## **Section 8 - Other Events**

### **Item 8.01 Other Events.**

On March 9, 2012, the Registrant filed Form 8-K with the Commission notifying it of the Registrant's entry into a Material Definitive Agreement not made in the ordinary course of its business. The parties to the agreement are the Registrant and North Homestake Mining Company, a Nevada corporation ( North Homestake ).

The Registrant and North Homestake agreed to an exchange of common stock to affect the Registrant's acquisition of North Homestake's gold exploration properties located in South Dakota. Conditions precedent to the closing of the transaction are: (i) The Registrant's affecting a ten for one reverse split of its common stock; (ii) Changing the name of the Registrant to Dakota Territory Resource Corp; and, (iii) Applying for and changing the ticker symbol of the Registrant consistent with the proposed name change. The transaction was agreed to close on March 31, 2012, or as soon as is legally practicable in anticipation of regulatory review by the Securities and Exchange Commission and the Financial Industry Regulatory Authority.

The Registrant deemed it prudent to complete work on its annual audit and file its annual report on Form 10-K for the year ended March 31, 2012, before completing and filing its Form 14C Preliminary Proxy Statement with the Commission, and proceeding with amending its articles of incorporation to affect the reverse split and name change noted above. The Registrant's view is that its Form 14C Proxy Statement will require up to date audited financial statements. Therefore, it is prudent to undertake and complete the Registrant's annual report on Form 10-K, including its audited financials first, and then proceed with the filing of its Form 14C Proxy Statement containing up to date audited financials.

The Registrant is working diligently to complete its annual audit and its annual report on Form 10-K for the year ended March 31, 2012 and intends to file same within the time guidelines governing such a filing. Coincidentally, the Registrant is also working on its Preliminary Form 14C Proxy Statement that will be filed thereafter.

The foregoing does not impact the Material Definitive Agreement between the Registrant and North Homestake, and the parties are working consistent with good faith and fair dealing to insure regulatory compliance.
