Committee") determines compensation for our NEOs and its rationale for specific 2015 decisions.

The following individuals are our 2015 NEOs:

Jay N. Levine	President and Chief Executive Officer
Scott T. Parker	Executive Vice President and Chief Financial Officer
Minchung (Macrina) Kgil	Former Executive Vice President and Chief Financial Officer
John C. Anderson	Executive Vice President
Mary H. McDowell	Former Executive Vice President
Angela Celestin	Executive Vice President, Human Resources

Executive Summary

Our executive compensation program is designed to reward financial results and effective strategic leadership key elements in building sustainable value for stockholders. We believe our executive compensation program aligns the interests of our stockholders and our executives by correlating the amount of actual pay to our short-term and long-term performance. Our program requires ethical and responsible conduct in pursuit of these goals.

We carefully benchmark our executive compensation decisions against a relevant group of peer companies all of which are potential competitors for the national caliber of executive talent required to manage a large, decentralized, multi-state consumer finance lender.

2015 Achievements, Pay-for-Performance Alignment and Compensation Decisions

2015 was a year of phenomenal transformation, growth and progress for our Company and our stock price performance significantly outperformed that of our peers. Our stock price increased nearly 15% in 2015 in a market that saw the NYSE Financial Sector Index decline approximately 3.6%. Our signal achievement in 2015 was the acquisition of OneMain which we announced in March and completed in November. In connection with the acquisition of OneMain, we expanded our senior executive team. Additionally, given the breadth and scope of our post acquisition organization, we hired a new Chief Financial Officer, Scott Parker, who joined us in November 2015 from CIT. These additions to our executive team drove several executive compensation decisions during 2015 that we

believe are consistent with our pay for performance philosophy as more fully described below, including equity grants under the OneMain Holdings, Inc. 2013 Omnibus Incentive Plan (the "Omnibus Incentive Plan") to Mr. Parker and Mses. McDowell and Celestin.

As disclosed in prior years, we made equity grants relating to our common stock in 2013 to Messrs. Levine and Anderson to align their interests with those of our stockholders and to incentivize them to pursue and achieve our strategic business, growth and financial objectives. In addition to these equity grants, Messrs. Levine and Anderson also hold certain incentive units in SFH (the "SFH Incentive Units"), our initial stockholder at the time of our initial public offering ("IPO"). These SFH Incentive Units further align the interests of Messrs. Levine and Anderson with those of our stockholders because they only deliver value to the extent that distributions by SFH to its owners exceed certain thresholds, including distributions made in connection with sales of our common stock by SFH. Consistent with this view, Mr. Parker was granted SFH Incentive Units upon joining us as Chief Financial Officer, in addition to being granted a sign-on equity-based award under our Omnibus Incentive Plan as further described below.

In April 2015, SFH sold 8,447,049 shares of our common stock that were beneficially owned by AIG Capital Corporation, a subsidiary of American International Group, Inc. ("AIG"), and, as a result of such sale, Messrs. Levine and Anderson received cash distributions from SFH (and not the Company) in respect of their SFH Incentive Units during 2015. Although these distributions were paid by SFH, we are required to recognize such distributions as stock-based compensation expense in our consolidated financial statements under U.S. generally accepted accounting principles ("GAAP"), and such distributions are reflected in the All Other Compensation column of the Summary Compensation Table below. Mr. Parker did not receive cash distributions in respect of his SFH Incentive Units during 2015. In contemplation of the acquisition of OneMain, we also made changes in 2015 to our peer group of companies that we utilize for executive compensation benchmarking purposes so as to ensure that we are appropriately benchmarking our executive compensation against the executive compensation paid by companies of similar size and complexity with whom we compete for executive talent. We believe the compensation related actions that we undertook in 2015 underscore our pay for performance philosophy while appropriately balancing risk and reward without exposing the Company to imprudent or undue risk taking.

Median Compensation Targets. All compensation elements for our NEOs are targeted at the median of our peer group.

Restrictive Covenants. Certain of our executive officers, including Messrs. Levine and Parker, are subject to restrictive covenants upon separation from the Company, including non-compete, non-solicitation and non-disclosure obligations.

Compensation Clawbacks. In 2016, we adopted a policy to recover incentive-based awards from our executive officers for the three-year period prior to any accounting restatement that would have resulted in a lower payment because of the restated results.

No Repricing. We do not currently permit the repricing of stock options or SARs without stockholder approval.

No Hedging of Shares. We do not permit hedging or short sales of our stock, or similar transactions where potential gains are linked to a decline in our share price, by our directors or executive officers to enter into.

Independent Compensation Consultant. The Committee has engaged Pearl Meyer as its independent compensation consultant. Pearl Meyer was retained directly by the Committee and performs no other consulting or other services for the Company.

Review of Compensation Peer Groups. Our peer group is reviewed periodically by the Committee, and adjusted, when necessary to ensure that its composition remains a relevant and appropriate comparison for our executive compensation program.
