Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

The Board of Directors of Texas Capital Bancshares, Inc. (the "Company") has approved an amendment and restatement of the Company's Bylaws (as so amended and restated, the "Bylaws") effective November 5, 2018, to implement certain changes as summarized below. The Board believes that the revised and new provisions are reasonable and comparable to those of similarly situated issuers.

Article II - Meetings of Stockholders

Section 2.3 - Addresses requirements for calling special meetings. The revisions seek to diminish the potential for abuse of the power to call special meetings by providing that stockholders seeking to call a special meeting must own at least 20% of the outstanding shares, with a holding period of at least one year, and must provide the notice, information and undertakings specified, which are generally comparable to the requirements for presenting matters to be considered at an annual meeting of stockholders. The prior requirement for stockholders to call special meetings was at least 10% of the outstanding shares, with no holding period, informational or undertaking requirements. The revisions describe conditions that may invalidate a special meeting request.

Section 2.6 - Revised to include procedural requirements for postponements and cancellations of otherwise duly called meetings. The Board of Directors may postpone or cancel meetings other than special meetings called by stockholders.

Section 2.8 - Added to confirm the designation and order of succession of individuals to serve as chair of stockholder meetings and the authority of the board of directors and the chair to establish rules, regulations and procedures for the conduct of meetings.

Section 2.9 - Describes notice and procedural requirements for stockholder submission of business for consideration at an annual meeting of stockholders. Stockholders are required to elect to use one or the other of the SEC's procedures under Rule 14a-8 or the procedures specified in Section 2.9. The time during which stockholder proposals must be submitted has been revised to be not less than 100 days nor more than 130 days prior to the one year anniversary of the preceding year's annual meeting, which dates are between December 8, 2018 and January 7, 2019 for the 2019 Annual Meeting of Stockholders. The revisions describe conditions that may cause business proposed to be brought before an annual meeting of stockholders to be deemed improper and therefore excludable.

Section 2.14 - Revised to incorporate new notice and procedural requirements for use of written consents in lieu of a meeting of stockholders set forth in Sections 9.3(b) and 9.4 as summarized below.

Article III - Board of Directors

Section 3.5 - Sets forth qualifications to serve as a director applicable to all persons proposed to be nominated for election as directors, including that they provide a written commitment confirming that (i) they are not party to any agreement, arrangement or understanding as to how they will act or vote while serving as a director or limit or interfere with their ability to comply with their fiduciary duties, (ii) they are not party to any undisclosed agreement, arrangement or understanding providing for their compensation, reimbursement or indemnification in connection with their service as a director and (iii) they will, if elected, comply with applicable laws and the Company's publicly disclosed corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines.

Section 3.6 - Describes notice and procedural requirements for stockholder nominations of individuals for election as directors at special and annual meetings of stockholders. The time during which nominations for election of directors at an annual meeting must be submitted to the Company has been revised to correspond with the time during which notice of stockholder proposals to be

considered at an annual meeting must be submitted pursuant to Section 2.9, which dates are between December 8, 2018 and January 7, 2019 for the 2019 Annual Meeting of Stockholders.

#### Article IX - Shares and Stockholders

Sections 9.3(b) and 9.4 - Describe notice and procedural requirements for stockholders requesting that the Board of Directors fix a record date for taking action by written consent without a meeting. The revisions add a requirement that stockholders who request that the Board fix a record date for taking action by written consent must own at least 10% of the outstanding shares, and require that the stockholders provide the notice, information and undertakings specified, which are generally comparable to the requirements for presenting matters to be considered at an annual meeting of stockholders.

In addition to the revisions described above, a number of non-substantive, ministerial, clarifying and conforming changes have been made throughout the Bylaws that are intended to modernize various provisions of the Bylaws and to provide clarification and consistency.

The foregoing summary is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Bylaws, a copy of which is attached hereto as Exhibit 3.1, and to the redlined comparison of the Bylaws to the Company's Bylaws as in effect prior to their amendment and restatement, which is attached hereto as Exhibit 3.2, which are incorporated herein by reference.

The Company welcomes communications from stockholders regarding governance matters. Stockholders may communicate with the board of directors by sending an e-mail to [bod@texascapitalbank.com](mailto:bod@texascapitalbank.com) or by sending a letter to the Board of Directors, c/o Corporate Secretary, 2000 McKinney Avenue, 7<sup>th</sup> Floor, Dallas, Texas 75201.
