ITEM 5. OTHER INFORMATION

Effective after the close of business on September 30, 2003, the Registrant established a \$30 million revolving line of credit facility with Wachovia Bank, National Association and SunTrust Bank, replacing the Registrant's previously existing \$30 million revolving line of credit facility with another lender. A copy of the Credit Agreement, which evidences this credit facility, is attached to this Current Report as Exhibit 4.1, and is incorporated by reference herein.

Subject to the terms and conditions of the Credit Agreement, Wachovia Bank, National Association and SunTrust Bank have agreed to make loans to the Registrant and its primary operating subsidiaries, from time to time, on a revolving credit basis, with the aggregate borrowing availability, up to \$30 million, to be determined with reference to a borrowing base and required financial covenants. The credit facility is unsecured, and interest is payable monthly at the LIBOR rate, plus an applicable margin, which ranges from 1½% to 2%, depending upon the Registrant's ratio of funded debt to EBITDA. The covenants include a minimum tangible net worth covenant, a minimum cash flow coverage ratio, a maximum ratio of total liabilities to tangible net worth, and a maximum ratio of funded debt to EBITDA. The credit facility expires in September 2006, and the lenders may agree to extend the term for a longer period.
