This Schedule 13D is being filed pursuant to Reg. Section 13d-1(f) to report certain changes occurring after December 31, 2002, the date of the reporting person's most recent amendment on Schedule 13G with the Securities and Exchange Commission (the "Commission"), which caused the reporting person's beneficial holdings in the Issuer's securities to equal or exceed 20% of the class of equity securities.

Item 1. Security and Issuer

This statement relates to the common stock, \$.01 par value (the "Common Stock") of UFP Technologies, Inc., a Delaware corporation (the "Issuer"). The principal executive offices of the Issuer are located at 172 East Main Street, Georgetown, Massachusetts 01833.

Item 2. Identity and Background

This statement is being filed by R. Jeffrey Bailly ("Bailly"), whose business address is 172 East Main Street, Georgetown, Massachusetts 01833. Bailly is the President and Chief Executive Officer, and a director of the Issuer. Bailly has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors); and Bailly has not, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws. Bailly is a citizen of the United States.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate amount of funds used in making all of the purchases by Bailly was \$615,062. This amount includes \$530,143 attributable to shares issued to Bailly as additional compensation or in lieu of bonus compensation, valuing such shares at the fair market value (based on the prior trading day's closing price) of the shares on the date of issuance.

Item 4. Purpose of Transaction

The purpose of Bailly's acquisitions of Common Stock have been to obtain a favorable return on his investment. Bailly may, from time to time purchase additional shares of Common Stock in open market transactions as market conditions may, from time to time, warrant.

Under his compensation arrangement with the Issuer, Bailly will be issued an additional 15,000 shares of Common Stock of the Issuer on January 1, 2004 provided he remains employed by the Issuer through such date.
