ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 31, 2008, Spire Corporation (the "Company") entered into a second  
Loan and Security Agreement (the "Revolving Credit Facility") with Silicon  
Valley Bank (the "Bank"). Under the terms of the Revolving Credit Facility, the  
Bank agreed to provide the Company with a credit line up to \$5,000,000. The  
Company's obligations under the Revolving Credit Facility are secured by

## Edgar Filing: SPIRE CORP - Form 8-K

substantially all of its assets, and advances under the Revolving Credit Facility are limited to 80% of eligible receivables and the lesser of 25% of the value of eligible inventory, as defined, or \$2,500,000 if the inventory is backed by a customer letter of credit. Interest on outstanding borrowings accrues at a rate per annum equal to the greater of Prime Rate plus one percent (1%) or seven percent (7%). In addition, the Company agreed to pay to the Bank a collateral monitoring fee of \$750 per month in the event the Company is in default of its covenants and agreed to the following additional terms: (i) \$50,000 commitment fee; (ii) an unused line fee in the amount of 0.75% per annum of the average unused portion of the revolving line; and (iii) an early termination fee of 0.5% of the total credit line if the Company terminates the Revolving Credit Facility prior to 12 months from the Revolving Credit Facility's effective date. The Revolving Credit Facility, if not sooner terminated in accordance with its terms, expires on March 30, 2009.

In addition, on March 31, 2008, in connection with the execution of the Revolving Credit Facility, the Company and the Bank amended (the "Amendment") the Company's existing Loan and Security Agreement, dated May 25, 2007 (the "Equipment Credit Facility"). Under the original terms of the Equipment Credit Facility, for a one-year period, the Company could borrow up to \$3,500,000 in the aggregate to finance certain equipment purchases (including reimbursement of certain previously-made purchases). Each advance made under the Equipment Credit Facility is due thirty-six (36) months from the date the advance is made. Advances made under the Equipment Credit Facility originally bore interest at the Bank's prime rate, as determined, plus 0.5%, and were payable in thirty-six (36) consecutive monthly payments following the funding date of that advance. Under the terms of the Equipment Credit Facility, as long as any commitment remains outstanding under the facility, the Company must comply with an adjusted quick ratio covenant and a minimum quarterly net income covenant.

Pursuant to the Amendment, the Bank granted a waiver for the Company's defaults for not meeting its December 31, 2007 quarter liquidity and profit covenants and for not meeting its January and February 2008 liquidity covenants. Further the covenants were amended to match the new covenants contained in the Revolving Credit Facility. The Company's interest rate under the Equipment Credit Facility was also modified to match the interest rate calculation under the Revolving Credit Facility. Accordingly, advances under the Equipment Credit facility now bear interest at the greater of the Bank's prime rate, as determined, plus one percent (1%) or seven percent (7%).

In addition to the liquidity and profit covenants under the Equipment Credit Facility, until all amounts under the credit facilities with the Bank are repaid, covenants under the credit facilities impose restrictions on the Company's ability to, among other things, incur additional indebtedness, create or permit liens on its assets, merge, consolidate or dispose of assets (other than in the ordinary course of business), make dividend and other restricted payments, make certain debt or equity investments, make certain acquisitions, engage in certain transactions with affiliates or change the business conducted by the Company and its subsidiaries. Any failure by the Company to comply with the covenants and obligations under the credit facilities could result in an event of default, in which case the Bank may be entitled to declare all amounts owed to be due and payable immediately. The Company's obligations under the credit facilities are secured by substantially all of its assets.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF REGISTRANT.

The information contained in Item 1.01 above is incorporated herein by reference.
