Item 8.01. Other Events

On January 26, 2011, we issued a press release announcing the closing of our previously announced underwritten public offering of 10,000,000 shares of our common stock, par value \$0.001 per share, as well as 1,500,000 additional shares of our common stock pursuant to the full exercise of the over-allotment option granted to the underwriters, at a public offering price of \$3.90 per share. Our total gross proceeds from the offering were \$44.9 million. After underwriting discounts and commissions and estimated offering expenses, we received net proceeds of approximately \$41.9 million.

Our press release, dated January 26, 2011, announcing the completion of the offering is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Statements made in this Current Report on Form 8-K, other than statements of historical fact, are forward-looking statements, including, for example, statements relating to the intended use of the proceeds from the offering. We will continue to need significant additional capital to fund our operations and may be unable to raise capital when needed, which would force us to delay, reduce or eliminate our product candidate development programs or commercialization efforts. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that might cause actual results to differ materially from those expressed or implied by such statements. These and other risk factors are set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009, as amended, and subsequent SEC filings. We disclaim any intention or duty to update any forward-looking statements made in this Current Report on Form 8-K.
