ATS and ATS Guatemala

Alternet Transaction Systems, Inc., a Florida corporation, was incorporated in 2009. It is headquartered in Miami, Florida and its mailing address is 2665 South Bayshore Drive, Suite 301, Miami, Florida 33133. ATS currently has one active majority owned subsidiary, Utiba Guatemala S.A.

Utiba Guatemala, S.A. (ATS Guatemala) is a majority owned subsidiary of ATS. ATS Guatemala was formed under the laws of Guatemala in 2011. ATS Guatemala was formed to operate ATS's reseller business of Utiba products in Guatemala

When used in this Proxy Statement, the terms ATS refers to Alternet Transaction Systems, Inc. or Alternet Transaction Systems, Inc. and ATS Guatemala, as appropriate in the context.

Utiba.

Utiba Pte. Ltd., a corporation formed under the laws of Singapore, was incorporated in 2001. It is headquartered in Singapore and its mailing address is 80 South Bridge Road, #03-01, Golden Castle Building, Singapore 058710.

Utiba is a software developer and professional services provider of a mobile financial services software for the telecommunications, banking and financial services industry.

Utiba currently holds 49% of the stock of ATS.

Background of the ATS Transaction

ATS is the exclusive reseller and distributor in the Americas of software owned and developed by Utiba, as more fully described below under Utiba Background. Utiba and the Company formed ATS to act as a reseller and to sell Utiba's software in the Americas pursuant to an exclusive license (as long as Utiba holds shares in ATS) granted by Utiba to ATS. The Company owns 51% of ATS and Utiba owns the remaining 49% of ATS. Utiba also sells and distributes its software in other parts of the world.

In June of 2013, the shareholders of Utiba (the "Utiba Sellers") entered into a non-binding Letter of Intent with Amdocs Development Limited (the "Utiba Purchaser"), which is a subsidiary of Amdocs Limited, a global provider of business software and services for communications, media and entertainment industry service providers, to sell all of the issued share capital of Utiba to the Utiba Purchaser. The Letter of Intent called for a period where the Utiba Purchaser could conduct due diligence.

By September 12, 2013, the Utiba Purchaser had completed its due diligence and entered into a Share Purchase Agreement with the Utiba Sellers for the sale by the shareholders of Utiba of the entire issued share capital of Utiba (the "Utiba SPA"). The Utiba Sellers notified the Company of the basic terms of the Utiba SPA, and pursuant to a Tag Along agreement between the Company and Utiba, the Company had the option to join the sale and sell its 51% interest in ATS on the same basic terms and conditions as the Utiba Purchaser acquires the ATS shares from Utiba. Management considered the opportunity to sell its position in ATS and determined it was in the best interests of the shareholders of the Company to pursue a transaction whereby it would divest its interest in ATS.

Following further discussion, Alternet was presented with a proposal by Utiba, to acquire substantially all of the business and assets of ATS and to enter into certain related transactions, in each case as set out in this Proxy Statement. Given the various components of the consideration to be paid to ATS and the Company pursuant to the ATS Transaction, the Board has determined that the total valuation of ATS resulting from the ATS Transaction is an amount up to approximately US\$11,764,705. Based upon the Company's 51 percent ownership of ATS, the aggregate consideration to be paid to ATS and the Company is an amount up to \$6,500,000.

Management and the Board of Directors reviewed the purchase price and the conditions set in the proposal and proceeded to negotiate a definitive agreement with Utiba, for the purchase of assets and selected liabilities of ATS.

Management determined that the return on capital invested by the Company in ATS that would be realized on consummation of the ATS Transaction is approximately 62% over a period of 3 years based on an investment of \$2,000,000.

In addition to the aggregate consideration to be paid to ATS and the Company determined by Management above, the following are additional key performance indicators:

- ATS's revenues in 2012 were 1.23 MM USD, so that the aggregate consideration represents a multiple of 9.75 times ATS's 2012 revenues.
- ATS's EBITDA in 2012 was (3.263 MM) USD
- ATS has accrued Net Operating Losses since formation of approximately 3.2 MM USD

Overview of the ATS Transaction and Consideration Payable

As described in more detail below, the ATS Transaction consists of the following elements:

1. The sale pursuant to the Asset Purchase Agreement (as defined below) by ATS of substantially all of its business and assets to Utiba (including the assumption by Utiba of certain liabilities related to such business and assets), in consideration for up to \$2,100,000 in cash (the "Cash Purchase Price") subject to certain adjustments related to certain net receivables or liabilities, as the case may be, and reduction to the extent of certain tax liabilities of ATS. The amount of \$300,000 of the Cash Purchase Price will be held back to cover certain claims that may be made under the indemnification provisions of the Asset Purchase Agreement;

2. The entry by the Company into a non-compete covenant in favor of Utiba and its affiliates in the mobile payment, top up and mobile financial services industry for a period of 36 months, in consideration for a payment in cash on closing of the transactions contemplated by the Asset Purchase Agreement (the Closing) of \$2,200,000;
3. The release by the Company of Utiba from all its obligations under the ATS Shareholders Agreement in consideration for a payment in cash on Closing of \$200,000;
4. As additional contingent consideration, the Utiba Sellers have agreed that an amount of up to \$2,000,280 (the Maximum Earn-Out Payment) that is earned by them under the earn-out provisions contained in the Utiba SPA shall be paid directly to ATS as additional consideration; and
5. Upon Closing, Utiba shall transfer its 49% interest in ATS to the Company so that the Company will own 100% of ATS after Closing.

The maximum aggregate consideration, including contingent earn-out consideration that ATS and the Company may realize in connection with the ATS Transaction is approximately \$6,500,000. The consideration payable under the Asset Purchase Agreement is subject to adjustment and certain deductions as are described below under The Asset Purchase Agreement beginning on page ____.

Other Key Transaction Terms

Assets Transferred and Liabilities Assumed: ATS is selling substantially all of the assets of its business, including its customer contracts, its supplier and service provider contracts, accounts receivable, cash and other balance sheet assets held, and its related computers and equipment. Utiba will assume specified liabilities of ATS and ATS Guatemala as more fully described below under The Asset Purchase Agreement on page 9.

Holdback: In order to secure ATS's and the Company's indemnity obligations, at Closing, Utiba will hold back \$300,000 from the Cash Purchase Price for a period of up to 18 months from Closing (with an interim release of up to \$150,000 on the first anniversary of Closing). See The Asset Purchase Agreement below on page 10 for additional information.

Conditions to the ATS Transaction: In addition to customary conditions to closing, consummation of the ATS Transaction is conditional upon the approval of the ATS Transaction by the Company's shareholders, the obtaining of an agreed list of third party consents, 70% of ATS's employees and 90% of certain key employees agreeing to become employees of Utiba, and the consummation of the transactions contemplated by the Utiba SPA. See page 10 below for additional information.

Representations and Warranties: The Asset Purchase Agreement includes customary representations and warranties. All representations and warranties will survive the Closing and, except for certain exceptions, will expire 24 months after the date of Closing. See page 11 below for additional information.

Indemnification: ATS and the Company have agreed to indemnify Utiba for losses and claims arising from breaches of representations, warranties or covenants, for any taxes arising as a result of the ATS Transaction and relating to any assets or liabilities excluded from the acquisition. The indemnification obligation for breaches of representations will only arise in respect of losses that exceed \$25,000. See page 11 below for additional information.

Covenants: The parties to the Asset Purchase Agreement have given certain customary covenants relating to the conduct of the business and in connection with the consummation of the ATS transaction. These are more fully described below under "The Asset Purchase Agreement".

Exclusivity Release: The Company and ATS have entered into a release agreement that will automatically become effective on Closing. At such time, Utiba will be released from all its obligations under the ATS Shareholders Agreement in consideration for a cash payment of \$200,000.

The Utiba Purchaser Loan: In order to assist ATS in the ongoing financing of its business in the period between the execution of the Asset Purchase Agreement and the Closing of the ATS Transaction, an affiliate of the Utiba Purchaser has agreed to make a loan of up to \$500,000 to ATS for working capital purposes (the Utiba Purchaser Loan). The Utiba Purchaser Loan accrues interest at a rate of five percent per annum and unless the transaction contemplated by the Asset Purchase Agreement is consummated is repayable in full on six months after date of signing. If Closing does occur, the outstanding amount of the Utiba Purchaser Loan is added to the purchase price payable under the Asset Purchase Agreement and is repaid by an affiliate of the Utiba Purchaser on behalf of ATS.

In order to secure the repayment of the Utiba Purchaser Loan, the Company has guaranteed ATS's obligations thereunder.

PROPOSAL 1: THE ATS TRANSACTION

Parties to the ATS Transaction

The Company. Alternet Systems, Inc., a Nevada corporation, was incorporated in 2000. It is headquartered in Miami, Florida and its mailing address is 2665 South Bayshore Drive, Suite 301, Miami, Florida 33133. The Company's securities trade on the NASD's OTCQB under the symbol ALYI.

The Company operates in the mobile financial services and mobile security business, as well as in several other vertical technology sectors.

The Company operates its mobile financial services sales business through Alternet Transaction Systems, Inc., a joint venture entity currently owned 51% by the Company and 49% by Utiba.

Alternet Transaction Systems, Inc. and Utiba Guatemala, S.A.

ATS is a Florida corporation, was incorporated in 2009. It is headquartered in Miami, Florida and its mailing address is 2665 South Bayshore Drive, Suite 301, Miami, Florida 33133.

The stock of ATS is currently held 51% by the Company and 49% by Utiba. ATS is a reseller in the Americas of the mobile financial services platform developed and commercialized by Utiba.

ATS Guatemala is a wholly-owned subsidiary of ATS. ATS Guatemala was formed under the laws of Guatemala in 2011. ATS Guatemala was formed to operate ATS's reseller business of Utiba products in Guatemala.

Utiba.

Utiba Pte. Ltd., a corporation formed under the laws of Singapore, was incorporated in 2001. It is headquartered in Singapore and its mailing address is 80 South Bridge Road, #03-01, Golden Castle Building, Singapore 058710.

Utiba is a software developer and professional services provider of a mobile financial services software for the telecommunications, banking and financial services industry.

Utiba currently holds 49% of the stock of ATS.

Utiba Background

Utiba owns and develops software that allows an owner of a mobile device, such as a mobile phone or computer, to use that mobile device as a virtual wallet by receiving deposits and making payments from the mobile device (the mobile payments field). Utiba and the Company formed ATS to act as a reseller and to sell Utiba's software in the Americas pursuant to an exclusive license (as long as Utiba holds shares in ATS) granted by Utiba to ATS. The Company owns 51% of ATS and Utiba owns the remaining 49% of ATS.

The license agreement between ATS and Utiba contains performance requirements in terms of sales levels that must be met in order for the license to remain in force, and provides for a dilution of the Company's shareholding in ATS in case these performance requirements are not met. Although ATS has been successful in entering into agreements in many nations in the Americas, ATS has not met the license agreement performance levels.

The mobile payments field is very competitive, and several of Utiba's and ATS's competitors have been acquired by large, well-capitalized concerns with global reach, extensive sales and marketing functions and high R&D budgets. To date, ATS has been facing liquidity challenges and has not been profitable. With larger competitors coming into the mobile payments field, it will make it more difficult for ATS to succeed and become profitable in the future.

As stated above under "Summary of the ATS Transaction", the Utiba Sellers entered into a Share Purchase Agreement with the Utiba Purchaser for the entire issued share capital of Utiba. Completion of the transactions contemplated by the Utiba SPA is subject to Utiba simultaneously completing the ATS Transaction (although such condition is waivable at the absolute discretion of the Utiba Purchaser).

Documents relating to the ATS Transaction

The following summaries highlight the material terms of the transaction documents relating to the ATS Transaction. These summaries do not contain all of the information that may be important for you to consider in evaluating the proposed sale. Copies of the Asset Purchase Agreement, the Exclusivity Release, and the Non-Compete clause are annexed to this Proxy Statement as Exhibits 1, 2 and 3, respectively. You should read the entire Proxy Statement, the Asset Purchase Agreement, the Exclusivity Release, the Non-Compete clause and the other documents attached to this Proxy Statement in their entirety to fully understand the ATS Transaction and its consequences to you before voting.

The Asset Purchase Agreement

As of October 13, 2013, the Company, Utiba, ATS and ATS Guatemala entered into an Asset Purchase Agreement (the "Asset Purchase Agreement") in order to effect the sale by ATS of all of its business and assets to Utiba as more fully described as part of the ATS Transaction herein. The material terms of the Asset Purchase Agreement are set forth below and the entire Agreement is subject to the approval of shareholders of the Company.

Assets Transferred and Liabilities Assumed: ATS is selling substantially all of the assets of its business, including the following assets (to the extent that ATS has any such assets): (i) all customer contracts, (ii) all supplier and service provider contracts, (iii) any intellectual property that is owned (this is negligible), (iv) all accounts receivable, (v) all cash and other balance sheet assets held, (vi) all computers and equipment, (vii) any goodwill associated with its business, (viii) proposals to customers, (ix) rights under warranties, representations and guaranties given to ATS in relation to its business, (x) rights under any insurance policies relating to ATS's business, (xi) rights under legal proceedings relating to ATS's business, (xii) performance bonds and similar assets, (xiii) rights or claims for refunds, rebates or discounts, (xiv) all backlog created prior to the date of the Asset Purchase Agreement, and (xv) all other rights, assets, properties and business (except as specifically excluded) held for use in the conduct of ATS's business.

The liabilities to be assumed by Utiba will include ATS's operational liabilities, including those under the customer contracts that are assigned as well as liabilities under certain financing agreements and accounts payable to an agreed list of counterparties. Liabilities that will not be assumed (and that will be paid off prior to or at Closing or otherwise retained by ATS) include liabilities for taxes of ATS, liabilities to ATS's employees arising prior to Closing (whether or not they are subsequently employed by Utiba), and liability under the loan made to ATS by Loma Real Investments.

Purchase Price: If the ATS Transaction is consummated, Utiba shall pay ATS for the assets an aggregate purchase price of \$1,600,000, *plus* the amount of the Utiba Purchaser Loan (described below) outstanding at such time. As it is anticipated that the full amount of the Utiba Purchaser Loan of \$500,000 will be outstanding at the date of the closing of the transaction contemplated by the Asset Purchase Agreement (the "Closing") the aggregate cash purchase price payable by Utiba to ATS upon Closing is expected to be \$2,100,000 (the "Cash Purchase Price").

The Cash Purchase Price will be subject to adjustment, at Closing, based upon the aggregate value of certain of the assets acquired and the amount of liabilities assumed. These purchase price adjustments are more fully described below under Adjustments to Purchase Price. Utiba will also hold back the amount of \$300,000 of the Cash Purchase Price as described below under Holdback.

In addition to the Cash Purchase Price, upon Closing, Utiba shall pay to the Company the amount of \$2,200,000 (the Non-Compete Payment) as consideration for the covenants made by the Company as described below under Non-Compete Covenant.

The ATS Transaction also provides that an additional contingent payment amount of up to \$2,000,280 may become payable to ATS in connection with an earn-out provision contained in the Utiba SPA, as described below under Earn-Out.

Payment of Purchase Price at Closing: On Closing, Utiba will pay: (i) the Non-Compete Payment to the Company, and (ii) the Cash Purchase Price (\$2,100,000) (as adjusted pursuant to the preliminary adjustment to the Purchase Price described below under Adjustments to Purchase Price), less deductions of (A) the amount currently due by ATS to the IRS in respect of certain tax liabilities, and (B) the \$300,000 holdback amount, to ATS. The amount of the Utiba Purchaser Loan will be paid directly by Utiba to the Utiba Purchaser so as to settle ATS's liability under the Utiba Purchaser Loan. As more fully described below, the amount deducted in respect of ATS's tax liability will be paid directly by Utiba to the IRS for the account of ATS.

Adjustments to Purchase Price: The Cash Purchase Price is subject to adjustment based upon the net value of the accounts receivable acquired, less (i) trade payables assumed, (ii) advanced billings assumed, and (iii) the value of other liabilities assumed. The target for the net value of these amounts is zero and an adjustment will be made to the Cash Purchase Price on a dollar-for-dollar basis for the amount of any deficit (ie. a \$1 reduction to the Cash Purchase Price for each \$1 of deficit), and on a 50 cents for each dollar basis for the amount of any excess (i.e., a 50 cents increase to the Cash Purchase Price for each \$1 of excess).

A preliminary adjustment shall be made to the Cash Purchase Price to be paid at Closing based upon the relevant values as estimated by ATS (on a good faith, reasonable best estimate basis) five days prior to Closing. Following Closing, Utiba shall be entitled to prepare its own calculation of any adjustment and, following agreement or the use of customary dispute mechanisms, a balancing payment by ATS or Utiba shall be made, as appropriate.

Holdback: In order to secure ATS's and the Company's indemnity obligations, at Closing, Utiba will hold back \$300,000 from the Cash Purchase Price. Subject to there being no outstanding indemnity claims, \$150,000 of the holdback will be released to ATS on the first anniversary of Closing, with the remaining \$150,000 being released on the date that is 18 months after the date of Closing.

Non-Compete Covenant: Pursuant to the Non-Compete Covenant attached to the Asset Purchase Agreement as Exhibit A, and in exchange for the Non-Compete Payment, the Company has agreed that neither it, ATS, nor any of the Company's other subsidiaries will compete with the mobile payment, top up and mobile financial services business of ATS for a period of 36 months from the date of Closing. In addition, the Company has agreed that neither it nor any of its representatives or affiliates will solicit employees that transfer to Utiba, or customers or suppliers of the ATS business that is acquired.

Earn-Out: Pursuant to the terms of the Utiba SPA, the shareholders of Utiba may be paid certain earn-out payments (the "Utiba Earn-Out Amounts") to the extent that certain revenue thresholds are achieved in the years ending 12 and 24 months after the month in which Closing occurs. The Utiba Sellers have directed that 25.32% of any Utiba Earn-Out Amounts shall be paid directly by the Utiba Purchaser to ATS in connection with the ATS Transaction.

Of the Maximum Earn-Out Payment, an amount of up to \$800,112 shall be payable to ATS (at the direction of the Utiba Sellers) in respect of the twelve-month period following the month in which Closing occurs, and the remaining amount of up to \$1,200,168 shall be payable to ATS (at the direction of the Utiba Sellers) in respect of the twelve-month period immediately following that first period. The date on which each of the payments of any amount due under the Earn-Out will be made will depend upon the time taken to determine the amounts due.

There is no guaranty that ATS will receive the Maximum Earn-Out Payment of \$2,000,280, or any earn-out payment at all.

Conditions to the ATS Transaction: The Asset Purchase Agreement includes the following conditions to Closing: (i) the obtaining of any required governmental consents, (ii) there being no outstanding legal proceedings which have or could prevent the transaction, (iii) the obtaining of the approval of the ATS Transaction by the Company's stockholders, (iv) the material accuracy of the representations and compliance with the covenants by each person, (v) the obtaining of an agreed list of third party consents, (vi) not less than 70% of ATS's employees and 90% of certain key employees agreeing to become employees of Utiba, (vii) the consummation of the transactions contemplated by the Utiba SPA, (viii) there having been no material adverse effect on the purchased assets or business or on the ability to timely consummate the transactions contemplated under the Asset Purchase Agreement other than events arising from changes or conditions generally affecting the industries or markets relating to the purchased business to the extent such changes do not disproportionately adversely affect the purchased business, and (ix) the Exclusivity Release remaining in full force and effect.

Representations and Warranties: The Asset Purchase Agreement includes customary representations and warranties. All representations and warranties will survive the Closing and will expire twenty-four (24) months after the date of Closing, other than claims for fraud, willful misconduct or intentional misrepresentations and the representations of the Company relating to authorization, non-contravention and consents, title, tax matters and the Foreign Corrupt Practices Act, which will generally expire on the date that is six (6) months after the applicable statute of limitations, and representations relating to intellectual property which will generally expire forty-eight (48) months after the date of Closing.

Indemnification: ATS and the Company have agreed to indemnify Utiba for losses and claims arising from breaches of representations, warranties or covenants, breaches of obligations under the documents relating to the ATS Transaction, and for any taxes arising as a result of the ATS Transaction and relating to any assets or liabilities excluded from the acquisition. The indemnification obligation for breaches of representations will only arise in respect of losses that exceed \$25,000.

Covenants: The parties to the Asset Purchase Agreement have given certain covenants, as follows:

Conduct of Business: Prior to Closing, ATS will be required to conduct its business in the ordinary course, including obligations to preserve the business and relationships, to maintain its equipment and permits, to pay any required maintenance fees, to comply with applicable law, to provide Utiba with notice of any material loss or damage, and to refrain from granting or issuing any shares or options.

ATS will also be prohibited from hiring any new employees, consultants or agents (or changing their compensation or benefits or granting any other compensation), subjecting any purchased asset to a lien, acquiring or disposing of any assets, modifying or terminating any contract, canceling or waiving any debt, entering into any capital expenditure in excess of \$25,000 per commitment, or \$50,000 in total, paying any dividend or distribution, or entering into any related party transaction.

Consents: Each of the parties has agreed to use its commercially reasonable efforts to take all actions necessary to consummate the ATS Transaction and to promptly make any required regulatory filings. In addition, ATS and ATS Guatemala have agreed to use their respective best efforts to obtain the third party consents required for consummation of the ATS Transaction.

Cooperation: Each of the parties has agreed to cooperate in respect of the business transition, and ATS and ATS Guatemala have agreed to allow access for Utiba and the Utiba Purchaser to its offices, properties and operations.

Employees: ATS and ATS Guatemala will cooperate with Utiba in the solicitation and hiring by Utiba of certain employees of ATS that Utiba identifies. In cases in which Utiba enters into a definitive employment arrangement with the selected employees, ATS and ATS Guatemala will terminate such selected employees employment with ATS effective from Closing, such that they will become employees of Utiba from such time.

No-Shop Obligation: The Company, ATS, ATS Guatemala and their respective representatives shall be prohibited from soliciting, encouraging, facilitating or engaging in any alternative transaction proposal for ATS until the first to occur of: (i) Closing, and (ii) a rejection by the Company's stockholders of the ATS Transaction.

Termination: The Asset Purchase Agreement may be terminated (i) by mutual consent, (ii) by Utiba on or after January 25, 2014 if Closing has not occurred by such time (provided that the Utiba Purchaser or Utiba, with the consent of the Utiba Purchaser, is entitled to extend such date by a period of up to two months), or (iii) by either party if there is a non-appealable judgment preventing Closing, or if there is an unremedied breach of representation or covenant by the other party that would prevent satisfaction of the condition relating to representations and covenants on Closing. In each of the foregoing cases, Utiba shall only be entitled to exercise any right of termination with the prior consent of the Utiba Purchaser.

Exclusivity Release Agreement

The Company and ATS have entered into a release agreement that will automatically become effective on Closing. At such time, Utiba will be released from all its obligations under the ATS Shareholders Agreement. Utiba will be required to pay the Company a cash payment of \$200,000 upon Closing for the grant of this release.

The Utiba Purchaser Loan Agreement

In order to assist ATS in the ongoing financing of its business in the period between the execution of the Asset Purchase Agreement and the closing of the ATS Transaction, an affiliate of the Utiba Purchaser has agreed to make a loan of up to \$500,000 to ATS for working capital purposes (the "Utiba Purchaser Loan"). The disbursement schedule of the Utiba Purchaser Loan is as follows:

- \$200,000 on or prior to the date of the filing of the preliminary proxy statement in respect of the approval of the ATS Transaction by the shareholders of the Company;

- \$150,000 on or prior to the one-month anniversary of the filing date of the preliminary proxy statement; and
- \$150,000 on or prior to the two-month anniversary of the filing date of the preliminary proxy statement.

In addition, to the extent the full \$500,000 maximum loan amounts have not been disbursed, immediately prior to Closing, an additional amount will be disbursed to bring the total outstanding amount of the loan to \$500,000; provided, that if there is an event of default under the loan at such time, the lender shall not be obligated to make such additional advance.

The Utiba Purchaser Loan accrues interest at a rate of five percent (5%) per annum and is repayable in full on six months after the date of signing. Upon any event of default under the Utiba Purchaser Loan (which includes the event of the Company's stockholders not approving the ATS Transaction), subject to a grace period of five days to cure such default, if curable, the Utiba Purchaser Loan will become immediately repayable and the Utiba Purchaser will have the right to convert the outstanding amount of the Utiba Purchaser Loan into equity of ATS causing the Company to become a minority shareholder of ATS.

In order to secure the repayment of the Utiba Purchaser Loan, the Company has guaranteed ATS's obligations thereunder. In addition, upon any event of default (including customary events of default, and also the event of the Company's shareholders not approving the ATS Transaction), subject to a grace period to cure such default, if curable, the full amount of the Utiba Purchaser Loan will be convertible, at Utiba Purchaser's option, into seven percent (7%) of the fully diluted share capital of ATS.

Reasons for engaging in the ATS Transaction

The Board of Directors believes that the ATS Transaction under the terms of the Asset Purchase Agreement, the Exclusivity Release and related documents is in the best interests of ATS, of the Company, and of the Company's shareholders.

In reaching the decision to enter into the ATS Transaction, the Board of Directors considered a number of factors, including those described below:

Attractive Aggregate Purchase Price. The Board of Directors considered the aggregate financial terms offered by Utiba for the ATS Transaction to provide an attractive valuation of ATS's business. In addition to the cash elements payable on Closing, through its entitlement to share in earn-out under the Utiba SPA, the aggregate purchase price may be further increased and ATS, therefore, retains a potential ability to share in the future success of ATS's business as part of a group which has the global reach and financial resources to take full advantage of Utiba's product.

ATS's need for substantial further financing. In the period preceding the approach by Utiba and the Utiba Purchaser, the Board of Directors had determined that ATS would need to raise a significant amount of additional funds so as to be able to continue its normal operations, as well as to be able to seek to expand ATS's business as is required in order to compete with its competitors and to maintain its current customer base. Both ATS and the Company have historically suffered cash flow problems and management's projections of future expenditure and revenue generation showed a worsening of the Company's and ATS's cash positions.

The mobile payments field is very competitive, and several of Utiba's and ATS's competitors have been acquired by large, well-capitalized concerns with global reach, extensive sales and marketing functions and high R&D budgets. To date, ATS has been facing liquidity challenges and has not been profitable. With larger competitors coming into the mobile payments field, it will make it more difficult for ATS to be in a level competitive advantage compared with its peers.

Sale of Utiba. The Board of Directors considered ATS's close relationship with Utiba, that its business is primarily the resale of the Utiba product, and that as a joint venture company, strategic decisions of ATS generally required the consent of both the Company and Utiba. Once the Board of Directors was made aware of the acquisition by the Utiba Purchaser of the entire issued share capital of Utiba, the Board of Directors considered that a strategic transaction with Utiba or with Utiba's purchaser would potentially offer ATS the most favorable transaction terms.

Alternet investment cap and horizon. The Company's investment strategy in high growth emerging technology has been based on a 4 year plan established by management. The investment by the Company in ATS will shortly enter its 4th year. Entry by ATS and the Company into the ATS Transaction meets management's criteria for an exit from the investment in accordance with its four year plan.

Intended Use of Proceeds. The Company is now seeking additional opportunities in the mobile security space and other payment processing areas and will focus on areas more closely suited to its core competencies. The proceeds that would be received in connection with the ATS Transaction would provide the Company and ATS with substantial resources to apply on these new opportunities.

Tag Along Provisions. When ATS was incorporated, the Company and Utiba entered into specific Drag Along and Tag Along provisions. The Board of Directors of the Company elected to take the opportunity to exercise those provisions based on the basic price as the Utiba Purchaser acquires the ATS shares from Utiba and to present it to the shareholders of the Company for approval.

The foregoing information and factors considered by the Board of Directors are not intended to be exhaustive. In view of the variety of factors and the amount of information considered, the Board of Directors did not find it practicable to, and did not quantify, rank or otherwise assign relative weight to the specific factors it considered in approving the ATS Transaction. In addition, individual members of the Board of Directors may have given different weight to different factors. The Board of Directors considered all of these factors as a whole, and overall considered them to be favorable and to support its determination.

Background, Past Contacts and Negotiations

From mid-August 2013 until mid-October 2013, the Company, Utiba and the Utiba Purchaser were engaged in negotiations of the terms of transaction and exploring the resolution of open issues with legal counsel. The parties and their counsel further negotiated the terms of the Asset Purchase Agreement, the Exclusivity Release and related documents, leading to the proposed terms of the ATS Transaction set out in this Proxy Statement.

As of October 13, 2013, the parties executed the definitive Asset Purchase Agreement, the Exclusivity Agreement and related documents.

The Use of Proceeds

The Company intends to use the proceeds from the sale to pay debts and other liabilities, fund the expansion of the mobile security business of its subsidiary, and to pursue acquisitions of payment processing businesses. No acquisition candidate has been identified at this time.

The Company is pursuing opportunities in payment processing and other sectors meeting the Company's overall corporate and investment strategy. The Company will continue to leverage its international expertise, primarily regionally, as well as explore domestic and global opportunities. The Company is in active discussions with acquisition and joint-venture candidates and announcements will be made as appropriate.

Support Agreements

As of the date hereof, Utiba has received Support Agreements from fifteen shareholders who between them hold 17,350,460 shares of common stock of the Company, representing 15.96% of the issued share capital of the Company (collectively, the Support Agreements) of 95,667,398 as of November 21, 2013. Under the Support Agreements, each of the signing shareholders has agreed that, until termination, he or she shall vote in favor of the ATS Transaction and against any shareholder proposal that is inconsistent with the ATS Transaction.

ATS TRANSACTION RISK FACTORS

In addition to the Risk Factors incorporated by reference pursuant to the other provisions of this Proxy Statement, the Company has identified the following additional Risk Factors associated with the ATS Transaction.

Risks if the ATS Transaction is not approved

Need for financing. If the ATS Transaction is not approved, ATS will continue to operate its business. However, in that circumstance it is not known whether the Utiba Purchaser will consummate the transaction with the Utiba Sellers and, if the Utiba Purchaser does consummate the transaction with the Utiba Sellers, it is unknown whether ATS will continue to have the same level of support from Utiba that it had prior to the transaction. As discussed above in this Proxy Statement, the Board of Directors believes that each of ATS and the Company will need to secure additional funding to continue to meet its obligations and to continue to operate its businesses. To the extent that the Company and ATS are not able to obtain funds through consummation of the ATS Transaction, they will need to do so by the issuance of additional debt or equity, or through other means. There is no guarantee that the Company will be able to raise such additional financing.

Repayment of the Utiba Purchaser Loan. Upon any event of default under the Utiba Purchaser Loan (which includes the event of the Company's stockholders not approving the ATS Transaction), subject to a grace period of five days to cure such default, if curable, the Utiba Purchaser Loan will become immediately repayable and the Utiba Purchaser will have the right to convert the outstanding amount of the Utiba Purchaser Loan into equity of ATS causing the Company to become a minority shareholder of ATS.

Loma Real Loan repayment. In July 2013, ATS entered into a loan agreement with Loma Real Investments. This loan is for an amount of up to \$550,000 (of which \$350,000 has been drawn down as of the date of this Proxy Statement) and is repayable on December 15th, 2015, but is also convertible into ATS shares upon any event of default which could have the effect of the material dilution of the current shareholders of ATS (Utiba and the Company). The number of shares of ATS into which the Loma Real Loan would be convertible would be determined based upon the equity value of ATS immediately prior to such conversion. The main risk of a default which would permit such a conversion arises from the possibility that some of ATS's projects are delayed, meaning that ATS would be unable to repay a required payment of interest or principal. This would trigger the conversion and the massive dilution of the Company's interest in ATS.

Industry consolidation and competitive landscape. Over the last two years the mobile financial services software industry has undergone a massive process of consolidation, through mergers and acquisitions. These have changed the competitive landscape for Utiba and ATS, as the industry participants are now significant players, with far larger financial resources, global reach and name recognition than ATS and the Company. This places ATS at a significant disadvantage, as it now needs to compete, not only with its products and services, but also with its weak financials and resources. Customers have raised a concern about our financial strength and viability, and have manifested this situation as a key element when choosing a mobile financial services platform for their business.

Amdocs as a partner, in case the ATS Transaction is not approved. Our current relationship with the Utiba shareholders and founders, is excellent and based on a shared entrepreneurial spirit. The Board of Directors feels, that the relationship with the Utiba Purchaser, as the new owner of Utiba, may change and potentially become a limitation to our growth and performance. The Utiba Purchaser is a global organization with significant financial resources and, a partnership with Alternet, may not be an important business line for it.

The Shareholders Agreement between the Company and Utiba with respect to ATS contains certain performance requirements in terms of sales levels that must be met in order for the exclusive territorial rights to the Americas to remain in force. ATS has not met those performance criteria. The Company believes that Utiba has waived those performance requirements. However, Utiba could claim that it did not waive the performance requirements. In case of a failure to meet performance requirements, the agreement allows for a dilution of the Company's shareholding in ATS. Even though those performance levels have not been achieved, Utiba has not to date declared the license to be canceled or implemented any dilution of the Company's holding in ATS.

PROPOSAL 1 RECOMMENDATION: THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS APPROVE THE ATS TRANSACTION.

PROPOSAL 2: AUTHORIZED SHARES AMENDMENT

AMENDMENT OF THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES

Our Board of Directors believes that the increase in the number of authorized shares of our common stock from 10,000,000 shares to 510,000,000 shares is necessary to make available shares of common stock for future issuance by allowing the Company greater flexibility with respect to future actions involving the issuance of stock, including, without limitation, the raising of additional capital. As of September 30, 2013, we have 92,564,731 shares of common stock outstanding and are authorized to issue 100,000,000 shares, leaving only 7,435,269 shares available for future issuances. The Board of Directors would like the flexibility of having additional shares available for issuance in order to allow it to issue shares of stock in lieu of cash payments for services provided by third parties and employees, thus allowing it to preserve its cash. In addition, the Board of Directors may sell securities from time to time to raise money needed to continue its operations. Our Board of Directors further believes that the increase in the number of authorized shares of common stock will enable the Company to promptly take advantage of market conditions and the availability of favorable opportunities without the delay and expense associated with holding a special meeting of shareholders.

Our Board of Directors may authorize the issuance of any shares of common stock authorized but unissued without further shareholder approval. The issuance of such shares of common stock will be upon such terms as the Board of Directors determines. Such issuance could result in a significant dilution of the voting rights and the stockholders' equity of the existing shareholders and may adversely affect the market price for the common stock.

Issuance of additional common stock may have the effect of deterring or thwarting persons seeking to take control of the Company through a tender offer, proxy fight or otherwise, or to bring about removal of incumbent management or a corporate transaction such as a merger. For example, the issuance of common stock could be used to deter or prevent such a change of control through dilution of stock ownership of persons seeking to take control or by rendering a transaction proposed by such persons more difficult even if the person seeking to obtain control of the Company offers an above-market premium that is favored by a majority of the independent shareholders. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting right of persons seeking to cause such removal.

The Company has no plans, arrangements, commitments or understandings to issue any of the shares that would be newly available if the proposal to increase the authorized common stock is approved by shareholders.

PROPOSAL 2 RECOMMENDATION: THE COMPANY S BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS APPROVE THE AUTHORIZED SHARES AMENDMENT.

PROPOSAL 3: PREFERRED SHARES AMENDMENT

AMENDMENT OF THE ARTICLES OF INCORPORATION TO CREATE BLANK CHECK PREFERRED STOCK

The amendment to our Articles of Incorporation will create 10,000,000 authorized shares of blank check preferred stock. Our Articles of Incorporation do not currently authorize a class of preferred stock. However, we believe that for us to successfully execute our business strategy we will need to raise investment capital and it may be preferable or necessary to issue preferred stock to investors. Preferred stock usually grants the holders certain preferential rights in voting, dividends, liquidation, or other rights in preference over the common stock. Accordingly, in order to grant us the flexibility to issue our equity securities in the manner best suited for the Company, or as may be required by the capital markets, the Certificate of Amendment will create 10,000,000 authorized shares of blank check preferred stock for us to issue.

The term blank check refers to preferred stock, the creation and issuance of which is authorized in advance by the shareholders and the terms, rights and features of which are determined by our Board of Directors upon issuance. The authorization of such blank check preferred stock would permit our Board of Directors to authorize and issue preferred stock from time to time in one or more series.

Subject to the provisions of the Certificate of Amendment to the Articles of Incorporation and the limitations prescribed by law, our Board of Directors would be expressly authorized, at its discretion, to adopt resolutions to issue shares, to fix the number of shares and to change the number of shares constituting any series and to provide for or change voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, including dividend rights (including whether the dividends are cumulative), dividend rates, terms of redemption (including sinking fund provisions), redemption prices, conversion rights and liquidation preferences of the shares constituting any series of the preferred stock, in each case without any further action or vote by the shareholders. Our Board of Directors would be required to make any determination to issue shares of preferred stock based on its judgment as to the best interests of our Company and our shareholders. The proposed amendment to the Articles of Incorporation would give our Board of Directors flexibility, without further shareholder action, to issue preferred stock on such terms and conditions as the Board of Directors deems to be in the best interests of the Company and our shareholders.

The proposed amendment to the Articles of Incorporation will provide the Company with increased financial flexibility in meeting future capital requirements by providing another type of security in addition to our common stock, as it will allow preferred stock to be available for issuance from time to time and with such features as determined by our Board of Directors for any proper corporate purpose. It is anticipated that such purposes may include exchanging preferred stock of common stock and, without limitations, may include the issuance for cash as a means of obtaining capital for use by the Company, or issuance as part or all of the consideration required to be paid by the Company for acquisitions of other businesses or assets.

Issuance by the Company of preferred stock could dilute both the equity interests and the earnings per share of existing holders of the common stock. Such dilution may be substantial, depending upon the amount of shares issues. The newly authorized shares of preferred stock could also have voting rights superior to the common stock, and therefore, would have a dilutive effect on the voting power of existing shareholders.

Any issuance of preferred stock with voting rights could, under certain circumstances, have the effect of delaying or preventing a change in control of the Company by increasing the number of outstanding shares entitled to vote and by increasing the number of votes required to approve a change in control of the Company. Shares of voting or convertible preferred stock could be issued, or rights to purchase such shares could be issued, to render more difficult or discourage an attempt to obtain control of the Company by means of a tender offer, proxy contest, merger or otherwise. The ability of the Board of Directors to issue such additional shares of preferred stock, with the rights and preferences it deems advisable, could discourage an attempt by a party to acquire control of the Company by tender offer or other means. Such issuances could therefore deprive shareholders of benefits that could result from such an attempt, such as the realization of a premium over the market price that such an attempt could cause. Moreover, the issuance of such additional shares of preferred stock to persons friendly to the Board of Directors could make it more difficult to remove incumbent managers and directors from office even if such change were to be favorable to shareholders generally.

While the amendment may have anti-takeover ramifications, our Board of Directors believes that the financial flexibility offered by the amendment outweighs any disadvantages. To the extent that the amendment may have anti-takeover effects, the amendment may encourage a proposed transaction in a manner that best serves the shareholders' interest.

There are currently no plans, arrangements, commitments or understandings for the issuance of shares of preferred stock.

PROPOSAL 3 RECOMMENDATION: THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS APPROVE THE PREFERRED SHARES AMENDMENT.

11.1.1.1. by mutual written consent of Purchaser (with the written consent of Amdocs) and the Seller;

11.1.1.2. by either Purchaser (with the written consent of Amdocs) or by Amdocs, on or after January 25, 2014 (provided that at such time the Purchaser (with the written consent of Amdocs) or Amdocs may extend such date for a period of up to two additional calendar months), and by Seller on or after September 20, 2014 or such other date that Purchaser (with the written consent of Amdocs) and Seller may agree upon in writing, if the Closing shall not have occurred by the close of business on such date, provided, however, that the right to terminate this Agreement under this clause shall not be available to any party whose breach of this Agreement has resulted in the failure of the Closing to occur on or before such date or that has caused any of the conditions set forth in Section 9 not to have been satisfied on or before such date;

11.1.1.3. by either Purchaser (with the written consent of Amdocs) or Seller if there shall be in effect a final nonappealable injunction or other Order of a Governmental Body restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby or a material portion thereof; provided, however, that the right to terminate this Agreement under this clause shall not be available to any party whose breach of this Agreement has been the cause of or resulted in such injunction or other Order;

11.1.1.4. by Purchaser (with the written consent of Amdocs), if (i) the Shareholder, the Seller or any Subsidiary shall have breached any representation, warranty, covenant or agreement contained herein and such breach shall not have been cured within five (5) Business Days after receipt by the Seller of written notice of such breach (provided, however, that no such cure period shall be available or applicable to any such breach which by its nature cannot be cured) and if not cured within the timeframe above and at or prior to the Closing, such breach would result in the failure of any of the conditions set forth in Section 9.1 or 9.2 to be satisfied had the Closing was to occur on such date, or (ii) the conditions set out in Sections 9.2.1, 9.2.4 or 9.2.8 shall have not been satisfied or are reasonably expected not to be satisfied;

11.1.1.5. by the Seller, if (i) Purchaser shall have breached any representation, warranty, covenant or agreement contained herein and such breach shall not have been cured within five Business Days after receipt by Purchaser of written notice of such breach (provided, however, that no such cure period shall be available or applicable to any such breach which by its nature cannot be cured) and if not cured within the timeframe above and at or prior to the Closing, such breach would result in the failure of any of the conditions set forth in Section 9.1 or 9.3 to be satisfied had the Closing was to occur on such date, or (iii) the conditions set out in Section 9.3.1 shall have not been satisfied or are reasonably expected not to be satisfied;

11.1.1.6. by Purchaser (with the written consent of Amdocs) if the Utiba SPA terminates pursuant to its terms (other than as set out in Section 11.1.2 below)

11.1.2. shall terminate automatically if the Utiba SPA is terminated by Amdocs.

11.2. Procedure Upon Termination. In the event of termination and abandonment by Purchaser or Seller, or both, pursuant to Section 11 hereof, written notice thereof shall forthwith be given to the other party, and this Agreement shall terminate, except for this Section 11.2 and Sections 8.1, 8.12, 11.3, 12.4, and 12.5 of this Agreement, which shall remain in full force and effect.

11.3. Effect of Termination. In the event that this Agreement is validly terminated as provided herein, then each of the parties shall be relieved of their duties and obligations arising under this Agreement after the date of such termination and such termination shall be without any liability to any of the parties and their respective Representatives; provided, however, that nothing in this Section 11.3 shall relieve a party of any liability for a willful or material breach of this Agreement prior to the effective date of such termination. No party shall be liable for any consequential, incidental or indirect damages, including loss of profits or loss of opportunities of the other party.

12. MISCELLANEOUS.

12.1. Entire Agreement. This Agreement (including the schedules and exhibits hereto and all other Transaction Documents) represents the entire understanding and agreement between the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among certain of the parties hereto with respect to the subject matter hereof.

- 12.2. Amendments and Waivers. This Agreement (including the schedules and exhibits hereto and all other Transaction Documents) can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument signed by the Shareholder and Purchaser (provided that no waiver, amendment, supplement or change may be approved by the Purchaser, and such waiver, amendment, supplement or change shall not be effective, without the written consent of Amdocs), or in case of a waiver by the party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. For the avoidance of doubt, neither this Agreement nor any Transaction Document constitutes a waiver or release of any right of the Purchaser under the Shareholders Agreement and the Purchaser reserves its rights thereunder.
- 12.3. Assignment. No assignment of this Agreement or of any rights or obligations hereunder may be made (by operation of law or otherwise) by any of the parties hereto without the prior written consent of the other parties hereto and Amdocs, and any attempted assignment without the required consents shall be void; provided, however, that Purchaser may freely assign this Agreement and any or all rights or obligations hereunder (including, without limitation, Purchaser's rights to purchase the Purchased Assets and assume the Assumed Liabilities and Purchaser's rights to seek indemnification hereunder) to Amdocs Development Limited (or any of its Affiliates) or (with the written consent of Amdocs) to any Affiliate of the Purchaser or to an acquirer of all or substantially all of Business and/or the Purchased Assets (whether by sale, merger or otherwise); provided that that in case of an assignment prior to Closing, Purchaser shall remain liable for all of its obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors, assigns, heirs, executors, and administrators.
- 12.4. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws that would require the application of the laws of any other jurisdiction. Any dispute (and all claims, grievances, demands, controversies, causes of action or disputes of any nature whatsoever) arising out of or in connection with this Agreement and the Transaction Documents, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by a sole arbitrator (the Arbitrator) selected by the Seller and the Purchaser in accordance with the rules of the London Court of International Arbitration then in effect (LCIA). The language of all the arbitration proceedings shall be English. To the extent that an Arbitrator has been selected in respect of any dispute relating to the Utiba SPA, the same Arbitrator shall be appointed pursuant hereto.
-

In the event that the Seller and the Purchaser are not able to agree upon the Arbitrator within thirty (30) days of a request by either Seller or the Purchaser to appoint an arbitrator, the Arbitrator will be appointed at the request of either the Seller or the Purchaser by the LCIA. The situs of all arbitration proceedings shall be London, England. The arbitration award and/or determination shall be final and binding and judgment may be entered thereon in any court of competent jurisdiction. Notwithstanding the aforesaid, the Purchaser shall be entitled to resort to courts of competent jurisdiction to apply for an injunction, specific performance or any equivalent remedy, in order to restrain the breach of Sections 7 and 8 pending final resolution of the disputes referred for arbitration in accordance with the terms of this Section 12.4.

Each of the parties to this Agreement hereby irrevocably consents to service of process in the manner provided for notices in Section 12.5. Nothing in this Agreement shall affect the right of any party to this Agreement to serve process in any other manner permitted by applicable Law.

- 12.5. Notices. All notices and other communications under this Agreement shall be in writing shall be given or made by delivery in person (and shall be deemed to have been duly given upon such delivery), by overnight courier service (and shall be deemed to have been duly given two (2) days after delivery to the courier service), by facsimile or email (and shall be deemed to have been duly given after transmission in full with electronic confirmation of transmission, or if delivered on a non-Business Day or after recipient's business hours, on the first Business Day after transmission), or by registered or certified mail (postage prepaid, return receipt requested) (and shall be deemed to have been duly given five (5) Business Days after delivery to the mail service) to the respective parties at the following addresses (or to such other address or contact details as a party may have specified by notice given to the other party pursuant to this provision, provided, however, that any notice of change of address or contact details shall only be valid upon actual receipt):

- 12.6. Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any law or public policy, all other terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.
- 12.7. Expenses. Whether or not the Closing is affected, and except as specifically and expressly provided otherwise in this Agreement (including the proviso in Section 2.3), each of the Seller, the Shareholder and of the Purchaser shall bear its own costs and expenses incurred in connection with the negotiation, execution and performance of this Agreement and each other Transaction Document and the consummation of the transactions contemplated hereby and thereby (including, without limitation, investment banking, financial advisors, legal and accounting fees). This Section shall survive the consummation, termination or expiration of this Agreement, the Closing and the transactions contemplated hereby.
- 12.8. Remedies. Any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.
- 12.9. Specific Performance. Set Off. The parties acknowledge and agree that the breach of this Agreement would cause irreparable damage to the parties and that the parties will not have an adequate remedy at law. Therefore, the obligations of the parties under this Agreement, including Seller's obligation to sell the Purchased Assets to Purchaser and Purchaser obligation to pay the Purchase Price, shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedy shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement. Following the Closing, to the extent that the Purchaser or its Affiliates or any other Indemnified Party is entitled to any payment from any Seller or Shareholder under this Agreement or any Transaction Document, including, without limitation, payment under the indemnification provisions of Section 10, the Purchaser shall be entitled to offset such amount from any payment due or payable to any of the Seller or Shareholder in accordance with Section 2 or otherwise in accordance with this Agreement and the Transaction Documents (including under the Earn Out Undertaking). If any payment to any Seller

or Shareholder under this Agreement or the Transaction Documents, including any payment of the Purchase Price (including under the Earn Out Undertaking), becomes due in accordance with this Agreement while a claim for indemnification is pending and not yet finally resolved, then the Purchaser and Amdocs may withhold such portion of such payment that it determines in good faith would be necessary to satisfy such pending claim. In addition, and without derogating from any other provision of this Agreement, the Purchaser and Amdocs may set off any withhold from any future payment under this Agreement (including under the Earn Out Undertaking) any Accounts Receivable that is used in the calculation of the Purchase Price Adjustment under Section 3.5 above that is eventually not collectible by Purchaser.

- 12.10. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and enforceable against the Parties actually executing such counterpart, and all of which together shall be considered one and the same agreement, it being understood that all parties need not sign the same counterpart. The exchange of an executed Agreement (in counterparts or otherwise) by facsimile transmission or by electronic delivery in .pdf format or the like shall be sufficient to bind the parties to the terms and conditions of this Agreement, as an original.
- 12.11. Third-Party Beneficiary; Enforcement. Amdocs shall be deemed as an intended third party beneficiary to all rights granted to the Purchaser under this Agreement and shall be entitled to exercise all rights or remedies available to the Purchaser under this Agreement in the name and on behalf of the Purchaser or on Amdocs name, as if such rights have been granted to Amdocs, at its sole and unfettered discretion, and upon delivery of any information or notice of any matter to the Purchaser, the Seller and the Shareholder shall ensure that such information or notice is given simultaneously to Amdocs. At any time Amdocs shall be able to determine by written notice to the Purchaser and the Shareholder (upon the delivery of which such notice shall be immediately effective), in its sole discretion, (i) to enforce this Agreement or any provision thereof on behalf of Purchaser, without any approvals required from the Purchaser, as if Amdocs was the Purchaser hereunder, and (ii) that the Purchaser shall be Amdocs (or an Affiliate of Amdocs) instead of the Purchaser, and to enforce this Agreement on behalf of Amdocs as a Purchaser under this Agreement (without any approvals required from Purchaser). Purchaser shall assign to Amdocs this Agreement and any and all of its rights and obligations hereunder immediately upon delivery of written notice by Amdocs to the Purchaser and the Shareholder.

WHEREAS As part of the consideration for the APA (and specifically in consideration for the payment of the Non-Compete Purchase Price), Alternet has agreed to enter into a limited non-compete agreement for a term of three (3) years under the terms and conditions contained herein.

The parties agree that Business shall not include any other activities other than those set out in the immediately preceding sentence.

2. Non-Competition; Non-Solicitation; Confidentiality. In further consideration for the consideration under the Agreement (and specifically in consideration for the Non-Compete Purchase Price) and in order to protect the value of the Business (including, without limitation, the goodwill inherent therein), and that the Purchaser may have and enjoy the full benefit of the Business and the Purchased Assets, upon the Closing:

2.1 the Shareholder, the Seller and the Subsidiary shall not, and shall cause its Affiliates (including the Seller and the Subsidiary) not to, directly or indirectly, from the Closing Date until the expiration of 36 (thirty six) months after the Closing (the Non-Compete Period): (i) own, manage operate, finance, join, control or participate in the ownership, management, financing, operation, business or control of, consult to, render services for, permit its name to be used or in any other manner engage or compete, in or otherwise be involved in any way in any business or Person anywhere in the world that (a) engages or is intended to engage in the Business, as conducted and as proposed to be conducted, or (b) is otherwise directly or indirectly competing or is intended to compete with the Business; or (ii) initiate or maintain any contact with any Person associated with the Sellers or the Shareholder in the past and/or the present regarding all matters relating to the Purchased Assets in a manner that interferes with the use of the Purchased Assets and the Business. For purposes of this Non-Compete Covenant, the term participate includes any direct or indirect interest in any Person, whether as an officer, director, employee, partner, sole proprietor, agent, representative, independent contractor, franchisor, franchisee, creditor, or owner; provided that the foregoing activities shall not include passive ownership of less than one (1) percent of the share capital of a publicly held corporation whose shares are traded on a securities exchange or in the over the counter market.

2.2 During the Non-Compete Period, the Shareholder shall not, and shall cause its Representatives and Affiliates (including the Seller and the Subsidiary), not to: (i) cause, solicit, induce or encourage any Hired Employees to leave their employment or engagement with the Purchaser or any of its affiliates, or otherwise engage such Person; (ii) cause, induce or encourage any actual or prospective client, customer, supplier, distributor, reseller, licensee, or licensor of the Business (including any existing customer of the Seller or the Subsidiary and any Person that becomes a client or customer of the Business after the Closing) or any other Person who has a business relationship with the Business, to terminate or adversely modify any such actual or prospective relationship with Purchaser, or (iii) call on, solicit, or service any client, customer, supplier, distributor, reseller, licensee or licensor of the Business, or any other Person who has a business relationship with the Business, with respect to products or services that are included in the Business, as conducted and as proposed to be conducted on the date of Closing. In addition, to the extent that, during the Non-Compete Period, the Seller, the Subsidiary or the Shareholder or any of their respective Representatives are approached by any potential customer who is interested in the Business, then the Shareholder shall and shall procure that the Seller and the Subsidiary shall, refer such potential customer to the Purchaser.

For purposes hereof, Business Confidential Information shall mean any non-public Trade Secrets or other confidential information with respect to the Purchased Assets, the Assumed Liabilities or the Business. Business Confidential Information does not include information that (i) is in the public domain at the time of disclosure by Purchaser or subsequently becomes so through no fault of the Shareholder, the Subsidiary or the Seller; (ii) is furnished to the Shareholder, the Seller or the Subsidiary by a third party having a lawful right to do so; or (iii) was explicitly approved for release by written authorization of Purchaser. The Shareholder, the Seller and the Subsidiary shall be permitted to disclose Business Confidential Information if such disclosure is in response to a valid order of a court or other Governmental Body, but only to the extent of and for the purposes of such order, provided, however, that the Shareholder, the Seller or the Subsidiary shall first notify Purchaser in writing of the order, and permit Purchaser to seek an appropriate protective order.

3. Adequate Consideration. The Shareholder acknowledges and represents that: (i) sufficient consideration has been given as it relates hereto; (ii) it has consulted with independent legal counsel regarding such party's rights and obligations hereunder; (iii) it fully understands the terms and conditions contained herein; (iv) the scope of the Business is independent of location (such that it is not practical to limit the restrictions contained in this Non-Compete Covenant to a specified country, city or part thereof); and (v) the restrictions and agreements in this Non-Compete Covenant are reasonable in all respects and necessary for the protection of the Business and the Purchased Assets, including, any confidential information and goodwill related thereof, and that, without such protection, the customer and client relationship and competitive advantage of the Purchaser would be materially adversely affected.

4. Miscellaneous.

4.1 The covenants and undertakings contained in this Non-Compete Covenant relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Non-Compete Covenant may cause irreparable injury to the Purchaser and/or its Affiliates (and their successors, assigns and any third-party beneficiary), the amount of which will be impossible to estimate or determine and which cannot be adequately compensated. Therefore, the Purchaser and/or its Affiliates (and their successors, assigns and any third-party beneficiary) may be entitled to seek, in addition to other rights and remedies existing in their favor at Law or in equity, an injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach or threatened breach of any provisions of this Non-Compete Covenant.

4.2 The parties hereto agree that, if any court of competent jurisdiction in a final non-appealable judgment or Order determines that the restrictions in this Non-Compete Covenant are unreasonable under circumstances, or that a specified time period, a specified geographical area, a specified business limitation or any other relevant feature of this Non-Compete Covenant is unreasonable, arbitrary or against public policy, then the parties hereto agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area or any other relevant feature which is determined to be reasonable, not arbitrary and not against public policy may be enforced against the applicable party.

4.3 This Non-Compete Covenant shall be governed by the laws of the state of Delaware. All actions brought to enforce this Non-Compete Covenant shall be brought only in the courts located in Miami-Dade County, Florida.
