PROXY STATEMENT

This Proxy Statement and the accompanying materials are being made available to OneMain Holdings, Inc. stockholders beginning on or about March 29, 2018. In this Proxy Statement, "OMH" refers to OneMain Holdings, Inc. (formerly known as Springleaf Holdings, Inc.), the "Company," "we," "us" or "our" may refer to OneMain Holdings, Inc. or to it and one or more of its subsidiaries, as the context may require, "OneMain" refers to OneMain Financial Holdings, LLC and its subsidiaries, "Springleaf" refers to OMH and its subsidiaries other than OneMain, "SFI" refers to Springleaf Finance, Inc., and "SFC" refers to Springleaf Finance Corporation. This Proxy Statement contains information to assist you in voting your shares on the matters to be presented at the Company's 2018 Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 26, 2018.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of this Proxy Statement?

The purpose of this Proxy Statement is to provide information regarding matters to be voted on at the Annual Meeting. Additionally, it contains certain information that the U.S. Securities and Exchange Commission (the "SEC") and the New York Stock Exchange (the "NYSE") require the Company to provide to its stockholders. This Proxy Statement is also the document used by the Company's Board of Directors (the "Board") to solicit proxies to be used at the Annual Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on the matters to be presented at the Annual Meeting, even if they cannot attend the meeting.

Who pays the cost of soliciting proxies?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. The solicitation of proxies or votes may be made by mail, in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We also will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

How is the Company distributing proxy materials?

Although the SEC has adopted rules allowing companies to furnish proxy materials to their stockholders over the Internet, which are often referred to as "Notice and Access," we intend to use the "Full Set Delivery Option" to deliver the proxy materials for the Annual Meeting to each stockholder of record as of the record date by mail, subject to the householding procedures described below. Such materials will also be made available on the Internet at www.proxyvote.com.

What is "householding"?

If you and others who share your mailing address own Company common stock through bank or brokerage accounts, you may have received a notice that your household will receive only one copy of the Proxy Statement and 2017 Annual Report. This practice, known as "householding," is designed to reduce the volume of duplicate information and reduce printing and postage costs. You may discontinue householding by contacting your bank or broker.

You may also request delivery of an individual copy of the Proxy Statement and 2017 Annual Report by contacting us by mail at OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary or by calling our Investor Relations department at (475) 619-8821.

Table of Contents

You may be able to initiate householding if your bank or broker has chosen to offer such service by following the instructions provided by your bank or broker.

When and where will the Annual Meeting be held?

The meeting will be held on April 26, 2018, at the Old Vanderburgh County Courthouse, 201 NW 4th Street, Evansville, Indiana 47708, beginning at 1:00 p.m., local time. Stockholders may obtain directions to the location of the meeting by contacting the Company's Secretary at 601 NW Second Street, Evansville, Indiana 47708, Telephone: (812) 424-8031.

What matters will the stockholders vote on at the meeting?

You will be voting on the following:

to elect two Class II directors, Mr. Douglas L. Jacobs and Ms. Anahaita N. Kotval, to serve until the 2021 Annual Meeting, and until such director's successor has been duly elected and qualified, or until such director's earlier death, resignation or removal (the "Director Election Proposal");

to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018 (the "Ratification of Auditors Proposal"); and

to consider and act upon any other business that may properly come before the meeting or any adjournment or postponement thereof.

Who may vote at the meeting?

All stockholders who owned Company common stock at the close of business on the record date of March 9, 2018, may attend and vote at the meeting.

How do I vote?

You can vote either in person at the meeting or by proxy whether or not you attend the meeting. You can vote by telephone or Internet by following the instructions on the proxy card. If you are a registered holder of shares of Company common stock, you can also vote by mail by completing, signing, dating and returning your proxy card. If you hold your shares of Company common stock beneficially in street name, you may submit proxies by following the instructions provided by your broker, bank or other nominee (see "What if I hold my shares in a brokerage account or with another nominee ('street name')?" below for more information). If you sign your proxy card but do not specify how you want your shares voted, they will be voted as the Board recommends. The deadline for voting by telephone or electronically is 11:59 p.m., Eastern Daylight Time, on Wednesday, April 25, 2018. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person.

What if I hold my shares in a brokerage account or with another nominee ("street name")?

If you hold your shares in a brokerage account or with another nominee, the shares are said to be held in "street name." In this case your broker or other nominee will send you a package, including a voter instruction card, which will ask you how you want your shares to be voted. If you give the nominee instructions, the nominee will vote your shares as you direct. If you do not give your nominee instructions and the proposal involves a "routine" matter, then the rules of the NYSE provide nominees with discretionary power to vote your shares. However, if a proposal involves a "non-routine" matter, then nominees are not permitted to vote your shares without instructions from you (these shares are often referred to as broker non-votes).

Table of Contents

At the Annual Meeting, all matters submitted to the stockholders for approval, other than the Ratification of Auditors Proposal, are "non-routine," meaning that your broker or other nominee may not vote your shares on those matters without instructions from you. It is, therefore, important that you provide instructions to your nominee if your shares are held by a nominee so that your votes with respect to the Director Election Proposal are counted. Since a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, bank or other nominee that holds your shares, giving you the right to vote the shares at the meeting.

Can I change my vote after I execute my proxy?

You may revoke a proxy at any time prior to its exercise at the meeting. You can send in a new proxy card with a later date or send a written notice of revocation to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. You also can use telephone or Internet voting methods to change your vote. Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares.

Is my vote confidential?

We keep all proxies, ballots and voting tabulations confidential as a matter of practice. We permit only our Inspector of Election and Proxy Tabulator to examine these documents. If you write comments on your proxy card or ballot, the proxy card or ballot may be forwarded to the Company's management and the Board to review your comments.

How many votes do I have?

You will have one vote for each share of Company common stock which you owned at the close of business on March 9, 2018, the record date for the meeting.

Who will tabulate and count the votes?

Representatives or agents of Broadridge Financial Solutions, Inc. will tabulate the votes and act as the Company's Inspector of Election.

How many shares of stock are eligible to vote at the Annual Meeting?

At the close of business on March 9, 2018, there was a total of 135,678,509 shares of Company common stock issued and outstanding and eligible to vote at the Annual Meeting.

How many shares must be present to hold the Annual Meeting?

The holders of a majority of the shares of our common stock outstanding as of the record date and entitled to vote at the Annual Meeting must be present, in person or by proxy, at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. In determining whether a quorum is present, shares represented by votes to withhold, abstentions and broker non-votes will be deemed present at the Annual Meeting. Once a share is deemed present for any purpose at the Annual Meeting, it is deemed present for quorum purposes for the remainder of the Annual Meeting.

Table of Contents

How many votes are required to elect directors and adopt other proposals?

Proposal 1 Director Election Proposal: Directors are elected by a plurality of the votes of holders of shares present, in person or by proxy, and entitled to vote at a meeting of stockholders at which a quorum is present. Accordingly, the nominees with the highest number of "**FOR**" votes will be elected. Votes to withhold and broker non-votes, if any, will not have any effect on the election of a director.

Proposal 2 Ratification of Auditors Proposal: Approval of the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018, requires the affirmative vote of the holders of a majority of the total number of shares present, in person or by proxy, and entitled to vote on the proposal. Abstentions and broker non-votes, if any, will have the same effect as a vote against this proposal.

Other business: All other business that may properly come before the Annual Meeting requires the affirmative vote of the holders of a majority of the total number of shares present, in person or by proxy, and entitled to vote on any such other business.

How do I attend the Annual Meeting?

Admission to the Annual Meeting is limited to Company stockholders or their proxy holders. In order to be admitted to the Annual Meeting, each stockholder will be asked to present proof of stock ownership and a valid, government-issued photo identification, such as a driver's license. Proof of stock ownership may consist of the proxy card, or if shares are held in the name of a broker, bank or other nominee ("street name"), an account statement or letter from the nominee indicating that you beneficially owned shares of Company common stock at the close of business on March 9, 2018, the record date for the Annual Meeting.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and report final results on a Current Report on Form 8-K, which we intend to file with the SEC within four business days after the Annual Meeting.

CORPORATE GOVERNANCE

Governing Documents

The following primary documents make up the Company's corporate governance framework:

Corporate Governance Guidelines ("Governance Guidelines")

Audit Committee Charter

Compensation Committee Charter

Nominating and Corporate Governance ("NCG") Committee Charter

Compliance Committee Charter

Code of Business Conduct and Ethics ("Code of Conduct")

Code of Ethics for the Principal Executive and Senior Financial Officers ("Principal Officer Code")

These documents are accessible on the Company's website at www.onemainfinancial.com by clicking on "Investor Relations" at the bottom of the webpage and then "Corporate Governance." You also may obtain a free copy of any of these documents by sending a written request to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. We intend to disclose any material amendments to or waivers of our Code of Conduct and Principal Officer Code requiring disclosure under applicable SEC or NYSE rules on our website within four business days of the date of any such amendment or waiver in lieu of filing a Current Report on Form 8-K pursuant to Item 5.05 thereof.

Corporate Governance Guidelines

The Governance Guidelines, which are available on our website as outlined above, set forth the Company's primary principles and policies regarding corporate governance. The Governance Guidelines are reviewed from time to time as deemed appropriate by the Board. The Governance Guidelines are supplemented by the Code of Conduct and the Principal Officer Code, as well as by policies and procedures addressing specific topics and practices.

Codes of Business Conduct and Ethics

The Board adopted a Code of Conduct to help ensure that the Company abides by applicable laws and corporate governance standards. This code applies to all directors, employees and officers, including our Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), Principal Accounting Officer and Controller. The Board has also adopted a Principal Officer Code that applies to our CEO, CFO, and Principal Accounting Officer. The Code of Conduct and the Principal Officer Code are available on our website as outlined above.

Board Leadership Structure

Although not required, the Company has separated the roles of CEO and Chairman of the Board. The CEO is responsible for the day-to-day leadership, management, direction and performance of the Company, while the Chairman of the Board is responsible, together with the CEO and the other members of the Board, for setting the strategic direction of the Company.

Board's Role in Risk Oversight

While management is responsible for day-to-day risk management of the Company's operations, the Board is responsible for overseeing enterprise-wide risks. The Board uses its standing committees

Table of Contents

(more fully discussed below) to monitor and address what may be within the scope of each committee's expertise or charter. For example, the Audit Committee oversees the financial statements, accounting and auditing functions and related risk; the Compensation Committee oversees the Company's compensation programs, including goals, objectives, performance and compensation for our CEO and other executive officers, and the compensation disclosure in this Proxy Statement; and the NCG Committee oversees director qualifications, Board structure and corporate governance matters. The Board also has created a Compliance Committee to oversee regulatory compliance matters and risks relating to the Company's operations and business, which provides regular reports to the Board. In addition to getting information from its committees, the Board also receives updates directly from members of management. In this regard, Mr. Levine, due to his position as both CEO and director of the Company, is particularly important in communicating with other members of management and keeping the Board updated on the important aspects of the Company's operations.

Independent Directors

The Company recognizes the importance of having an independent Board that is accountable to the Company and its stockholders. Accordingly, the Governance Guidelines (a copy of which may be found in the "Investor Relations Corporate Governance" section of the Company's website) provide that a majority of the Board's directors shall be independent in accordance with the NYSE listing standards. Our Board has affirmatively determined that Ms. Kotval and Messrs. Guthrie, Jacobs and Lott are "independent" under Section 303A.02(b) of the NYSE listing standards. In making these determinations, the Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

Board, Committee and Annual Meeting Attendance

The Board held sixteen meetings during 2017. Each director attended at least 75% of the total number of meetings of the Board and committees held during the period he or she served, except for Mr. Edens. Mr. Edens' views were represented at the meetings by Mr. Levine. Directors are invited and encouraged, but are not required, to attend the Company's annual meeting of stockholders. One of the Company's directors attended the Company's 2017 Annual Meeting of Stockholders.

Presiding Non-Management Director and Executive Sessions

The Company's non-management and independent directors met in executive session without management five times in 2017. Roy Guthrie is the presiding non-management director appointed to preside at each executive session.

Communications with the Board of Directors

Any Company stockholder or other interested party who wishes to communicate with the Board or any of its members may do so by writing to: Board of Directors (or one or more named directors), c/o, Jack R. Erkill, Senior Vice President, Deputy General Counsel & Secretary, OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708.

Complaints and concerns relating to the Company's accounting, financial reporting, internal accounting controls or auditing matters (together, "Accounting Matters") should be communicated to the Audit Committee of the Board. Any such communications may be made on an anonymous basis. Employee concerns or complaints may be reported to the Audit Committee through a third-party vendor, Navex Global, Inc., that has been retained by the Audit Committee for this purpose. Navex Global may be contacted toll-free at (855) 296-9088, or via the Internet at

Outside parties, including stockholders, may bring issues regarding Accounting Matters to the attention of the Audit Committee by writing to: Audit Committee, c/o, Jack R. Erkilli, Senior Vice President, Deputy General Counsel & Secretary, OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708.

All complaints and concerns will be reviewed under the direction of the Audit Committee and overseen by the General Counsel and other appropriate persons as determined by the Audit Committee. The General Counsel also prepares a periodic summary report of all such communications for the Audit Committee.

Criteria and Procedures for Selection of Director Nominees

Although the Board retains ultimate responsibility for nominating members for election to the Board, the NCG Committee of the Board conducts the initial screening and evaluation process. Although there are no minimum qualifications, skills or qualities required to be nominated for election, as provided in the Company's Governance Guidelines, director nominees, including those directors eligible to stand for re-election, are selected based on, among other things, the following factors:

whether the nominee has demonstrated, by significant accomplishment in his or her field, an ability to make meaningful contributions to the Board's oversight of the business and affairs of the Company;

the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities;

experiences, skills and expertise;

diversity;

business judgment;

composition of the Board;

requirements of applicable laws and NYSE listing standards;

time availability and dedication; and

conflicts of interest.

While the NCG Committee has not adopted a formal diversity policy for the selection of director nominees, diversity is one of the factors that the NCG Committee considers in identifying director nominees. In considering diversity, in particular, the NCG Committee considers general principles of diversity in the broadest sense. The NCG Committee seeks to recommend the nomination of directors who represent different qualities and attributes and a mix of professional and personal backgrounds and experiences that will enhance the quality of the Board's deliberations and oversight of our business.

In conducting the screening and evaluation of potential director nominees, the NCG Committee considers candidates recommended by directors and the Company's management, as well as recommendations from Company stockholders. While the NCG Committee's Charter and our Governance Guidelines provide that the NCG Committee may, if it deems appropriate, establish procedures to be followed by stockholders in submitting recommendations for director candidates, the NCG Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because our Amended and Restated Bylaws, as amended (the "Bylaws"), include procedures for stockholders to nominate candidates to serve on the Board for election at any annual meeting or at any special meeting called for the purpose of electing directors. The Board believes that it is appropriate for the Company not to have a specific policy since stockholders may submit recommendations for director candidates by following the procedures set forth in the Bylaws, as summarized below.

Edgar Filing: OneMain Holdings, Inc. - Form DEF 14A

Table of Contents

The Bylaws require a stockholder who desires to nominate a candidate for election to the Board at an annual meeting to timely submit certain information to OneMain Holdings, Inc., 601 NW Second Street, Evansville, Indiana 47708, Attention: Secretary. This information includes, among other things:

the stockholder's name and address, and the class, series and number of shares that he or she beneficially owns;

a representation that the stockholder is a holder of record as of the record date and intends to appear in person or by proxy at the annual meeting;

the name, address and certain other information regarding the stockholder's nominee for director;

a description of any arrangement or understanding between the stockholder and the director nominee or any other person (naming such person(s)) in connection with the making of such nomination to the Board; and

a completed questionnaire with respect to the prospective nominee's background and the background of any other person on whose behalf the nomination is being made, and certain written representations and agreements from such persons concerning their independence and compliance with applicable laws.

To be timely, a stockholder must submit the information required by the Bylaws not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders. The Bylaws include special notice provisions if no annual meeting was held in the previous year, or if the annual meeting is called for a date that is not within 30 days before or after the anniversary date of the preceding annual meeting. While these provisions of the Bylaws permit a stockholder to nominate a candidate for election to the Board, such nominations will be subject to certain rights of Springleaf Financial Holdings, LLC ("SFH" or the "Initial Stockholder") or the acquiring stockholder (the "Acquiring Stockholder") in connection with the Apollo-Värde Transaction (defined below). See "Certain Relationships and Related Party Transactions Stockholders Agreement" below for more information.

Table of Contents

BOARD OF DIRECTORS

Our Restated Certificate of Incorporation, as amended, provides that the Board shall consist of not less than three and not more than eleven directors, as may be determined from time to time by a majority of the entire Board. As of the date of this Proxy Statement, the Board consists of six members, five of whom are non-employee directors.

The Board is also divided into three classes that are, as nearly as possible, of equal size. Each class of directors is elected for a three-year term of office, but the terms are staggered so that the term of only one class of directors expires at each annual meeting of stockholders. The Company's current Board is classified as follows:

Class II	2018	Douglas L. Jacobs Anahaita N. Kotval
Class III	2019	Wesley R. Edens Ronald M. Lott
Class I	2020	Jay N. Levine Roy A. Guthrie

The Restated Certificate of Incorporation, as amended, does not provide for cumulative voting in the election of directors, which means that holders of a majority of the outstanding shares of Company common stock can elect all of the directors standing for election.

See also the discussion under the caption "Certain Relationships and Related Party Transactions Stockholders Agreement Apollo-Värde Transaction" below.

Committees of the Board of Directors

The Board has four principal standing committees, the Audit, NCG, Compensation, and Compliance Committees, as well as an Executive Committee. The Audit Committee, the NCG Committee and the Compensation Committee consist entirely of non-employee directors, and the Board has determined that each member of these committees is "independent" within the meaning of the NYSE listing standards. Members of the Compliance Committee are not required to be independent directors. Each of the Board's four principal standing committees (i.e., the Audit, NCG, Compensation, and Compliance Committees) operates pursuant to a written charter and each such charter is available on the Company's website at www.onemainfinancial.com and is also available to stockholders upon written request, addressed to OneMain Holdings, Inc., 601 NW Second Street, Evansville, IN 47708, Attention: Secretary.

Audit Committee

The Audit Committee's responsibilities and purposes are to: (i) assist the Board in its oversight of: (a) the integrity of the Company's financial statements; (b) the Company's compliance with legal and regulatory requirements; (c) the annual independent audit of the Company's financial statements, the engagement of the independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications, independence and performance; and (d) the performance of the Company's financial reporting process and internal audit function; (ii) determine whether to recommend to the stockholders the appointment, retention or termination of the Company's independent registered public accounting firm; and (iii) pre-approve all audit, audit-related and other services, if any, to be provided by the independent registered public accounting firm. The Audit Committee also participates in the certification process relating to the filing of certain

**PROPOSAL 1:
ELECTION OF DIRECTORS**

The terms of the Class II directors, consisting of Mr. Douglas L. Jacobs and Ms. Anahaita N. Kotval, will expire at the Annual Meeting. Each incumbent Class II director has been nominated by the Board to serve as a continuing director for a new three-year term expiring at the 2021 Annual Meeting of Stockholders, and until such director's successor has been elected and qualified, or until such director's earlier death, resignation or removal.

If the Apollo-Värde Transaction (as defined below) closes, the size of the Board will be increased to nine directors (with three directors serving in each Class of the Board), up to three of the Company's current directors are expected to resign from the Board, and the Board will then appoint up to six directors designated by the Acquiring Stockholder to fill the vacancies then existing on the Board. The directors resigning from the Board at such time may or may not include one or both of the Class II director nominees standing for election at the Annual Meeting. See "Certain Relationships and Related Party Transactions Stockholders Agreement Apollo-Värde Transaction" below for more information.

In determining whether to nominate each of the Class II directors for another term, the Board considered the factors discussed above under "Corporate Governance Criteria and Procedures for Selection of Director Nominees" and concluded that each possesses those talents, backgrounds, perspectives, attributes and skills that will enable him or her to continue to provide valuable insights to Company management and play an important role in helping the Company achieve its goals and objectives. The age, principal occupation and certain other information for each director nominee and the continuing directors serving unexpired terms are set forth below. It is the general policy of the Company, as set forth in the Company's Corporate Governance Guidelines, that no director having attained the age of 75 years will stand for re-election.

The Board recommends a vote FOR the election of each of the nominees listed below for director.

Compensation Discussion and Analysis

In this section, we discuss our compensation philosophy and describe the compensation for our President and CEO and our other "named executive officers" within the meaning of Item 402 of Regulation S-K (collectively, the "NEOs"). We explain how our Board's Compensation Committee (as used in this section, the "Committee") determines compensation for our NEOs and its rationale for specific 2017 decisions.

The following individuals are our 2017 NEOs:

Jay N. Levine	President and Chief Executive Officer
Scott T. Parker	Executive Vice President and Chief Financial Officer
Robert A. Hurzeler	Executive Vice President and Chief Operating Officer
Bradford D. Borchers	Executive Vice President, Branch Operations
David P. Hogan	Executive Vice President, Credit and Analytics

Executive Summary

Our executive compensation program is designed to reward financial results and effective strategic leadership key elements in building sustainable value for stockholders. We believe our executive compensation program aligns the interests of our stockholders and our executives by correlating the amount of actual pay to our short-term and long-term performance. Our program requires ethical and responsible conduct in pursuit of these goals.

We carefully benchmark our executive compensation decisions against a relevant group of peer companies all of which are potential competitors for the national caliber of executive talent required to manage a large, decentralized, multi-state consumer finance lender.

2017 Achievements, Pay-for-Performance Alignment and Compensation Decisions

In 2017, we realized our key operating objectives and we began to see the benefits we expected from the many tireless integration efforts across all aspects of our business. Credit losses were in line with our expectations, our portfolio yield stabilized, we grew our net finance receivables while increasing the mix of secured loans in our portfolio, and we strengthened our balance sheet. Our stock price increased 17.4% during 2017 in line with the NYSE Composite Index and the NYSE Financial Sector Index.

The total compensation, as reported in the Summary Compensation Table for 2017 below, of our CEO, Mr. Levine, was relatively unchanged as compared to the prior year's compensation. Although the base salaries for each of our other NEOs were left unchanged for 2017, their total compensation

Table of Contents

for 2017 increased consistent with our pay for performance philosophy based upon the attainment of specific, pre-determined financial metrics and strategic objectives relevant to their responsibilities as discussed below under the caption "Our 2017 Executive Compensation Program in Detail Annual Non-Equity Incentive Plan Compensation."

We made equity grants in 2017 to Messrs. Parker and Hurzeler to serve as incentive for future performance, as well as recognize their efforts in the integration of the OneMain and Springleaf operations, address the competitiveness of their total compensation and provide for a retention incentive. Moreover, the Committee required that amounts payable in settlement of awards granted in 2017 under the OneMain Holdings, Inc. Amended and Restated Annual Leadership Incentive Plan (the "Annual Plan") to Messrs. Parker and Hurzeler be divided equally in cash and restricted stock units ("RSUs") that vest ratably in three annual installments.

Although compensation for Messrs. Borchers and Hogan was based primarily on short-term objectives designed to grow our business while protecting assets, the Committee aligned the interests of Messrs. Borchers and Hogan with those of our shareholders by requiring that payouts of awards under the Annual Plan in excess of the first \$500,000 be paid in the form of RSUs that vest ratably in three annual installments.

In reaching these conclusions, the Committee took into consideration equity awards granted under the OneMain Holdings, Inc. Amended and Restated 2013 Omnibus Incentive Plan (the "Omnibus Incentive Plan") and distributions in respect of SFH Incentive Units (defined below) that were made in prior years, including the value realized upon vesting during 2017 of prior year equity awards, as well as the amount and form of payouts under the Annual Plan for the other NEOs.

As disclosed in prior years, we made equity grants relating to our common stock in 2013 to Mr. Levine to align his interests with those of our stockholders and to incentivize him to pursue and achieve our strategic business, growth and financial objectives. In addition to this equity grant, certain of our executive officers, including each of the NEOs, also hold certain incentive units in SFH (the "SFH Incentive Units"), our initial stockholder at the time of our initial public offering ("IPO"). These SFH Incentive Units further align the interests of our management with those of our stockholders because they only deliver value to the extent that distributions by SFH to its owners exceed certain thresholds, including distributions made in connection with sales of our common stock by SFH. None of the NEOs received any cash distributions in respect of their SFH Incentive Units in 2017.

We believe the compensation related actions that we undertook in 2017 were consistent with our pay for performance philosophy, while appropriately balancing risk and reward without exposing the Company to imprudent or undue risk taking.

Table of Contents

Our Executive Compensation Governance Practices and Policies

Review of Pay Versus Performance. The Committee periodically reviews the relationship between executive pay and Company performance.

Compensation Benchmarking. Our target compensation for our NEOs, other than Mr. Levine, approximates the 75th percentile of our peer group.

Restrictive Covenants. Our executive officers, including our NEOs, are subject to restrictive covenants upon separation from the Company, including non-solicitation and non-disclosure obligations. Messrs. Levine, Parker and Hurzeler are also subject to non-competition covenants upon separation from the Company pursuant to the terms of their respective employment agreements.

Compensation Clawbacks. In 2016, we adopted a policy to recover incentive-based awards from our executive officers for the three-year period prior to any accounting restatement that would have resulted in a lower payment because of the restated results.

Stock Ownership Policies. In 2017, we adopted a policy requiring our CEO to hold shares of our common stock equal to five times his annual base salary and each of our other executive officers to hold shares of our common stock equal to three times their respective annual base salaries. In 2016, we adopted a policy requiring our independent directors to hold shares of our common stock equal to at least three times the cash retainer fees paid to our independent directors for annual board service.

What Guides Our Executive Compensation Program

Philosophy and Objectives of Our Executive Compensation Program

The philosophy underlying our executive compensation program is to provide an attractive, flexible, and market-based total compensation program tied to performance and aligned with the interests of our stockholders. Our objective is to recruit and retain the caliber of executive officers and other key employees necessary to deliver sustained high performance to our stockholders and customers. Our executive compensation program is an important component of our overall human resources policies. Equally important, we view compensation practices as a means for communicating our goals and

No Repricing. We do not currently permit the repricing of stock options or SARs without stockholder approval.

No Hedging of Shares. We do not permit hedging or short sales of our stock, or similar transactions where potential gains are linked to a decline in our share price, by our directors or executive officers.

Independent Compensation Consultant. The Committee has engaged Pearl Meyer & Partners, LLC ("Pearl Meyer") as its independent compensation consultant. Pearl Meyer was retained directly by the Committee and performs no other consulting or other services for the Company.

Review of Compensation Peer Groups. Our peer group is reviewed periodically by the Committee, and adjusted, when necessary to ensure that its composition remains a relevant and appropriate comparison for our executive compensation program. In 2017, we did not make any changes to our peer group.

No Excise Tax Gross-Ups. We do not provide gross-ups payments to offset any "golden parachute" excise taxes potentially incurred by our executives in connection with a change in control.

standards of conduct and performance and for motivating and rewarding employees in relation to their achievements.

We observe the following principles in connection with setting executive compensation:

Retain and hire top-caliber executives: Executive officers should have base salaries and employee benefits that are market competitive and that permit us to hire and retain high-caliber individuals at all levels;

Pay for performance: A significant portion of the total compensation of our executive officers should be linked to the achievement of Company performance objectives;

Align compensation with stockholder interests: The interests of our executive officers should be aligned with those of our stockholders through the risks and rewards of the ownership of our common stock;

Provide limited perquisites: Perquisites for our executive officers should be minimized and limited to items that serve a reasonable business purpose; and

Reinforce succession planning process: The overall compensation program for our executive officers should reinforce our succession planning process by providing competitive total compensation necessary to attract, motivate and retain key executive talent.

How We Make Compensation Decisions

Role of the Compensation Committee

The Committee is responsible to our Board for overseeing the development and administration of our compensation and benefits policies and programs. The Committee, which consists of two independent directors, is responsible for the review and approval of all aspects of our executive compensation program.

The Committee is responsible for evaluating annually the performance of our CEO and determining and approving our CEO's compensation based on such evaluation. Additionally, the Committee is responsible for the following among its other duties:

Reviewing and approving of corporate incentive goals and objectives relevant to compensation;

Edgar Filing: OneMain Holdings, Inc. - Form DEF 14A

Evaluating individual performance results in light of these goals and objectives;

Evaluating the competitiveness of each executive officer's total compensation package; and

Table of Contents

Approving any changes to the total compensation package, including, but not limited to, base salary, and annual and long-term incentive award opportunities.

The role of the Committee is described in detail in the Compensation Committee Charter, which is available under the Corporate Governance tab in the Investor Relations section of our website at <http://investor.onemainfinancial.com/>. The Committee is supported in its work by our Executive Vice President, Human Resources, her staff, and the Committee's independent compensation consultant, as described below.

Role of the Chief Executive Officer

Within the framework of the compensation programs approved by the Committee and based on their review of market competitive positions, each year our CEO assesses the performance and achievements of our executive officers for the Committee to consider in their determination of compensation. Our CEO's recommendations are based upon his assessment of each executive officer's individual performance, the performance of each executive officer's respective business unit or function, and employee retention considerations.

Role of the Chief Risk Officer

In reviewing proposed variable compensation programs for our executive officers and other employees, the Committee attempts to balance the business risks inherent in the program design with its compensation objectives to ensure that such program design encourages responsible investment of our resources and does not unintentionally reward imprudent risk-taking. After a review of our compensation plans by our Chief Risk Officer, who briefed the Committee at its meeting in October 2017, the Committee concluded that our compensation plans were well-defined and well documented and that our incentive compensation plans are not unbalanced such that they encourage excessive or unnecessary risk-taking that would endanger the reputation or financial well-being of the Company.

Role of the Compensation Consultant

The Committee has retained Pearl Meyer as its independent executive compensation consultant. Pearl Meyer reports directly to the Committee and the Committee may replace its compensation consultant or hire additional consultants at any time. A representative of Pearl Meyer attends meetings of the Committee, when requested, and communicates with the Committee Chair between meetings.

Pearl Meyer provides various executive compensation services to the Committee pursuant to a consulting agreement with the Committee. Generally, these services include advising the Committee on the principal aspects of our executive compensation program and evolving industry practices and providing market information and analysis regarding the competitiveness of our program design and our award values in relationship to performance. Pearl Meyer provided no additional services to us in 2017.

Compensation Peer Group

The Committee uses compensation data compiled from a group of publicly traded peer companies in the diversified financial services industries (including banking, consumer finance, and thrifts and mortgage finance), as well as the specialty retail and IT services industries (the "Peer Group"). The Committee periodically reviews and updates the Peer Group, as necessary, upon the recommendation of its independent compensation consultant. During 2017, the Committee chose not to revise the Peer Group.

Use of Competitive Data

The Committee relies on various sources of compensation information to ascertain the competitive market for our executive officers, including the NEOs. To assess the competitiveness of our executive compensation program, we analyze Peer Group compensation data obtained from peer company proxy materials as well as compensation and benefits survey data provided by national compensation consulting firms. As part of this process, we measure our program's competitiveness by comparing relevant market data against actual pay levels within each compensation component and in the aggregate for each executive officer position. We also review the mix of our compensation components with respect to fixed versus variable, short-term versus long-term, and cash versus equity-based pay. This information is then presented to the Committee for its review and use.

The Committee generally compares the compensation of each NEO in relation to the 50th and 75th percentiles of the Peer Group for similar positions. In addition, the Committee considers various factors such as our performance within the Peer Group, the unique characteristics of the individual's position, and any succession and retention considerations.

Executive Officer Stock Ownership Policy

In February 2017, the Board approved an Executive Officer Stock Ownership Policy to align the interests of our executive officers with those of our stockholders by encouraging significant stock ownership in the Company. Such policy is administered by the Compensation Committee of the Board. Pursuant to such policy, our CEO is required to hold shares of our common stock with a value equal to five times his base salary and each of our other executive officers to hold shares of our common stock with a value equal to three times their base salary. For purposes of determining compliance with such policy at any time, the value of our executive officers' holdings is determined by multiplying the number of shares held by such executive officer by the average closing price of a share of our common stock for the previous calendar year. Our executive officers' holdings include shares held directly by the executive officer, including unvested restricted shares and RSUs, and shares owned indirectly or beneficially by the executive officer. Our current executive officers are required to meet the requirements of such policy by March 2022, and any individual who becomes an executive officer after February 2017 will have five years from the date such individual commences service as executive officer to satisfy the requirements of such policy.

Components of Our 2017 Executive Compensation Program

The principal components of our 2017 executive compensation program and the purpose of each component are presented in the following table:

Program Element	Purpose	2017 Actions
	Fixed amount that establishes a guaranteed minimum level of cash compensation.	None of our NEOs received an increase in base salary in 2017.
	Attract and retain key executive talent.	Under the terms of Mr. Hurzeler's employment agreement, he is eligible to participate in the Annual Plan, subject to a minimum guaranteed cash payment of \$400,000. Mr. Hurzeler received a calculated payout under the Annual Plan for his 2017 performance, the value of which exceeded his minimum guarantee.
	Variable incentive compensation that ties payouts to the achievement of financial performance metrics and individual contributions.	Each of the NEOs other than Mr. Levine participated in the Annual Plan during 2017. Messrs. Parker, Hurzeler, Borchers and Hogan received a payout under our Annual Plan for 2017 performance. For Messrs. Parker and Hurzeler, the payout under the Annual Plan is divided equally between cash and service-based RSUs. For Messrs. Borchers and Hogan, the payout under the Annual Plan is in the form of a cash payout for the first \$500,000 with the remaining payout in the form of service-based RSUs.
	Compensation that establishes an equity component of total compensation that extends the executive's decision-making vision beyond the current year to long-term growth and prosperity. Forges a direct link between executive and stockholder interests by transforming executives into stockholders. Aids in the retention of the executive.	Messrs. Parker and Hurzeler received a one-time grant of service-based RSUs and service-based restricted stock awards ("RSAs") in February 2017 with a grant date fair value of \$5,000,000 and \$1,000,000 respectively in recognition of their efforts in the integration of the OneMain and Springleaf operations. Messrs. Parker and Hurzeler were granted performance-based RSUs in March 2017 with a grant date fair value of \$1,250,000 and \$1,000,000, respectively. Both the February and March awards are intended to serve as pay for performance and to align their interests with those of our shareholders over a multi-year period.

Our 2017 Executive Compensation Program in Detail

Base Salary

Base salary is the principal fixed component of our executives' total direct compensation that establishes a guaranteed minimum level of cash compensation of our executive officers, including the NEOs, and is determined by considering the competitive marketplace. The Committee reviews compensation data provided by its independent compensation consultant, Pearl Meyer, specific to the peer group in order to determine the overall competitiveness of the NEOs' total compensation.

Base salary for the NEOs for 2018 has not yet been determined.

Jay N. Levine	President and Chief Executive Officer	\$ 400,000
Scott T. Parker	Executive Vice President and Chief Financial Officer	\$ 400,000
Robert A. Hurzeler	Executive Vice President and Chief Operating Officer	\$ 350,000
Bradford D. Borchers	Executive Vice President, Branch Operations	\$ 350,000
David P. Hogan	Executive Vice President, Credit & Analytics	\$ 350,000

Guaranteed & Discretionary Bonuses

Mr. Hurzeler is entitled to receive a minimum guaranteed annual bonus pursuant to the terms of his employment agreement with the Company. Pursuant to the terms of Mr. Hurzeler's employment agreement, he was entitled to receive a minimum guaranteed bonus of \$400,000, but instead received his calculated payout under the 2017 Annual Plan of \$1,863,801, which exceeded his minimum guaranteed bonus.

Annual Non-Equity Incentive Plan Compensation

The Annual Plan is a sub-plan of the Omnibus Incentive Plan in which our NEOs, other than Mr. Levine, participated during 2017. Under the provisions of the Annual Plan, the executive officers who participate in the Annual Plan are eligible to receive annual incentive compensation contingent upon the attainment of specific, pre-determined financial metrics and strategic objectives relevant to the responsibilities of each such executive officer, each of which drives sustainable growth and creates long-term stockholder value. For 2017, the financial metrics and strategic objectives for Messrs. Parker, Hurzeler, Borchers and Hogan's Annual Plan awards included Adjusted Pre-Tax Earnings for the

Consumer & Insurance ("C & I") segment, C & I Net Finance Receivables, C & I Net Charge-Off Amount, and C & I Operating Expense Adjusted for Deferred Acquisition Costs, as well as our CEO's assessment of the strategic build of the business.

C & I Adjusted Pre-Tax Earnings, C & I Net Finance Receivables, C & I Net Charge-Off Amount and C & I Operating Expense Adjusted for Deferred Acquisition Costs are non-GAAP financial measures within the meaning of SEC rules. Please refer to pages 54-55 of our 2017 Annual Report on Form 10-K filed with the SEC on February 21, 2018, for a description of C & I Adjusted Pre-Tax Earnings and C & I Net Finance Receivables. C & I Net Charge-Off Amount represents the aggregate dollar amount of loans charged off in our C & I segment during 2017 less the aggregate dollar amount of monies recovered in our C & I segment during 2017 from loans previously charged off. C & I Operating Expense Adjusted for Deferred Acquisition Costs represents total operating expenses for our C & I segment during 2017 adjusted for deferred acquisition costs incurred during 2017 in connection with originating loans.

Under the Annual Plan, annual compensation targets are set for each participant, and a performance range with accompanying variability of compensation is determined for each metric. Our annual incentive program under the Annual Plan for 2017 was structured so that the first \$500,000 of amounts payable to a recipient under the 2017 Annual Plan was payable in cash. Any amount payable to a recipient under the 2017 Annual Plan in excess of \$500,000 and less than \$1,000,000 was payable in the form of service-based RSUs, and any amount above \$1,000,000 was split equally between cash and service-based RSUs.

For 2017, Messrs. Parker, Hurzeler, Borchers and Hogan were eligible to earn a target bonus amount of \$1,600,000, \$1,600,000, \$650,000, and \$500,000, respectively, with possible payouts between 0% and 150% of the target level. Upon completion of the performance year and finalization of the financial metrics and strategic objectives used to measure performance, the CEO provided a candid assessment of, and a recommendation regarding, the contributions of Messrs. Parker, Hurzeler, Borchers and Hogan towards the attainment of the applicable metrics and objectives. The Committee reviewed the CEO's assessment and recommendation in light of the Company's performance for the year.

Taking into account an adjustment approved by the Committee that is described more fully below, the Committee approved payments in 2018 to Messrs. Parker, Hurzeler, Borchers and Hogan in respect of their 2017 Annual Plan awards based upon the achievement of financial metrics and our CEO's assessment of the achievement of strategic objectives. In approving the achievement results for the C & I Adjusted Pre-Tax Earnings metric, the Committee exercised its discretion to approve an upward adjustment to take account of the estimated impacts of hurricanes (extraordinary events considered by the Committee to be outside of management's control that negatively impacted the actual results).

In 2018, in settlement of their respective total 2017 Annual Plan award payouts of \$1,863,801, Messrs. Parker and Hurzeler each received a cash payment of \$931,900 and service-based RSUs with a value of \$931,901. Such RSUs vest ratably in three annual installments beginning in February 2019. In 2018, in partial settlement of their respective total 2017 Annual Plan award payouts, Messrs. Borchers and Hogan each received a cash payment of \$500,000. In addition, in partial settlement of their respective total 2017 Annual Plan award payouts, Messrs. Borchers and Hogan also received service-based RSUs in 2018 with a value of \$242,904 and \$59,964, respectively, for a total payout of their 2017 Annual Plan awards of \$742,904 and \$559,964 respectively. Such RSUs vest ratably in three annual installments beginning in February 2019.

Table of Contents

The financial metrics and strategic objectives achievement results approved by the Committee for the 2017 Annual Plan awards granted to Messrs. Parker, Hurzeler, Borchers and Hogan were as follows as reflected in the table below:

C & I Adjusted Pre-Tax Earnings metric was achieved below the target (77.7% achievement level),

C & I Net Finance Receivables metric was achieved above the target (137.2% achievement level),

C & I Net Charge-Off Amount metric was achieved above the target (128.3% achievement level), and

C & I Operating Expense Adjusted for Deferred Acquisition Costs metric was achieved above the target (130.6% achievement level).

Equity-Based Incentive Plan Compensation

We have historically settled awards under our Annual Plan partially in cash and partially in the form of equity-based instruments, including service-based RSUs and RSAs. Our use of equity-based instruments in partial settlement of awards under our Annual Plan ties annual performance to the Company's long-term success by generally basing the magnitude of such equity-based payouts of Annual Plan awards on the applicable NEO's performance during the prior year and imposing continued service-based vesting conditions, generally over a three-year period, on such equity-based instruments.

In prior years, we have also granted equity-based incentive plan compensation awards intended to serve as incentive for future performance, including performance-based RSUs, service-based RSUs and fully vested RSUs, to certain of our executive officers. As disclosed in prior years, on September 30, 2013, Mr. Levine received a sizeable grant of fully vested RSUs from our predecessor, Springleaf Holdings, LLC. The purpose of this grant was to create a significant ownership stake in the Company for Mr. Levine in order to retain his expertise and service on behalf of the Company and to align his long-term financial interests with those of the Company and its stockholders. These RSUs were settled in shares of our common stock in October 2013, and such shares generally cannot be sold or otherwise transferred for five years following the settlement date, except to the extent necessary to satisfy certain tax obligations. The duration of these restrictions is designed to ensure the engagement of Mr. Levine during the critical first five years of our existence as a publicly traded company. Additionally, as

Edgar Filing: OneMain Holdings, Inc. - Form DEF 14A

Table of Contents

disclosed during prior years, Messrs. Parker and Hurzeler each received sizeable grants of equity-based awards in conjunction with their joining the Company in 2015 and 2014, respectively. During 2016, the performance conditions associated with Mr. Hurzeler's performance-based RSUs that were granted in 2014 were fully satisfied at target, and accordingly, Mr. Hurzeler's 2014 performance-based RSUs were settled in December 2016 with service-based RSUs that vest ratably over three years beginning January 1, 2017.

As a result of our annual review of our executive officers' total compensation structure, the Committee approved new service-based equity compensation awards to Messrs. Parker and Hurzeler during 2017 for their efforts in integrating the OneMain and Springleaf operations that were intended to serve as incentive for future performance. Mr. Parker received service-based RSUs with a grant date fair value of \$5,000,000 that vest ratably in three annual installments beginning February 2018. Mr. Hurzeler received service-based RSAs with a grant date fair value of \$1,000,000 that vest ratably in three annual installments beginning February 2018.

In March 2017, the Committee approved a performance-based equity compensation program (the "Equity Program") for certain executive officers. The executive officers who were participants in the Equity Program received performance-based equity compensation awards with vesting contingent upon the attainment of specific, pre-determined performance measures. Due, in part, to our concentrated stock ownership, we utilized C & I Adjusted Earnings Per Share and Tangible Leverage Ratio as the performance measures for the Equity Program. Each of these measures were weighted equally for 2017 awards under the Equity Program. For 2017, Messrs. Parker and Hurzeler received performance-based RSUs that were settled in the form of service-based RSUs with continued service vesting periods following attainment of the performance measures. At the target level of performance, Messrs. Parker and Hurzeler would receive service-based RSUs upon settlement of their performance-based RSUs with grant date fair values of \$1,250,000 and \$1,000,000, respectively, with possible payouts between 0% and 150% of the target level.

For 2017, C & I Adjusted Earnings Per Share was calculated by tax effecting our C & I Adjusted Pre-Tax Earnings for 2017 using an assumed tax rate of 37%, and then dividing the after-tax result by the weighted average number of diluted shares outstanding during 2017. For 2017, our Tangible Leverage Ratio was calculated by subtracting the carrying value of junior subordinated debt at December 31, 2017, from the carrying value of our total long-term debt at December 31, 2017, to arrive at Adjusted Debt, and then dividing the Adjusted Debt result by Adjusted Tangible Common Equity, which is calculated by subtracting goodwill and other intangible assets at December 31, 2017, from total shareholders' equity at December 31, 2017, and then adding the carrying value of junior subordinated debt at December 31, 2017, to the result.

Taking into account adjustments approved by the Committee that are described more fully below, the Committee certified achievement of the C & I Adjusted Earnings Per Share metric below the target level of performance and achievement of the Tangible Leverage Ratio metric above the target level of performance. In approving the achievement results for the C & I Adjusted Earnings Per Share metric, the Committee exercised its discretion to approve an upward adjustment to take account of the estimated impacts of hurricanes (extraordinary events considered by the Committee to be outside of management's control that negatively impacted the actual results). In approving the achievement results for the Tangible Leverage Ratio metric, the Committee exercised its discretion to approve a downward adjustment to take account of the estimated impacts of hurricanes and the impact on our 2017 results of tax reform (extraordinary events considered by the Committee to be outside of management's control that negatively impacted the actual results), as well as the impact on the actual results of the Tangible Leverage Ratio metric of net debt incurred in December 2017 that was used to refinance debt in January 2018 (an adjustment the Committee considered appropriate given the timing circumstances and the desire by the Committee to ensure proper alignment of management's incentives with those of our stockholders). Based on the adjusted performance achievement levels, the Committee approved the

Table of Contents

settlement of the performance-based RSUs granted to Messrs. Parker and Hurzeler with service-based RSUs at 114.9% of target level. The service-based RSUs vest ratably in three annual installments beginning in March 2018.

The following table shows the achievement results of the NEOs who were participants in our 2017 Equity Program:

We believe our use of equity-based instruments that have continued service-based vesting conditions and that are issued in partial settlement of Annual Plan awards and Equity Program awards, as well as our prior year grants of performance-based RSUs, service-based RSUs and fully vested RSUs, closely align the interests of our management with those of the Company and our stockholders by ensuring that our management has a meaningful equity ownership stake in the Company. We also believe that the ownership of SFH Incentive Units (described below) by certain of our executive officers, including each of the NEOs, further strengthens this alignment of interests.

SFH Incentive Units

Certain of our executive officers, including each of the NEOs, hold SFH Incentive Units. These SFH Incentive Units are profit interests that will provide the holders thereof with benefits (in the form of distributions) only if SFH makes distributions to one or more of its common members that exceed specified threshold amounts. These SFH Incentive Units entitle the holders thereof to vote together with SFH common units as a single class on all matters.

Holders of SFH Incentive Units are generally entitled to receive distributions in respect of their SFH Incentive Units only if they are employed by us or one of our affiliates on, and have not given or received notice of termination of such employment as of, the date the distribution is paid. No distributions in respect of SFH Incentive Units will be provided to holders of SFH Incentive Units following such holder's termination of employment for any reason other than death, in which case such holder's respective beneficiaries will be entitled to any distributions made in respect of the SFH Incentive Units following such holder's date of death. Holders of SFH Incentive Units will also not receive any distributions in respect of their SFH Incentive Units following the termination of employment of both Messrs. Levine and Anderson, in each case for any reason other than death.

These SFH Incentive Units further align the interests of the holders thereof with those of our stockholders and only deliver value to the extent that distributions by SFH to its owners exceed certain thresholds, including distributions made in connection with sales of our common stock by SFH.

Although these distributions (if any) are paid by SFH, we are required to recognize such distributions as stock-based compensation expense in our consolidated financial statements under U.S. generally accepted accounting principles ("GAAP"), and such distributions are reflected in the All Other Compensation column of the Summary Compensation Table for the applicable year. Distributions on these SFH Incentive Units are not tax deductible by us. Nevertheless, because the holders of SFH Incentive Units only receive distributions on such SFH Incentive Units if certain

Table of Contents

thresholds are exceeded at the time that SFH sells its holdings of our common stock, we believe these SFH Incentive Units drive pay for performance. None of the NEOs received any distributions in respect of SFH Incentive Units in 2017. During 2018, our CEO has received distributions in respect of his SFH Incentive Units as a result of sales of shares of our common stock by SFH, and certain of our NEOs, including our CEO, are expected to receive distributions upon closing of the Apollo-Värde Transaction (defined below).

Benefits

All of our NEOs are eligible to participate in our general tax-qualified, defined contribution retirement savings 401(k) plan (the "401(k) Plan"). We match a percentage of each participant's contributions to the 401(k) Plan up to the statutory limitation.

Our defined benefit plans include a tax-qualified pension plan (the "Retirement Plan") and a non-qualified Excess Retirement Income Plan (the "Excess Plan") (collectively the "Pension Plans"). Each of the Pension Plans provides for a yearly benefit based on years of service and average final salary. The Pension Plans and their benefits are described in greater detail below under " Pension Benefits". As of December 31, 2012, which was prior to eligibility for all of our NEOs other than Messrs. Levine and Borchers, both Pension Plans were frozen with respect to both salary and service levels to prevent future increases in the benefit liabilities established under the applicable Pension Plan. We continue to fund the Retirement Plan's trust to the extent the assets in the trust are less than the present value of the liabilities associated with the Retirement Plan's benefits.

Each of our executive officers is eligible to participate in our various group health and welfare benefit plans and fringe benefit programs that are generally available to all of our team members on a non-discriminatory basis.

Employment Agreements

We have entered into employment agreements with certain of our executive officers, including Messrs. Levine, Parker and Hurzeler. While we do not maintain a policy of entering into employment agreements with each of our executive officers, we believe the use of employment agreements are appropriate and useful under certain circumstances to attract and retain certain of our executive officers.

Employment Agreement with Mr. Levine

On September 30, 2014, we entered into an employment agreement with Mr. Levine pursuant to which he serves as our President and CEO. The agreement was scheduled to expire on December 31, 2016, but automatically renewed for an additional one-year term. The agreement is currently scheduled to expire on December 31, 2018, and, unless earlier terminated in accordance with its terms, the agreement will be automatically renewed for additional one-year terms unless either party provides notice of non-renewal to the other at least 90 days before expiration of the then-current term.

Mr. Levine's employment agreement provides that Mr. Levine receives an annual base salary of \$400,000. The agreement also provides that Mr. Levine is eligible to participate in all retirement and welfare benefit plans and paid-time off policies as are made available by us to our senior executives.

Mr. Levine's employment agreement also provides that if his employment is terminated by us without "cause" (as defined in the agreement) or by Mr. Levine for "good reason" (as defined in the agreement and summarized below), and if Mr. Levine executes a general release of claims in a form acceptable to us and continues to comply with all applicable restrictive covenants, he will receive (i) continued base salary payments for 12 months and (ii) a pro-rated annual bonus for the year of termination, based on the average of the annual bonuses paid to him for the three years prior to termination (or such lesser number of years for which he received a non-zero annual bonus, if applicable).

Table of Contents

Mr. Levine's employment agreement provides that he will not compete with us for one year following notice of his termination of employment for any reason. In addition, the agreement provides that Mr. Levine will not solicit our employees, consultants, independent contractors, service providers, or current or prospective clients or customers for two years following the termination of his employment for any reason. The agreement also contains standard perpetual provisions relating to confidentiality, intellectual property and non-disparagement.

For purposes of Mr. Levine's employment agreement, "good reason" means, in summary, (i) a substantial and sustained diminution in his authority or responsibility, (ii) a reduction of his base salary or bonus opportunity (other than an across-the-board reduction of less than 10% for all senior management), (iii) relocation of his principal location of employment by more than 25 miles, (iv) his removal as CEO or as a member of our Board, (v) failure to pay him compensation when due, or (vi) our failure to renew the term of the agreement.

Employment Agreement with Mr. Parker

On October 12, 2015, we entered into an employment agreement with Mr. Parker pursuant to which he serves as our Executive Vice President and CFO. The initial term of the agreement expires on December 31, 2019, and the agreement will automatically be renewed for additional one-year terms thereafter unless either party provides notice of non-renewal to the other at least 90 days before expiration of the then-current term.

Mr. Parker's employment agreement provides that Mr. Parker receives an annual base salary of \$400,000. Mr. Parker is also to receive a bonus under the Company's annual incentive program, subject in each case to reasonable performance objectives agreed upon between the CEO and Mr. Parker each year. The agreement also provides that Mr. Parker is eligible to participate in all retirement and welfare benefit plans and paid-time off policies as are made available by us to our senior executives.

Mr. Parker's employment agreement also provides that if his employment is terminated by us without "cause" (as defined in the agreement) or by Mr. Parker for "good reason" (as defined in the agreement and summarized below), and if Mr. Parker executes a general release of claims in a form acceptable to us and continues to comply with all applicable restrictive covenants, he will receive (i) continued base salary payments for 12 months, (ii) any earned but unpaid annual bonus for the prior calendar year, (iii) if such termination occurs prior to December 31, 2016, the annual bonus for the year in which such termination occurs (subject to pro-ration based on the number of days served during such year if such termination occurs on or after January 1, 2016 but prior to March 5, 2016), and (iv) if such termination occurs on or after January 1, 2017, the annual bonus for the year in which such termination occurs, pro-rated based on the average of the annual bonuses paid to him for the three years prior to such termination (or such lesser number of years for which he received a non-zero annual bonus, if applicable). Mr. Parker will also be eligible to participate in the OneMain Holdings, Inc. Executive Severance Plan (the "Executive Severance Plan"), provided that any severance amounts payable to Mr. Parker under the Executive Severance Plan will be reduced by the severance amounts payable to Mr. Parker under the terms of his employment agreement.

Mr. Parker's employment agreement provides that he will not compete with us for one year following notice of his termination of employment for any reason. In addition, the agreement provides that Mr. Parker will not solicit our employees, consultants, independent contractors, service providers, or current or prospective clients or customers for two years following the termination of his employment for any reason. The agreement also contains standard perpetual provisions relating to confidentiality, intellectual property and non-disparagement.

For purposes of Mr. Parker's employment agreement, "good reason" means, in summary, (i) a material reduction in his level of responsibility, title or authority, (ii) any material breach by the

Company of its obligations under the employment agreement, or (iii) relocation of his principal location of employment by more than 60 miles.

Employment Agreement with Mr. Hurzeler

On April 13, 2015, we entered into a new employment agreement with Mr. Hurzeler effective as of January 1, 2016. The agreement provides that Mr. Hurzeler will continue to serve as our Executive Vice President, Auto Lending under the agreement for an initial term beginning on January 1, 2016 and ending on December 31, 2018. The agreement will automatically be renewed for additional one-year terms thereafter unless either party provides notice of non-renewal to the other at least 90 days before expiration of the then-current term.

The employment agreement provides that Mr. Hurzeler will continue to receive an annual base salary of \$350,000 and will be eligible to receive a minimum annual bonus of \$400,000 for each full calendar year during the term of the agreement, subject to his continued employment on the payment date. The agreement also provides that Mr. Hurzeler will continue to be eligible to participate in all retirement and welfare benefit plans and paid-time off policies as are made available to the Company's other similarly situated executives during the term of the agreement.

The employment agreement also provides that if his employment is terminated by us without "cause" (as defined in the agreement) and if Mr. Hurzeler executes a general release of claims in a form acceptable to us and continues to comply with all applicable restrictive covenants, he will receive (i) continued base salary payments for 12 months, and (ii) a pro-rated annual bonus for the year of termination, based on the average of the annual bonuses paid to him for the three years prior to termination (or such lesser number of years for which he received a non-zero annual bonus, if applicable).

The employment agreement provides that Mr. Hurzeler will not compete with us for three years following the termination of his employment by us for cause or a voluntary termination by Mr. Hurzeler (or one year following termination by us for any other reason). In addition, the agreement provides that Mr. Hurzeler will not solicit our employees, consultants, independent contractors, service providers, or current or prospective clients or customers for three years following the termination of his employment by us for cause or a voluntary termination by Mr. Hurzeler (or two years following termination by us for any other reason). The agreement also contains standard perpetual provisions relating to confidentiality, intellectual property and non-disparagement.

Tax Considerations

Prior to the enactment in December 2017 of Public Law 115-97 (the "Tax Act") amending the Code, annual compensation in excess of \$1 million paid to individuals who were "covered employees" was not deductible by us unless it was "performance-based compensation" or met another applicable exemption from the limitations of Section 162(m) of the Code. The Committee previously authorized payments or awards to eligible participants who were covered employees (or to individuals whom the Committee believed at the time may in the future become covered employees) that were intended to qualify as performance-based compensation under Section 162(m) of the Code as it existed prior to the enactment of the Tax Act. To qualify as "performance-based compensation" within the meaning of Section 162(m) of the Code as it existed prior to the enactment of the Tax Act, the exercisability and/or payment of such awards generally must have been subject to the achievement of performance criteria based upon one or more performance goals set forth in the applicable plan document and to certification of such achievement in writing by the Committee. Further, the performance criteria must have been established in writing by the Committee not later than the time period prescribed under Section 162(m) of the Code as it existed prior to the enactment of the Tax Act.

Table of Contents

In order for the annual non-equity incentive plan compensation paid to our named executive officers under the Annual Plan for 2017 to be considered "performance-based compensation" within the meaning of Section 162(m) of the Code as it existed prior to the enactment of the Tax Act, the Committee approved an "umbrella" (or "outside") plan for 2017 performance (the "Section 162(m) Plan"). The Section 162(m) Plan provides that the Company must achieve a minimum of \$500,000,000 in C & I Adjusted Pre-Tax Earnings for the 2017 calendar year (the "Outside Goal") in order for the executive officers participating in the Annual Plan for 2017 to be eligible to receive an annual non-equity incentive compensation award for 2017 performance. If the Outside Goal is not met, the executive officers participating in the Annual Plan for 2017 would not be eligible to receive an annual non-equity incentive compensation award for 2017. If the Outside Goal is met, each executive officer participating in the Annual Plan for 2017 will be eligible to receive a maximum bonus opportunity equal to a specific percentage of a total bonus pool equal to \$10,000,000, or 2% of the Outside Goal. The Committee may grant actual awards in lesser amounts, but not in excess of each executive officer's maximum bonus opportunity under the Section 162(m) Plan. Any reduction in the amount of one executive officer's award will not result in an increase in any other executive officer's award. As determined and certified by the Committee, the Outside Goal under the Section 162(m) Plan was achieved for 2017, and we granted annual non-equity incentive plan compensation awards for 2017 to the executive officers participating in the Annual Plan for 2017 in lesser amounts than their maximum bonus opportunities under the Section 162(m) Plan, based on the Committee-approved financial metrics and strategic objectives achievement results for 2017, as described in greater detail above in the section entitled "Our 2017 Executive Compensation Program in Detail Annual Non-Equity Incentive Plan Compensation."

The Tax Act repealed the performance-based compensation exemption from Section 162(m)'s deduction limit for periods after December 31, 2017. As a result, compensation in excess of \$1 million paid to our covered employees, which now includes each of our current and future NEOs, will no longer be tax deductible by us whether or not such compensation is performance-based, unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. In order to compete effectively for executive-level talent, the Committee has not adopted a policy requiring that all compensation be tax deductible. Compensation paid to our NEOs that is not tax deductible by us includes any distributions made by SFH in respect of SFH Incentive Units and, subject to certain grandfathered awards, annual compensation paid to our NEOs in excess of \$1 million for periods beginning after December 31, 2017. Upon closing of the Apollo-Värde Transaction (defined below), we expect to recognize non-cash incentive compensation expense attributable to SFH Incentive Units that will not be tax deductible by us.

Consideration of Most Recent Say-on-Pay Vote

At our 2017 Annual Meeting of Stockholders, our stockholders were provided with the opportunity to cast an advisory vote on the compensation of our NEOs for 2016. Of the votes cast at our 2017 Annual Meeting of Stockholders, the say-on-pay vote yielded approximately 89% approval. Notwithstanding this favorable vote, we continue to seek input from our stockholders to understand their views with respect to our approach to executive compensation, and in particular in connection with the Committee's efforts to tie compensation to performance.
