Re: Colonial Insured Municipal Fund (NYSE: CFX)

Mr. Bordewick:

Karpus Management, Inc., d/b/a Karpus Investment Management represents beneficial ownership of 278,795 (6.56%) of the outstanding common shares of Colonial Insured Municipal Fund ("CFX" or the "Fund"). As shareholders, we have become quite concerned with the Fund's widening discount, as can be seen on the table below:

Year Average Daily NAV:

| | |
|-------------------------|---------|
| 10/27/1999 - 12/31/1999 | 2.45% |
| 2000 | -7.23% |
| 2001 | 1.25% |
| 2002 | 6.14% |
| 2003 | 2.83% |
| 2004 | 1.64% |
| 2005 | -6.58% |
| 1/1/2006 - Present | -10.13% |

Despite the fact that the Fund's shares have traded at a substantial discount to net asset value, now for what we believe to be an extended period of time, we can find no indication that the Board of Trustees is considering any actions designed to address the discount. Given these circumstances, we respectfully request that the Board consider measures designed to narrow and keep narrow the Fund's discount, including, but not limited to, substantial tender offers, surprise tender offers, managed distribution policies and/or open-ending the fund. I would appreciate the opportunity to explore these different ideas with management prior to December 13, 2006. Should we not be able to speak prior to this time, we intend on submitting a proposal in compliance with Rule 14a-8 of the Securities Exchange Act of 1934 to be included on the Fund's next regularly scheduled meeting of shareholders for May 2007. While Karpus Investment Management believes that the closed-end format is superior to the open-end format, discounts must be closely monitored and managed. I look forward to speaking with you at your convenience regarding our concerns.

Sincerely,

/s/

Re: Colonial Insured Municipal Fund (NYSE: CFX)

Mr. Bordewick:

Pursuant to rule 14a-8 of the Securities Exchange Act of 1934, Karpus Management, Inc., d/b/a Karpus Investment Management ("Karpus"), submits the following proposal and supporting statement regarding the Colonial Insured Municipal Fund ("CFX" or the "Fund") for inclusion in management's proxy materials for the next meeting of shareholders (the "Meeting") anticipated to be held in May of 2007:

RESOLVED: The shareholders request the Board of Trustees to promptly consider merging or recommending the Fund be acquired by an open-end fund with similar investment objectives.

Supporting Statement

Our Fund found it necessary and compelling to include what is referred to as a "lifeboat" provision in its original prospectus. For closed-end funds, "lifeboat" provisions are included to provide shareholders with an assurance that a Board will be active in managing a persistent discount of their fund. It is a provision designed to protect shareholders. One such provision for our fund states: The Fund's Board of Trustees may from time to time consider submitting to the holders of the shares of beneficial interest of the Fund a proposal to convert the Fund to an open-end investment company. We believe the Board should thoroughly consider offering shareholders a variation of this lifeboat by considering merging or recommending the Fund be acquired by an open-end fund with similar investment objectives and submit such a proposal to shareholders because:

1. The discount of the Fund has widened substantially over the last two years and our Fund has done nothing to actively address it.
2. None of the Board members own any shares of the Fund. What incentive do the Trustees have to ensure the long-term success of the Fund without having a personal financial stake?
3. Past litigation against our Fund's manager also indicates that Fund Management does not always have shareholders' best interests in mind. As described in its last proxy statement, the Fund's manager has recently entered into settlement agreements with both the SEC and the New York State Attorney General (for more information regarding the settlements, a copy of the SEC Order is available on the SEC website at <http://www.sec.gov> and a copy of the New York State Attorney General Settlement is available as part of the Bank of America Corporation Form 8-K filing on February 10, 2005). Given the circumstances outlined above, we believe that as shareholders we should request the Board of Trustees to promptly consider taking the steps necessary to allow our fund to merge with or be acquired by an open-end fund with similar investment objectives. As is also required by rule 14a-8, we have attached a letter from U.S. Bank N.A., as well as a written statement from the "record" holder of the referenced shares, verifying that, at the time our proposal was submitted, said shares were continuously and beneficially owned and having a value of \$2,000 or more for at least a one year from the date of the submittal of this proposal. Furthermore, Karpus intends to hold the referenced shares on the attached through the date of the Meeting.

Sincerely,

/s/
