ANNUAL MEETING OF SHAREHOLDERS

To be held June 18, 2015

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Chembio Diagnostics, Inc., a Nevada corporation (referred to as the "Company" or "Chembio" or "we" or "us"), to be voted at the Annual Meeting of Shareholders to be held at 10:00 am (local time) on June 18, 2015 at Chembio, 3661 Horseblock Road, Medford, New York 11763, or at any adjournment or postponement of the Annual Meeting. We anticipate that this Proxy Statement and the accompanying form of proxy will be first made available to shareholders on or about April 28, 2015.

In accordance with rules and regulations adopted by the SEC, we are furnishing proxy materials to our shareholders of record by (i) mailing a printed copy of the proxy materials, and (ii) providing Internet access to the proxy materials at <http://www.chembio.com/investors/proxy/>. Shareholders of record who receive a printed copy of proxy materials as well as shareholders of record who receive a Notice of Internet Availability of Proxy Materials each will be permitted to access our proxy materials on the Internet. In addition, shareholders of record who receive a Notice of Internet Availability of Proxy Materials can receive a printed copy of the proxy materials by requesting this information from the Company. The Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy on the Internet.

A shareholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Secretary prior to the start of the Annual Meeting, by substituting a new proxy executed at a later date prior to the start of the Annual Meeting, or by requesting, in person at the Annual Meeting, that the proxy be returned.

The solicitation of proxies is to be made on the Internet and through mailings. However, following the initial solicitation, further solicitations may be made by telephone or oral communication with shareholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation as employees. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to provide access to the solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this Proxy Statement and the enclosed material.

VOTING SECURITIES

The close of business on April 20, 2015 has been fixed as the record date for the determination of holders of record of the Company's common stock, \$0.01 par value per share, entitled to notice of and to vote at the Annual Meeting. Each stockholder of record as of the close of business on the record date is entitled to one vote on each matter to be voted on at the Annual Meeting for each share of common stock held by that stockholder on the record date. On the record date, 9,627,248 shares of common stock were outstanding and eligible to be voted at the Annual Meeting. A majority of the issued and outstanding shares of common stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the shareholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. The form of proxy we are soliciting requests authority for the proxies, in their discretion, to vote the shareholders' shares with respect to a postponement or adjournment of the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the original meeting.

VOTING PROCEDURES

Votes at the Annual Meeting are counted by an inspector of election appointed by the Chairman of the meeting. You can ensure that your shares are voted at the meeting by submitting your proxy card on the Internet, or by completing, signing, dating and returning the enclosed proxy form in the envelope provided, such that they are received no later than the day before the Annual Meeting. Abstentions by those present at the Annual Meeting are tabulated separately from affirmative and negative votes and do not constitute affirmative votes. If a shareholder submits his or her proxy card and withholds authority to vote for any or all of the items, the votes represented by the proxy card will be deemed to be present at the meeting for purposes of determining the presence of a quorum but will not be counted as affirmative votes. Rule 452 of the New York Stock Exchange (NYSE), which governs all brokers, permits brokers to vote their customers' stock held in street name on routine matters when the brokers have not received voting instructions from their customers. The NYSE does not, however, allow brokers to vote their customers' stock held in street name on non-routine matters unless they have received voting instructions from their customers. In such cases, the uninstructed shares for which the broker is unable to vote are called broker non-votes. The ratification of the independent auditor is a routine matter on which brokers may vote in their discretion on behalf of customers who have not provided voting instructions. While the advisory vote on the compensation of our named executive officers and the advisory vote on the frequency of such votes on compensation are routine matters, brokers are not allowed to vote on these matters unless they have received voting instructions from their customers. The election of directors is a non-routine matter on which brokers are not allowed to vote unless they have received voting instructions from their customers. Due to recent rule changes by the NYSE, your broker will no longer be allowed to vote your shares on the election of our directors without your specific instructions. Shares in the names of brokers that are not voted on a particular matter are treated as not present with respect to that matter.

We will announce voting results at the meeting, and we will publish the final results within four business days following the meeting on a Current Report on Form 8-K.

FORWARD-LOOKING STATEMENTS

This Proxy Statement includes "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934. All statements other than statements of historical facts included in this Proxy Statement regarding our financial position, business strategy and plans and objectives of management for future operations and capital expenditures are forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements and the assumptions upon which the forward-looking statements are based are reasonable, we can give no assurance that such expectations and assumptions will prove to have been correct.

BENEFICIAL OWNERSHIP OF THE COMPANY'S SECURITIES BY FIVE PERCENT BENEFICIAL OWNERS AND MANAGEMENT

On April 20, 2015, there were 9,627,248 shares of common stock issued and outstanding and eligible to be voted at the Annual Meeting. The following table sets forth certain information regarding the beneficial ownership of our common stock on April 20, 2015 by each person or entity known by us to be the beneficial owner of more than 5% of the outstanding shares of common stock, each of our directors, each of our "named executive officers," and all our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the Rule 13d-3(a) of the Securities Exchange Act of 1934, as amended, and generally includes voting or investment power with respect to securities. Except as subject to community property laws, where applicable, the person named above has sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by him.

The beneficial ownership percent in the table is calculated with respect to the number of outstanding shares (9,627,248) of the Company's common stock outstanding as of April 20, 2015. For purposes of the beneficial ownership table, the number of shares owned beneficially by a shareholder is calculated as the number of shares of common stock owned plus the number of shares (the "Conversion Shares") into which any preferred stock, warrants, options or other convertible securities owned by that shareholder can be converted within 60 days of the date of calculation of the ownership number. The beneficial ownership percent for that shareholder is calculated by dividing the number of shares owned beneficially by the sum of the total number of the Company's shares outstanding and the number of Conversion Shares attributable to that shareholder.

In this Proxy Statement, the term "named executive officer" refers to our principal executive officer and our two most highly compensated executive officers, other than the principal executive officer, who were serving as executive officers at the end of 2014. The term "named executive officer" also refers to up to two additional individuals for whom disclosure would have been provided but for the fact that the individuals were not serving as executive officers of the Company at the end of 2014. There currently are no such additional individuals for the Company.

Approval of Transactions with Related Persons

The Board of Directors reviews all transactions involving us in which any of our directors, director nominees, significant shareholders and executive officers and their immediate family members are participants to determine whether such person has a direct or indirect material interest in the transaction. All directors, director nominees and executive officers must notify us of any proposed transaction involving us in which such person has a direct or indirect material interest. Such proposed transaction is then reviewed by either the Board as a whole or the Audit Committee, which determines whether or not to approve the transaction. After such review, the reviewing body approves the transaction only if it determines that the transaction is in, or not inconsistent with, the best interests of the Company and its shareholders.

Director Independence

Our common stock trades on the NASDAQ. Accordingly, we are subject to the corporate governance standards of NASDAQ, which require, among other things, that the majority of the board of directors be independent. We define an "independent" director in accordance with the NASDAQ Global Market's requirements for independent directors. Under this definition, we have determined that each of Katherine Davis, Barbara DeBuono, Peter Kissinger, and Gary Meller currently qualify as independent directors. We do not list the "independent" definition we use on our internet website.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors, executive officers and beneficial owners of more than 10% of the Company's common stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. The Company believes that during the year ended December 31, 2014, each person who was an officer, director and beneficial owner of more than 10% of the Company's common stock complied with all Section 16(a) filing requirements.

Board of Directors and Committees

The Board of Directors held twelve meetings during the fiscal year ended December 31, 2014 and each director participated in at least 75% of those meetings and of meetings of the committees on which he/she served. Although the Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company's annual meeting of shareholders, the Company encourages each director to attend. Mr. Siebert was the only member of the Board of Directors who was present at last year's annual meeting of shareholders.

Audit Committee

The Company's Audit Committee met four times in 2014 and currently consists of Gary Meller (Chair), Katherine L. Davis, and Peter Kissinger. The Board of Directors has determined that Dr. Meller is an "audit committee financial expert," as defined under the rules of the SEC. Each of the members of the Audit Committee is deemed "independent" in accordance with the NASDAQ Global Market's requirements for independent directors. The Audit Committee oversees, reviews, acts on and reports to our Board of Directors on various auditing and accounting matters including: the selection of our independent accountants, the scope of our annual audits, fees to be paid to the independent accountants, and the performance of our independent accountants. A copy of the Committee's charter is available on the Company's website at www.chembio.com

The Compensation Committee's charter is available on the Company's website at www.chembio.com. The Compensation Committee does not currently delegate its authority to any other party, and does not currently engage any compensation consultants to determine the amount or form of executive and director compensation. Executive officers do not play a role in the determination or recommendation of the form or amount of any executive compensation paid.

Nominating And Corporate Governance Committee

The Company's Nominating And Corporate Governance Committee currently consists of Katherine L. Davis (Chair), Barbara DeBuono, and Gary Meller. Each member of the committee is deemed "independent" in accordance with the NASDAQ Global Market's requirements for independent directors. The Committee (i) identifies individuals qualified to become members of the Board of Directors, (ii) recommends director candidates to the Company's Board of Directors, (iii) reviews, develops, updates as necessary, and recommends to the Company's Board of Directors corporate governance principles and policies, and (iv) monitors compliance with such principles and policies. The Committee's Charter is available on the Company's website at www.chembio.com. All the nominees for director included in this proxy statement were recommended by the Nominating And Corporate Governance Committee, which is comprised entirely of non-management directors. The Nominating And Corporate Governance Committee met one time in 2014.

To be considered for nomination by the Board at the next annual meeting of shareholders, the nominations must be made by shareholders of record entitled to vote. Shareholder nominations must be made by notice in writing, delivered or mailed by first class U.S. mail, postage prepaid, to the Secretary of the Company at the Company's principal business address, not less than 60 days nor more than 90 days prior to any meeting of the shareholders at which directors are to be elected. Each notice of nomination of directors by a shareholder shall set forth the nominee's name, age, business address, if known, residence address of each nominee proposed in that notice, the principal occupation or employment of each nominee for the five years preceding the date of the notice, the number of shares of the Company's common stock beneficially owned by each nominee and any arrangement, affiliation, association, agreement or other relationship of the nominee with any Company shareholder.

Shareholder Communications

Shareholders wishing to send communications to the Board may contact Katherine L. Davis, our Board Chair, at the Company's principal executive office address. All such communications shall be shared with the members of the Board, or if applicable, a specified committee or director.

Leadership Structure of the Board

Previously, our chief executive officer (the "CEO") served as both the CEO and Chairman of the Board (the "Chairman"). However, when our previous CEO and Chairman retired, the Board re-evaluated the leadership structure of the Board and determined that separating the positions of CEO and Chairman was the best structure to fit the Company's then-current needs. It was determined that this structure was preferable at this time given the recent hiring of the new CEO and the fact this structure provides a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board. However, our Board has no fixed policy with respect to the separation of the offices of the Chairman and CEO. Our Board retains the discretion to make this determination on a case-by-case basis from time to time as it deems in the best interests of the Company and our stockholders at any given time.

Risk Management

Management is responsible for assessing and managing the Company's exposure to various risks. At least annually, the Company goes through its assessment process to identify risk and develop plans to address them. This process is led by the Chief Financial Officer. The Audit Committee has oversight responsibility to review management's risk management process, including the policies and guidelines used by management to identify, assess and manage the Company's exposure to risk. The Chief Financial Officer reports directly to the Audit Committee at least quarterly to provide an update on management's efforts to manage risk. The Audit Committee also has oversight responsibility for financial risks. The Board of Directors has oversight responsibility for all other risks.

Diversity

The Board recognizes the importance of diversity in business experience, education, and professional skills in selecting nominees for director. The Board does not, however, have a formal policy concerning the consideration of diversity.

Audit Committee Report

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under either of such Acts.

The Audit Committee oversees the Company's financial reporting process. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 and the unaudited financial statements included in the Quarterly Reports on Form 10-Q for the first three quarters of the fiscal year ended December 31, 2014.

The Committee discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of audited financial statements with generally accepted accounting principles, the auditors' judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed by the auditors with the Committee under Statement on Auditing Standard No.16, as amended. In addition, the Committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter that the Committee received from the auditors that is required by the PCAOB independence standards. The Committee considered whether the auditors' providing services on behalf of the Company other than audit services is compatible with maintaining the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of the auditors' examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee approved and recommended to the Board inclusion of the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the SEC.

Each executive can earn up to 25% of that executive's salary in the form of a cash bonus. The Compensation Committee determined that 80% of the executive's bonus will be quantitative factors, based on the budget, and the other 20%, which will be based on other factors, will be discretionary. For 2014, the quantitative 80% portion of the plan called for attaining certain revenue goals, and for attaining certain operating profit goals.

Regardless of whether the proposal is approved or defeated, the Board may reconsider its selection of BDO.

The Board of Directors recommends that the shareholders vote FOR ratifying the selection of the certified public accounting firm of BDO USA, LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2015 or until the Board of Directors, in its discretion, replaces them.

ITEM 3. ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are providing our shareholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our "named executive officers". As stated in the Proxy Statement, based on 2014 compensation, our "named executive officers" are Lawrence A. Siebert, former CEO and former President, Javan Esfandiari, Executive VP of R&D, and Sharon Klugewicz, Chief Operating Officer. This proposal, which is often referred to as a "say-on-pay" proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act. The Board of Directors is providing shareholders with the opportunity to cast an advisory vote on the compensation of our "named executive officers." This proposal gives you, as a shareholder, the opportunity to endorse or not endorse executive compensation programs and policies and the compensation paid to our named executive officers as disclosed in this Proxy Statement.

The Compensation Committee's compensation objectives are to attract and retain highly qualified individuals with a demonstrated record of achievement, reward past performance, provide incentives for future performance, and align the interests of the executive officers with the interests of our shareholders. The Board is asking shareholders to support this proposal based on the disclosure set forth in these sections of this Proxy Statement, which, among other things, demonstrates our commitment to ensuring executive compensation is aligned with our corporate strategies and business objectives and competitive with those of other companies in our industry.

The Board is asking shareholders to cast a non-binding, advisory vote "FOR" the compensation paid to our named executive officers as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the compensation tables and accompanying narrative disclosure under the heading "Executive Compensation" included in this Proxy Statement. Accordingly, we are asking our shareholders to approve the following advisory resolution at our 2015 Annual Meeting:

RESOLVED, that the Company's shareholders, hereby approve, on an advisory basis, the compensation paid to the Company's "named executive officers" as set forth pursuant to Item 402 of Regulation S-K, including the compensation tables and accompanying narrative disclosure under the heading "Executive Compensation" all as contained in the Company's 2015 Proxy Statement for the 2015 Annual Meeting of Stockholders.

Although the say-on-pay vote we are asking you to cast is non-binding, and the results of this vote will not require the Board or the Compensation Committee to take any action regarding executive compensation, the Board and the Compensation Committee value the views of our shareholders and carefully will consider the outcome of the vote when determining future compensation arrangements for our named executive officers.

Board Recommendation

The Board of Directors recommends that stockholders vote "FOR" the compensation paid to our named executive officers.

Comments Concerning Advisory Vote on Frequency Of Stockholder Say-On-Pay Voting

In accordance with Section 14A of the Exchange Act, the Board may ask stockholders to cast a non-binding, advisory vote on how frequently we should have stockholder say-on-pay votes. We are required to hold this advisory vote at least once every six years, although our Board can determine to hold such a vote sooner. When that occurs, stockholders may vote to hold say-on-pay votes every one, two or three years. At the 2013 Annual Meeting Of Stockholders, the stockholders voted to have a stockholder say-on-pay vote every year. The Board has determined not to hold an advisory vote on the frequency of stockholder say-on-pay voting this year, and to continue with adherence with the stockholders' vote at the 2013 Annual Meeting Of Stockholders.

ANNUAL REPORT TO SHAREHOLDERS

Included with this Proxy Statement is the Company's Annual Report on Form 10K for the year ended December 31, 2014.

RESOLUTIONS PROPOSED BY INDIVIDUAL STOCKHOLDERS;

Under Rule 14a-8(e) of the Securities Exchange Act of 1934, in order to be considered for inclusion in the Proxy Statement and form of proxy relating to our next annual meeting of stockholders following the end of our 2015 fiscal year, proposals by individual stockholders must be received by us no later than December 30, 2015, which is 120 calendar days prior to April 28, 2016. However, if the date of our next annual meeting of shareholders is changed by more than 30 days from the date of this year's Annual Meeting, then the deadline will be a reasonable time before we begin to print and send our proxy materials for the next annual meeting of shareholders.

In addition, under Rule 14a-4(c)(1) of the Securities Exchange Act, the proxy solicited by the Board of Directors for the next annual meeting of stockholders following the end of our 2015 fiscal year will confer discretionary authority on any stockholder proposal presented at that meeting unless we are provided with notice of that proposal no later than March 14, 2016, which is 45 calendar days prior to April 28, 2016.

OTHER BUSINESS

The Board of Directors is not aware of any other matters that are to be presented at the Annual Meeting, and it has not been advised that any other person will present any other matters for consideration at the meeting. Nevertheless, if other matters should properly come before the Annual Meeting, the shareholders present, or the persons, if any, authorized by a valid proxy to vote on their behalf, shall vote on such matters in accordance with their judgment.
