Our Board of Directors has fixed March 21, 2018 as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting.

Only shareholders as of the close of business on the record date will be able to vote at the Annual Meeting. In order to be admitted to the meeting, each shareholder will be asked to present proof of share ownership as of the record date and valid government-issued photo identification. If your shares are held in "street name" by a bank or broker, you will also need to obtain a "legal proxy" from the holder of record to vote at the meeting. **Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance of the meeting pursuant to the instructions listed in the accompanying materials so that your vote will be counted if you are unable to attend the Annual Meeting.**

The proxy statement for our Annual Meeting and our annual report to shareholders on Form 10-K for the year ended December 31, 2017 are available on our website under Investor Relations-Financial Information at <http://ir.altisource.com/financials.cfm>. In accordance with Securities and Exchange Commission ("SEC") rules, you may also access our proxy statement and annual report at <http://www.proxyvote.com>, a website that does not identify or track visitors to the site, by entering the Control Number found on your Notice and Access Card, your proxy card or your email notification, as applicable, in the space provided.

Although Luxembourg law does not require a quorum for the conduct of business at the Annual Meeting, in accordance with the requirements of the NASDAQ listing standards, we have established that the presence at the Annual Meeting of holders of at least thirty-three and one-third percent (33¹/₃%) of our issued and outstanding shares of common stock able to be voted, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Altisource Portfolio Solutions S.A. Proxy Statement
Annual Meeting of Shareholders
General Information

We have made this proxy statement available to you on or about April [], 2018 as a holder of common stock of Altisource Portfolio Solutions S.A. ("Altisource" or the "Company") because our Board of Directors is soliciting your proxy to be used at our 2018 Annual Meeting, and any adjournment or postponement thereof. The Annual Meeting will be held at our registered office located at 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg on Tuesday, May 15, 2018 at 9:00 a.m. Central European Time for the purposes listed in the Notice of Annual Meeting of Shareholders.

Internet Availability of Proxy Materials

As in prior years, we are using the "Notice and Access" method of furnishing proxy materials to our beneficial shareholders via the Internet, instead of mailing printed copies of those materials to each shareholder. By doing so, we reduce the environmental impact of our Annual Meeting and save costs. On April [], 2018, we commenced mailing Notices of Internet Availability of Proxy Materials (the "Notices") to participating shareholders. The Notice contains instructions about how to access our proxy materials. If you would like to receive a paper copy of our proxy materials, please follow the instructions included in the Notice. If you previously chose to receive our proxy materials electronically, you will receive an email with links to the online proxy materials. If you previously requested to receive paper copies of the proxy materials by mail, you will receive the proxy materials by mail until you elect otherwise.

Shareholders of record will receive a paper copy of the proxy materials by mail unless they previously requested delivery of proxy materials electronically. The proxy card included with the proxy materials contains instructions on how to request electronic delivery of future proxy materials.

Who May Vote

You are entitled to vote at the Annual Meeting, and any adjournment or postponement thereof, if you are a holder of our common stock at the close of business on March 21, 2018. At the close of business on March 21, 2018, there were 17,399,792 shares of common stock issued, outstanding and able to be voted, and there was no other class of equity securities outstanding. Each share of our common stock is entitled to one (1) vote at the Annual Meeting on all matters properly presented for a vote.

Voting Procedures

If you are a shareholder of record, which means you hold your shares through an account with our transfer agent, American Stock Transfer & Trust Company, LLC, you may vote by one of the following three options for voting before the Annual Meeting:

Over the Internet, at www.proxyvote.com, by following the instructions on your proxy card or the instructions that you received by email;

By telephone; or

By completing, dating, signing and returning a proxy card by mail.

If you are a beneficial holder, meaning you hold your shares in "street name" through an account with a bank or broker, please follow the voting directions on the voting instruction form that your bank or broker provides to you. Your ability to vote over the Internet or by telephone depends on the voting procedures of your bank or broker.

Table of Contents

If you plan to vote over the Internet or by telephone, your voting instructions must be received no later than 9:59 p.m. Central European Time (3:59 p.m. Eastern Time) on Monday, May 14, 2018 in order to allow sufficient time to tabulate the votes prior to the start of the meeting.

Shareholders may also vote in person at the Annual Meeting. All shareholders must present valid government-issued photo identification to vote at the meeting. If your shares are held by a bank or broker, you must also obtain and present a "legal proxy" from the holder of record to vote at the meeting. For specific instructions, please refer to the proxy card, Notice or email notification you receive.

Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance of the meeting in one of the manners available to you so that your vote will be counted if you later are unable to attend the Annual Meeting.

How a Proxy Works

If you properly submit your proxy to Altisource and do not revoke it prior to its use, it will be voted in accordance with your instructions. Other than as discussed below with respect to "broker non-votes," if no contrary instructions are given, each proxy received for the Annual Meeting will be voted "FOR" each of the nominees for Director named in this proxy statement and "FOR" each of the other proposals identified in the agenda for the Annual Meeting; and, with regard to any other business that properly comes before the meeting, each proxy will be voted in accordance with the discretion of the persons appointed as proxies.

If the shares you own are held by a bank or broker and you do not provide specific voting instructions to your bank or broker on a "non-routine" item as defined by the New York Stock Exchange, the bank or broker will be prohibited from voting your shares. This is commonly referred to as a "broker non-vote." All of our proposals other than the proposals related to the appointment of our independent registered certified public accounting firm and certified auditor, our annual accounts and our share repurchase program are expected to be "non-routine" proposals; therefore, if you do not instruct your bank or broker how to vote your shares with respect to these proposals, your shares will not be counted.

How to Revoke a Proxy

Your proxies may be used only at the Annual Meeting and any adjournment or postponement thereof, and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

delivering written notice to our Corporate Secretary at the following address prior to the Annual Meeting:

Kevin J. Wilcox, Corporate Secretary
Altisource Portfolio Solutions S.A.
40, avenue Monterey
L-2163 Luxembourg City
Grand Duchy of Luxembourg;

submitting a properly executed proxy bearing a later date prior to the Annual Meeting; or

appearing at the Annual Meeting and giving the Corporate Secretary notice of your intention to vote in person.

Quorum and Voting Information

Although Luxembourg law does not require a quorum for the conduct of business at the Annual Meeting, in accordance with the requirements of the NASDAQ listing standards, the Company has established that the presence at the Annual Meeting of holders of at least thirty-three and one-third percent (33 $\frac{1}{3}$ %) of our

Table of Contents

issued and outstanding shares of common stock able to be voted, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Assuming a quorum, the six (6) nominees for Director will be elected as Directors of Altisource at the Annual Meeting so long as the votes cast in favor of each such person exceed the votes cast against such person. You may vote for, against or abstain from voting for one (1) or more nominees for Director.

The following Annual Meeting proposals will be approved if the votes cast in favor of the action exceed the votes cast against the action: the proposal to approve the appointment of Mayer Hoffman McCann P.C. ("Mayer Hoffman") to be our independent registered certified public accounting firm for the year ending December 31, 2018 and Atwell S.à r.l. ("Atwell") to be our certified auditor (*Réviser d'Entreprises*) for all statutory accounts as required by Luxembourg law for the same period; the proposal to approve the Luxembourg Statutory Accounts as of and for the year ended December 31, 2017; the proposal to receive and approve the Directors' reports for the Luxembourg Statutory Accounts for the year ended December 31, 2017 and to receive the report of the supervisory auditor (*Commissaire aux Comptes*) for the Luxembourg Annual Accounts for the same period; the proposal to allocate the results in the Luxembourg Annual Accounts for the year ended December 31, 2017; the proposal to approve the discharge of each of the Directors of Altisource Portfolio Solutions S.A. for the performance of their mandate during the year ended December 31, 2017 and of the supervisory auditor (*Commissaire aux Comptes*) for the performance of her mandate for the same period; the proposal to approve the renewal of our share repurchase program whereby Altisource Portfolio Solutions S.A. is authorized, for a period of five years, to repurchase up to twenty-five percent (25%) of the outstanding shares of its common stock (as of the close of business on the date of the Annual Meeting) at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share, with the maximum price to be adjusted for any stock splits and reverse stock splits; the proposal to approve changes to non-management Directors' compensation; the advisory vote to approve the compensation of Altisource's named executive officers as disclosed in the Proxy Statement ("Say-on-Pay"); and any other matter properly submitted for your consideration at the Annual Meeting. While our Board of Directors intends to carefully consider the shareholder votes resulting from the Say-on-Pay proposal, the final vote will not be binding on us and is advisory in nature.

Any other matter properly submitted for your consideration will be approved with such vote as required by Luxembourg law. Abstentions will not be counted in determining the votes cast in connection with the proposals in the agenda of the Annual Meeting.

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting, the shares represented by a validly executed proxy will be voted for the election of such other person as the Board of Directors may recommend in his place, unless the Board of Directors chooses to reduce the number of Directors serving on the Board. Board of Directors and Corporate Governance

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing the Company's business and representing the interests of the Company and its shareholders. Directors generally attend all meetings of the Board of Directors and all meetings of Committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our Board of Directors met thirteen (13) times in 2017. The average attendance of all incumbent Directors at Board and Committee meetings in 2017 was ninety-eight percent (98%), and each Director attended at least seventy-five percent (75%) of the total number of meetings of the Board and the Committees on which they served.

Although we do not have a formal policy regarding Director attendance at our annual meetings of shareholders, our Directors generally attend. All of our director nominees for 2017 attended our 2017 annual meeting of shareholders, except Mr. Kramer who was unable to attend due to a personal matter.

Independence of Directors

Our Corporate Governance Guidelines provide that a majority of our Directors must qualify as independent Directors under NASDAQ listing standards and applicable law.

Our Board of Directors annually reviews the direct and indirect relationships that the Company has with each Director. The purpose of this review is to determine whether any transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with Altisource are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NASDAQ and applicable law. The Board of Directors also considers beneficial ownership of our common stock by each of the Directors, as set forth under "Security Ownership of Certain Beneficial Owners and Management," although our Board of Directors generally believes that stock ownership tends to further align a Director's interests with those of our other shareholders. Please see "Minimum Stock Ownership Requirements" under the Board of Directors Compensation section for additional information.

The Board of Directors has determined that all of our current Directors other than Mr. Shepro are independent under NASDAQ listing standards. Mr. Shepro is deemed not to be independent because he serves as the Chief Executive Officer of Altisource.

Our Corporate Governance Guidelines also provide that the Board may appoint a lead independent director unless the Chairman of the Board is an independent director. Mr. Vättö, an independent Director, is the Chairman and, as a result, we do not currently have a lead independent director.

Executive Sessions of Independent Directors

Our Independent Directors met in executive session of the Board of Directors without management five (5) times in 2017.

Board Leadership Structure

The Board of Directors currently believes that separating the positions of Chief Executive Officer and Chairman is the appropriate structure for the Company's needs. The Board periodically reviews the leadership structure and may make changes in the future as it deems to be in the best interests of the Company and our shareholders at such time.

Table of Contents

The Chief Executive Officer is responsible for our day-to-day operations and for formulating and executing our long-term strategy in collaboration with the Board of Directors. The Chairman of the Board leads the Board and oversees meetings of the Board of Directors, ensures the delivery of information necessary for the Board's informed decision-making and, together with the Board, approves the strategy for Altisource. We currently believe that the leadership structure now in place appropriately serves the Board's ability to carry out its roles and responsibilities on behalf of the shareholders and allows the Chief Executive Officer to focus his time and energy on operating and managing the Company.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee, a Compliance Committee, a Nomination/Governance Committee and an Executive Committee. Except as otherwise required by applicable laws or rules, the Committees' responsibilities and procedures are designed to remain flexible, so that they may be in a position to best react or respond to changing circumstances or conditions. A brief description of each committee is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered certified public accounting firm and certified auditor; provides assistance to our Board of Directors with respect to matters involving the accounting, auditing, financial reporting and internal control functions; establishes procedures for the receipt, retention and treatment of complaints received by the Company relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters; reviews and approves transactions in which a "Related Person" (as defined by SEC Regulation S-K in accordance with the Company's Related Person Transactions Policy) has a material interest; reviews the scope and results of the annual audit conducted by the independent registered certified public accounting firm, including any significant matters regarding internal controls over financial reporting; and reviews the Company's internal audit plan, internal audit budget and enterprise risk assessment. The Audit Committee is also empowered to retain, at the Company's expense, such independent counsel or other advisors as it deems necessary in connection with its responsibilities.

The members of the Audit Committee for 2017 were Messrs. Müller-Ineichen, Morettini, Linn and Vättö, with Mr. Müller-Ineichen serving as the Chairman. Each member of our Audit Committee is independent as defined in regulations adopted by the SEC and NASDAQ listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate, possess accounting or related financial management experience that results in the individual's financial sophistication within the meaning of NASDAQ listing standards and qualify as audit committee financial experts as that term is defined in SEC rules. Pursuant to the Company's Corporate Governance Guidelines, no director may serve as a member of the Audit Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Audit Committee reviews its charter and presents any recommendations for amendments to the Board. The Audit Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Audit Committee in February 2018. The Audit Committee met fourteen (14) times and took action pursuant to written consent two (2) times in 2017. The Audit Committee met in executive session with both the Company's internal and external auditors five (5) times, solely with the Company's internal auditors three (3) times and solely with the Company's external auditors five (5) times in 2017.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our compensation and employee benefit plans and practices. Our Compensation Committee also evaluates and makes recommendations to our Board of Directors for compensation and other human resources matters

relating to our executive officers. The Compensation Committee reviews with the Chief Executive Officer and the Chief Administration and Risk Officer (except as it relates to their own compensation) and subsequently approves all executive compensation programs, any severance or termination arrangements applicable to executive officers and any equity compensation plans that are not subject to shareholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof. The Compensation Committee is responsible for reviewing Director compensation and recommending changes, subject to the approval of our shareholders. The Compensation Committee has the authority to administer awards under the 2009 Equity Incentive Plan.

The Compensation Committee may request that any of our Directors, executive officers, employees or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests. The Compensation Committee is also empowered to retain independent compensation consultants, counsel or other advisors as it deems necessary in connection with its responsibilities at the Company's expense. In determining whether a compensation consultant, counsel or other advisor is independent, the Compensation Committee considers all factors set forth in SEC rules and the NASDAQ listing standards with respect to advisor independence, as well as any other factors the Compensation Committee deems relevant. Based on its consideration of the various factors as set forth in SEC rules and NASDAQ listing standards, the Compensation Committee determined that its compensation consultant Exequity LLP ("Exequity") is independent and that the engagement of Exequity by the Company raises no conflict of interest. In 2017, our Compensation Committee engaged Exequity to conduct a peer group analysis, review the compensation levels for Directors and executive officers and review the design of awards granted pursuant to our Long-Term Incentive Plan for our executive officers and other key employees. Please see "Role of Compensation Consultant" in our Compensation Discussion and Analysis for further information.

The members of the Compensation Committee during 2017 were Messrs. Vättö, Müller-Ineichen and Kramer, with Mr. Vättö serving as the Chairman.

Each member of the Compensation Committee is independent as defined by NASDAQ listing standards, as revised in 2013. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience. We believe that their collective achievements and knowledge provide us with extensive diversity in experience, culture and viewpoints.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Compensation Committee reviews its charter and presents any recommendations for amendments to the Board. The Compensation Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Compensation Committee in February 2018. The Compensation Committee met eight (8) times in 2017.

Compensation Committee Interlocks and Insider Participation. No current member of the Compensation Committee has ever been an officer or employee of the Company, and no member has nor has ever had any relationship with us requiring disclosure under Item 404 of SEC Regulation S-K. None of our executive officers has served on the Board of Directors or compensation committee of any other entity that has or had one (1) or more executive officers who served as a member of our Board of Directors or our Compensation Committee during the 2017 fiscal year.

Compliance Committee. The Compliance Committee of our Board of Directors provides assistance to the Board with the development, monitoring and evaluation of the Company's compliance function, including its compliance management system, and the Company's compliance with applicable laws, rules and regulations governing its businesses. The Compliance Committee performs such other duties as may be prescribed

pursuant to its charter. The members of the Compliance Committee for 2017 were Messrs. Linn, Morettini, Müller-Ineichen and Kramer, with Mr. Linn serving as the Chairman. Each member of the Compliance Committee is independent as defined by NASDAQ listing standards.

Our Compliance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Compliance Committee reviews its charter and presents any recommendations for amendments to the Board. The Compliance Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Compliance Committee in February 2018. The Compliance Committee met five (5) times in 2017.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors, advises our Board of Directors with respect to Board of Directors composition, procedures and committees, develops and presents our Board of Directors with a set of corporate governance guidelines and oversees the evaluation of our Board of Directors. The Nomination/Governance Committee may retain, at the Company's expense, such independent counsel or other advisors as it deems necessary.

The members of the Nomination/Governance Committee during 2017 were Messrs. Linn, Vättö and Kramer, with Mr. Linn serving as the Chairman. Each member of the Nomination/Governance Committee is independent as defined by NASDAQ listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Nomination/Governance Committee reviews its charter and presents any recommendations for amendments to the Board. The Nomination/Governance Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter. The charter was last reviewed by the Nomination/Governance Committee in February 2018. The Nomination/Governance Committee met five (5) times in 2017.

The Nomination/Governance Committee regularly assesses the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director are then identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, shareholders or industry sources.

When recommending nominees to the Board, the Nomination/Governance Committee considers candidates based on merit, against objective criteria relating to the candidate's knowledge, experience, skills and expertise, with due regard for the benefits of diversity on the Board. In considering diversity, the Nomination/Governance Committee considers differences that relate to gender, age, ethnicity, race, national origin, cultural background, disability, religion and sexual orientation. In February 2018, the Board of Directors amended our Board Diversity Policy to further emphasize the Company's commitment to diversity in connection with appointments to the Board. The Nomination/Governance Committee assesses the effectiveness of our Board Diversity Policy as part of its annual review of Board composition and considers the results of this assessment when evaluating director nominees. Our Board Diversity Policy is available on our website at www.altisource.com and is available in print to any shareholder who requests it.

In evaluating a particular candidate, the Nomination/Governance Committee will also consider factors other than the candidate's qualifications and background, including (i) the current composition of the Board of Directors and the interplay of the candidate's experience with the background of other members of our Board of Directors, (ii) whether the candidate meets the independence standards set forth under applicable

Table of Contents

laws, regulations and Nasdaq listing standards, (iii) the balance of management and independent Directors, (iv) the need for Audit Committee expertise and (v) the evaluation of other prospective nominees.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors determines whether the candidates will be nominated and presented to the shareholders for election, after considering the recommendation and report of the Nomination/Governance Committee.

The Nomination/Governance Committee considers director candidates recommended by shareholders. If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Portfolio Solutions S.A., 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg. Should you recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other candidate. You should provide each proposed nominee's name, biographical data, qualifications and expertise. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director. To date, we have not received any shareholder proposals relating to Director nominees for the Annual Meeting. Please see the "Shareholder Proposals" section for additional information regarding shareholder proposals.

In February 2017, in conducting its annual assessment of the size and makeup of our Board of Directors, our Nomination/Governance Committee determined to add an additional Board member. Therefore, following the recommendation of the Nomination/Governance Committee, the Board of Directors nominated Mr. Joseph L. Morettini for election at the 2017 annual meeting of shareholders. Mr. Morettini was elected to the Board by our shareholders on May 17, 2017 and the size of the Board was increased to six (6) Directors. In selecting Mr. Morettini to serve on our Board, the Board determined that his qualifications, experience and abilities would bring valuable insights to our Board. With two new Directors on-boarding in the last two years, our Board's composition represents a balanced approach to Director tenure, allowing the Board to benefit from the experience of longer-serving Directors combined with fresh perspectives from newer Directors.

In the first quarter of 2018, the Nomination/Governance Committee reviewed the size and makeup of our Board of Directors and determined that the current Board composition was appropriate and that the current Directors should be re-nominated for election at the Annual Meeting.

Executive Committee. Our Executive Committee is generally responsible to act on behalf of our Board of Directors during the intervals between meetings of our Board and to otherwise assist the Board in handling matters that, in the opinion of the Chairman of the Board, should not be postponed until the next scheduled meeting of the Board. The members of the Executive Committee during 2017 were Messrs. Vättö and Shepro, with Mr. Vättö serving as the Chairman.

Our Executive Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisource.com and is available in print to any shareholder who requests it. On an annual basis, the Board of Directors reviews and approves the charter. The Executive Committee also evaluates its performance under its charter and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter, except to the extent the Executive Committee has not taken any action during the year. The charter was last reviewed by the Board of Directors in February 2018. The Executive Committee took no formal actions in 2017.

Corporate Governance Guidelines

The Corporate Governance Guidelines adopted by our Board of Directors provide guidelines for effective corporate governance and to promote the effective functioning of the Board and its Committees. The

Table of Contents

Corporate Governance Guidelines cover topics such as Director qualification standards, Board of Directors and committee composition, Director responsibilities, minimum stock ownership requirements for our non-management Directors and Chief Executive Officer, anti-hedging and anti-pledging policies, Director access to management and independent advisors, Director compensation, Director orientation and continuing education, management succession and annual performance reviews of the Board of Directors.

Our Nomination/Governance Committee reviews our Corporate Governance Guidelines at least once a year and, if necessary, recommends changes to the Corporate Governance Guidelines to our Board of Directors. Our Corporate Governance Guidelines were last reviewed by the Nomination/Governance Committee in February 2018. Our Corporate Governance Guidelines are available on our website at www.altisource.com and are available to any shareholder who requests a copy by writing to our Corporate Secretary at Altisource Portfolio Solutions S.A., 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg.

Shareholder Rights

We are committed to governance policies and practices that serve the interests of the Company and its shareholders in accordance with Luxembourg law. The following table summarizes some of our policies and practices that provide rights to our shareholders:

Majority Voting: Directors are elected by the majority of votes cast.

Annual Elections: All Directors are elected annually. Altisource does not have a staggered board.

Shareholder Proposals: Shareholders representing individually or jointly at least ten percent (10%) of the Company's share capital are authorized to nominate candidates for election to the Altisource Board and make other proposals for inclusion in the proxy statement, subject to completing certain formalities. Please see the "Shareholder Proposals" section for additional information.

Special Meetings: A special meeting of shareholders may be called at any time by the holders of at least ten percent (10%) of the outstanding stock entitled to be voted at such meeting.

No Shareholder Rights Plan: Altisource does not maintain a shareholder rights plan (sometimes called a "poison pill").

The Board of Directors and its Committees monitor developments in governance best practices to assure that it continues to meet its commitment to represent shareholder interests.

Shareholder Engagement

Engagement with our shareholders helps us gain useful feedback on a wide variety of topics, including corporate governance, compensation practices, Board diversity, capital structure, business performance and the operation of the Company. This feedback is shared regularly with the Company's management and the Board, and may be considered in setting the governance practices and strategic direction for the Company. Shareholder feedback may also help us to better tailor the public information we provide to address the interests and inquiries of our shareholders and other interested parties.

Altisource interacts and communicates with shareholders in a number of forums, including quarterly earnings presentations, SEC filings, investor conferences and press releases. In addition, Altisource has a practice of directly engaging with shareholders by phone or in person throughout the year to obtain their input. Such discussions typically include our Chief Executive Officer, our Chief Financial Officer and/or the Chairman of the Board of Directors. In 2017 and in the early part of 2018, we had discussions with shareholders collectively owning more than a majority of our issued and outstanding shares regarding, among other topics, strategy and financial results.

Shareholder feedback is thoughtfully considered and has led to modifications in our governance practices and disclosures. At the 2017 annual meeting of shareholders, the Board recommended an *annual* Say-on-Pay vote after considering feedback from shareholders and that an *annual*

Say-on-Pay vote enables our shareholders to provide timely input on executive compensation matters. In February 2018, in line with

Table of Contents

the Board's longstanding view and based in part on shareholder encouragement, we amended our Board Diversity Policy to further emphasize our commitment to diversity, and disclosed this policy on our website. In addition, the Nomination/Governance Committee has taken steps to establish a more diverse pool of director candidates as part of its ongoing succession planning process.

Shareholders who wish to contact our Board of Directors or any individual Director regarding Altisource, may do so by mail addressed to our Corporate Secretary at Altisource Portfolio Solutions S.A., 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg or by email to the Office of the Corporate Secretary at corporate.secretary@altisource.lu. Relevant communications received in writing are distributed to our Board of Directors or to individual Directors, as appropriate, depending on the facts and circumstances outlined in the communication received.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our Directors, officers and employees as required by NASDAQ listing standards. We have also adopted a Code of Ethics for Senior Financial Officers that applies to our Chief Executive Officer, Chief Financial Officer, Executive Vice President, Finance and Chief Accounting Officer. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers are available on our website at www.altisource.com and are available to any shareholder who requests a copy by writing to our Corporate Secretary at 40, avenue Monterey, L-2163 Luxembourg City, Grand Duchy of Luxembourg. On an annual basis, the Board of Directors reviews and approves the Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers. The Code of Business Conduct and Ethics and the Code of Ethics for Senior Financial Officers were last reviewed by the Board of Directors in February 2018. Any amendments to the Code of Business Conduct and Ethics or the Code of Ethics for Senior Financial Officers, as well as any waivers that are required to be disclosed under SEC rules or NASDAQ listing standards, must be approved by our Board of Directors or the Audit Committee and will be posted on our website at www.altisource.com or otherwise disclosed in accordance with such rules.

Risk Management and Oversight Process

Our Board of Directors and its Committees play a key role in the oversight of the Company's risk management.

Through regular reviews with management and internal and external auditors, the Board of Directors and the Audit Committee monitor Altisource's credit risk, liquidity risk, operational risk, legal and regulatory risk and enterprise risk. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit department and, in conjunction with management, considers whether accounting and financial controls are aligned with business risks. In its periodic meetings with the external auditors, the Audit Committee reviews the external audit scope, the external auditors' responsibilities and independence under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications.

On an annual basis, the Board of Directors and the Audit Committee perform an enterprise risk assessment with management to review the principal risks and monitor the steps management is taking to map and mitigate these risks. This enterprise risk assessment includes operational, financial, legal and regulatory compliance, reputational, technology, privacy, data security (including cybersecurity), strategic and other risks that could adversely affect our business.

The Board of Directors and the Compliance Committee monitor Altisource's overall compliance function, including the compliance management system, and Altisource's compliance with legal and regulatory requirements and related risks, through regular reviews with both management and internal auditors. At least quarterly, the Compliance Committee reviews and discusses with management the Company's compliance with legal and regulatory requirements and compliance programs.

Table of Contents

In addition, working closely with management, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring the Company's compensation policies and related risks.

The role of the Board of Directors in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer, Chief Administration and Risk Officer and other members of management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its Committees providing oversight of the management of these risks.

Corporate Responsibility and Sustainability

At Altisource, we are dedicated to improving the welfare of the communities in which we operate through social and other responsibility initiatives, such as our continued collaboration with Habitat for Humanity International ("Habitat") to help revitalize homes and communities. We believe that commitment to corporate responsibility and community involvement is not only an expression of good corporate citizenship that aligns with our core value of enriching the communities in which we live and serve, but also strengthens our relationships with our customers and other stakeholders, contributing to the long-term success of our business.

In 2017, Altisource employees dedicated over 4,400 hours to community-service activities, which is approximately twice the number of hours dedicated in 2016. These activities included helping to build or renovate homes in nine U.S. metropolitan areas as part of the Company's alliance with Habitat, participating in the building of homes, schools and sanitation infrastructure in India, helping to create shelter for low-income families in Uruguay and repainting an elementary school in the Philippines. The Company also donated over \$700,000 in support of activities including home-building in the U.S., India and Uruguay and assistance in Texas, Florida and the United States Virgin Islands following the 2017 hurricanes that affected those areas.

In addition, in 2017, Altisource's Corporate Responsibility program began studying how to expand the Company's sustainability efforts, including waste reduction and energy efficiency, and developing a framework for reporting on these efforts. We currently anticipate finalizing this framework in 2018.

Our Board of Directors provides oversight of our Corporate Responsibility program and receives regular updates on the effectiveness of this program.

Board of Directors Compensation

Compensation Arrangements for Non-Management Directors

Altisource's director compensation program is designed to attract and retain highly qualified non-management directors. Our Compensation Committee believes that compensation for non-management directors should consist of both equity and cash to compensate members for their service on the Board of Directors and its committees and to align their interests with our shareholders.

In line with our philosophy that the interests of our Directors should align with the interests of our shareholders, and to encourage active membership, non-management Directors who attend at least seventy-five percent (75%) of all meetings of the Board of Directors and Committees on which they serve are entitled to receive an award of shares of our common stock at the end of the applicable service year, based on an award value of \$110,000, as approved by our shareholders at our 2016 annual meeting. We determine the number of shares to be granted by dividing the award value by the average of the high and low prices of our common stock as reported on the NASDAQ Global Select Market on the first day of the service year.

For the 2016 to 2017 service year, all of our non-management Directors attended at least seventy-five percent (75%) of all meetings of the Board of Directors and Committees on which they served and all of the non-management Directors who served as Directors during the service year, other than Mr. Kramer, received an award of 4,126 shares of our common stock at the end of the service year based on an award value of \$110,000. For the 2016 to 2017 service year, Mr. Kramer, having served on the Board of Directors less than a full service year, received 2,627 shares based on an award value of \$81,972 (\$110,000 prorated to his election date). Mr. Morettini did not receive a service award for the 2016 to 2017 service year, having been elected to the Board beginning in the 2017 to 2018 service year.

For the 2017 to 2018 service year, our non-management Directors who have served on the Board of Directors for the full service year and have attended at least seventy-five percent (75%) of all meetings of the Board of Directors and Committees on which they serve will receive 5,762 shares of our common stock at the end of the service year, based on an award value of \$110,000 divided by the average of the high and low prices of the common stock as reported on the NASDAQ Global Select Market on the first day of the 2017 to 2018 service year.

In addition, in line with our philosophy that the interests of our Directors should be aligned with those of our shareholders, new non-management Directors are granted a one-time award of 500 shares of common stock, which are scheduled to vest in four equal installments, with the initial portion vesting on the date of the annual meeting following the award and vesting continuing on the dates of the next three (3) annual meetings. Accordingly, on the date of our 2017 annual meeting, Mr. Morettini received a one-time award of 500 shares of common stock which will vest in four equal installments each year on the date of our annual meeting, subject to his continued service on the Board.

Each non-management member of our Board of Directors also receives the following annual cash compensation, in quarterly installments:

a retainer of \$54,000;

an additional \$100,000 to the Chairman of the Board of Directors;

an additional \$25,000 to the Audit Committee Chairman;

an additional \$17,500 to the Compliance Committee Chairman;

an additional \$15,000 to the Compensation Committee Chairman;

an additional \$12,500 to the Nomination/Governance Committee Chairman;

an additional \$10,000 to all Audit Committee members (other than the Audit Committee Chairman);

Table of Contents

an additional \$10,000 to all Compliance Committee members (other than the Compliance Committee chairman);

an additional \$7,500 to all Compensation Committee members (other than the Compensation Committee Chairman); and

an additional \$5,000 to all Nomination/Governance Committee members (other than the Nomination/Governance Committee Chairman)

The Company also pays for, or reimburses our Directors for, their reasonable travel, lodging, food and other expenses related to their attendance at Board, Committee or shareholder meetings or other corporate functions.

Non-Management Director Compensation for 2017

The following table summarizes (i) cash compensation earned by each non-management member of our Board of Directors who served as a Director during 2017, (ii) stock awards made to our non-management Directors in 2017 for their service in the 2016 to 2017 service year and (iii) any other compensation received in 2017. Our management Director does not receive an annual retainer or any other compensation for his service on the Board of Directors.

Name	Fees Earned or Paid in Cash ⁽¹⁾	Stock Awards ⁽²⁾	All Other Compensation	Total
Timo Vättö ⁽³⁾	\$184,000	\$81,179	-	\$265,179
Orin S. Kramer	\$76,500	\$51,686	-	\$128,186
W. Michael Linn	\$94,000	\$81,179	-	\$175,179
Joseph L. Morettini ⁽⁴⁾	\$45,945	\$9,838 ⁽⁵⁾	-	\$55,783
Roland Müller-Ineichen ⁽⁶⁾	\$96,500	\$81,179	-	\$177,679

(1) Cash compensation for our non-management directors is established on a "service year" basis running from one annual meeting of shareholders to the next annual meeting of shareholders, and is paid in equal installments at the end of each quarter during which the non-management director served as a member of our Board of Directors. Director compensation may be prorated for a Director serving less than a full one (1) year term, as in the case of a Director joining the Board of Directors after an annual meeting of shareholders but during the service year. This table shows the amounts earned for service in 2017, including amounts earned for service in the fourth quarter of 2017 and paid in the first quarter of 2018.

(2) Non-management Directors who attended at least seventy-five percent (75%) of all meetings of the Board of Directors and Committees on which they served for the 2016 to 2017 service year were entitled to receive an award of Altisource common stock at the end of such service year. The number of shares of common stock was determined by dividing \$110,000 by the average of the high and low prices of the common stock as reported on the NASDAQ Global Select Market on the first day of the service year. This table shows the aggregate award date fair value of such shares on the date received in May 2017.

Minimum Stock Ownership Requirements

To further align our non-management Directors' interests with those of our shareholders, in February 2018, the Board of Directors adopted minimum stock ownership requirements for non-management Directors. Pursuant to these ownership requirements, each non-management Director is required to attain and maintain stock ownership at a level equal to three times his or her annual cash retainer. Each non-management Director has two years from the effective date of his or her initial appointment or from the date on which he or she first becomes subject to the policy, whichever is later, to comply with these requirements. Each of our Directors either currently meets the applicable minimum stock ownership requirements or is expected to come into compliance with these requirements within the period noted above. For information regarding the minimum stock ownership requirements applicable to our Chief Executive Officer, please see "Minimum Stock Ownership Requirement for the Chief Executive Officer" in our Compensation Discussion and Analysis. The minimum stock ownership requirements for our non-management Directors and Chief Executive Officer are set forth in our Corporate Governance Guidelines, which are available on our website at www.altisource.com.

Proposed Change in Compensation

Under Luxembourg law, Director compensation is subject to review and adjustment by the shareholders.

The Compensation Committee believes it is important to review Director compensation from time to time to help ensure that the compensation levels of our Directors are aligned with those of our peer companies, so that we may attract and retain the best possible candidates to serve on our Board of Directors. The last compensation increase for our non-management Directors was approved by our shareholders at our 2016 annual meeting.

In the fourth quarter of 2017, the Compensation Committee engaged Exequity to assist in conducting a pay study analyzing the competitiveness of the Company's pay levels for non-management Directors. The pay study revealed that the total cash and equity compensation for our management Directors is approximately thirteen percent (13%) below the peer group median, based on a review of publicly available peer group data. Please see "Role of Compensation Consultant" in our Compensation Discussion and Analysis for further information relating to the peer group companies used in the analysis.

Based on the findings of the pay study, the Compensation Committee recommended submitting a proposal to our shareholders to increase the award value of the annual award of shares of common stock to non-management Directors who attend at least seventy-five percent (75%) of Board and committee meetings from \$110,000 to \$120,000 beginning in the 2018 to 2019 service year. As in prior years, the number of shares of common stock would be determined by dividing the award value by the average of the high and low prices of the common stock to be reported on the NASDAQ Global Select Market on the

Table of Contents

first day of the service year. No other changes would be made to the current compensation program for our non-management Directors.

The proposed changes to the pay structure would bring overall non-management Director compensation closer to the peer group median and would further align the interests of our non-management Directors with our shareholders through increased equity ownership. Following this change, the equity compensation of our non-management Directors would comprise approximately sixty percent (60%) of total Director compensation, compared to approximately fifty-three percent (53%) for our peer group. In evaluating the appropriate level of non-management Director compensation, the Compensation Committee considered, among other things, the valuable financial, operational and strategic expertise that our existing non-management Directors bring to the Company.

Executive Compensation Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with shareholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to improve shareholder value. We seek to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance and individual service longevity. The Compensation Committee evaluates both performance and compensation opportunities to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key executives remains competitive relative to the compensation paid to similarly situated executives of our peer companies.

To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance measured against established goals.

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

In determining executive compensation for fiscal year 2017, our Compensation Committee considered the overwhelming shareholder support that the "Say-on-Pay" proposal received at our 2017 annual meeting of shareholders, with approximately ninety-two percent (92%) of voted shares supporting the Company's executive compensation structure, and continued to apply the same effective principles and philosophy it has used in previous years, including pay-for-performance and the use of compensation programs designed to motivate the creation of shareholder value. In furtherance of these principles, our Compensation Committee has approved certain compensation changes, including (i) moving toward a more regular annual equity grant practice for our executive officers, (ii) changing the payout methodology of our annual incentive plan beginning in 2018 to reduce the cash component and replace it with an equity component

Table of Contents

and (iii) granting equity more broadly across our organization to motivate and align employees with the success of the Company.

Compensation Governance Practices

Our compensation program maintains and continues to build upon the Company's compensation governance framework. In evaluating the design of our compensation program, our Compensation Committee considers whether such program discourages behavior that may result in unnecessary or excessive risk.

Key features of our compensation program and practices include:

Performance-based Compensation. Pay is highly linked to performance. Our 2017 incentive cash compensation awards make up an important portion of the cash compensation for each of our Named Executive Officers, including the majority of the compensation for our Chief Executive Officer, and are based on financial goals (e.g., service revenue, pre-tax income and/or earnings per share ("EPS") targets), strategic initiatives and individual performance goals. In addition, the 2017 and 2018 awards issued pursuant to our Long Term Incentive Plan have a significant performance component.

Independent Compensation Consultant. We use an independent compensation consultant to review, analyze and provide recommendations regarding executive compensation.

Minimum Stock Ownership Requirement for the Chief Executive Officer. In February 2018, the Board of Directors instituted a minimum stock ownership requirement for our Chief Executive Officer requiring that he beneficially own Altisource stock equal to at least three times his base salary.

Claw-Back Policy. In February 2018, we voluntarily adopted a claw-back policy that provides that, in the event of an accounting restatement, the Company may seek to recoup incentive compensation paid to one or more executive officers to the extent that their fraud or intentional misconduct caused the restatement.

Restrictive Covenants. With respect to equity grants made after January 1, 2013, we have the right to cancel outstanding equity awards and recover realized gains if an executive breaches certain restrictive covenants within two years following his or her departure from the Company.

Golden Parachute Excise Tax Protection. We do not provide golden parachute excise tax gross-up protection for our executives.

Anti-Hedging and Anti-Pledging Policies. Our Corporate Governance Guidelines prohibit our executive officers and directors from pledging or otherwise encumbering shares of the Company's common stock as collateral for indebtedness and from entering into any transaction that is designed to hedge or offset any decrease in the market value of the Company's common stock. We also maintain a management directive detailing our trading window period policy and our insider trading policy, which contains similar prohibitions.

Our Executive Compensation Review Process

Role of Our Compensation Committee

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

The Compensation Committee is responsible for overseeing our executive compensation programs, including base salaries, annual non-equity incentive compensation, equity awards and executive benefits. The Compensation Committee determines the compensation of our Chief Executive Officer and approves the compensation of other executive officers.

The Compensation Committee reviews the compensation of our Chief Executive Officer and other executive officers periodically to determine whether compensation changes are appropriate and may make changes to

Table of Contents

target total compensation opportunities from time to time. To make decisions that are informed by marketplace practices, the Compensation Committee, in consultation with its independent compensation consultant, conducts benchmarking analyses among peer companies of comparable size, industry and similar attributes that may compete with Altisource for qualified management talent. The Compensation Committee also considers additional factors, such as the executive's performance against pre-set targets for the year, the Company's overall performance against its pre-set targets in the environment in which the Company is operating, the executive's experience and expertise, the executive's scope of responsibility and other factors such as retention.

Role of Executive Officers in Compensation Decisions

Certain executives are involved in the design and implementation of our executive compensation programs. Our Chief Executive Officer and Chief Administration and Risk Officer generally attend Compensation Committee meetings, except that they are not present during any voting or deliberations on their own compensation. These executives actively participate in performance reviews and compensation discussions for other executive officers, including making recommendations to the Compensation Committee as to the amount and form of compensation (other than their own). The Compensation Committee exercises its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations. The Compensation Committee generally delegates executive compensation matters to the Chief Executive Officer and the Chief Administration and Risk Officer for further development and execution following approval by the Committee.

In addition, the Compensation Committee has delegated authority to the Chief Executive Officer and the Chief Administration and Risk Officer to approve equity awards of up to 5,000 stock options, with an exercise price of up to \$50 per share, or 5,000 restricted shares (or similar equity instrument) for employees (other than executive officers), with an aggregate amount of up to 75,000 stock options or restricted shares (or similar equity instrument) per year. Awards approved by these executives pursuant to this delegation are reported to the Compensation Committee.

Role of Compensation Consultant

The Compensation Committee periodically engages an independent compensation consultant to provide compensation consulting services. With the consent of the Compensation Committee or Compensation Committee Chairman, the independent compensation consultant coordinates with the Company's human resources function to gather information necessary to provide these services and reviews, validates and provides input on information, programs and recommendations.

Among other services, from time to time the Compensation Committee engages its compensation consultant to review the peer group used to benchmark executive and director pay to ensure the comparisons remain meaningful and relevant. Consistent with this practice and considering the evolution of Altisource's business model, in 2017, the Compensation Committee engaged its compensation consultant, Exequity, to conduct an in-depth review of the companies in its peer group.

As part of this review, Exequity provided research related to potential peer group companies for Altisource, taking into consideration many factors, including known competitors for executive talent, participants within Altisource's industry sectors, as well as companies in adjacent industries, comparability of business models and organizational complexity, geographic footprint and comparability of business scale (primarily focused on revenues and market capitalizations). Exequity worked with Altisource's management and human resources function to identify companies that compete with the Company for executive talent in each of its four strategic businesses, Servicer Solutions, Origination Solutions, Consumer Real Estate Solutions and Real Estate Investor Solutions. Exequity also provided research to identify which existing peer group companies were no longer appropriate benchmarking peers due to tenuous business comparability and/or company scale.

Table of Contents

Pursuant to Exequity's recommendations, and to better align our peer group with our current business model, the Compensation Committee determined to remove five companies (Equifax, Inc., PRGX Global, Inc., Sykes Enterprises Incorporated, Syntel, Inc. and Walter Investment Management Corp.) and to add seven companies (CoStar Group, Inc., Ellie Mae, Inc., Marcus & Millichap, Inc., Radian Group, RealPage, Inc., Redfin Corporation and Zillow Group, Inc.) to its peer group.

The resulting group of 19 peer companies consists of:

Black Knight Financial Services, Inc.

CoreLogic, Inc.

CoStar Group, Inc.

Ellie Mae, Inc.

Everi Holdings, Inc.

ExlService Holdings, Inc.

FleetCor Technologies, Inc.

Genpact Ltd.

Jack Henry & Associates Inc.

Marcus & Millichap, Inc.

Nationstar Mortgage Holdings, Inc.

PennyMac Financial Services, Inc.

Radian Group Inc.

RealPage, Inc.

Redfin Corporation

Stewart Information Services Corp.

Virtusa Corp.

WEX, Inc.

Zillow Group, Inc.

Based on the research provided by Exequity, and the factors noted above, the Compensation Committee determined that the revised peer group is appropriate for use in future director and executive pay studies. This revised peer group was used to conduct benchmarking analyses for the director and executive pay studies described below.

The Compensation Committee also engaged Exequity to conduct a director pay benchmarking study relative to the above-listed companies. The pay study concluded that the total compensation (cash and equity) for our non-management Directors is below the peer group median. Based on these findings and other factors, the Compensation Committee recommended submitting a proposal to our shareholders to increase the value of the annual equity award made to our non-management Directors from \$110,000 to \$120,000. Please see "Proposed Change in Compensation" in the "Board of Directors Compensation" section above for further information relating to this pay study and the proposed compensation change.

Utilizing a similar analysis, in the first quarter of 2018, Exequity conducted a pay study to analyze the competitiveness of Altisource's executive pay levels relative to the pay levels for the companies in its peer group. In conducting its analysis, Exequity compared Altisource's positions to peer benchmarks in terms of base salary, target annual cash incentive opportunity, total target cash compensation, long-term incentive compensation and total direct compensation (target total cash compensation plus long-term incentives). Following its pay study, Exequity concluded that the total direct compensation for each of Altisource's top five executive officers was below the peer group's median level for comparable roles at peer-group companies, primarily as a result of lower equity compensation. The Compensation Committee considered the results of this pay study in determining the size of the 2018 equity grants awarded to these executives under the Company's 2017 Long-Term Incentive Plan. Please see "2018 Long-Term Incentive Plan Awards" in the "Equity Compensation" section below for further information regarding these grants.

Table of Contents

In 2017, the Company also sought input from Exequity with regard to the design of the 2017 and 2018 awards issued under our Long-Term Incentive Plan and the September 2017 compensation increase for the Chief Administration and Risk Officer, which are described further in subsequent sections of this Compensation Discussion and Analysis.

Elements of Executive Compensation

The current annual compensation package for our Named Executive Officers primarily consists of three elements:

Base salary. Base salary is intended to attract executives and to provide fixed compensation that is commensurate with the executive's scope of responsibility and effectiveness.

Annual cash incentive compensation. Altisource's annual cash incentive is based on the achievement of Company performance targets and an assessment of the executive's individual performance, and is designed to align the executive's compensation with the Company's business goals and increase shareholder value.

Long-term equity compensation. Long-term equity compensation focuses on the retention of high-performing executives and incenting the achievement of strategic business objectives designed to increase shareholder value.

We believe that this compensation mix supports our objective of having a large portion of compensation that is "at risk" based on Company performance. These elements of compensation are also designed to be consistent with competitive market practices and to attract and retain highly talented executives. Going forward, we expect to further emphasize the long-term equity compensation element because of (i) the direct link that equity compensation provides between shareholder interests and the interests of our executives, and (ii) the retention characteristics that equity compensation provides considering our industry and business environment.

Base Salary

Base salaries for our Named Executive Officers are established based on individual qualifications and job responsibilities while using a market-based approach that takes into account compensation levels at companies in our peer group for similar positions. The Compensation Committee sets the base salary for the Chief Executive Officer and approves the base salaries for all other Named Executive Officers.

Base salaries for our Named Executive Officers are reviewed periodically with adjustments made based on market information, internal review of the Named Executive Officer's compensation in relation to other executives, individual performance and corporate performance. Salary levels are also considered upon a relocation, a promotion or other change in job responsibility. Please refer to "Other Compensation Decisions for our Named Executive Officers" below for additional information relating to base salary changes approved by the Compensation Committee for our Named Executive Officers in 2017.

In addition, under article L.223-1 of the Luxembourg Labor Code, all compensation owed pursuant to an employment agreement is required to be adapted based upon the cost of living index in the Grand Duchy of Luxembourg. As previously disclosed, effective January 1, 2017, there was a required two and a half percent (2.5%) increase in compensation pursuant to this law. The base salaries for our Named Executive Officers and the incentive compensation targets for the Chief Executive Officer and the Chief Administration and Risk Officer were adjusted accordingly.

Base salaries for our Named Executive Officers are set in U.S. dollars and paid in euros. Please see the Summary Compensation Table under "Executive Compensation" for additional information regarding the base salaries of our Named Executive Officers.

Table of Contents**Annual Incentive Compensation**Overview

Pursuant to an annual incentive plan, a participant earns cash incentive compensation as determined by the Compensation Committee. The plan provides the Compensation Committee and our management with the authority to establish incentive award guidelines, which are further discussed below.

In 2017, consistent with prior years, each Named Executive Officer (other than Mr. Chatterjee⁽¹⁾) had a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. Incentive compensation awards made up a significant portion of the annual cash compensation for each of our Named Executive Officers, including the majority of the compensation for our Chief Executive Officer. In 2017, thirty-four percent (34%) to sixty percent (60%) of total annual cash target compensation of our Named Executive Officers was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage is assigned to our Named Executive Officers based upon the nature and scope of their responsibilities.

The table below reflects the percentage of each executive's target total annual cash compensation that was allocated to each of base salary and annual incentive compensation in 2017 and the percentage of actual total annual cash compensation for each executive that was allocated to each of base salary and annual incentive compensation in 2017:

Name	Base Salary % of Target Total Annual Cash Compensation in 2017	Annual Incentive Compensation % of Target Total Annual Cash Compensation in 2017	Base Salary % of Actual Total Annual Cash Compensation in 2017	Annual Incentive Compensation % of Actual Total Annual Cash Compensation in 2017
William B. Shepro	40%	60%	33%	67%
Kevin J. Wilcox	50%	50%	42%	58%
Michelle D. Esterman	61%	39%	53%	47%
Joseph A. Davila	57%	43%	54%	46% ⁽²⁾
Gregory J. Ritts	66%	34%	63%	37% ⁽³⁾

⁽¹⁾ Mr. Chatterjee joined the Company in October 2017 and did not participate in the 2017 annual incentive plan. However, pursuant to the terms of his employment agreement, to compensate for the lost incentive opportunity from his prior employer, Mr. Chatterjee was provided the opportunity to earn an incentive compensation award of \$485,000, subject to meeting performance criteria. In November 2017, the Compensation Committee approved the performance criteria for Mr. Chatterjee which pertained to (i) amending our Senior Secured Term Loan ("SSTL"), (ii) continuing to develop shareholder communications and (iii) supporting other corporate initiatives. In the first quarter of 2018, the Committee determined that Mr. Chatterjee met these performance expectations and Mr. Chatterjee received an award of \$485,000.

⁽²⁾ The executive's Incentive Compensation includes a one-time discretionary award of \$31,486 to reflect the executive's efforts and accomplishments leading our Servicer Solutions business and revenue diversification efforts to position it for continued growth, and contribution to the completion of our Cooperative Brokerage Agreement with New Residential Investment Corp. ("NRZ").

(3)

The executive's Incentive Compensation includes a one-time discretionary award of \$23,125 to reflect the executive's significant contributions to our strategic initiatives, including the amendment of the SSTL and the completion of the Luxembourg subsidiary restructuring as well as the completion of our Cooperative Brokerage Agreement with NRZ.

Table of Contents

Our annual incentive compensation is structured in a manner that is intended to motivate executives to achieve pre-established key performance indicators by rewarding executives for such achievement. As in prior years, this was accomplished in 2017 by utilizing a scorecard methodology which incorporates multiple financial and non-financial performance indicators (with a majority being financial performance indicators) developed through our annual strategic planning process and designed to enhance Company performance and long-term shareholder value. Typically, thirty-five percent (35%) to fifty-five percent (55%) of the total incentive award opportunity for our Named Executive Officers is tied to the achievement of financial objectives.

Consistent with prior years, in 2017, the annual cash incentive award for our Chief Executive Officer and other Named Executive Officers was based on (i) the executive's performance against goals established per their scorecards (eighty percent (80%)) and (ii) a performance appraisal (twenty percent (20%)).

Personal Scorecards of our Named Executive Officers

The corporate scorecard is approved annually by the Board of Directors and is utilized by the Compensation Committee to determine the personal scorecards of our Chief Executive Officer and other Named Executive Officers and, following the end of the performance period, the appropriate amount of incentive compensation awarded to these executives. During the development of the corporate scorecard each year, the Board considers the level of difficulty associated with the attainment of each goal in the corporate scorecard. The intent of the Board is to establish target levels in the scorecard that are ambitious but achievable. Certain amendments/exceptions to the corporate scorecard may be approved at subsequent Board of Directors meetings. Typically, these amendments/exceptions to the corporate scorecard reflect adjustments deemed by the Board of Directors to be appropriate in light of changes to the business or other relevant factors during the year.

The Chief Executive Officer's personal scorecard is based on corporate level goals (comprising financial objectives and strategic initiatives) established in the corporate scorecard, while the scorecards for other Named Executive Officers are generally based on performance within their respective corporate, business unit or support unit.

In 2017, the components in each scorecard of our Named Executive Officers were weighted individually based on relevance to the ultimate financial performance of the Company and the importance of their achievement to the success of our corporate strategy. Within each component of the scorecard, there were three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement was typically tied to a relative point on a percentage scale which indicates the level of goal achievement within each component of the scorecard. Generally, achieving the threshold level of achievement earned the executive fifty percent (50%) of the target incentive compensation tied to such goal; the target level of achievement earned the executive one hundred percent (100%) of the target incentive compensation tied to such goal; and the outstanding level of achievement earned the executive one hundred fifty (150%) of the target incentive compensation tied to such goal. An achievement below the threshold level would generally not entitle the executive to compensation for the associated goal.

In 2017, the corporate scorecard goals were cascaded down through the organization to incentive-eligible employees in their personal scorecards, which are also linked to corporate profitability and the achievement of our strategic initiatives. The scorecards were communicated to all incentive-eligible employees and were made available to them. Performance against such scorecards is generally reviewed with management periodically through business reviews and after the end of each year. This incentive compensation structure is intended to align the goals of our incentive-eligible employees with the overall success of the Company, while establishing clear performance standards within their respective business or support units.

The 2017 corporate scorecard was approved by the Board of Directors at its meeting on November 15, 2016. Certain amendments to the corporate scorecard were approved at subsequent Board of Directors meetings. These amendments to the corporate scorecard reflected adjustments deemed by the Board of

Table of Contents

Directors to be appropriate in light of changes to the business or other relevant factors during the year. Such factors included, by way of illustration, (i) 2017 industry-wide loan origination volumes, which were significantly lower than anticipated, and (ii) a change in the business strategy of one of our large clients. In evaluating whether to approve an amendment to the corporate scorecard, the Board of Directors considered the effect that such amendment would have on our Named Executive Officers' personal scorecards, and whether the rationale for the amendment was due to factor(s) beyond their control.

Consistent with prior years, the Company's corporate scorecard for 2017 included achieving consolidated service revenue and adjusted diluted EPS⁽¹⁾ targets and achieving growth initiatives or business segment specific service revenue and adjusted pre-tax income⁽²⁾ targets. In addition, the corporate scorecard provided for execution against our strategic initiatives.

Overall, the Company achieved a majority of its 2017 corporate scorecard goals including those tied to consolidated service revenue, adjusted diluted EPS, compliance, customer experience and other strategic initiatives. With respect to the other strategic initiatives, the Company successfully (i) established a direct relationship with NRZ by entering into a Cooperative Brokerage Agreement and related letter agreement and a non-binding Letter of Intent to enter into a Services Agreement, (ii) completed a restructuring of its Luxembourg subsidiaries to simplify the Company's corporate structure and allow it to operate more efficiently, resulting in a net operating loss carryforward of \$300.9 million and (iii) amended its SSTL to allow the Company to make open market share purchases and complete the Luxembourg restructuring. The Company also won several new large customer mandates, expanded key existing relationships and continued to develop the sales pipeline, positioning Altisource to grow non-Ocwen revenue in 2018 and beyond and further diversifying its revenue base.

The Company also made significant progress positioning its Consumer Real Estate Solutions business for long-term success by achieving goals related to improving the conversion of Owners.com leads to showings. Further, the Company achieved its goal related to the advancement of its marketplace strategy.

Among the goals applicable to our Named Executive Officers, the Company did not achieve (i) the company-wide diversified service revenue goal and (ii) the adjusted pretax income goal for certain Servicer Solutions businesses⁽³⁾. With respect to our diversified service revenue goal, we believe that there was a slowing of our growth primarily due to the decision of some of our current and prospective clients to perform additional due diligence on Altisource following the April 2017 announcements of regulatory actions against Ocwen and the uncertainty associated with NRZ's May 2017 announcement of its agreement in principal to acquire certain mortgage servicing rights from Ocwen. We believe this additional diligence largely affected timing, not wins of new business, as evidenced by our recent successes at winning new business and expanding business with existing customers.

(1) Adjusted diluted EPS (a non-GAAP measure) is calculated by dividing net income attributable to Altisource plus intangible asset amortization expense (net of tax), and adding or deducting certain income tax related items relating to the Luxembourg subsidiary merger, other income tax rate changes in Luxembourg and the United States and an increase in foreign income tax reserves (and related interest), by the weighted average number of diluted shares.

(2) Adjusted pre-tax income is calculated by adding intangible assets amortization expense, to, and deducting net income attributable to non-controlling interests from, income before income taxes and non-controlling interests.

(3) For purposes of this section, references to the "Servicer Solutions" business(es) exclude certain servicer technology businesses and the mortgage charge-off collection business.

- (1) The achievements against the strategic initiatives were determined based on the weighted average achievement of the initiatives applicable to each executive.

Performance Appraisals

As noted above, in 2017, twenty percent (20%) of the incentive compensation for the Chief Executive Officer and other Named Executive Officers (other than Mr. Chatterjee) was determined by their performance appraisal for the service year. Performance appraisals for our Named Executive Officers were based on an individual impact rating which measured the Named Executive Officer's effectiveness in planning, executing against financial targets/goals, driving positive business impact for his or her department/business unit and the overall organization, striving for continuous quality improvements and the optimization of his or her organization.

The Compensation Committee assigned an individual impact rating to the Named Executive Officers considering the recommendation of the Chief Executive Officer and the Chief Administration and Risk Officer (except with respect to their own), which was based upon the Named Executive Officer's performance against the above factors. The Compensation Committee also approved a corresponding rating percentage, which was used to calculate the executive's payout for this portion of the executive's incentive.

Consistent with our pay-for-performance philosophy, a lower impact rating would have resulted in a lower individual percentage, such that it would be possible for an executive with a low rating to get less than their target incentive payout, or no incentive payout at all. Conversely, executives with high ratings received a higher rating percentage of up to one hundred and fifty percent (150%).

For 2017, impact rating percentages for our Named Executive Officers who participated in our 2017 annual incentive plan, and related achievements and considerations, were as follows:

William B. Shepro. Mr. Shepro received an impact rating percentage of one hundred and fifty percent (150%), reflecting his strong leadership and vision in the development and execution of the Company's strategy; the delivery of strong financial results; continued progress against our growth initiatives, including the diversification of our revenue through the completion of our Cooperative Brokerage Agreement with

Table of Contents

NRZ; and the strengthening of the Company's leadership team through the hiring of a Chief Financial Officer and President, Real Estate Marketplace.

Kevin J. Wilcox. Mr. Wilcox received an impact rating percentage of one hundred and fifty percent (150%), reflecting his successful leadership of the Law, Compliance, Human Resources, Customer Experience and Risk functions; the significant role he played in developing and executing against key corporate initiatives; the strengthening of the Company's risk management framework, including through the continued enhancement of our Compliance Management System; the further development of our customer experience framework leading to an outstanding improvement of the overall Net Promoter Score; and the optimizing of his organization.

Michelle D. Esterman. Ms. Esterman received an impact rating percentage of one hundred and fifty percent (150%), reflecting her effective leadership of the Finance, Tax, Facilities and Vendor Management teams to drive continued reduction in overall capital expenditure requirements and the significant role she played in developing and executing against key corporate initiatives, including the amendment of our SSTL and the completion of the Luxembourg subsidiary restructuring.

Joseph A. Davila. Mr. Davila received an impact rating percentage of one hundred and fifty percent (150%), reflecting his overall leadership of our Servicer Solutions business and his contribution to the procurement of several new clients in support of meaningful revenue diversification and strong sales momentum leading into 2018. Mr. Davila also strengthened his organization, particularly through the building of a new, high-capability relationship management team.

Gregory J. Ritts. Mr. Ritts received an impact rating percentage of one hundred and fifty percent (150%), reflecting his significant contributions to our corporate initiatives, including the completion of our Cooperative Brokerage Agreement with NRZ, the amendment of our SSTL and the completion of the Luxembourg subsidiary restructuring; his role in the continued enhancement of our Compliance Management System; the successful management of legal and regulatory matters for the Company; and the optimizing of the teams within the Law and Compliance organization.

2017 Annual Incentive Payout Determinations

The Chief Executive Officer's scorecard performance and personal performance appraisal were determined by the Compensation Committee, taking into consideration whether the Company's performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our Named Executive Officers other than the Chief Executive Officer, the Chief Executive Officer, in conjunction with the Chief Administration and Risk Officer, presented the personal scorecard performance and the individual impact rating percentages to the Compensation Committee and made recommendations as to the incentive compensation for each executive officer (except for the Chief Administration and Risk Officer, whose performance was reviewed without the presence of such executive). The Compensation Committee evaluated the recommendations in light of the Company's overall performance and the executive's business unit or support unit's performance and made the final compensation award determinations for each executive. Annual incentive compensation was paid to our executives and other incentive-eligible employees following such determinations.

In instances where the Compensation Committee believes an executive's scorecard performance does not result in an incentive compensation amount that is reflective of the executive's efforts and accomplishments, the Compensation Committee may grant the executive a one-time cash award in recognition of his or her exceptional efforts and accomplishments during the period.

Table of Contents

Pursuant to our annual incentive plan, we calculated payouts to our Named Executive Officers using the following formula:

$$(Target\ Amount\ for\ Performance\ Against\ Personal\ Scorecard \times Scorecard\ Performance\ Achievement\ \%) + \\ (Target\ Amount\ for\ Performance\ Appraisal \times Individual\ Impact\ Rating\ Percentage) + \\ Discretionary\ Bonus\ (if\ any)$$

The following table summarizes the basis for the calculation of the 2017 incentive awards for each of our Named Executive Officers (other than Mr. Chatterjee who did not participate in our 2017 annual incentive plan), using the formula described above:

(1) Represents eighty percent (80%) of the executive's 2017 target incentive opportunity.

(2) Percentage calculated based on the achievements against goals in the executive's personal scorecard outlined above.

(3) Represents twenty percent (20%) of the executive's 2017 target incentive opportunity.

(4) Represents a one-time discretionary award to reflect the executive's efforts and accomplishments leading our Servicer Solutions business and revenue diversification efforts to position it for continued growth, and contribution to the completion of our Cooperative Brokerage Agreement with NRZ.

(5) Represents a one-time discretionary award to reflect the executive's significant contributions to our strategic initiatives, including the amendment of the SSTL and the completion of the Luxembourg subsidiary restructuring as well as the completion of our Cooperative Brokerage Agreement with NRZ.

Target incentive opportunities are set in U.S. dollars and, at the executive's discretion, may be paid in U.S. dollars and/or in euros converted from U.S. dollars at the exchange rate on or around the date of payment. For 2017, the incentive compensation for Messrs. Shepro and Ritts was paid in euros, in whole or in part, using the exchange rate applicable on March 6, 2018. Please see the Summary Compensation Table under the "Executive Compensation" section below for additional details.

2018 Annual Incentive Compensation

The Company's 2018 key performance indicators have been developed and the corporate scorecard was approved by the Board of Directors at its meeting on February 13, 2018.

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

The corporate scorecard for 2018 includes (i) consolidated service revenue and adjusted diluted EPS targets and (ii) growth initiative or business segment specific service revenue and adjusted pre-tax income targets. For 2018, the personal scorecards of our Named Executive Officers will be tied to one or both of these financial targets. In addition, the corporate scorecard provides for the successful completion of strategic initiatives established to enhance long-term corporate and shareholder value. These strategic initiatives relate to (i) enhancing our compliance management system, (ii) improving customer experience and (iii) accomplishing other corporate level initiatives.

In the first quarter of 2018, the Compensation Committee also approved the following design changes to our annual incentive plan:

Simplification of the personal scorecard structure. Beginning with 2018 annual incentives, a larger percentage of the personal scorecards of our Named Executive Officers and other incentive-eligible employees will be tied to the achievement of financial targets and simplified goals. These financial

Table of Contents

targets will include business unit specific service revenue targets and adjusted pre-tax income targets as well as Company service revenue and adjusted diluted EPS targets. We expect that financial targets will comprise approximately sixty percent (60%) to ninety percent (90%) of the annual incentive of the target incentive opportunity for incentive-eligible employees in 2018, versus thirty percent (30%) to fifty percent (50%) in 2017.

Adoption of a new payout methodology that includes a significant equity component. The Compensation Committee approved changing the payout methodology of our annual incentive plan beginning in 2018 to reduce the cash component and replace it with a longer term equity component (restricted share units ("RSUs")) for our executive officers and other incentive eligible employees. The equity portion of the incentive award payouts will be determined based on allocation elections made by participating employees, subject to certain parameters including a minimum of twenty-five percent (25%) and a maximum of fifty percent (50%) of the annual incentive in RSUs for the 2018 service year and an anticipated minimum of thirty-five percent (35%) and an anticipated maximum of one hundred percent (100%) for the 2019 service year. We anticipate that this new payout methodology will create a greater sense of ownership throughout the organization, motivate employees to create long-term value for shareholders and support retention.

One hundred percent (100%) of incentive compensation awards will be determined based on scorecard performance. Beginning in 2018, one hundred percent (100%) of our Named Executive Officers' incentive compensation will be tied to the performance targets set forth in their personal scorecards, which will consist of goals tied to consolidated Altisource service revenue, Altisource adjusted diluted EPS (a non-GAAP measure), compliance adherence and an enhanced customer experience. For Mr. Davila (and additional business unit heads that are not Named Executive Officers), it will also include goals related to their respective business' service revenue and adjusted pretax income. This change will serve to reinforce our emphasis on performance against objective financial targets, delivering exceptional customer service and adhering to compliance standards. In addition, our Named Executive Officers' individual impact ratings will measure whether the executives have created long-term shareholder value by collaborating across business units, developing strategic business ideas and implementing operational excellence and process improvements. Unlike the performance appraisal in prior years, this rating will not be tied to a portion of the executive's target incentive opportunity; rather, a positive rating will be a condition of the executive's eligibility to receive the portion of his or her incentive that is tied to overall Altisource corporate performance. We expect that fifteen percent (15%) to ninety percent (90%) of the annual incentive of our Named Executive Officers will be tied to overall Altisource corporate performance, with the Chief Executive Officer and the majority of the other Named Executive Officers having over fifty percent (50%) of their annual incentive tied to those targets.

Approval of equity awards based on achieving goals tied to 2018 adjusted diluted EPS. Additionally, in February 2018, the Compensation Committee approved a program pursuant to which a one-time equity award would be issued to each of our Named Executive Officers and certain other key executives upon a determination by the Committee of achievement by the Company of target adjusted diluted EPS (a non-GAAP measure) and the executive's achievement of a designated level of their scorecard performance for 2018. This program is expected to help with the retention of these key executives, provide them with an additional incentive for superior performance and create long-term value for shareholders.

Relocation and Foreign Living Allowances

Since we are a Luxembourg company, our Named Executive Officers are generally based at our corporate headquarters in Luxembourg. This is consistent with our view that daily interaction of our leadership team at our headquarters helps us to efficiently develop and execute our strategic initiatives. Often the executive

talent we seek to attract to Luxembourg is based in the United States. To attract and appropriately incent our Named Executive Officers, we provide each with certain relocation and foreign living allowances and other benefits that the Compensation Committee believes are reasonable and consistent with our overall compensation philosophy to attract and retain superior employees for key positions requiring relocation. These relocation and foreign living benefits are provided pursuant to the executive's employment agreement and relocation plan and may include housing allowances, personal use of company car(s), settling-in allowances, education allowances, goods and services allowances, travel allowances, medical benefits and tax-related benefits such as tax preparation and tax normalization. Tax normalization is an expatriate benefit, which provides for the executive to be compensated for the excess income taxes paid relative to the income taxes the executive would be paying in his or her country of origin.

Please see the Summary Compensation Table under the "Executive Compensation" section for details regarding the relocation benefits received by each Named Executive Officer in 2017.

Other Benefits

The Compensation Committee's policy with respect to employee benefit plans is to provide benefits to our employees, including our executive officers, comparable to benefits offered by companies of a similar size and circumstance to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees. Consistent with this policy, our Luxembourg-based employees, including our executive officers, are eligible to participate in the Company's international health and travel plan.

Equity Compensation

2009 Equity Incentive Plan

Altisource provides long-term equity incentive opportunities for eligible employees, including our Named Executive Officers, under our 2009 Equity Incentive Plan. The Compensation Committee administers the 2009 Equity Incentive Plan, which was approved by our shareholders in 2009.

Equity awards are generally provided in the form of restricted shares, RSUs or stock options, with a significant portion of the grants generally tied to market criteria or other financial targets. Through the use of performance-based awards, the Compensation Committee endeavors to ensure that the receipt of significant equity-based compensation is conditioned on the Company's performance exceeding appropriate benchmarks to create shareholder value. The Compensation Committee also grants awards subject to time-based vesting to encourage retention and further align the recipients' interests with those of the shareholders of the Company.

Award agreements include a covenant not to disclose our confidential information. In addition, the award recipient is generally bound by non-competition and non-solicitation covenants for a minimum period of two (2) years following the end of his or her employment with the Company.

To determine the level and type of equity awards for an executive, the Compensation Committee considers various factors, such as the individual's position, feedback from its independent compensation consultant, peer company benchmarking, scope of responsibility, ability to affect profits and shareholder value, individual performance, a review of the executive's existing long-term incentives, retention considerations and/or the value of the equity in relation to other elements of the individual executive's total compensation.

Equity Awards to our Named Executive Officers

In the second quarter of 2017 and first quarter of 2018, equity awards were made to each of our Named Executive Officers, other than Mr. Chatterjee, under the Company's Long-Term Incentive Plan, reflecting the Company's transition towards a more regular annual equity grant practice.

Table of Contents

As detailed below, during this period, equity grants were also made from time to time to certain of our Named Executive Officers based on various factors, including attracting new talent, meeting special retention objectives or other reasons our Compensation Committee deemed appropriate.

2017 Long-Term Incentive Plan Awards

On April 7, 2017, the Compensation Committee approved a Long-term Incentive Plan (the "LTI") for key executives and employees of the Company, including the Company's then Named Executive Officers. The LTI was developed in consultation with the Compensation Committee's independent executive compensation consultant, Exequity, and is designed to provide these executives and employees with market-competitive long-term incentive opportunities that align their performance with the interests of our shareholders and assist in their retention. The Compensation Committee's approval of the plan reflects the Compensation Committee's intent to transition towards a more regular annual equity grant practice, in line with prevailing market practice and the advice of its independent compensation consultant.

Equity awards for the calendar year 2017 were made to our Named Executive Officers (other than Mr. Chatterjee who had not joined the Company) on April 7, 2017. These awards consist of a mix of stock options with performance-based vesting requirements and restricted shares with both performance-based and service-based vesting requirements.

The 2017 LTI equity awards were approved for these executives as follows:

	2017 Performance- Based Restricted Shares ⁽¹⁾		2017 Performance- Based Stock Options ⁽¹⁾		Service Revenue Options ⁽²⁾⁽³⁾	Service- Based Restricted Shares

(1) Represents awards that were cancelled and forfeited in their entirety in February 2018, following the Compensation Committee's confirmation that the performance criteria were not met. Each participant had the opportunity to vest from zero percent (0%) up to one hundred and fifty percent (150%) of the target amount based on pre-determined performance levels.

(2) Represents the target amounts of stock options granted. Each participant has the opportunity to vest from zero percent (0%) up to one hundred and fifty percent (150%) of the target amount based on pre-determined performance levels. The exercise price for the stock options is \$39.13, the closing price of our common stock on the April 7, 2017 grant date.

(3) Represents stock options vesting based upon on attaining a service revenue threshold in a calendar year during the period from 2017 through 2021, as further described below.

The vesting schedule for the 2017 performance-based restricted shares and the 2017 performance-based stock options was based upon the Company's achievement against (i) Company adjusted pre-tax income for 2017 and (ii) diversified revenue for 2017 (each as defined in the applicable award agreement and hereafter collectively referred to as the "2017 Performance Criteria"). In February 2018, the Compensation

Committee confirmed that the 2017 Performance Criteria were below a threshold level, and the 2017

Table of Contents

performance-based restricted shares and 2017 performance-based stock options granted to each of the Named Executive Officers were cancelled and forfeited.

The service revenue stock options are scheduled to vest based on attaining a Company service revenue threshold in a calendar year during the period from 2017 through 2021. If the Company achieves \$1.5 billion in service revenue in a calendar year prior to 2021, one hundred and fifty percent (150%) of the target amount of service revenue stock options shall vest on the anniversary of the grant date that immediately follows the calendar year in which such target amount was achieved. To the extent the Company does not achieve \$1.5 billion of service revenue in a calendar year prior to 2021, the Committee will determine the percentage of service revenue stock options eligible for vesting based on the Company's 2021 levels of performance defined in the applicable award agreement. If the Company's performance is below a threshold level, no service revenue stock options shall be eligible to vest. If the Company's performance falls between pre-determined levels of performance, the percentage of service revenue stock options eligible for vesting will be determined using a linear interpolation for performance that falls between such pre-determined levels. Service revenue stock options that are eligible for vesting based on 2021 pre-determined levels of performance will then vest on the fifth anniversary of the grant date (April 7, 2022), subject to continued employment except upon certain employment termination events. Service revenue stock options that are determined not to be eligible for vesting will be cancelled and forfeited.

The service-based restricted shares are scheduled to vest in three installments on the first, second and third anniversaries of the April 7, 2017 grant date. Vesting is subject to continued employment, except that certain awards may accelerate upon certain employment termination events.

2018 Long-Term Incentive Plan Awards

In February 2018, the Compensation Committee enhanced and simplified the design of our LTI, which is now comprised of a mix of performance-based stock options and time-based RSUs.

The number of performance-based stock options that vest will be based on the degree of achievement of pre-established goals tied to 2018 adjusted diluted EPS (a non-GAAP measure). Depending on performance versus the adjusted diluted EPS goals, the performance-based stock options will vest in zero percent (0%) up to two hundred percent (200%) of the initial target levels through a linear interpolation. Performance-based stock options that are eligible to vest based on the achievement of these performance goals will vest in four equal increments on the first four anniversaries of the grant date. Vesting is subject to continued employment, except that certain awards may accelerate upon certain employment termination events. The RSUs will vest in four equal increments on the first four anniversaries of the grant date and will be settled in shares or, at the Company's option, cash. Vesting is subject to continued employment, except that certain awards may accelerate upon certain employment termination events.

The Compensation Committee chose this mix of awards because it believes that it strikes an appropriate balance between performance and retention and is consistent with our independent compensation consultant's guidance on market practices. The performance-based stock options align award recipients' interests with the interests of our shareholders because they vest based upon the achievement of performance targets and because the value of the awards is directly linked to our stock price appreciation. Time-based RSUs vest over four years, which also aligns the award recipient's interests with the interests of our shareholders and creates a retention incentive.

Table of Contents

The 2018 LTI equity awards were approved for the following Named Executive Officers, as follows:

Name	Performance-Based	Time-Based
	Stock Options ⁽¹⁾	Restricted Share Units
William B. Shepro	100,000	100,000
Kevin J. Wilcox	50,000	50,000
Michelle D. Esterman	8,658	4,957
Joseph A. Davila	10,823	6,196
Gregory J. Ritts	7,421	4,249

(1) Represents the target amounts of performance-based options granted. Each executive will vest in zero percent (0%) up to two hundred percent (200%) of the target amount based on pre-determined performance levels. The exercise price for the stock options is \$24.82, the closing price of our common stock on the February 12, 2018 grant date.

For the Chief Executive Officer and the Chief Administration and Risk Officer, the size of the awards was determined based on the results of the executive pay study conducted by the Compensation Committee's independent executive compensation consultant, Exequity, which determined that the overall compensation of these executives was significantly below that of the median of the companies of its peer group, primarily as a result of lower equity compensation. These awards, together with the Company's anticipated transition to a more regular equity grant practice, are designed to make the overall compensation of these executives more consistent with competitive market practices and support their retention. Following these awards, the overall compensation for these executives continues to be below the peer group median.

For our other Named Executive Officers, the Compensation Committee also relied on the recent pay study to determine that their equity compensation was generally below the median and that awards consistent with our anticipated regular grant practice were appropriate. The Compensation Committee provided for these executives to receive (i) a number of performance-based stock options equal to fifty percent (50%) of a determined award value based on the Black-Scholes option pricing model valuation on the grant date and (ii) a number of RSUs equal to fifty percent (50%) of such determined award value based on the average closing price of Altisource common stock over a period of 30 trading days preceding the grant date.

Other Equity Awards

In addition to the grants made under the Long-Term Incentive Plan, the following grants were made to certain of our Named Executive Officers in 2017:

Joseph A. Davila. On July 27, 2017, Mr. Davila was granted (i) 5,000 time-based restricted shares scheduled to vest over three years and (ii) 5,000 market-based stock options, with two-thirds of the options vesting over three years if the stock price realizes a compounded annual gain of at least twenty percent (20%) over the exercise price, so long as the stock price is at least double the exercise price and the remaining third vesting over three years if the stock price realizes a twenty-five percent (25%) compounded annual gain, so long as it is at least triple the exercise price. In addition, on November 13, 2017, Mr. Davila received a grant of 15,000 time-based restricted shares scheduled to vest over four years, subject to continued employment. These awards were intended to serve as a retention tool and to further align Mr. Davila's interests with the success of the Company, considering his performance and criticality to the organization.

Gregory J. Ritts. On July 27, 2017, Mr. Ritts was granted (i) 5,000 time-based restricted shares scheduled to vest over three years and (ii) 5,000 market-based stock options, with two-thirds of the options vesting over three years if the stock price realizes a compounded annual gain of at least twenty percent (20%) over the exercise price, so long as the stock price is at least double the exercise price and the remaining third vesting over three years if the stock price realizes a twenty-five percent (25%) compounded annual gain, so long as it is at least triple the exercise price. addition, on November 13, 2017, Mr. Ritts received a grant of 15,000 time-based restricted shares scheduled to vest over four years, subject to continued employment. These awards were intended to serve as a retention tool and to further align Mr. Ritts' interests with the success of the Company, considering his performance and criticality to the organization.

Indroneel Chatterjee. On October 5, 2017, in connection with his appointment as Chief Financial Officer, Mr. Chatterjee was granted (i) 20,000 market-based stock options, with two-thirds of the options vesting over three years if the stock price realizes a compounded annual gain of at least twenty percent (20%) over the exercise price, so long as the stock price is at least double the exercise price and the remaining third vesting over three years if the stock price realizes a twenty-five percent (25%) compounded annual gain, so long as it is at least triple the exercise price and (ii) 19,533 time-based restricted shares vesting over four years. Pursuant to his employment agreement, on February 12, 2018, Mr. Chatterjee also received a grant of 22,186 restricted shares scheduled to vest over four years, subject to continued employment. These awards are further described in the "Chief Financial Officer Compensation" section below.

Additionally, in February 2018, the Compensation Committee approved a program pursuant to which a one-time equity award would be issued to each of our Named Executive Officers upon a determination by the Committee of achievement by the Company of target adjusted diluted EPS (a non-GAAP measure) and the executive's achievement of a designated level of scorecard performance for 2018. If these performance objectives are achieved, our Named Executive Officers would receive a grant of RSUs with an award value equal to twenty percent (20%) of the executive's 2018 earned incentive compensation, and vesting in two equal increments on the first two anniversaries of the grant date (expected in March 2019). This program is designed to help with the retention of these key executives and incent them to achieve the Company's ambitious adjusted diluted EPS target, as the Company transitions from primarily providing services to Ocwen/NRZ to providing services to a more diversified client base.

Minimum Stock Ownership Requirement for the Chief Executive Officer

The Compensation Committee has adopted a minimum stock ownership requirement applicable to our Chief Executive Officer, in line with its belief that the Chief Executive Officer should own particular amounts of stock to align his interests with the interests of our shareholders.

Pursuant to this requirement, the Chief Executive Officer is required to attain and maintain stock ownership at a level equal to three times his base salary, with vested options and restricted stock grants counting toward the satisfaction of this requirement. The Chief Executive Officer has two years from the effective date of his initial appointment as Chief Executive Officer or from the date on which he first becomes subject to the policy, whichever is later, to comply with this requirement. Our Chief Executive Officer currently meets the applicable minimum stock ownership requirement.

The minimum stock ownership requirements for our non-management directors and Chief Executive Officer are set forth in our Corporate Governance Guidelines, which are available on our website at www.altisource.com.

Other Compensation Decisions for our Named Executive Officers

Chief Financial Officer Compensation

Mr. Chatterjee was appointed Chief Financial Officer of the Company on October 5, 2017. In determining annual and long-term compensation for Mr. Chatterjee, the Compensation Committee followed the same compensation philosophy and objectives described in this Compensation Discussion and Analysis and also took into consideration the value of the compensation that Mr. Chatterjee would have been eligible to receive had he remained employed by his prior employer.

Table of Contents

As part of Mr. Chatterjee's employment agreement, the Compensation Committee approved an annual base salary of \$475,000 and, beginning in the 2018 service year, a target incentive opportunity of \$475,000 under our annual incentive plan, with a minimum amount of \$475,000 for the 2018 service year, subject to meeting performance expectations and continued employment through the payment date. At the time of hire, Mr. Chatterjee was also granted (i) 20,000 stock options tied to market-based criteria, with two-thirds of the market-based options vesting over three years if the stock price realizes a compounded annual gain of at least twenty percent (20%) over the exercise price, so long as the stock price is at least double the exercise price, and the remaining third vesting over three years if the stock price realizes a twenty-five percent (25%) compounded annual gain, so long as it is at least triple the exercise price and (ii) 19,533 time-based restricted shares of ASPS common stock ("Restricted Shares") scheduled to vest over four years, in each case subject to continued employment.

As an incentive to become our Chief Financial Officer and to offset accrued compensation he would have received from his former employer, the Compensation Committee also approved providing Mr. Chatterjee with a cash incentive payment of \$485,000 in March of 2018 for calendar year 2017, subject to meeting performance expectations and continued employment through the payment date. In addition, the Compensation Committee approved a onetime cash bonus of \$34,464, payable following the satisfactory completion of Mr. Chatterjee's first one (1) year of employment.

In November 2017, the Committee approved the following objective criteria to measure Mr. Chatterjee's performance for purposes of receiving his 2017 cash incentive payment, which were to (i) amend the Company's SSTL, (ii) continue to develop shareholder communications and (iii) support certain other corporate initiatives. In March 2018, the Committee determined that Mr. Chatterjee met these performance expectations and Mr. Chatterjee received an award of \$485,000, which is reflected in the Summary Compensation Table in the "Bonus" column.

In addition, pursuant to his employment agreement, on February 12, 2018, Mr. Chatterjee received a grant of 22,186 restricted shares with an award value of \$540,000, scheduled to vest over four years. This award is intended to make him whole for certain equity awards that were granted by his former employer and that he forfeited by joining Altisource.

In connection with his relocation from New York to Luxembourg, Mr. Chatterjee also receives certain relocation benefits and foreign living allowances, consistent with those provided to other Luxembourg-based executive officers.

The payments that Mr. Chatterjee will be eligible to receive in connection with certain terminations of employment are described in further detail below under the heading "Potential Payments Upon Termination or Change in Control."

Annual Cash Compensation Increase Determinations

In 2017, the Compensation Committee reviewed recommendations and determined to increase the annual compensation for Messrs. Wilcox, Davila and Ritts based on the performance of these executives, the expected value of their performance going forward and, in the case of Mr. Wilcox, earlier benchmarking analyses conducted by the Company's independent compensation consultant.

The Compensation Committee approved the following increases to the base salaries of the following Named Executive Officers, effective as of September 1, 2017:

Name	Previous Base Salary (\$)	New Base Salary (\$)	Resulting Base Salary Increase (%)
Kevin J. Wilcox	\$461,250	\$475,000	2.98%
Joseph A. Davila	\$405,730	\$425,000	4.75%

Table of Contents

The Compensation Committee further approved the following increases to the target incentive compensation for the following executives, effective August 1, 2017 for Mr. Ritts and September 1, 2017 for Messrs. Wilcox and Davila:

Name	Previous Target Incentive Compensation	New Target Incentive Compensation	Resulting Target Incentive Compensation Increase (%)
	(\$)	(\$)	
Kevin J. Wilcox	\$461,250	\$475,000	2.98%
Mr. Joseph A. Davila	\$300,000	\$350,000	16.67%
Gregory J. Ritts	\$225,000	\$240,000	6.67%

For Mr. Wilcox, the Compensation Committee determined that the ratio of the base compensation and the incentive compensation to the total compensation should remain the same. For Messrs. Davila and Ritts, the Compensation Committee determined that it was appropriate that the ratio of the incentive compensation to the total compensation be increased.

Exchange Rate Adjustment

As further detailed in the Summary Compensation Table below, base salaries for our Named Executive Officers are set in U.S. dollars and paid in euros. Effective August 1, 2017, the Compensation Committee approved adjusting the exchange rate used to convert Mr. Ritts' base salary to euros from 0.80 to 0.83 euros to the U.S. dollar to account for the strengthening of the U.S. dollar since the last adjustment to his exchange rate and to align his exchange rate with the exchange rate of other executive officers. This exchange rate adjustment resulted in an increase in his annual base salary of 13,069 euros. His base salary remained set at \$435,625.

CEO Pay Ratio Disclosure

As mandated by the Dodd-Frank Act and Item 402(u) of Regulation S-K, we must disclose the annual total compensation of our median employee, the annual total compensation of our Chief Executive Officer William B. Shepro, and the ratio of these two amounts.

Altisource is geographically diverse, with a large majority of our employees located in jurisdictions other than the Company's Luxembourg headquarters, where our Chief Executive Officer is based. We identified our median employee using our global employee population as of December 31, 2017, which consisted of 7,428 employees, of which 5,114 employees (sixty-nine percent (69%) of our total employees) were based in India, 1,477 were based in the United States, 678 were based in the Philippines, 138 were based in Uruguay and 21 were based in Luxembourg. This population consisted of our full-time and part-time employees, and excludes temporary employees.

To identify our median employee, our consistently applied compensation measure included the following elements, as permitted by SEC rules: base salary, stock awards, actual cash incentive paid, transportation, term life insurance, accidental insurance and medical insurance. We believe this measure reasonably reflects the annual compensation of our employees. Non-U.S. compensation was converted to U.S. dollars using exchange rates of 0.83 euros to the U.S. dollar for Luxembourg, 63.87 Indian rupees to the U.S. dollar for India and 49.85 Philippine pesos for the Philippines, the applicable exchange rates on December 29, 2017 (the last working day before December 31, 2017) as disclosed by www.bloomberg.com.

In addition, we used a publicly available cost of living adjustment (available here: www.numbeo.com/cost-of-living/) to adjust the compensation of employees in jurisdictions other than Luxembourg. After application of this cost of living adjustment, we have estimated that the annual compensation for 2017 of our median employee (who is based in India) was \$29,983. Without the cost of living adjustment, the median employee had total compensation of \$9,486.

Edgar Filing: Altisource Portfolio Solutions S.A. - Form PRE 14A

The total compensation of our Chief Executive Officer in 2017, as reported in the Summary Compensation Table above was \$6,654,601. This amount includes (i) a one-time special retention cash award of \$1,500,000 awarded in 2015 and paid in 2017, which is not an element of his annual compensation, and

(ii) April 7, 2017 awards of performance-based restricted shares and performance-based options (the "2017 Performance Awards") with a grant date value of \$1,008,766, which were scheduled to vest based upon the Company's achievement against 2017 Performance Criteria. In February 2018, the Compensation Committee confirmed that the 2017 Performance Criteria were below a threshold level and the 2017 performance-based stock options and restricted shares granted to the Chief Executive Officer were cancelled and forfeited.

Based on the methodology described above, we estimated our CEO Pay Ratio for 2017 to be **222:1** (702:1 without the cost of living adjustment) as calculated according to the regulations based on the 2017 total compensation reported in the Summary Compensation Table, including the \$1,500,000 special retention cash award and the 2017 Performance Awards that were subsequently cancelled and forfeited. When excluding the special retention cash award and the 2017 Performance Awards, our Chief Executive Officer to median employee pay ratio is estimated at 138:1, including the cost of living adjustment. Due to the flexibility afforded by Item 402(u) in calculating the CEO Pay Ratio, and our unique employee distribution, the ratio may or may not be comparable to CEO pay ratios presented by other companies.

These amounts represent the possible non-equity compensation that may have been earned by each respective executive officer in 2017 under the different achievement levels presented on their personal scorecards which are more fully discussed in our Compensation Discussion and Analysis. Performance that is below the threshold level generally results in no payout.

(2)

Granted pursuant to our 2009 Equity Incentive Plan. The time-based restricted share awards are scheduled to vest in three annual installments on the first, second and third anniversaries of the grant date. The performance-based restricted shares were scheduled to vest based upon the Company's achievement against the 2017 Performance Criteria. In February 2018, the Compensation Committee confirmed that the 2017 Performance Criteria were below a threshold level and the 2017 performance-based restricted shares granted to each of the Named Executive Officers were cancelled and forfeited.

- (3) Granted pursuant to our 2009 Equity Incentive Plan. The 2017 performance-based stock options were scheduled to vest based upon the Company's achievement against the 2017 Performance Criteria. In February 2018, the Compensation Committee confirmed that the 2017 Performance Criteria were below a threshold level, and the 2017 performance-based stock options granted to each of the Named Executive Officers were cancelled and forfeited. The service revenue stock options are scheduled to vest based on attaining a Company service revenue threshold in a calendar year during the period from 2017 through 2021. If the Company achieves \$1.5 billion in service revenue in a calendar year prior to 2021, one hundred and fifty percent (150%) of the target amount of service revenue stock options shall vest on the anniversary of the grant date that immediately follows the calendar year in which such target amount was achieved. To the extent the Company does not achieve \$1.5 billion of service revenue in a calendar year prior to 2021, the Committee will determine the percentage of service revenue stock options eligible for vesting based on the Company's 2021 levels of performance defined in the applicable award agreement. If the Company's performance is below a threshold level, no service revenue stock options shall be eligible to vest. If the Company's performance falls between pre-determined levels of performance, the percentage of service revenue stock options eligible for vesting will be determined using linear interpolation for performance that falls between such pre-determined levels. Service revenue stock options that are eligible for vesting based on 2021 pre-determined levels of performance will then vest on the fifth anniversary of the grant date (April 7, 2022), subject to continued employment except as otherwise set forth in the award agreements. Service revenue stock options that are determined not to be eligible for vesting will be cancelled and forfeited.
- (4) Mr. Chatterjee joined the Company in October 2017 and, therefore, did not participate in the Company's 2017 annual non-equity incentive plan. However, pursuant to the terms of his employment agreement, Mr. Chatterjee was provided the opportunity to earn an incentive compensation award of \$485,000, subject to meeting performance expectations. Please see the "Chief Financial Officer Compensation" section of our Compensation Discussion and Analysis.
- (5) Granted pursuant to our 2009 Equity Incentive Plan. Time-based restricted share awards are scheduled to vest in four annual installments on the first, second, third and fourth anniversaries of the grant date.
- (6) Granted pursuant to our 2009 Equity Incentive Plan. Market-based stock options which vest in equal increments, with one-third vesting immediately upon the achievement of certain performance criteria related to the Company's stock price and its annualized rate of return and the remaining two-thirds vesting over the next two (2) years. Two-thirds of the market-based options would commence vesting if the stock price realizes a compounded annual gain of at least twenty percent (20%) over the exercise price, so long as the stock price is at least double the exercise price. The remaining third of the market-based options would commence vesting if the stock price realizes a twenty-five percent (25%) compounded annual gain, so long as it is at least triple the exercise price.
- (7)

Granted pursuant to our 2009 Equity Incentive Plan. Time-based restricted share awards are scheduled to vest in three annual installments on the first, second and third anniversaries of the grant date.

Employment Agreements

As required by Luxembourg law, Altisource has entered into employment agreements with each of our Named Executive Officers, other than Ms. Esterman whose Luxembourg employment agreement ended following her relocation to the United States. The employment terms of each agreement continue indefinitely until the executive's separation from the Company or their relocation outside of Luxembourg. The agreements provide for a base salary and annual incentive compensation based on the satisfaction of relevant performance criteria. In addition, the executives may receive relocation and foreign living allowances, as well as benefits such as health insurance. Please see the "Relocation and Foreign Living Allowances" section and the Summary Compensation Table under the "Executive Compensation" section below for additional details.

In order to terminate the employment agreement, each party must provide notice in accordance with the time periods set forth in article L.124-1 of the Luxembourg Labor Code. In the event of termination by the Company for "Cause" ("*motifs graves*," as defined in article L.124-10 of the Luxembourg Labor Code), no notice period is required. In addition, in the event of termination by the Company without "Cause" or, in some instances, resignation by the executive for "Good Reason," the executive will receive severance benefits. Furthermore, the executive may be entitled to receive additional payments in accordance with article L.124-7 of the Luxembourg Labor Code if executive has been employed for more than five (5) years.

The agreements also include a covenant not to disclose our confidential information and to enter into an intellectual property agreement. In addition, the executive is bound by non-competition and non-solicitation covenants for a minimum period of one (1) year following the termination of the agreement. The agreements are governed, interpreted and performed pursuant to, and in accordance with, the laws of the Grand Duchy of Luxembourg.

Potential Payments upon Termination or Change of Control

Below is a description of the amounts payable to each Named Executive Officer assuming the executive's employment had terminated under various scenarios, or a change of control had occurred, on December 31, 2017. Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

As discussed in our Compensation Discussion and Analysis, our Chief Executive Officer and other Named Executive Officers have entered into employment agreements with the Company. Under these agreements, if employment is terminated as a result of the executive officer's retirement or disability or termination without cause, as defined therein, the Company will pay all standard relocation costs to relocate the executive officer to the United States. If the Company terminates the employment of the executive officer other than for "Cause" ("*motifs graves*," as defined in L.124-10 of the Luxembourg Labor Code) and, in some instances, where employment is terminated for "good reason" (as defined in the applicable employment agreement) by the executive officer, the Company shall make a cash payment of between four (4) and twelve (12) months' base salary in addition to certain notice and additional payments required under articles L.124-1 and L.124-7 of the Luxembourg Labor Code. In the case of the Chief Executive Officer and Chief Administration and Risk Officer, the Company shall also pay at least one (1) year's target incentive compensation in such instance. Additionally, in the event that the Company terminates the employment of such executive officers other than for "Cause" after October 1 of the service year and before incentives are paid for the respective service year, these executive officers will be entitled to receive incentive compensation for such service year. If an executive officer is terminated by the Company for "Cause," the Company may terminate without notice and with no liability to make any further payment to the executive, other than amounts accrued and unpaid at the date of termination.

Table of Contents

With respect to stock options, typically, upon termination of a Named Executive Officer's employment other than for "Cause," as defined by the applicable stock option agreement, or by reason of resignation, the executive officer will be entitled to retain any vested portion of prior awards granted and any unvested market-based options for which the vesting hurdles have already been achieved. Typically, the executive officer's right to retain any options following termination of employment is subject to the requirement that he or she has been employed with the Company for a period of at least two (2) years. Upon termination of employment for "Cause," all vested and unvested stock options awarded pursuant to such agreement will be forfeited.

In addition, certain of the stock option agreements provide for accelerated vesting of service-based options. Typically, upon a Named Executive Officer's death, disability or, in some instances, Retirement (as defined in the applicable stock option agreement), service-based options will immediately vest; provided however that, typically, the executive officer's right to the acceleration of options following termination of employment is subject to the requirement that he or she has been employed with the Company for a period of at least three (3) years in the case of retirement and two (2) years in other instances. Additionally, pursuant to certain of these agreements, if there is a corporate restructuring or a change of control transaction ("Transaction"), the Compensation Committee may, *inter alia*, adjust the vesting conditions of the options in its discretion, which could result in the immediate vesting of some or all of the options. Under the terms of the stock option awards granted to our executive officers on and after April 15, 2015, in the event of a Transaction, a buyer will have the option to cancel the stock options in exchange for the stock options' intrinsic value or allow them to remain in place. Generally, for termination not due to death, disability or retirement, the executive officer has six (6) months within which to exercise vested stock options pursuant to our stock option agreements.

With respect to restricted shares granted to our Named Executive Officers, in some instances, if the executive officer's employment is terminated due to death or disability, unvested restricted shares shall immediately vest, subject to the requirement that the executive officer has been employed with the Company for a period of at least two (2) years on the date of death or disability. If the executive officer voluntarily resigns or his or her employment is terminated for "Cause," any unvested restricted shares will be forfeited. In some cases, if the Company terminates the executive officer's employment for reasons other than "Cause," as defined by the applicable award agreement, unvested restricted shares will vest within thirty (30) days of such termination. In addition, certain restricted share awards provide for the vesting of unvested restricted shares in the event of a Transaction.

Except as specified above, any portion of an equity award not vested will generally be forfeited unless alternate arrangements are made at the discretion of the Compensation Committee.

The following table estimates and summarizes the potential payments and benefits that each of our Named Executive Officers would have received if their employment had been terminated on December 31, 2017 under each of the circumstances described below, excluding benefits ordinarily available to all employees

Accelerated
vesting of options
and restricted
shares

- (1)
Represents amounts that would have been received in connection with the accelerated vesting of Altisource restricted shares and/or service-based options upon the occurrence of death, disability, retirement or termination by the Company other than for "Cause." For Mr. Chatterjee, the amount assumes the Compensation Committee authorizes accelerated vesting despite having less than two (2) years of service as of December 31, 2017.
- (2)
The awards for the April 7, 2017 performance-based restricted shares and 2017 performance-based stock options granted to these executives provide for accelerated vesting of awards following certain termination events, but only following a determination that the performance criteria were met for the relevant period. In February 2018, the Compensation Committee confirmed that the relevant performance criteria for 2017 were below a threshold level, and therefore these restricted shares and options were cancelled and forfeited. As a result, these restricted shares and options are not included.
- (3)
Represents one (1) year of base salary, plus one (1) year of target incentive compensation, plus actual incentive compensation that would have been earned for the 2017 service year. Pursuant to their employment agreements, Messrs. Shepro and Wilcox are only entitled to receive actual incentive compensation earned in the event employment is terminated after October for the service year and before incentives are paid for such service year.
- (4)
Represents four (4) months' base salary as provided under the executive's employment agreement, the receipt of which is contingent upon the executive's execution of a Separation Agreement with the Company.
- (5)
Represents amounts that would have been received in connection with the accelerated vesting of all Altisource restricted shares and options in the event the Compensation Committee authorizes the accelerated vesting of all options following a change of control or a restructuring.

Proposal Two: Appointment of Independent Registered Certified Public Accounting Firm and Certified Auditor

The Audit Committee of our Board of Directors has recommended the appointment of Mayer Hoffman McCann P.C. ("Mayer Hoffman") to be our independent registered certified public accounting firm for the year ending December 31, 2018 and Atwell S.à r.l. ("Atwell") to be our certified auditor (*Réviser d'Entreprises*) for the same period.

As previously disclosed in our proxy statements for our 2016 and 2017 Annual Meetings of Shareholders and our Current Report on Form 8-K filed with the SEC on March 28, 2016, management and the Audit Committee of our Board of Directors completed a competitive process to review the appointment of the Company's independent registered public accounting firm for the year ended December 31, 2016. The Audit Committee invited several firms to participate in this process, including Deloitte & Touche LLP, the Company's independent registered public accounting firm since September 22, 2009.

As a result of this process and following careful deliberation, on March 24, 2016, the Audit Committee approved the engagement of Mayer Hoffman as the Company's independent registered public accounting firm, conditioned and effective upon completion of their client acceptance process, subject to approval by our shareholders for the year ending December 31, 2016. On March 25, 2016, Mayer Hoffman advised the Company that it had successfully completed its client acceptance procedures and the Company dismissed Deloitte from its role as the Company's independent registered public accounting firm.

Deloitte's audit reports on the Company's consolidated financial statements as of and for the years ended December 31, 2015 and 2014 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to audit scope or accounting principles. Such reports included an explanatory paragraph related to the concentration of revenue with Ocwen and an emphasis of a matter paragraph related to uncertainties faced by Ocwen.

During the years ended December 31, 2015 and 2014, and the subsequent interim period through March 24, 2016, there were (i) no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreements in its reports on the financial statements for such years, and (ii) no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K except that the Company's internal control over financial reporting was not effective as of December 31, 2015 due to the existence of a material weakness in the Company's internal control over financial reporting related to the review of impairment indicators of long-lived assets, including premises and equipment and intangible assets, and the impairment analysis of indefinite-lived assets, primarily goodwill. Deloitte discussed this matter with the Audit Committee. As a result of the material weakness, Deloitte's audit report dated March 15, 2016 on the effectiveness of the Company's internal control over financial reporting as of December 31, 2015 expressed an adverse opinion. The Company authorized Deloitte to fully respond to the inquiries of Mayer Hoffman, the successor independent registered public accounting firm, concerning this matter.

The Company provided Deloitte with a copy of its Current Report on Form 8-K prior to its filing with the SEC. The Company requested that Deloitte furnish the Company with a letter addressed to the SEC stating whether or not Deloitte agreed with the above statements that are related to Deloitte. A copy of Deloitte's letter, dated March 28, 2016, was attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed on March 28, 2016.

During the year ended December 31, 2015 and through March 24, 2016, neither the Company nor anyone on its behalf consulted with Mayer Hoffman with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of

audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was

Table of Contents

provided by Mayer Hoffman to the Company that Mayer Hoffman concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to that item) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Our shareholders previously approved the appointment of Mayer Hoffman as our independent registered certified public accounting firm for the years ended December 31, 2016 and December 31, 2017, and the appointment of Atwell as our certified auditor for the same periods.

In February 2018, the Audit Committee approved recommending that Mayer Hoffman and Atwell be re-appointed to serve in such capacities for the year ending December 31, 2018, and that such appointments be submitted for approval by our shareholders at our Annual Meeting.

Representatives of Mayer Hoffman and Atwell will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to questions from shareholders.

APPOINTMENT OF MAYER HOFFMAN MCCANN P.C. AS OUR INDEPENDENT REGISTERED CERTIFIED

Report of the Audit Committee

As described more fully in our charter, the Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of the financial management, independent auditors and financial reporting procedures of the Company. The Company's management is responsible for the preparation and presentation of the Company's financial statements, the effectiveness of internal control over financial reporting and procedures that are reasonably designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and of the effectiveness of its internal control over financial reporting in accordance with the Standards of the PCAOB.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2017 audited consolidated financial statements and the effectiveness of the internal control over financial reporting. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the PCAOB Auditing Standard No. 1301, *Communications with Audit Committees*. The Audit Committee has also received written disclosures from the Company's independent registered public accounting firm, as required by the applicable requirements of the PCAOB, and discussed with the independent registered public accounting firm that firm's independence.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm referred to above, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the Board of Directors include the December 31, 2017 audited consolidated financial statements in Altisource's Annual Report on Form 10-K for the year ended December 31, 2017.

services does not impair the independent registered certified public accounting firm's independence. In fiscal years 2016 and 2017, all services associated with the independent registered certified public accounting firm were pre-approved by the Audit Committee or by the Chairman of the Audit Committee pursuant to authority delegated to him as described below.

Audit Committee Pre-Approval Policy

The Audit Committee has pre-approved certain audit services, audit-related services and non-audit services to be performed by the independent auditors in its Pre-Approval Policy. Except for the services pre-approved pursuant to this policy, all permissible audit, audit-related and non-audit services must be separately pre-approved by the Audit Committee or any member of the Audit Committee to whom such authority is delegated. The Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve all such services, except services related to the independent auditor's annual audit of the Company, which is subject to the specific pre-approval of the Audit Committee. The Chairman reports any pre-approval decisions to the Audit Committee for their ratification.

The Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the independent auditor.

Proposal Three: Approval of the Company's 2017 Statutory Accounts

Pursuant to Luxembourg law, the Luxembourg Annual Accounts and the Consolidated Accounts (the "Luxembourg Statutory Accounts") must be submitted each year to shareholders for approval at the Annual Meeting.

The Luxembourg Annual Accounts are prepared in accordance with Luxembourg GAAP and consist of a balance sheet, a profit and loss account and the notes for the unconsolidated Altisource Portfolio Solutions S.A. entity. There is no statement of movements in equity or statement of cash flows included in the Luxembourg Annual Accounts under Luxembourg GAAP. Profits earned by the subsidiaries of Altisource Portfolio Solutions S.A. are not included in the Luxembourg Annual Accounts unless such amounts are distributed to Altisource Portfolio Solutions S.A. The Luxembourg Annual Accounts as of and for the year ended December 31, 2017 reflect total assets of \$1,119.7 million and a loss for the year then ended of \$1,327.6 million.

The Consolidated Accounts are prepared in accordance with U.S. GAAP, including a footnote reconciliation of equity and net income to IFRS, and consist of a balance sheet, statement of operations, statement of changes in stockholders' equity, statement of cash flows and the accompanying notes. The Consolidated Accounts present the financial position and results of operations for Altisource and all of its subsidiaries as if the individual entities were a single company. As of December 31, 2017, the Consolidated Accounts reflect IFRS total equity of \$341.6 million and IFRS net income for the year then ended of \$308.7 million.

Pursuant to Luxembourg law, following shareholder approval of the Luxembourg Statutory Accounts, such accounts must be filed with the Luxembourg trade registry as public documents. If Altisource does not receive shareholder approval of the Luxembourg Statutory Accounts, we cannot make this filing.

Altisource's Luxembourg Statutory Accounts will be available to shareholders at Altisource's registered office from May 5, 2018 until the conclusion of the Annual Meeting.

Proposal Four: Receipt and Approval of the Directors' Reports for the Luxembourg Statutory Accounts and Receipt of the Supervisory Auditor's Report for the Luxembourg Annual Accounts

Under Luxembourg law, the Board of Directors is required to prepare annual Directors' reports for the Luxembourg Statutory Accounts (the "Directors' Reports"). The Directors' Reports present the Luxembourg Statutory Accounts for the relevant fiscal year, provide an explanation as to the results and certain other required Company matters and propose the allocation of such results to the shareholders.

Luxembourg law also requires the Company's supervisory auditor (*Commissaire aux Comptes*) to provide an annual report confirming that the Company's Luxembourg Annual Accounts agree with the accounting records and documents of the Company.

The Directors' Reports for the year ended December 31, 2017 and the report of the supervisory auditor for the Luxembourg Annual Accounts for the same period will be available to shareholders from May 5, 2018 until the conclusion of the Annual Meeting at Altisource's registered office. Following shareholder approval of the Luxembourg Statutory Accounts, these reports will be filed with the Luxembourg trade registry as public documents.

Proposal Five: Allocation of the Results in the Luxembourg Annual Accounts

Each year, the shareholders of Altisource are required to approve the allocation of the results of the unconsolidated Altisource Portfolio Solutions S.A. entity, as determined by the Luxembourg Annual Accounts.

Luxembourg law requires that at least five percent (5%) of the net profits, if any, for the Luxembourg Annual Accounts be allocated to a legal reserve; provided, however that an allocation ceases to be compulsory when the legal reserve reaches ten percent (10%) of the share capital of Altisource, but again becomes compulsory when the reserve amount falls below this threshold. As the Company had a net loss pursuant to its Luxembourg Annual Accounts for the year ended December 31, 2017, no such allocation is required.

As of December 31, 2017, the Luxembourg Annual Accounts for Altisource reflect total assets of \$1,119.7 million and a loss for the year then ended of \$1,327.6 million. As noted in Proposal Three, profits earned by subsidiaries of Altisource are not included in the calculation of net profits for Altisource's Luxembourg Annual Accounts unless such profits have been distributed to Altisource.

The Board of Directors proposes to allocate the loss of \$1,327.6 million reflected in the Luxembourg Annual Accounts to reduce profit brought forward.

Proposal Six: Discharge of the Directors and the Supervisory Auditor

Pursuant to Luxembourg law, after the approval of the Luxembourg Statutory Accounts (as discussed in Proposal Three above), shareholders must vote on whether to discharge Altisource's Directors for the performance of their mandate for the year ended December 31, 2017 and the supervisory auditor (*Commissaire aux Comptes*) for the performance of her mandate, for the same period. If the shareholders grant the discharge for the relevant fiscal year(s), shareholders will not be able to initiate a liability claim against such Directors and/or supervisory auditor in connection with the performance of their mandates for such fiscal year(s). However, such discharge will not be valid in certain instances as specified in article 461-7 (formerly article 74) of the Luxembourg Company Law. For fiscal year 2017, Altisource believes no such instances have occurred.

MANDATE FOR THE SAME PERIOD**

Proposal Seven: Renewal of our Share Repurchase Program

At our 2017 annual meeting of shareholders, our shareholders approved renewing our share repurchase program (approved at our 2016 annual meeting of shareholders) authorizing the repurchase of up to twenty-five percent (25%) of the outstanding shares of the Company's common stock as of the close of business on the date of shareholder approval (the "Share Repurchase Program"). Under that program, shares are eligible for repurchase at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share. As of March 21, 2018, 3,118,819 shares of common stock remain available for repurchase under our Share Repurchase Program. The Board of Directors has approved renewing our Share Repurchase Program such that the Board of Directors is empowered to continue to purchase outstanding shares of the Company's stock within the following limits.

Our Share Repurchase Program will continue to be subject to Luxembourg law and provides for the equal treatment of shareholders. The term of authorization for repurchases will be five (5) years from the date of the Annual Meeting. The maximum number of shares authorized to be repurchased will be twenty-five percent (25%) of shares outstanding as of the close of business on the date of the Annual Meeting. Shares will be eligible for repurchase at a minimum price of one dollar (\$1) per share and a maximum price of five hundred dollars (\$500) per share, with the maximum price to be adjusted for any stock splits and reverse stock splits. The purchase volumes will be subject to daily volume restrictions per SEC regulations. The Board of Directors shall be empowered to authorize the Company's Management Committee, with power of substitution, to decide, within the limits of the authorization set out above, the timing and conditions of the share repurchases under the Share Repurchase Program. The authority granted under the Share Repurchase Program shall apply to all classes of shares authorized pursuant to our Articles of Incorporation.

Altisource has historically demonstrated strong operating cash flow after capital expenditures. The Board of Directors believes the Share Repurchase Program could be an effective use of Altisource's cash earnings and provide flexibility for Altisource to be opportunistic in repurchasing shares. Additionally, the Board of Directors believes the Share Repurchase Program will assist in offsetting shareholder dilution resulting from periodic grants of equity incentive awards.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

THAT YOU VOTE "FOR" THE RENEWAL OF OUR SHARE REPURCHASE PROGRAM SUCH THAT ALTISOURCE IS AUTHORIZED, FOR A PERIOD OF FIVE YEARS FROM THE DATE OF THE ANNUAL MEETING, TO REPURCHASE UP TO TWENTY-FIVE PERCENT (25%) OF THE OUTSTANDING SHARES OF ITS COMMON STOCK (AS OF THE CLOSE OF BUSINESS ON THE DATE OF THE ANNUAL MEETING) AT A MINIMUM PRICE OF ONE DOLLAR (\$1) PER SHARE AND A MAXIMUM PRICE OF FIVE HUNDRED DOLLARS (\$500) PER SHARE, WITH THE MAXIMUM PRICE TO BE ADJUSTED FOR ANY STOCK SPLITS AND REVERSE STOCK SPLITS

Proposal Eight: Approval of Changes to Non-Management Directors' Compensation

Luxembourg law requires the Company to submit changes in non-management Directors' compensation to our shareholders for approval.

As discussed in the "Board of Directors Compensation" section of this proxy statement, the Compensation Committee believes it is important to establish non-management Director pay levels that are competitive with those of our peer group companies in order to attract and retain highly qualified candidates for our Board of Directors. Consistent with this policy, the Compensation Committee evaluates our director compensation program periodically and may recommend adjustments to director compensation from time to time. The last compensation increase for our non-management Directors was approved by our shareholders at our 2016 annual meeting.

In the fourth quarter of 2017, the Compensation Committee engaged its independent compensation consultant, Exequity, to conduct a pay study analyzing the competitiveness of the Company's pay levels for non-management Directors. The pay study concluded that the total cash and equity compensation for our non-management Directors is approximately thirteen percent (13%) below the peer group median, based on a review of publicly available peer group data.

Based on the results of Exequity's pay study and other relevant factors including those noted below, the Compensation Committee is recommending to our shareholders that the award value of the annual award of shares of common stock to non-management Directors who attend at least seventy-five percent (75%) of Board and Committee meetings be increased from \$110,000 to \$120,000 beginning in the 2018 to 2019 service year. Consistent with prior years, the number of shares of common stock would be determined on the first day of the service year by dividing this value by the average of the high and low prices of the common stock to be reported on the NASDAQ Global Select Market. If a Director meets the attendance requirements, he or she will receive the shares at the end of the service year.

In making its recommendation, the Compensation Committee considered the results of the pay study, the valuable financial, operational and strategic expertise that our existing non-management Directors bring to the Company, the importance of active board membership and the benefits of further aligning our non-management Directors' interests with the interests of our shareholders through increased equity ownership. The proposed increase would bring Directors' compensation closer to the peer group median, although it would still be approximately eight percent (8%) lower than the median.

The Compensation Committee is not recommending any changes to the cash compensation of our non-management Directors at this time.

Proposal Nine: Advisory Vote on Executive Compensation ("Say-on-Pay")

At our 2017 annual meeting of shareholders, our shareholders voted in favor of an annual frequency for advisory votes with respect to our executive compensation.

In light of this vote, and pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, the Company is presenting this proposal, which gives shareholders the opportunity to approve or not approve, on an advisory (non-binding) basis, our pay program for Named Executive Officers as discussed in our Compensation Discussion and Analysis above.

As described in our Compensation Discussion and Analysis above, our executive compensation programs are designed to attract, incent and retain our Named Executive Officers, who are critical to our success. Pursuant to these programs, the Company seeks to reward the Named Executive Officers for achieving strategic business goals designed to deliver long-term shareholder value. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal year 2017 compensation of our Named Executive Officers.

While our Board of Directors intends to carefully consider the shareholder vote resulting from this proposal, the final vote will not be binding on us and is advisory in nature.

You may vote for or against the approval of the compensation of the Company's Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and accompanying compensation tables and related information contained in the proxy statement.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO APPROVE, ON AN ADVISORY (NON-BINDING) BASIS, THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THE COMPANY'S PROXY STATEMENT FOR THE 2018 ANNUAL MEETING OF SHAREHOLDERS PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC, INCLUDING THE COMPENSATION DISCUSSION AND ANALYSIS, THE SUMMARY COMPENSATION TABLE AND ACCOMPANYING COMPENSATION TABLES AND RELATED INFORMATION

Business Relationships and Related Person Transactions

The Board of Directors has adopted, as set forth within our written Code of Business Conduct and Ethics, certain policies and procedures for the review and approval of transactions in which a conflict of interest may arise. The Code of Business Conduct and Ethics is available at www.altisource.com. Any situation that potentially qualifies as a conflict of interest is to be immediately disclosed to the head of the internal audit function and/or the Chief Legal and Compliance Officer to assess the nature and extent of any concern as well as the appropriate next steps. The head of the internal audit function or the Chief Legal and Compliance Officer will notify the Chairman of the Board of Directors or the Chairman of the Audit Committee, as appropriate, if any such situation requires Board of Directors or Audit Committee review.

The Audit Committee of the Board of Directors has adopted written policies and procedures to govern the review and approval of transactions involving Altisource and a Related Person. A "Related Person," as defined by SEC Regulation S-K, includes (i) any executive officers, directors and nominees for election as director of the Company or any of its subsidiaries; (ii) shareholders beneficially owning five percent (5%) or greater of the Company's outstanding stock or other equity securities; (iii) an immediate family member of any of the foregoing persons or (iv) an entity in which an individual identified in (i) or (ii) has a direct or indirect material interest. Pursuant to these policies, transactions with a Related Person that meet the threshold for disclosure under the relevant SEC rules ("Related Person Transactions") must be approved by the Audit Committee. In considering a Related Person Transaction, the Audit Committee will consider relevant factors which may include (i) the reasons for the transaction; (ii) whether the transaction was initiated by the Company or the Related Person (iii) the expected benefits to the Company; (iv) alternatives to the transaction; (v) whether the transaction is on terms comparable to those available to non-related third parties; (vi) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards in place to prevent such actual or apparent conflicts; (vii) whether the transaction includes appropriate contractual protections; (viii) whether the transaction was undertaken in the ordinary course of business of the Company; (ix) the overall fairness of the transaction to Altisource; (x) and any other information regarding the Related Person Transaction that would be material to investors in light of the circumstances of the transaction. The Audit Committee may also follow these procedures for transactions with Related Persons that do not meet the threshold for disclosure under the relevant SEC rules, where such transactions may present actual or potential conflicts of interests, or for transactions with related parties as defined by Financial Accounting Standards Board's Accounting Standards Codification Topic 850, *Related Party Disclosure*.

We have significant business relationships with and provide services to Ocwen and Front Yard Residential Corporation (formerly Altisource Residential Corporation) ("RESI"). We also provide certain services to Altisource Asset Management Corporation ("AAMC"). Our largest shareholder William C. Erbey, owns or controls common stock in each of these companies. As of December 31, 2017, based on public filings, Mr. Erbey reported beneficially owning or controlling approximately thirty-four percent (34%) of the common stock of Altisource, approximately fifteen percent (15%) of the common stock of Ocwen, approximately forty-six percent (46%) of the common stock of AAMC and less than five percent (5%) of the common stock of RESI. Based on public filings through March 21, 2018, Mr. Erbey reported beneficially owning or controlling approximately eight percent (8%) of the common stock of Ocwen. As a result of his ownership interests in Ocwen and AAMC, we currently disclose our transactions with these entities. Because AAMC is RESI's external manager, we currently also disclose Altisource's transactions with RESI.
