Item 1.01 Entry Into a Material Definitive Agreement

In connection with the initial closing under the Share Exchange Agreement, as described below, we entered into certain loan modification documents with Valens Offshore SPV II, Corp., Valens U.S. SPV I, LLC, Laurus Master Fund, Ltd. (In Liquidation) and LV Administrative Services, Inc., as agent (collectively, the “Lenders”), which have historically provided financing to the Company. Pursuant to the loan modification documents, our outstanding indebtedness to the Lenders was restructured and reduced to an aggregate amount of \$1,250,000. Pursuant to a Secured Term Note, such indebtedness will accrue interest at the rate of 8.00% per year with monthly payments of interest commencing on March 1, 2010. The principal amount of the Secured Term Note is due on February 28, 2013. In addition, Mr. Prepaid, Inc., our newly acquired subsidiary (“Mr. Prepaid”), executed a guaranty of our obligations under the Secured Term Note. Finally, the Company and Mr. Prepaid executed a Master Security Agreement in favor of the Lenders pursuant to which our obligations under the Secured Term Note and Mr. Prepaid’s obligations under the Guaranty are secured by a security interest in all of our assets and all of the assets of Mr. Prepaid.

In addition, on February 24, 2010, we executed a Convertible Promissory Note in the principal amount of \$500,000 in favor of a third party lender (the “Convertible Note”). The principal amount under the Convertible Note will begin to accrue interest on February 28, 2011 at the rate of 3.00% per year with quarterly payments of interest commencing on June 1, 2011. The principal amount of the Convertible Note is due on December 31, 2011. Prior to maturity, the Convertible Note may be converted, at any time at the option of the holder, into shares of our common stock based on an initial conversion rate of \$0.027 per share. The proceeds of the Convertible Note will be used to finance our needs for working capital.

The foregoing is merely a summary of the terms and conditions of the transactions described above and does not purport to be a complete discussion of such transactions. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Secured Term Note, the form of Convertible Note, the Guaranty and the Master Security Agreement attached as Exhibits 4.1, 4.2, 10.1 and 10.2, respectively, to this Current Report and are incorporated by this reference.

Item 2.01 Completion of Acquisition or Disposition of Assets

On February 24, 2010, we consummated the initial closing under a Share Exchange Agreement, dated October 13, 2009, as amended by an Amendment to Share Exchange Agreement, dated January 21, 2010 (collectively, the “Share Exchange Agreement”), by and among the Company, Blackbird Corporation (“Blackbird”), certain of our principal shareholders, certain principal shareholders of Blackbird, and Mr. Prepaid, formerly a wholly-owned subsidiary of Blackbird.

Pursuant to the Share Exchange Agreement, we have acquired from Blackbird all of the issued and outstanding shares of capital stock of Mr. Prepaid in exchange for 10,000,000 shares of our newly-created Series A Convertible Preferred Stock (the “Series A Preferred Stock”). As a result, Mr. Prepaid has become our wholly-owned subsidiary. Mr. Prepaid is in the business of providing prepaid telecommunication and transaction based point of sale activation solutions through approximately 1,000 independent retailers in the Eastern United States. Mr. Prepaid’s product offering includes prepaid wireless PINs for use with various mobile telephone providers.

The Series A Preferred Stock has certain rights and preferences including full voting rights. In addition, the shares of Series A Preferred Stock issued to Blackbird upon the initial closing are convertible into 520,000,000 shares of our common stock. As a result, on an as-converted basis, these 520,000,000 shares of common stock would constitute approximately 80% of our then-issued and outstanding shares of common stock. The conversion of the Series A Preferred Stock issued to Blackbird is subject to our amending our certificate of incorporation to increase the amount of shares of common stock authorized to be issued by the Company to an amount sufficient to permit the conversion of all such shares of Series A Preferred Stock. The description of the rights and preferences of the Series A Preferred Stock is qualified in its entirety by reference to the Certificate of Designations, Rights and Preferences of Series A Convertible Preferred Stock (the “Certificate of Designations”) the full text of which is attached as Exhibit 4.3 to this Current Report and is incorporated by this reference.

Simultaneously with the initial closing, we transferred all of the outstanding capital stock of our former wholly-owned subsidiaries, Telenational Communications, Inc. (“Telenational”) and One Ring Networks, Inc. (“One Ring”), to a third party. In connection with this transfer, the transferee also assumed the balance of the indebtedness due to the Lenders. The transfer of Telenational and One Ring is without recourse or liability to the Company.

As previously disclosed, on the terms and subject to the conditions set forth in the Share Exchange Agreement, at a subsequent closing subject to the satisfaction of certain additional conditions including obtaining consents to transfer certain telecommunications licenses from the Federal Communication Commission and state regulatory authorities, Blackbird will also deliver to the Company all of the issued and outstanding shares of capital stock of all other Blackbird subsidiaries. At such subsequent closing, certain assets necessary to conduct the core business of Telenational will be transferred to a wholly-owned subsidiary of the Company in exchange for the assumption by such transferee of \$1.85 million of indebtedness owed to certain creditors. Such indebtedness will be secured by the Telenational assets.

Item 3.02 Unregistered Sales of Equity Securities

Reference is hereby made to the issuance to Blackbird of 10,000,000 shares of our Series A Preferred Stock pursuant to the Share Exchange Agreement as described in Item 2.01 above. The issuance of the Series A Preferred Stock was made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended, or Regulation D promulgated thereunder.

Item 5.01 Changes in Control of Registrant

Reference is hereby made to the transactions consummated pursuant to the Share Exchange Agreement as described in Item 2.01 above. Pursuant to the Share Exchange Agreement, Blackbird has been issued 10,000,000 shares of our Series A Preferred Stock which represents 80% of the voting capital stock of the Company. In addition, as described in Item 5.02 below, in connection with the Share Exchange Agreement, our board of directors was reconstituted and a new management team was appointed.
