ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

-----

(a) On September 8, 2003, PalWeb Corporation completed the acquisition of all of the assets of Greystone Plastics, Inc., an Iowa corporation, through the purchase of such assets by a newly formed, wholly-owned subsidiary of PalWeb Corporation, Greystone Manufacturing, L.L.C., an Oklahoma limited liability company. Greystone Plastics, Inc. is a manufacturer of plastic pallets, which are used in the beverage industry. The purchase price for the assets was \$12,500,000, of which \$4,200,000 was paid in cash and \$8,300,000 was paid by issuing the following notes: a \$5,000,000 note payable to Greystone Plastics, Inc. at 7.5% interest, due October 1, 2008; a \$2,500,000 note payable to Greystone Plastics, Inc. at 7.5% interest, due October 1, 2018; and an \$800,000 note payable to Bill Hamilton, one of the owners of Greystone Plastics, Inc. at 6% interest, due October 26, 2007. The cash payment was financed through the issuance of the preferred stock discussed under Item 5. The notes issued to Greystone Plastics, Inc. are secured by the assets acquired from Greystone Plastics, Inc. The \$800,000 note issued to Bill Hamilton is a wraparound note pursuant to which PalWeb Corporation has assumed the liabilities of Greystone Plastics, Inc. under that certain loan agreement between US Bancorp Equipment Finance, Inc. and Greystone Plastics, Inc. dated February 12, 2003 (which loan was guaranteed by Bill Hamilton) pursuant to which US Bancorp loaned Greystone Plastics, Inc. the money necessary to purchase an extruder, which was included in the assets acquired from Greystone Plastics, Inc. In connection with the acquisition, Greystone Manufacturing, L.L.C. hired Mr. Hamilton to oversee the operation of the assets acquired from Greystone Plastics, Inc. and assist PalWeb with other production matters. The consideration paid in these transactions was determined through arm's-length negotiations between the parties. The material terms and conditions of these transactions are set forth in the agreements included as exhibits to this Form 8-K.

Also on September 8, 2003, PalWeb completed a sale and leaseback transaction whereby it sold its Dallas plant for \$1,350,000 and certain production equipment located in its Dallas plant for \$5,650,000 to a company owned by Paul Kruger, a major stockholder of PalWeb, in exchange for the cancellation of debt in the amount of \$7,000,000 owed by PalWeb Corporation to Paul Kruger. The assets were sold at the assets' approximate net book value. The lease agreement for the plant is a three year triple net lease with a monthly rental of \$17,720. The equipment lease is for 130 months with a monthly rental of \$48,000 beginning six months after the first day of the lease. The material terms and conditions of these transactions are set forth in the agreements included as exhibits to this Form 8-K.

(b) Greystone Plastics, Inc. was engaged in the business of manufacturing and selling plastic pallets to one large customer in the beverage industry. Through its wholly-owned subsidiary, Greystone Plastics, L.L.C., PalWeb Corporation intends to continue to use the assets acquired from Greystone Plastics, Inc. to supply Greystone Plastics, Inc.'s customer and to use such assets in combination with PalWeb's existing assets to expand sales to other participants in the beverage industry.
