ITEM 1.01. Entry into a Material Definitive Agreement

On September 29, 2006 and October 5, 2006, the Registrant entered into the material agreements described under ITEM 3.02 below.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

Series C Offering

On September 29, 2006 and October 5, 2006, the Registrant entered into a private placement (the “Series C Offering”) for \$8,150,000, consisting of 165 shares of its 7% Series C Convertible Preferred Stock (the “Series C Stock”) together with warrants to purchase up to 2,578,125 shares of its common stock (the “Common Stock”). Except as described below with respect to the conversion of convertible debt, each \$.80 of consideration received (a) \$.80 of face amount of Series C Stock, which is convertible into one share of the Common Stock, and (b) a five-year warrant to acquire .25 of a share of Common Stock. Each full share of the Series C Stock was purchased for \$50,000, with fractional shares of Series C Stock being purchased in the case of smaller amounts of consideration.

The proceeds from the Series C Offering will be used primarily for general corporate purposes including for sales and marketing, research and development, and intellectual property, and also for working capital, investor relations, and capital expenditures. \$600,245 of the private placement resulted from conversion of previously outstanding convertible debt of the Registrant. Based on the terms of the previously outstanding convertible debt, the \$600,245 of debt was converted at a discount of 12.5% to the price paid by the other investors.

The Registrant relied on Section 4(2) of the Securities Act of 1933 and Rule 506 promulgated thereunder as the basis for its exemption from registration of this issuance. All of the investors in the Series C Offering are accredited investors as defined under Rule 501 promulgated under the Securities Act of 1933.

THE SECURITIES OFFERED IN THE SERIES C OFFERING HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND MAY NOT BE OFFERED OR SOLD IN THE UNITED STATES ABSENT REGISTRATION OR AN APPLICABLE EXEMPTION FROM REGISTRATION REQUIREMENTS.

Compensation of Placement Agent

Midtown Partners & Co., LLC (“Midtown”) acted as the placement agent with respect to investors investing \$1,000,000 in the Series C Offering (the “Midtown Investors”). As compensation for services rendered to the Registrant by Midtown, the Registrant agreed to the following:

§ to pay Midtown a cash fee equal to 5% of the amount of cash proceeds the Registrant received from the Midtown Investors.

§ to issue to Midtown warrants to purchase 62,500 shares of the Registrant’s Common Stock (the “Placement Warrants”). The Placement Warrants are exercisable for a period of five years from their issuance and have an exercise price of \$1.00 per share. The Registrant has agreed to include the shares of Common Stock underlying the Placement Warrants in the Registration Statement (as defined and described below).

Terms of the Series C Stock

Dividends. Holders of Series C Stock are entitled to a 7% per annum dividend per share. The dividend accrues and is payable semi-annually in cash or in shares of Common Stock (at the option of the Registrant). Accrued but unpaid dividends are also payable upon the conversion or redemption of the shares of Series C Stock and upon a liquidation event.

Voting Rights. As long as any shares of Series C Stock are outstanding, the Registrant cannot take any of the following actions without the separate class vote or written consent of 81% of the then outstanding shares of Series C Stock:

- amend, alter or repeal the provisions of the Series C Stock so as to adversely affect any right, preference, privilege or voting power of the Series C Stock;
- authorize or create any class of stock ranking as to dividends, redemption or distribution of assets upon a liquidation event, senior to or otherwise pari passu with the Series C Stock;
- amend the Articles of Incorporation or By-Laws of the Registrant so as to adversely affect any rights of the Series C Stock;
- increase the authorized number of shares of Series C Stock; or
- enter into any agreement with respect to the foregoing.

Conversion. The Series C Stock is convertible, at the option of the holders, into shares of Common Stock at an initial conversion price of \$.80 per share. Based on the original purchase price of \$50,000.00 per share, each share of Series C Stock is initially convertible into 62,500 shares of Common Stock. The Series C Stock is issuable in fractional shares. The Series C Stock contains adjustment provisions upon the occurrence of stock splits, stock dividends, combinations, reclassifications or similar events of our capital stock.

Redemption. In the event of (i) a consolidation, merger, or other business combination involving the Registrant, (ii) the sale of all or substantially all of the Registrant's assets, (iii) the acquisition by another person of in excess of 50% of the voting securities of the Registrant or (iv) certain specified triggering events (involving (A) the lapse or unavailability of the Registration Statement, (B) the suspension from listing of the Common Stock for a period of seven (7) consecutive days, (C) the Registrant's failure or inability to comply with a conversion request from a holder of Series C Stock, (D) the breach by the Registrant of any of its representations or warranties contained in the Series C Stock documentation that continues uncured for a period of thirty (30) days, or (E) the Registrant becomes subject to certain bankruptcy events) (collectively, the "Trigger Events"), each holder of Series C Stock has the right to require the Registrant to redeem all of such holder's shares of Series C Stock at a price per share of Series C Stock equal to the sum of (i) the greater of (a) \$65,000 and (b) the product of (x) the daily volume weighted average price of the Registrant's Common Stock as reported on the OTC Bulletin Board on the date immediately preceding the Trigger Event by Bloomberg Financial L.P. and (y) the quotient of \$65,000 divided by the then current conversion price for the Series C Stock, plus (ii) any accrued but unpaid dividends, plus (iii) all liquidated damages and other amounts due in respect of the Series C Stock.

Rank; Liquidation Preference. The holders of Series C Stock rank pari passu to the holders of the Registrant's Series A Convertible Preferred Stock (the "Series A Stock"), Series B 9% Convertible Preferred Stock (the "Series B Stock") and prior to the holders of the Common Stock and, unless otherwise consented to by the holders of Series C Stock, prior to all other classes of capital stock that the Registrant may establish, with respect to (i) the payment of dividends and (ii) the distribution of its assets upon a bankruptcy, liquidation or other similar event. The liquidation preference for the Series C Stock is an amount equal to \$50,000 per share plus any accrued and unpaid dividends and liquidated damages owing thereon.

Preemptive Rights

Pursuant to the terms of the Series C Offering, the Registrant granted each investor the right to purchase a pro rata portion of any future sales of Common Stock, or securities convertible into Common Stock, except for certain

permitted issuances (a “Subsequent Financing”), by the Registrant within the twelve (12) months following the closing of the Series C Offering (the “Closing”), based on the ratio of the number of shares of Series C Stock held by that investor, to the total number of shares of Series C Stock purchased by all of the investors in the Series C Offering (subject to reduction on a pro rata basis to allow for the preemptive rights granted to holders of Series A Stock and Series B Stock). As a result, the holders of Series A Stock, Series B Stock and Series C Stock will have the right to purchase 100% of the securities that the Registrant offers to sell in a Subsequent Financing. The Registrant also agreed that during the ninety (90) day period after the effective date of the Registration Statement (described below) it would not enter into any Subsequent Financing.

Exchange Rights

Pursuant to the terms of the Series C Offering, the Registrant granted each investor the right to exchange all or a portion of the Series C Stock then held by it for any securities issued in a Subsequent Financing (such exchange to be made at the same time as, and pursuant to, the closing of such Subsequent Financing) based the effective price at which such securities are sold in such Subsequent Placement. The exchanged Series C Stock will be valued at \$50,000 per share plus accrued but unpaid dividends and other fees owed to the holder.

Registration Rights

In connection with the offering of the Series C Stock, the Registrant entered into a registration rights agreement (the “Registration Rights Agreement”) pursuant to which it is required to file a registration statement with the Commission (the “Registration Statement”) within 45 days of Closing, to register (i) all the shares of Common Stock issuable upon the conversion of the Series C Stock (including any shares of Common Stock issuable upon conversion of shares of Series C Stock issued as dividends on the Series C Stock, and including any shares issued pursuant to the anti-dilutive provisions of the Series C Stock), (ii) all the shares of Common Stock issuable upon the exercise of the warrants issued to the investors in the Series C Offering, and (iii) all the shares of Common Stock issuable upon conversion of the Placement Shares and the Placement Warrants. If the Registration Statement is not filed within 45 days of Closing or declared effective by the SEC within 120 days of Closing (within 150 days of Closing in the event of a full review by the Commission), then, in each such case, the Registrant will be subject to the payment of liquidated damages equal to 1% of the aggregate purchase price received by it from each respective subscriber.

The Registrant must keep the Registration Statement effective until the earliest to occur of (i) the date when all the securities covered by the Registration Statement may be sold without restriction pursuant to Rule 144(k) and (ii) the date on which all securities covered by the registration statement have been sold.

The foregoing descriptions do not purport to be complete and are qualified in their entirety by reference to the Certificate of Designation of Preferences, Rights and Limitations of the Series C Stock, Amended Certificate of Designation of Preferences, Rights and Limitations of the Series C Stock, the form of warrant issued to the investors, the Registration Rights Agreements and the Securities Purchase Agreements, copies of which are included as Exhibits 3.1, 3.2, 4.1, 4.2, 4.3, 10.1, 10.2 and 10.3, respectively, to this Current Report on Form 8-K.
