ITEM 4. PURPOSE OF TRANSACTION.

The Reporting Persons believe the Board of Directors of the Fund has substantially failed over the past year to take meaningful actions to permanently reduce or eliminate the substantial and persistent discount to net asset value ("NAV") at which the Fund's shares have been trading. In August 2009, the Reporting Persons communicated with the Board regarding the persistently wide discount at which the company's shares traded, inviting them to consider taking remedial action. The Fund recently announced that the discount level has triggered a proposal for a binding resolution to convert the Fund into an open-end investment that will be submitted at the next Annual General Meeting of Shareholders. The Reporting Persons intend to vote in favor of this resolution to convert the fund into an open-end investment vehicle.

ITEM 5. INTERESTS IN SECURITIES OF THE ISSUER.

(a) and (b). As of the date hereof, CLIG, through its control of CLIM, and CLIM, in its capacity as investment adviser to the City of London Funds and the Segregated Accounts, have voting and dispositive power with respect to all 3,015,882 Shares owned directly by the City of London Funds and the Segregated Accounts, representing approximately 25.58 % of the 11.788 million Shares

outstanding as of December 30, 2008, as reported by the Fund. As of the date hereof, EWF, IEM, BMI, FREE, PLUS, and the Segregated Accounts owned directly 362,804, 364,285, 141,163, 305,561, 56,040, and 1,786,029 Shares, respectively, representing

approximately 3.07%, 3.09%, 1.20%, 2.59%, 0.48%, and 15.15%, respectively, of the 11.788 million Shares outstanding as of December 21, 2009, as reported by the Fund at the completion of the tender. The resulting ownership in excess of 3% of the outstanding voting shares of the Fund by EWF, and IEM, respectively, resulted from a share buy-back program instituted by the Fund which had the effect of reducing the total amount of the Fund's voting shares outstanding, and not as a result of a direct purchase or acquisition of Fund shares by EWF, and IEM. Such ownership in excess of 3% of the Fund's shares by EWF, and IEM is therefore specifically exempted from Section 12(d)(1)(A) of the Investment Company Act of 1940.

(c). Information with respect to all transactions in the Shares beneficially owned by the Reporting Persons that were effected during the past 60 days is set forth below:

N / A

Pedro-Pablo Kuczynski The Taiwan Greater China Fund 111 Gillett Street Hartford, CT 06105

Dear Mr. Kuczynski,

The Taiwan Greater China Fund, Inc. recently announced to the Market that at the next Annual General Meeting of Shareholders, the Board will submit to shareholders a binding resolution to convert the Fund into an open-end investment company, an action necessitated by the wide discount to NAV at which the Fund's shares trade. City of London Investment Management would like to remind the Board that we have repeatedly expressed concern over the Fund's discount, as well as the consistently poor performance of the Fund relative to the Taiwan Stock Exchange Index. As such, we feel that the triggering of the resolution can only be viewed as the natural result of ineffective management of the Fund's assets and a lack of meaningful corporate governance, and it is for these reasons that we intend to vote in support of the resolution.

We would also take this opportunity to comment upon the filing on November 12 of a preliminary prospectus for a Rights Offering. We find it extraordinary that the Fund would consider issuing additional shares when the discount is so wide, a fact that, at least in part, must be attributed to a distinct lack of demand. In such an environment, proposing a Rights Offering only serves to send mixed messages to the market. To actually move forward with one would suggest that Management is more interested in increasing its fees than in providing a competitive product for investors. This, we would point out, is yet another example of the lack of responsible corporate governance being demonstrated by the Board.

In view of our many discussions with Fund Management and the Board, we would assume our stated intentions regarding this resolution and our response to the possibility of a Rights Offering come as no surprise. We simply feel it necessary to make the Fund and the Market aware of our stance as soon as possible.

Regards,

Jeremy Bannister
