Explanatory Note

This Amendment No. 1 (the “Proxy Statement Amendment”) to the definitive proxy statement on Schedule 14A (the “Proxy Statement”) filed by Insmmed Incorporated (the “Company”) with the Securities and Exchange Commission on April 18, 2011 is being filed to amend and replace Exhibit A to the Proxy Statement to include the full text of the Company’s Amended and Restated 2000 Stock Incentive Plan (the “2000 Plan”) as well as the proposed amendment to the 2000 Plan to increase the authorized number of shares of the Company’s common stock reserved and available for issuance under the 2000 Plan. A summary description of the 2000 Plan as amended by the proposed amendment is provided in the Proxy Statement filed on April 18, 2011 and is qualified in its entirety by the full text of the 2000 Plan attached hereto as Exhibit A. Following the one-for-10 reverse stock split that became effective on March 2, 2011, the administrator of the 2000 Plan adjusted the limits specified in the 2000 Plan and the outstanding awards granted under the 2000 Plan to reflect such reverse stock split. Except as set forth in this Proxy Statement Amendment, the information set forth in the Proxy Statement remains unchanged.

No Option that is intended to be an incentive stock option shall be invalid for failure to qualify as an incentive stock option. The proceeds received by the Company from the sale of shares of Common Stock pursuant to this Plan shall be used for general corporate purposes.

ARTICLE III
ADMINISTRATION

The Plan shall be administered by the Administrator. The Administrator shall have authority to grant Stock Awards, Performance Shares, and Options upon such terms (not inconsistent with the provisions of this Plan), as the Administrator may consider appropriate. Such terms may include conditions (in addition to those contained in this Plan), on the exercisability of all or any part of an Option or on the transferability or forfeitability of a Stock Award or an award of Performance Shares. Notwithstanding any such conditions, the Administrator may, in its discretion, (i) accelerate the time at which any Option may be exercised, or the time at which a Stock Award may become transferable or nonforfeitable, or the time at which an award of Performance Shares may be settled, including without limitation, providing for any of the foregoing upon a Change in Control, or (ii) suspend the forfeiture of any award made under this Plan. In addition, the Administrator shall have complete authority to interpret all provisions of this Plan; to prescribe the form of Agreements; to adopt, amend, and rescind rules and regulations pertaining to the administration of the Plan; and to make all other determinations necessary or advisable for the administration of this Plan. The express grant in the Plan of any specific power to the Administrator shall not be construed as limiting any power or authority of the Administrator. Any decision made, or action taken, by the Administrator or in connection with the administration of this Plan shall be final and conclusive. Neither the Administrator nor any member of the Committee shall be liable for any act done in good faith with respect to this Plan or any Agreement, Option, Stock Award or award of Performance Shares. ARTICLE IV
ELIGIBILITY

Any employee of the Company or an Affiliate, any member of the Board (whether or not such Board member is employed by the Company or an Affiliate), and any other Person who provides services to the Company or an Affiliate is eligible to participate in this Plan if the Administrator, in its sole discretion, determines that such Person has contributed significantly or can be expected to contribute significantly to the profits or growth of the Company or an Affiliate.

ARTICLE V COMMON STOCK SUBJECT TO PLAN

5.01. Common Stock Issued

Upon the award of Common Stock pursuant to a Stock Award or in settlement of a Performance Share award, the Company may issue Common Stock from its authorized but unissued Common Stock. Upon the exercise of any Option or an option granted by an Affiliate of the Company if the Company has assumed the obligations of the Affiliate under those options, the Company may deliver to the Participant (or the Participant's broker if the Participant so directs), shares of Common Stock from its authorized but unissued Common Stock.

5.02. Aggregate Limit

The maximum aggregate number of shares of Common Stock that may be issued under the Plan is 9,250,000, which number represents an increase of 3,000,000 shares of Common Stock over the previously reserved and available number of shares (6,250,000). No more than 9,250,000 shares of Common Stock may be issued in the form of Options that are intended to qualify as incentive stock options. The maximum aggregate number of shares of Common Stock that may be issued under this Plan shall be subject to adjustment as provided in Article IX.

5.03. Reallocation of Shares

If an Option or an option granted by an Affiliate as to which the Company has assumed the Affiliate's obligation to deliver Common Stock is terminated, in whole or in part, for any reason other than its exercise the number of shares allocated to the Option, option, or portion thereof may be reallocated to other Options, Performance Shares, and Stock Awards to be granted under this Plan. If an award of Performance Shares is terminated, in whole or in part, for any reason other than its settlement with shares of Common Stock, the number of shares allocated to the Performance Share award or portion thereof may be reallocated to other Options, Performance Shares and Stock Awards to be granted under this Plan. If a Stock Award is forfeited, in whole or in part, for any reason, the number of shares of Common Stock allocated to the Stock Award or portion thereof may be reallocated to other Options, Performance Shares, and Stock Awards to be granted under this Plan. In addition, the shares of Common Stock underlying any Option, Performance Share or Stock Award that are held back upon exercise of an Option or settlement of a Performance Share or Stock Award to cover the exercise price or tax withholding, reacquired by the Company prior to vesting or satisfied without the issuance of Common Stock shall be added back to the shares of Common Stock available for issuance under the Plan.

ARTICLE VI OPTIONS

6.01. Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom an Option is to be granted and will specify the number of shares of Common Stock covered by such awards; provided, however, that no Participant may be granted Options in any calendar year covering more than 750,000 shares of Common

Stock.

6.02. Option Price

The price per share for shares of Common Stock purchased on the exercise of an Option shall be determined by the Administrator on the date of grant, but shall not be less than the Fair Market Value on the date the Option is granted.

6.03. Maximum Option Period

The maximum period in which an Option may be exercised shall be determined by the Administrator on the date of grant, except that no Option that is an incentive stock option shall be exercisable after the expiration of ten years from the date such Option was granted. The terms of any Option that is an incentive stock option may provide that it is exercisable for a period less than such maximum period.

6.04. Nontransferability

Except as provided in Section 6.05, each Option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any transfer of an Option (by the Participant or his transferee), the Option must be transferred to the same person or persons or entity or entities. Except as provided in Section 6.05, during the lifetime of the Participant to whom the Option is granted, the Option may be exercised only by the Participant. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

6.05. Transferable Options

Section 6.04 to the contrary notwithstanding, if the Agreement provides, an Option that is not an incentive stock option may be transferred by a Participant to the Participant's immediate "family members," trusts for the benefit of such persons, or to a partnership in which those persons are the only partners. The holder of an Option transferred pursuant to this Section shall be bound by the same terms and conditions that governed the Option during the period that it was held by the Participant; provided, however, that such transferee may not transfer the Option except by will or the laws of descent and distribution. For purposes hereof, "family member" shall mean a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant of the Participant), a trust in which these persons (or the Participant) have more than 50 percent of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than 50 percent of the voting interests.

6.06. Status as Employee or Service Provider

For purposes of determining the applicability of Section 422 of the Code (relating to incentive stock options), or in the event that the terms of any Option provide that it may be exercised only during employment or service or within a specified period of time after termination of employment or service, the Administrator may decide to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

6.07. Exercise

Subject to the provisions of this Plan and the applicable Agreement, an Option may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Administrator shall determine; provided, however, that incentive stock options (granted under the Plan and all plans of the Company and

its Affiliates) may not be first exercisable in a calendar year for shares of Common Stock having a Fair Market Value (determined as of the date an Option is granted) exceeding \$100,000. An Option granted under this Plan may be exercised with respect to any number of whole shares less than the full number for which the Option could be exercised. A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan and the applicable Agreement with respect to the remaining shares subject to the Option.

6.08. Payment

Subject to rules established by the Administrator and unless otherwise provided in an Agreement, payment of all or part of the Option price may be made in cash (including cash paid by a broker pursuant to a Participant's instructions to sell shares subject to the Option and deliver the exercise price), a cash equivalent acceptable to the Administrator, or with shares of Common Stock. If shares of Common Stock are used to pay all or part of the Option price, the sum of the cash and cash equivalent and the Fair Market Value (determined as of the day preceding the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised.

6.09. Shareholder Rights

No Participant shall have any rights as a shareholder with respect to shares subject to his Option until the date of exercise of such Option.

6.10. Disposition of Shares

A Participant shall notify the Company of any sale or other disposition of shares acquired pursuant to an Option that was an incentive stock option if such sale or disposition occurs (i) within two years of the grant of an Option or (ii) within one year of the issuance of shares to the Participant. Such notice shall be in writing and directed to the Secretary of the Company.

ARTICLE VII PERFORMANCE SHARE AWARDS

7.01. Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom an award of Performance Shares is to be made and will specify the number of shares covered by such awards; provided, however, that no Participant may receive an award of Performance Shares in any calendar year for more than 125,000 shares of Common Stock.

7.02. Earning the Award

The Administrator, on the date of the grant of an award, shall prescribe that the Performance Shares, or portion thereof, will be earned, and the Participant will be entitled to receive payment pursuant to the award of Performance Shares, only upon the satisfaction by the Company, an Affiliate or the Participant of performance objectives and such other criteria as may be prescribed by the Administrator for the performance measurement period. The performance objectives may be based on Fair Market Value, Common Stock price appreciation, gross revenues, operating profit, or net earnings before or after taxes, return on equity, earnings per share, total earnings, earnings growth, return on capital, return on assets, return on sales, cash flow per share, book value per share, market share, economic value added, market value added, productivity, level of expenses, new product development, peer group comparisons of any of the foregoing, or other measures as the Administrator may select. No payments will be made with respect to Performance Shares unless, and then only to the extent that, the Administrator certifies that such objectives have been

achieved.

7.03. Payment

In the discretion of the Administrator, the amount payable when an award of Performance Shares is earned may be settled in cash, by the issuance of shares of Common Stock, or a combination thereof.

7.04. Shareholder Rights

No Participant shall, as a result of receiving an award of Performance Shares, have any rights as a shareholder until (and then only to the extent that) the award of Performance Shares is earned and settled in shares of Common Stock. After an award of Performance Shares is earned and settled in shares, a Participant will have all the rights of a shareholder as described in Section 8.05.

7.05. Nontransferability

Except as provided in Section 7.06, Performance Shares granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. No right or interest of a Participant in any Performance Shares shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

7.06. Status as Employee or Service Provider

In the event that the terms of any Performance Share award provide that no payment will be made unless the Participant completes a stated period of employment or service, the Administrator may decide to what extent leaves of absence for government or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

ARTICLE VIII STOCK AWARDS

8.01. Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom a Stock Award is to be made and will specify the number of shares covered by such awards; provided, however, that no Participant may receive Stock Awards in any calendar year for more than 125,000 shares.

8.02. Vesting

The Administrator, on the date of the award, may prescribe that a Participant's rights in a Stock Award shall be forfeitable or otherwise restricted for a period of time or subject to such conditions as may be set forth in the Agreement.

8.03. Performance Objectives

In accordance with Section 8.02, the Administrator may prescribe that Stock Awards will become vested or transferable or both based on objectives stated with respect to the Participant's continued employment or service with the Company or an Affiliate for a specified period, or the Company's, an Affiliate's, or the Participant's achievement of performance related objectives such as those measured by Fair Market Value, Common Stock stock price appreciation, gross, operating, or net earnings before or after taxes, return on equity, earnings per share, total earnings, earnings growth, return on capital, return on assets, return on sales, cash flow per share, book value per share, market

share, economic value added, market value added, productivity, level of expenses, new product development, peer group comparisons of any of the foregoing, or other measures the Administrator may select. If the Administrator, on the date of award, prescribes that a Stock Award shall become nonforfeitable and transferable only upon the attainment of performance objectives, the shares subject to such Stock Award shall become nonforfeitable and transferable only to the extent that the Administrator certifies that such objectives have been achieved.

8.04. Status as Employee or Service Provider

In the event that the terms of any Stock Award provide that shares may become transferable and nonforfeitable thereunder only after completion of a specified period of employment or service, the Administrator may decide in each case to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

8.05. Shareholder Rights

Prior to their forfeiture (in accordance with the applicable Agreement and while the shares of Common Stock granted pursuant to the Stock Award may be forfeited or are nontransferable), a Participant will have all rights of a shareholder with respect to a Stock Award, including the right to receive dividends and vote the shares; provided, however, that during such period (i) a Participant may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of shares granted pursuant to a Stock Award, (ii) the Company shall retain custody of the certificates evidencing shares granted pursuant to a Stock Award, and (iii) the Participant will deliver to the Company a stock power, endorsed in blank, with respect to each Stock Award. The limitations set forth in the preceding sentence shall not apply after the shares granted under the Stock Award are transferable and are no longer forfeitable.

ARTICLE IX ADJUSTMENT UPON CHANGE IN COMMON STOCK

The maximum number of shares as to which Options, Performance Shares, and Stock Awards may be granted pursuant to this Plan; the terms of outstanding Stock Awards, Options, and Performance Shares; and the per individual limitations on the number of shares of Common Stock for which Options, Performance Shares, and Stock Awards may be granted shall be adjusted as the Committee shall determine to be equitably required in the event that (i) the Company (a) effects one or more stock dividends, stock split-ups, subdivisions or consolidations of shares or (b) engages in a transaction to which Section 424 of the Code applies or, (ii) there occurs any other event which, in the judgment of the Committee necessitates such action. Any determination made under this Article IX by the Committee shall be final and conclusive.

The issuance by the Company of stock of any class, or securities convertible into stock of any class, for cash or property, or for labor or services, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of stock or obligations of the Company convertible into such stock or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the maximum number of shares as to which Options, Performance Shares, and Stock Awards may be granted; the per individual limitations on the number of shares for which Options, Performance Shares, and Stock Awards may be granted; or the terms of outstanding Stock Awards, Options, or Performance Shares.

The Board or Committee may make Stock Awards and may grant Options and Performance Shares in substitution for performance shares, phantom shares, stock awards, stock options, stock appreciation rights, or similar awards held by an individual who becomes an employee or service provider of the Company or an Affiliate in connection with a transaction described in the first paragraph of this Article IX. Notwithstanding any provision of the Plan, the terms of such substituted Stock Awards, Options or Performance Shares shall be as the Board or Committee, in its discretion, determines is appropriate. Any substituted Stock Awards, Options or Performance Shares granted under the Plan shall

not count against the share limitation set forth in Section 5.02.

ARTICLE X
COMPLIANCE WITH LAW AND APPROVAL OF
REGULATORY BODIES

No Option shall be exercisable, no shares of Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Company is a party, and the rules of all domestic stock exchanges on which the Company's shares may be listed. The Company shall have the right to rely on an opinion of its counsel as to such compliance. Any stock certificate issued to evidence shares of Common Stock when a Stock Award is granted, Performance Share is settled or for which an Option is exercised may bear such legends and statements as the Administrator may deem advisable to assure compliance with federal and state laws and regulations. No Option shall be exercisable, no Stock Award or Performance Share shall be granted, no shares of Common Stock shall be issued, no certificate for shares of Common Stock shall be delivered, and no payment shall be made under this Plan until the Company has obtained such consent or approval as the Administrator may deem advisable from regulatory bodies having jurisdiction over such matters.

ARTICLE XI
MERGERS AND OTHER TRANSACTIONS

Upon the consummation of an Acquisition, the Board may, on the same basis or on different basis as the Board shall specify, upon written notice to the affected optionees, provide that one or more Options then outstanding must be exercised, in whole or in part, within a specified number of days of the date of such notice, at the end of which period such Options shall terminate, or provide that one or more Options then outstanding, in whole or in part, shall be terminated in exchange for a cash payment equal to the excess of the fair market value (as determined by the Board in its sole discretion) for the shares subject to such Options over the exercise price thereof; provided, however, that before terminating any portion of an Option that is not vested or exercisable (other than in exchange for a cash payment), the Board must first accelerate in full the exercisability of the portion that is to be terminated.

For purposes hereof, an "Acquisition" means (i) the sale of the Company by merger in which the shareholders of the Company in their capacity as such no longer own a majority of the outstanding equity securities of the Company (or its successor); or (ii) any sale of all or substantially all of the assets or capital stock of the Company (other than a spin-off or similar transaction); or (iii) any other acquisition of the business of the Company, as determined by the Board.

ARTICLE XII
ADDITIONAL CONDITIONS APPLICABLE TO
NONQUALIFIED DEFERRED COMPENSATION
UNDER SECTION 409A OF THE CODE

In the event any Stock Option or Stock Award under the Plan is granted with an exercise price of less than 100% of the Fair Market Value on the date of grant (regardless of whether or not such exercise price is intentionally or unintentionally priced at less than Fair Market Value), or such grant is materially modified and deemed a new grant at a time when the Fair Market Value exceeds the exercise price, or any other award granted under the Plan is otherwise determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code (a "409A Award"), the following additional conditions shall apply and shall supersede any contrary provisions of this Plan

or the terms of any agreement relating to such 409A Award.

12.01 Exercise and Distribution

Except as provided in Section 12.02 hereof, no 409A Award shall be exercisable or distributable earlier than upon one of the following:

- (ii) Separation from Service. Separation from service (within the meaning of Section 409A of the Code (“Section 409A”)) by the 409A Award recipient; provided however, if the 409A Award recipient is a “key employee” (as defined in Section 416(i) of the Code without regard to paragraph (5) thereof) and any of the Company’s Stock is publicly traded on an established securities market or otherwise, exercise or distribution under this Section may not be made before the date that is six months after the date of separation from service.
- (iii) Death. The date of death of the 409A Award recipient.
- (iv) Disability. The date the 409A Award recipient becomes disabled (within the meaning of Section 12.03(ii) hereof).
- (v) Unforeseeable Emergency. The occurrence of an unforeseeable emergency (within the meaning of Section 12.03(iii) hereof), but only if the net value (after payment of the exercise price) of the number of shares of Stock that become issuable does not exceed the amounts necessary to satisfy such emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the exercise, after taking into account the extent to which the emergency is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the participant’s other assets (to the extent such liquidation would not itself cause severe financial hardship).
- (vi) Change in Control Event.
