The Company's revenues for the quarter ended September 30, 2001 are expected to be approximately \$8.7 million, compared to approximately \$4.8 million for the quarter ended September 30, 2000. This increase was primarily due to a greater number of films generating revenue during the third quarter of 2001 compared to the third quarter of 2000. The Company expects to record a net loss of approximately \$720,000 for the quarter ended September 30, 2001, compared to a net loss of

approximately \$165,000 for the quarter ended September 30, 2000. This increase in net loss was primarily due to a decrease in other income resulting from the recognition of a non-recurring capital gain of \$625,000 on the sale of securities during the quarter ended September 30, 2000 and a net increase of \$14,000 in interest expense and other income (expense) during the quarter ended September 30, 2001 compared to the quarter ended September 30, 2000.
