ARROWHEAD FOUNTAINS OFFICE BUILDING
NOTES TO STATEMENTS OF REVENUE AND CERTAIN EXPENSES
DECEMBER 31, 2000

NOTE 1 - BASIS OF PRESENTATION

The accompanying statement of revenue and certain expenses reflect the operations of Arrowhead Fountains Office Building ("Arrowhead Fountains" or the "Property"). The Property consists of one office building located in suburban Phoenix, Arizona. The Property contains approximately 96,000 net rentable square feet and is located on approximately 5 acres of land. As of December 31, 2000,

Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

the Property had an occupancy percentage of approximately 90%.

The Property was acquired by AmeriVest Properties Inc. and subsidiaries ("AmeriVest") from an unrelated party on November 19, 2001 for \$12,750,000, which was paid by the assumption of the existing loan in the amount of \$9,300,000 and the balance from a portion of the proceeds of our late July 2001 public offering. In addition, AmeriVest incurred approximately \$219,000 in related acquisition fees and costs, of which, approximately \$175,000 represents the advisory fee due to Sheridan Realty Advisors, LLC in connection with the acquisition per the Property Management and Advisory Agreement.

The accounting records of the Property are maintained on the accrual basis. The accompanying statements of revenue and certain expenses are prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and exclude certain expenses such as interest, depreciation and amortization, professional fees and other costs not directly related to future operations of the Property.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumption that affect the reported amounts of revenue and expenses during the reporting period. The ultimate results could differ from those estimates.

Interim Information (Unaudited)

In the opinion of management, the unaudited information as of September 30, 2001 included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenue and certain expenses for the nine months ended September 30, 2001. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results.
