(d) **Accuracy of Information Furnished by Purchaser.** No representation, statement or information made or furnished by Purchaser to AGI, in this Agreement or any other written document prepared by and delivered to AGI by Purchaser, contains any information which, taken as a whole, contains or shall contain any untrue statement of a material fact or omits to state a material fact necessary to make the statements herein or therein not misleading in light of the circumstances in which they were made.

(e) **Investment Representation.** Purchaser is purchasing the Purchased Shares and Warrants for Purchaser's own account and not with a view to or for sale in connection with any distribution of the Purchased Shares or Warrants. Purchaser acknowledges that the Purchased Shares and Warrants have not been registered under the Securities Act of 1933, as amended, (the "Act") or qualified under the securities laws of any state or other jurisdiction. Purchaser understands that the Purchased Shares and Warrants are restricted under the Act and that under such Act and applicable regulations the Purchased Shares and Warrants may be resold without registration under the Act only in certain limited circumstances and that otherwise the Purchased shares and Warrants may have to be held indefinitely. Purchaser, by way of the business and financial experience of Purchaser's officers and advisors, is capable of evaluating the risks and merits of this investment.

8. **ADDITIONAL AGREEMENTS OF AGI.** AGI further agrees with Purchaser as follows:

(a) **Access to Offices and Records.** AGI shall, and shall also cause Commander to, afford representatives of Purchaser, from and after the date of execution of this Agreement, full access, during normal business hours and upon reasonable notice, to all offices, books, properties, contracts, documents and records of AGI and Commander and to furnish to Purchaser or its representatives all additional information, including financial or operating information, plan, processes, projects, projects and marketing concepts, information or analyses, with respect to the business and affairs of both AGI and Commander that Purchaser or its representatives may reasonably request.

(b) **Conduct of Business Pending the Closing.** From and after the execution and delivery of this Agreement and until the Closing Date, except as otherwise provided by the prior written consent or approval of Purchaser or requirements imposed by applicable law, including Court orders, as may best be accomplished with the financial resources available to AGI:

(1) AGI will, and will cause Commander to, conduct their respective business and operations in the manner in which the same has been conducted over the most recent two months past, and AGI will, and will use its best efforts to cause Commander to: (i) preserve AGI and Commander's respective current business organization intact; (ii) keep available to Purchaser the services of their current employees and Commander's agents and distributors; and (iii) preserve Commander's current relationships with customers, suppliers and others having business dealing with Commander.

(2) AGI will cause Commander to maintain all of its properties in customary good repair, order and condition, reasonable wear and use excepted, and will maintain its existing insurance upon all of its properties and with respect to the conduct of its business in such amounts and of such kinds comparable to that in effect on the date of this Agreement.

(3) AGI will take action to insure that neither AGI nor Commander will: (i) pay any bonus or increase the rate of compensation of any of Commander's employees, consultants or independent contractors or enter into any new employment agreement, consulting agreement or amend any existing employment agreement; (ii) make any general increase in the compensation or rate of compensation payable or to become payable to Commander's hourly-rated employees; (iii) sell or transfer any of AGI's or Commander's assets other than in the ordinary course of business; (iv) obligate itself for capital expenditures other than in the ordinary course of business and not unusual in amount; or (v) incur any material obligations or liabilities, which are not in the ordinary course of business, or enter into any material transaction other than in the ordinary course of business.

(4) AGI shall not, and shall not permit Commander to, issue, transfer, sell or encumber any shares of capital stock or securities convertible into shares of such stock or enter into any subscriptions, options, agreements or other commitments in respect of the issuance, transfer, sale or encumbrance of any shares of capital stock of any class.

(d) Indemnification by AGI.

(1) AGI will indemnify and hold Purchaser harmless from and against any and all damage, loss, cost, deficiency, assessment, liability or other expense (including reasonable attorney's fees, costs of court and litigation expenses, if any) suffered, incurred or paid by Purchaser as a result of:

(A) The untruth, inaccuracy, breach or violation of any representation, warranty, covenant or other obligation of AGI set forth in or made in connection with this Agreement; or

(B) The enforcement of Purchaser's right to indemnification under this Agreement.

Purchaser shall give written notice to AGI of any claim, action, suit or proceeding relating to the indemnity herein provided by AGI not later than ten (10) days after Purchaser has received notice thereof. AGI shall have the right, at its option, to compromise or defend, at its own expense and by its own counsel (which counsel shall be reasonably satisfactory to Purchaser), any such action, suit or proceeding. Purchaser and AGI agree to cooperate in any such defense or settlement and to give each other full access to all information relevant thereto.

(2) Except as herein expressly provided, the remedies provided in paragraph 8(d) hereof shall be cumulative and shall not preclude assertion by Purchaser of any other rights or the seeking of any other remedies available against AGI at law or in equity.

(e) Certain Actions of AGI. Following the execution and delivery of this Agreement, AGI will take the following actions at the following times:

(1) Immediately following the execution and delivery of this Agreement by Purchaser and AGI and receipt by AGI of the first \$35,000 of the Deposit (and in any event by the close of the Court's business day following such execution and delivery and such receipt), AGI shall cause Commander to file the Notice with the Court.

(2) Before or contemporaneously with the filing of the Notice with the Court, AGI shall, and shall cause Commander to, circulate to all of the Approval Parties (i) copies of this Agreement and (ii) the Approval Requests.

(3) Within one business day of the written request of Purchaser, AGI shall cause Commander to file the Motion to Extend with the Court and actively seek an order granting such motion.

9. Concerning the Deposit.

(a) Purchaser hereby agrees to make available to Commander funds as a deposit (the Deposit) pursuant to the terms provided below, as follows:

(i) Initial Deposit. In order to preserve the goodwill of the business and the value of Commander as a going concern, Purchaser shall provide a Deposit payment of \$35,000 which may be, and is intended to be, used to fund the ongoing operations of Commander, as soon as practicable after execution and delivery of this Agreement by Purchaser and AGI, but in no event later than 2 business days thereafter.

(ii) Historical Expense Deposit. Following the earlier to occur of (A) receipt of the Creditor Approval in form and substance reasonably acceptable to Purchaser executed by all of the Approval Parties or (B) the Court at any time ordering that this Agreement, as signed, satisfies the requirement in the Order to automatically extend the Effective Date and approving a further extension of the Effective Date, on the conditions set forth herein, to a date not earlier than November 30, 2004, Purchaser shall provide a Deposit payment of \$100,000 (the Historical Expense Deposit) which may be, and is intended to be, used to pay certain outstanding obligations of Commander the satisfaction of which are critical to its continued operation. The Historical Expense Deposit will be made as soon as practicable after the earlier to occur of (A) or (B) above, but in no event later than 2 business days after the date thereof (the Historical Expense Deposit Date).

(iii) Additional Expense Deposits. On October 7, 2004, if prior to such date Purchaser has made the Historical Expense Payment, Purchaser shall provide an additional payment of \$35,000 in order to further fund the ongoing operations of Commander prior to Closing. In addition, on November 5, 2004, if prior to such date the Court has issued an order granting the Motion to Extend, Purchaser shall provide an additional Deposit of \$35,000 to fund the ongoing operations of Commander. Such payment shall be in addition to the Additional Deposit payable in accordance with Section 2(b) above.

It is the intention of the parties that any claims for refunds of the Deposit and Additional Deposit shall be administrative claims in the Chapter 11 Proceedings and shall bear interest at a rate of 6% per annum from the date of payment thereof.

(b) Purchaser agrees to make the Deposits available to Commander, at the times and in the amounts set forth in clause (a) above of this Section 9, between the date hereof and the Closing, subject to the following conditions:

(1) The representations and warranties made by AGI as set forth herein shall be true and correct as of the date for payment of each installment of the Deposit;

(2) Commander shall have provided to Purchaser, at such intervals as Purchaser may specify, statements of receipts and disbursements setting forth in such detail as Purchaser may request the actual sources and uses of cash;

(3) Commander shall provide such other and additional information as to its operating and financial condition as Purchaser may request from time to time.

Advances of any amounts of the Deposit may, at Purchaser's election, be made directly to Commander, or, directly to Commander's vendors or creditors.

(c) Notwithstanding the terms applicable to the Deposit, Purchaser agrees that the principal and accrued interest on the Deposit shall not be called, and demand therefore shall not be made until the occurrence of the earliest of the following events:

(1) The Effective Date of the Plan and Closing or of any other Plan which may be confirmed in the Chapter 11 Proceeding;

(2) Dismissal of the Chapter 11 Proceeding; or

(3) Conversion of the Chapter 11 Proceeding to a proceeding under Chapter 7 of the Bankruptcy Code.

(d) In the event that Purchaser breaches its agreement to purchase the Purchased Shares at the Closing (and provided that all of the conditions precedent to Purchaser's obligation to close have been satisfied, including, but not limited to, the obligations of AGI and Commander, as applicable, contained in Sections 3, 4, 5, and 10), then, as AGI's and Commander's sole and exclusive remedy for any breach of this Agreement, in addition to any amount to be forgiven pursuant to Section 9(e) below, the Additional Deposit (AGI's Additional Damages), shall be paid by the Trustee to AGI as liquidated damages, and not as a penalty. Except for the provisions in this Section for payment of AGI's Additional Damage Amount and Section 9(e), in the event that Purchaser shall fail, for any reason or no reason whatsoever (provided that the conditions precedent to Purchaser's obligations have been fulfilled) to consummate the transactions contemplated hereunder, then, upon delivery to AGI of AGI's Additional Damages, this Agreement shall automatically terminate and none of the Parties (or their affiliates) shall have any further obligations to the other in respect of the transactions contemplated hereby or otherwise.

(e) In the event that on the Effective Date AGI and Commander have the legal capacity to perform their obligations at the Closing and under the Plan, AGI gives written notice to purchaser of their abilities and intentions to do so and AGI has not committed fraud with respect to the transactions contemplated hereunder or refused to close, but Purchaser fails for any reason or no reason to purchase the Purchased Shares at the Closing, then as part of AGI's exclusive remedy, together with the payment of AGI's Additional Damages, if due, pursuant to Section 9(d) above, the Deposit previously paid to Commander, together with interest accrued thereon, shall be forgiven as liquidated damages, and not as a penalty.

10. Conditions To Obligations Of Purchaser. The obligations of Purchaser to effect the transactions contemplated by this Agreement (other than with respect to the Deposit and the Additional Deposit) shall be subject to the fulfillment at or prior to the Closing Date of each of the following conditions:

(a) Validity of AGI's Representations. All representations and warranties of AGI contained in this agreement or otherwise made in writing pursuant to this agreement shall have been true and correct at and as of the date hereof and they shall be true and correct at and as of the Closing Date, with the same force and effect as though made at and as of the Closing Date.

(c) Opinion of Counsel for AGI. Purchaser shall have received a favorable opinion from counsel for AGI dated the date of the Closing, in form reasonably satisfactory to counsel for Purchaser, to the effect that:

(3) Counsel does not know of any action, suit, investigation or other legal, administrative or arbitration proceeding pending against AGI or Commander, or which questions the validity or enforceability of this Agreement or of any action taken or to be taken pursuant to or in connection with this Agreement or any agreement contemplated herein.

(4) The sale and issuance of the Purchased Shares, Warrants, and the Warrant Shares have been approved by all necessary corporate and shareholder action. The Purchased Shares, Warrants and Warrant Shares are authorized and upon tender of the Purchase Price (with respect to the Purchased Shares) and delivery of the share certificates for the Purchased Shares shall have been duly issued and are fully paid and non-assessable.

- (5) To the knowledge of such counsel, no consent, authorization, license, franchise, permit, approval or order of any court or governmental agency or body, other than those obtained by AGI and delivered to Purchaser prior to or on the date of the opinion, is required for the sale and issuance of the Purchased Shares, the Warrants or the Warrant Shares by AGI pursuant to this Agreement.
- (6) The execution and performance of this Agreement by AGI will not violate: (i) the Articles of Incorporation or the By-Laws of AGI or Commander, or (ii) any order of any court or other agency of government know to said counsel.

- (e) Resignation of Directors. Purchaser shall have received the resignations of the directors of AGI, Commander and SJS and AGI shall have taken such actions (or shall have caused such actions to be taken by the current directors) as may be necessary or appropriate to cause those persons identified by Purchaser to be elected as directors of AGI, Commander and SJS effective as of the Closing Date as it shall have identified by notice to AGI.
- (f) Walker Consulting Agreement. The Purchaser shall have received an executed copy of a Consulting Agreement between Commander and Wirt Walker, on the terms acceptable to Purchaser and substantially in the form of Exhibit 10(i) (the Walker Consulting Agreement). Pursuant to the Walker Consulting Agreement, to the extent requested by AGI and Commander Walker shall provide consulting services to AGI and Commander and/or services similar in nature to those historically provided by Walker to each of them. The Walker Consulting Agreement shall have a term of twelve (12) months. In consideration of the Walker Consulting Agreement, Walker shall have released AGI and Commander from any and all obligations to him, including under his existing employment agreement, except for accrued and unpaid director's fees and a claim in the Chapter 11 Proceedings.

11. CONDITIONS TO OBLIGATIONS OF AGI. The obligations of AGI to effect the transactions contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing Date of each of the following conditions:

- (a) Validity of Purchaser's Representations. All representations and warranties of Purchaser contained in this Agreement or otherwise made in writing pursuant to this Agreement shall have been true and correct at and as of the date hereof and they shall be true and correct at and as of the Closing Date, with the same force and effect as though made at and as of the Closing Date.
- (b) Pre-Closing Obligations. Purchaser shall have performed and complied with all the obligations and conditions required by this Agreement to be performed or complied with by AGI at or prior to the Closing Date, including the execution and delivery of all documents and contracts required to be delivered at or before the Closing Date pursuant to this Agreements.

- (c) Corporate Authority of Purchaser. The execution and performance of this Agreement by Purchaser shall have been duly and legally authorized in accordance with applicable law and in accordance with Purchaser's Operating Agreement.
- (d) Opinion of Counsel for Purchaser. AGI shall have received a favorable opinion from counsel for Purchaser dated the date of the Closing, in form reasonably satisfactory to counsel for AGI, to the effect that:
- (1) Purchaser is a limited liability company, formed and legally existing in good standing under the laws of the State of Delaware, and it has the power and authority to carry on its business as now being conducted and to carry out the transactions and agreements contemplated hereby.
- (2) All Proceedings required to be taken by or on the part of Purchaser in order to authorize it to perform its obligations hereunder have been duly and properly taken, including any necessary approval or authorization by the managing member or other members of Purchaser.
- (3) This agreement has been duly executed and delivered by Purchaser and constitutes a valid, enforceable and binding obligation of Purchaser pursuant to the terms of this Agreement.
- (4) Except as otherwise disclosed in this Agreement, said counsel does not know of any action, suit, investigation or other legal, administrative or arbitration proceeding which questions the validity or enforceability of this Agreement or of any action taken or to be taken pursuant to or in connection with this agreement or any agreement contemplated herein.

Accordingly, the parties agree that in the event that AGI breaches its obligations under

Section 13 below or intentionally breaches any of its other obligations under this Agreement, then AGI shall pay to Purchaser, in addition to any amounts due and payable under the Deposit, the Additional Deposit or hereunder, as liquidated damages, and not as a penalty, the sum of \$300,000 cash (the Purchaser's Liquidated Damages). (c) In the event that the Approval Parties have not executed and delivered the Creditor Approval in form and substance acceptable to Purchaser on or before September 3, 2004, Purchaser shall have the right to terminate this Agreement by written notice to AGI. If Purchaser so terminates this Agreement, thereafter neither Purchaser nor AGI will have any further obligations hereunder.

(d) In the event that the Historical Expense Deposit is not paid on or before the earlier to occur of (1) the Historical Expense Deposit Date or (2) the 14th day following the last to occur of (i) the filing of the Notice with the Court, (ii) delivery to all Approval Parties of notice by AGI of such filing and (iii) delivery to all Approval Parties of the Requests, then AGI shall have the right to terminate this Agreement following written notice to Purchaser. If the earlier to occur is the day described in clause (2) above, then, in order to be effective, such written notice to Purchaser shall be delivered by AGI to Purchaser 2 business days prior to the day described in clause (2) above. If Purchaser delivers to AGI the Historical Expense Deposit following the receipt of such Notice and on or before the day described in clause (2) above, then this Agreement shall not terminate pursuant to this Section 12(d). If AGI terminates this Agreement pursuant to this Section 12(d), thereafter neither Purchaser nor AGI will have any further obligations hereunder.

13. No Shop Clause. (a) During the period (the Quiet Period) beginning immediately upon this Agreement becoming effective and ending on and including the first to occur of the date on which (1) the Approval Parties execute and deliver the Creditor Approval, (2) the Court orders that this Agreement, as signed, satisfies the requirement in the Order to automatically extend the Effective Date and approves a further extension of the Effective Date, on the conditions set forth herein, to a date not earlier than November 30, 2004, (3) AGI receives the Historical Expense Deposit or (4) 7 business days have elapsed since the date on which AGI first requests in writing that each of the Approval Parties sign the Creditor Approval, AGI will, and will cause all officers, directors, employees, agents, subsidiaries, and affiliates (the Restricted Parties), to cease and desist all efforts, activities, and actions, to find or negotiate with, or solicit or discuss offers from, any other party with respect to the following matters (the Restricted Matters): (a) any sale of AGI or Commander, by stock, assets or otherwise (except that Commander may sell aircraft and parts for Commander aircraft for the immediate purpose of installing such parts in Commander airplanes in the ordinary course of business, and not constituting a general sell-off of inventory), (b) any sale by Commander or AGI of stock, debt, warrants, options or other forms of equity or debt securities or any types of financing securities, (c) the incurrence of any loan by AGI in excess of \$15,000, (d) the incurrence of any loan by Commander, to a party other than Purchaser (e) any alternative way to fund the present Plan or any substitute or amendment thereof, or (f) any sale of Commander, by stock or assets, or any other transaction.

(b) AGI hereby agrees that from and after this Agreement becoming effective, and through the Closing, Purchaser will be the only party with which AGI, Commander, the Restricted Parties or any party representing any of them, will reach agreement in any manner, or on any terms, conditions or contingencies, regarding a transfer of control of AGI or Commander or any financing of any kind directly or indirectly respecting either AGI or Commander. Notwithstanding the foregoing, AGI may engage in discussions with third parties regarding such parties' willingness to take the place of Purchaser in the event of Purchaser's default hereunder, but AGI may not enter into any agreement, conditional or absolute, with respect to such matters without Purchaser's prior written consent.

(c) Notwithstanding the foregoing, after October 31, 2004, AGI may enter into an agreement with a third party with respect to the Restricted Matters; provided such agreement may be effectuated only in the event that Purchaser does not purchase the Purchased Shares on or before the Effective Date and shall not require AGI to breach this Agreement in order to comply with or give effect to such agreement.

14. Other Provisions.

The parties hereto acknowledge and agree (a) that many of the exhibits to be attached to this Agreement may not have been prepared by the time of execution of this Agreement, and (b) that consummation of the transactions contemplated by this Agreement are subject to the completion of such exhibits by AGI (to the extent that an exhibit is to be completed by AGI, such exhibit must be reasonably acceptable to Purchaser) or Purchaser (to the extent that an exhibit is to be completed by Purchaser, such exhibit must be reasonably acceptable to AGI) as the case may be, prior to or at the Closing, pursuant to the terms of this Agreement. Furthermore, the parties anticipate that the exhibits will contain information consistent in all material respects with the information that has been provided by AGI to Purchaser to date and the parties agree that, if such information is so consistent, Purchaser will accept such exhibits.

(b) Survival of Representations and Warranties. The representations, warranties, obligations and agreements of the parties contained in this Agreement, or in any writing delivered pursuant to the provisions of this Agreement, shall survive the Closing for a period of eighteen (18) months with the exception of representations and warranties concerning Section 4(g) and Section 5(k) hereof, Tax Matters and Section 5(n) hereof, Environmental Matters, which will survive for as long as any claims may be asserted under the applicable periods of limitation for violations of any tax or environmental law, rule or regulation.

(c) Waiver or Extension of Conditions. AGI or Purchaser may extend the time for or waive the performance of any of the obligations of the other party, waive any inaccuracies in the representations or warranties by the other party, or waive compliance by the other party with any of the covenants or conditions contained in this Agreement. Any such extension or waiver shall not act as a waiver or extension of any other provisions of this Agreement.

(d) Notices. All notices, consents, waivers and other communications required or permitted by this Agreement shall be in writing and shall be deemed given to a party: (a) when delivered to the recipient at the appropriate address by hand delivery; (b) two (2) days after sending, if sent to the appropriate address by nationally recognized overnight courier service (costs prepaid and marked for next day delivery); or (c) three (3) days after sending, if sent to the appropriate address by certified mail, return receipt requested; in each case to the following addresses, and marked to the attention of the person (by name or title) designated below (or to such other address or person as a party may designate by notice to the other parties):
