INFORMATION STATEMENT

Background

Section 228(a) of the General Corporation Law of the State of Delaware states that, unless otherwise provided in the certificate of incorporation, any action that may be taken at any annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if consents in writing, setting forth the action so taken, are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and those consents are delivered to the corporation by delivery to its registered office in Delaware, its principal place of business, or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. The Company's restated certificate of incorporation contains no provision or language in any way limiting the right of our stockholders to take action by written consent. On April 15, 2005, holders of more than a majority of the outstanding shares of our voting stock executed a written consent approving the directors nominated by the Company's Board of Directors to serve until the 2006 annual meeting of stockholders or until their successors are duly elected and qualified or until each such director's earlier resignation or removal. This consent was executed following approval of the actions by the Company's Board of Directors on March 31, 2005. Because the actions have been approved by the holders of the required majority of the outstanding shares that are entitled to cast votes, no other stockholder approval of these actions is necessary. This Information Statement will also serve as notice of actions taken without a meeting as required by Section 228(e) of the Delaware General Corporation Law. No further notice of the actions described herein will be given to you.

This Information Statement is provided to the Company's stockholders for informational purposes only, and you need not take any further action in connection with this Information Statement. The Company will bear all costs of preparing and delivering this Information Statement.

Each share of Common Stock outstanding as of close of business on the Record Date is entitled to one vote on the matter submitted to a vote of the common stockholders. The holders of Series A preferred stock do not have any voting rights with respect to the election of directors.

This Information Statement is being mailed on or about April 29, 2005 to the Company's stockholders of record on the Record Date, which is March 31, 2005. Company's Board of Directors determined that stockholders of record on the Record Date were entitled to consent to the actions described in this Information Statement.

The April 15, 2005 written consent of stockholders referenced above and described in this Information Statement was executed by stockholders holding over 61.6% of the shares eligible to vote on those matters on that date. No additional action will be undertaken pursuant to such written consents, and no dissenters' rights under Delaware law are afforded to the Company's stockholders as a result of the action taken by written consent. **ACCORDINGLY, WE ARE NOT ASKING YOU FOR A PROXY, AND YOU ARE REQUESTED NOT TO SEND US A PROXY.**

CORPORATE GOVERNANCE

Board of Directors and Committees

We are managed under the direction of our Board of Directors. The size of our board is set at 5 members and we currently have 5 directors including 4 non-employee directors. The Board of Directors held nine meetings in 2004. In addition to the nine meetings, the Board adopted resolutions by unanimous written consent. The Company's Board of Directors has two standing committees: the audit committee and the compensation committee. Each of the directors attended at least 75% of the aggregate of the total number of meetings held by the Board of Directors and, if applicable, all meetings of committees of the Board of Directors on which such director served during 2004.

The audit committee's functions include the following: (a) assist the Board in its oversight responsibilities regarding (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent accountant's qualifications and independence and (4) the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company; (b) prepare the report required by the SEC for inclusion in the Company's annual proxy or information statement; (c) appoint, retain, compensate, evaluate and terminate the Company's independent accountants; (d) approve audit and non-audit services to be performed by the independent accountants; and (e) perform such other functions as the Board of Directors may from time to time assign to the audit committee.

During 2004, the audit committee held two meetings. In 2004, the audit committee was composed of Dan Noles, David Houston, Robert Brooks and Mickey Liddell, all of who are non-employee directors. Mr. Houston serves as Chairman of the audit committee and is designated as the "audit committee financial expert" as such term is defined in Item 401(e) of Regulation S-B. Mr. Houston and Mr. Brooks are "independent" within the meaning of the NASD's and AMEX's director independence standards. Mickey Liddell and Dan Noles are not independent due to their familial relationship to Mike Liddell. The Board of Directors has adopted an Audit Committee Charter which is attached to this Information Statement as Annex A.

The Compensation Committee considers executive employment agreements, adoption of employee benefit plans and other issues related to compensation and employee benefits. The Compensation Committee is comprised of Robert Brooks, David Houston and Mickey Liddell, all of whom are "non-employee directors" as defined by Rule 16b-3 promulgated under the Exchange Act and "outside directors" as defined by Section 162(m) of the Internal Revenue Code. The Compensation Committee did not hold any meetings during 2004.

The Company's Board of Directors does not have a standing nominating committee. The entire Board of Directors of the Company participates in the consideration of director nominees. The Board does not deem it necessary to establish a nominating committee because the Company's Board of Directors is relatively small in size and believes it can operate more effectively in concert. Further, because there has not been turnover in the Board, there has been no need to nominate new directors.

Identifying and Evaluating Nominees for Directors

The Company's Board of Directors utilizes a variety of methods for identifying and evaluating nominees for director. In the event that vacancies are anticipated, or otherwise arise, the Company's Board of Directors considers various potential candidates for director. Candidates may come to the attention of the Company's Board of Directors through current board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Company's Board of Directors, and may be considered at any point during the year. In evaluating a board candidate, the Company's Board of Directors will consider the skills and experience of the candidate in the context of the needs of the board, as well as the candidate's qualification as independent for board and committee service under the applicable standards. Each of the Company's directors must represent the interests of all stockholders.

The Company's Board of Directors may review materials provided by professional search firms or other parties in connection with a nominee. In evaluating such nominations, the Company's Board of Directors will seek to achieve a balance of knowledge, experience and capability on the board. After completing its evaluation, the Company's Board of Directors makes a determination as to the slate of nominees and makes its recommendation with respect to such nominees to its controlling stockholder for approval.

Communications with the Board

Individuals may communicate with the Company's Board of Directors or individual directors by writing to the Company's Secretary at Gulfport Energy Corporation, 14313 N. May Avenue, Suite 100, Oklahoma City, Oklahoma 73134. The Secretary will review all such correspondence and forward to the Board of Directors a summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, relates to the functions of the Board or committees thereof or that he otherwise determines requires their attention. Directors may review a log of all such correspondence received by the Company and request copies. Concerns relating to accounting, internal control over financial reporting or auditing matters will be immediately brought to the attention of the Chairman of the audit committee and handled in accordance with its procedures established with respect to such matters.

Code of Ethics

On November 14, 2003, the Company adopted a code of ethics which applies to its Chief Executive Officer and Chief Financial Officer. A copy of the Company's code of ethics has been filed as Exhibit 14.0 to its Annual Report filed on Form 10-KSB on March 30, 2005, for the fiscal year ended December 31, 2004.

AUDIT COMMITTEE REPORT

This disclosure statement is being provided to inform stockholders of the audit committee's oversight with respect to the Company's financial reporting.

The audit committee has reviewed and discussed the audited financial statements as of and for the year ended December 31, 2004 (the "Audited Financial Statements") and footnotes thereto with management and the independent auditors. In addition, the audit committee discussed with the independent auditors the matters required to be disclosed by Statement of Auditing Standards No. 61. The audit committee discussed with the Company's auditors the independence of such auditors from management of the Company, including a review of audits and non-audit fees, and received written disclosures concerning the auditors' independence required to be made by the auditors of the Company by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The audit committee has also discussed with management of the Company and the independent auditors such other matters and received such assurance from them, as the audit committee deemed appropriate.

Management is responsible for the preparation and presentation of the Audited Financial Statements and the Company's internal controls over financial reporting. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with GAAP and issuing a report thereon. The audit committee's responsibility is to monitor and oversee this process.

Based on the foregoing review and discussions with management and the independent auditors, and relying thereon, we have recommended to the Company and Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004 for filing with the SEC.

Liability of Directors and Officers and Indemnification

As permitted by the Delaware General Corporate Law (the “DGCL”), the Company’s Certificate of Incorporation eliminates in certain circumstances the monetary liability of the directors for a breach of their fiduciary duty. These provisions do not eliminate liability of the directors for (i) a breach of the director’s duty of loyalty to the Company or its Stockholders, (ii) acts or omissions by a director not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) liability arising under Section 174 of the DGCL (relating to the declaration of dividends and purchase or redemption of shares in violation of the DGCL) or (iv) any transaction from which the director derived an improper personal benefit. In addition, these provisions do not eliminate the liability of a director for violations of the Federal securities laws, nor do they limit the rights of the Company or its Stockholders, in appropriate circumstances, to seek equitable remedies such as injunctive or other forms of non-monetary relief. Such remedies may not be effective in all cases.

The Bylaws provide that the Company shall indemnify its directors and officers to the fullest extent permitted by the DGCL. Under such provisions, any director or officer, who in his capacity as such, is made or threatened to be made a party to any suit or proceeding, may be indemnified if the Board of Directors determines such director or officer acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Company. The Bylaws and the DGCL, further provide that such indemnification is not exclusive of any other rights to which such individuals may be entitled under the Certificate of Incorporation, the Bylaws, any agreement, vote of Stockholders or disinterested directors or otherwise.

INDEPENDENT ACCOUNTANTS

On February 9, 2005 the Company dismissed Hogan & Slovacek as its independent registered public accounting firm. The Company’s Audit Committee participated in and approved the decision to change the Company’s independent registered public accounting firm.

Hogan & Slovacek’s audit reports for the past two fiscal years ended December 31, 2002 and December 31, 2003, contain no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the two most recent fiscal years and through February 9, 2005, there have been no disagreements between the Company and Hogan & Slovacek on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Hogan & Slovacek would have caused them to make reference thereto in their reports on the financial statements for such years.

During the fiscal years ended December 31, 2003 and December 31, 2004 and through February 9, 2005, there have been no reportable events as described in Item 304(a)(1)(iv)(B) of Regulation S-B.

The Company engaged Grant Thornton LLP as its new independent registered public accounting firm (the “independent auditor”) as of February 9, 2005. As part of its engagement, Grant Thornton will audit the balance sheet of the Company as of December 31, 2004 and the related statements of operations, stockholders’ equity and cash flows for the year then ended and will perform a review of the Company’s interim financials for each quarter in the fiscal year ending December 31, 2005. The audit committee has not asked the stockholders to ratify its selection of auditors, because stockholder ratification is not required under applicable rules and regulations.

During the two most recent fiscal years and in the subsequent interim period, the Company did not consult with Grant Thornton LLP regarding (1) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report was provided to the Company nor oral advice was provided that was an important factor considered by

the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (2) any matter that was either the subject of a disagreement, as that term is used in Item 304(a)(1)(iv) of Regulation S-B and the related instructions to Item 304 of Regulation S-B.

The firm of Grant Thornton LLP served as the Company's independent auditors for 2004. This firm has advised the Company that it has no direct or indirect financial interest in the Company.

Auditors' Fees

The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. All fees paid to the independent auditors in 2004 were pre-approved by the audit committee.

Audit Fees. For professional services rendered by the Company's independent auditors for the audit of the Company's annual financial statements for 2004 and reviews of the financial statements included in our Quarterly Reports on Form 10-QSB during 2004, Grant Thornton, LP billed the Company fees in the aggregate amount of \$77,625 for the 2004 and Hogan & Slovacek, PC billed the Company fees in the aggregate amount of \$18,000 and \$50,000 for 2004 and 2003 respectively.

Tax Fees. Grant Thornton, LP did not perform any tax or tax-related services for the Company during 2004. Hogan & Slovacek, PC did not perform any tax or tax-related services for the Company during 2003.

All Other Fees. No other fees were billed to the Company in 2004 and 2003 by Hogan & Slovacek, PC or Grant Thornton, LP for services performed for 2004 and 2003, other than the fees described above.

I. PURPOSE

The Committee has been established to: (a) assist the Board in its oversight responsibilities regarding (1) the integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the independent accountant’s qualifications and independence and (4) the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company; (b) prepare the report required by the United States Securities and Exchange Commission (the “SEC”) for inclusion in the Company’s annual proxy or information statement; (c) appoint, retain, compensate, evaluate and terminate the Company’s independent accountants; (d) approve audit and non-audit services to be performed by the independent accountants; and (e) perform such other functions as the Board may from time to time assign to the Committee. In performing its duties, the Committee shall seek to maintain an effective working relationship with the Board, the independent accountants and management of the Company.

II. COMPOSITION

The Committee shall be composed of at least three, but not more than five, members (including a Chairperson), all of whom shall be “independent directors,” as such term is defined in the rules and regulations of the SEC and the National Association of Securities Dealers (“NASD”). The members of the Committee and the Chairperson shall be selected annually by the Board and serve at the pleasure of the Board. A Committee member (including the Chairperson) may be removed at any time, with or without cause, by the Board. The Board may designate one or more independent directors as alternate members of the Committee, who may replace any absent or disqualified member or members at any meetings of the Committee. No person may be made a member of the Committee if his or her service on the Committee would violate any restriction on service imposed by any rule or regulation of the SEC or any securities exchange or market on which shares of the common stock of the Company are traded.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and at least one member of the Committee shall be an “audit committee financial expert” as defined in the applicable rules and regulations of the SEC. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant. The Chairperson shall maintain regular communication with the chief executive officer, chief financial officer and the lead partner of the independent accountant.

Except for Board and Committee fees, a member of the Committee shall not be permitted to accept any fees paid directly or indirectly for services as a consultant, legal advisor or financial advisor or any other fees prohibited by the rules of the SEC and the NASD. In addition, no member of the Committee may be an affiliated person of the Company or any of its subsidiaries. Members of the Committee may receive their Board and Committee fees in cash,

Company stock or options or other in-kind consideration as determined by the Board or the Compensation Committee, as applicable, in addition to all other benefits that other directors of the Company receive.

III. MEETING REQUIREMENTS

The Committee shall meet as necessary, but at least four times each year, to enable it to fulfill its responsibilities. The Committee shall meet at the call of its Chairperson, preferably in conjunction with regular Board meetings. The Committee may meet by telephone conference call or by any other means permitted by law or the Company's Bylaws. A majority of

The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested. The Committee may ask members of management, employees, outside counsel, the independent accountants or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request. The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board from time to time (but at least once each year) as requested by the Board.

As part of its responsibility to foster free and open communication, the Committee should meet periodically with management and the independent accountants to discuss any matters that the Committee or any of these groups believe should be discussed privately. In addition, the Committee or at least its Chairperson should meet with the independent accountants and management quarterly to review the Company's financial statements prior to their public release consistent with the provisions set forth below in Section IV.

IV. COMMITTEE RESPONSIBILITIES

In carrying out its responsibilities, the Committee's policies and procedures should remain flexible to enable the Committee to react to changes in circumstances and conditions so that it can fulfill its oversight responsibilities. In addition to such other duties as the Board may from time to time assign, the Committee shall have the following responsibilities:

A. Oversight of the Financial Reporting Processes

1. In consultation with the independent accountants, review the integrity of the Company's financial reporting processes, both internal and external.

3. Annually review with management, and separately with independent accountant, major issues regarding the Company's auditing and accounting principles and practices and its presentation of financial statements, including the adequacy of internal controls and special audit steps adopted in light of material internal control deficiencies and any audit problems or difficulties.
4. Discuss with management and legal counsel the status of pending litigation, taxation matters, compliance policies and other areas of oversight applicable to the legal and compliance area as may be appropriate.
5. Review all analyst reports and press articles about the Company's accounting and disclosure practices and principles.
6. Review all analyses prepared by management and the independent accountants of significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any analysis of the effect of alternative generally accepted accounting principle ("GAAP") methods on the Company's financial statements and a description of any transactions as to which management obtained Statement on Auditing Standards No. 50 letters.

7. Review with management and the independent accountants the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.
8. Prepare regular reports to the Board on all matters within the scope of the Committee's functions.

B. Review of Documents and Reports

1. Review and discuss with management and the independent accountants the Company's annual audited financial statements and quarterly financial statements (including disclosures under the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operation") and any reports or other financial information submitted to any governmental body, or the public, including any certification, report, opinion or review rendered by the independent accountants, considering, as appropriate, whether the information contained in these documents is consistent with the information contained in the financial statements and whether the independent accountants and legal counsel are satisfied with the disclosure and content of such documents. These discussions shall include consideration of the quality of the Company's accounting principles as applied in its financial reporting, including review of audit adjustments (whether or not recorded) and any such other inquiries as may be appropriate. 2. Review and discuss with management and the independent accountants earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies. The Committee need not discuss in advance each earnings release but should generally discuss the types of information to be disclosed and the type of presentation to be made in any earnings release or guidance.
3. Review reports from management and the independent accountants on the Company's subsidiaries and affiliates, compliance with the Company's code(s) of conduct, applicable law and insider and related party transactions.

2. Meet with the independent accountants and the Company's financial management to review the scope of the proposed external audit for the current year.

3. On an annual basis, the Committee shall evaluate the independent accountant's qualifications, performance and independence. In making its determination, the Committee shall consider not only auditing and other traditional accounting functions performed by the independent accountants, but also consulting, legal, information technology services and other professional services rendered by the independent accountants and its affiliates. The Committee shall also consider whether the provision of any of these non-audit services is compatible with the independence standards under the guidelines of the SEC and other applicable authorities (including, possibly, the Independence Standards Board and the Public Company Accounting Oversight Board) and shall approve in advance any audit services and permissible non-audit services to be provided by the independent accountants.
4. Review on an annual basis the experience and qualifications of the senior members of the external audit team. Discuss the knowledge and experience of the independent accountants and the senior members of the external audit team with respect to the Company's industry. - 9.

Periodically consult with the independent accountants out of the presence of management about internal controls and the fairness and accuracy of the organization's financial statements.

10. Oversee the relationship with the independent accountants by discussing with the independent accountants the nature and rigor of the audit process, receiving and reviewing audit reports and ensuring that the independent accountants have full access to the Committee (and the Board) to report on any and all appropriate matters.

4. Review the procedures that the Company has implemented regarding compliance with the Company's code of conduct.
5. Establish procedures for the receipt, retention and treatment of accounting or auditing complaints and concerns and anonymous submissions from employees and others regarding questionable accounting or auditing matters.
6. Periodically discuss with the chief executive officer and chief financial officer (a) significant deficiencies in the design or operation of the internal controls that could adversely affect the Company's ability to record, process, summarize and report financial data and (b) any fraud that involves management or other employees who have a significant role in the Company's internal controls.
7. Ensure that no officer, director or any person acting under their direction fraudulently influences, coerces, manipulates or misleads the independent accountant for purposes of rendering the Company's financial statements materially misleading.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. This is the responsibility of management and the independent accountants.

V. ANNUAL EVALUATION PROCEDURES

The Committee shall annually assess its performance to confirm that it is meeting its responsibilities under this Charter. In this review, the Committee shall consider, among other things, (a) the appropriateness of the scope and content of this Charter, (b) the appropriateness of matters presented for information and approval, (c) the sufficiency of time for consideration of agenda items, (d) frequency and length of meetings and (e) the quality of written materials and presentations. VI. INVESTIGATIONS AND STUDIES

The Committee shall have the authority and sufficient funding to retain special legal, accounting or other consultants (without seeking Board approval) to advise and assist the Committee. The Committee may conduct or authorize investigations into or studies of matters within the Committee's scope of responsibilities as described herein, and may retain, at the expense of the Company, independent counsel or other consultants necessary to assist the Committee in any such investigations or studies. The Committee shall have sole authority to negotiate and approve the fees and retention terms of such independent counsel or other consultants.

VII. MISCELLANEOUS

The Company shall give appropriate funding, as determined by the Committee, for the payment of (i) compensation to the outside auditor, legal, accounting or other advisors employed by the Committee and (ii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee. The purposes and responsibilities outlined in this Charter are meant to serve as guidelines rather than as inflexible rules and the Committee is encouraged to adopt such additional procedures and standards as it deems necessary from time to time to fulfill its responsibilities.
