PART II - RULE 12b-25(b) AND (c)

Edgar Filing: RENAISSANCE CAPITAL GROWTH & INCOME FUND III INC - Form NT 10-Q

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate.)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and

PART III - NARRATIVE

State below in reasonable detail why the Form 10-K, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

There have been issues raised by the staff of the Securities and Exchange Commission (the "SEC") with respect to the interpretation of the rules regarding the calculation of certain fees paid by the Registrant to RENN Capital Group, Inc., its investment adviser (the "Investment Adviser"). The Registrant and the Investment Adviser are working together with the SEC staff to resolve these issues. While we are awaiting final resolution of these issues in order to determine calculations that could impact the Registrant's financial statements, there has been a delay in the completion of the Registrant's annual audit, the Registrant's preparation of its Annual Report on Form 10-K, and subsequent Quarterly Reports on Form 10-Q as the Registrant's accounting firm, Ernst & Young LLP, states that it is unable to certify the Registrant's financial statements until the issues with the SEC have been resolved. The Registrant has not been able to compile the requisite financial data and other narrative information necessary to complete the Registrant's Quarterly Report on Form 10-Q without unreasonable effort and expense.

While resolving the aforementioned issue, the Registrant has determined that it needs an additional period of time, not expected to exceed the fifth calendar day following the prescribed due date of August 15, 2004, to prepare and file its Form 10-Q.
