**Item 1.01**

**Entry into a Material Definitive Agreement.**

On June 9, 2005, Schnitzer Steel Industries, Inc. (“SSI”) and Hugo Neu Corporation (“HNC”) announced that they and certain of their subsidiaries entered into a Master Agreement (the “Master Agreement”) providing for the separation and termination of their joint venture relationships and certain other transactions. Pursuant to the Master Agreement, SSI and its subsidiary, Joint Venture Operations, Inc. (“JVOI”), and HNC and its subsidiaries, Hugo Neu Co., LLC, HNE Recycling LLC and HNW Recycling LLC, have agreed to take the following steps relating to the dissolution of their joint venture relationships as follows:

- JVOI will acquire the 50% interests in the joint ventures based in New England that are owned by a Hugo Neu subsidiary with the result that these joint ventures will become wholly-owned by JVOI;
- Subsidiaries of HNC will acquire the 50% interests in the joint ventures based in New Jersey, New York and California that are owned by a Schnitzer subsidiary with the result that these joint ventures will become wholly-owned by subsidiaries of HNC;
- Hugo Neu Schnitzer Global Trade LLC (“HNS Global Trade”), a joint venture engaged primarily in scrap metal trading, will redeem JVOI’s 50% membership interest in it in exchange for the assets and liabilities of HNS Global Trade’s trading business in Russia, Poland, Denmark, Finland, Norway and Sweden;
  - JVOI will acquire HNC’s metals recycling and greenwaste recycling businesses in Hawaii;
    - A subsidiary of HNC will pay JVOI approximately \$52,000,000 in cash;
- SSI and HNC and certain of their affiliates will enter into a number of related agreements governing, among other things, employee transitional issues, benefit plans, scrap sales and other transitional services; and
  - SSI and HNC and certain of their affiliates will execute and deliver mutual global releases.

The Master Agreement has been approved by the Board of Directors of each of SSI and HNC and the transactions contemplated by the Master Agreement are subject to a number of conditions, including obtaining certain third party consents, permit amendments or transfers, Hugo Neu obtaining financing sufficient to fund the cash payment to be made to Schnitzer and the repayment of certain existing indebtedness, and other customary closing conditions. With respect to the financing contingency, Hugo Neu has confirmed to Schnitzer that it has entered into a definitive credit agreement sufficient to provide the required refinancing, subject to customary closing conditions. The parties currently expect that the closing of the transaction will occur in the third calendar quarter of 2005.

The foregoing description of the Master Agreement is not complete and is qualified in its entirety by reference to the Master Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

This filing on Form 8-K contains “forward looking statements” within the meaning of U.S. securities laws. For more information on these statements, please see the paragraph of the attached press release concerning forward looking statements.
