ANZ appoints Steven Heavey to lead new mortgage franchising business

ANZ today announced the appointment of Mr Steven Heavey as Head of ANZ Mortgage Solutions, a new initiative to develop a mortgage franchise network within ANZ's specialist Mortgages business.

ANZ will initially focus on establishing 15 franchises in Melbourne, Sydney and Queensland by 1 July, with the view of rolling out 175 franchises nationally. Franchisees will sell ANZ mortgage products exclusively, operating within a defined geographic area. They will primarily generate new customers from their own referral networks and be supported by the ANZ Home Buyer's Line enquiries. ANZ will provide franchisees with a complete business system including training, technology, marketing and business support.

Mr Heavey will have overall responsibility for the new franchise distribution channel, reporting to ANZ Managing Director Mortgages, Mr Chris Cooper. Steven joins ANZ from Mortgage Choice where he was responsible for managing lender partnerships and the franchise distribution chain. In addition, Ms Carmel Dal Ponte has been appointed National Franchise Business Development Manager reporting to Steven. Ms Dal Ponte joins ANZ from RAMS.

Mr Cooper said: "ANZ Mortgage Solutions is a unique approach to developing a specialist mobile mortgages sales network that gives ANZ a 24-hour, 7 day-a-week customer service proposition.

The initiative is targeted at non-ANZ mortgage customers. Each franchisee will operate as a small business owner, leveraging ANZ's brand and award-winning mortgage products to introduce new lending business we would not normally see.

Steven has an outstanding record in mortgage franchising and proven business development experience which makes him ideally suited to leading the ANZ Mortgage Solutions initiative.

We received a strong response to our advertisements in February seeking expressions of interest from potential franchisees. The appointment and accreditation process for our initial franchisees is now well underway and we expect them to be operational early in July, Mr Cooper said.

Following the initial roll-out in Melbourne, Sydney and Queensland, ANZ will increase the franchise network nationally during the next year.

ANZ formalises Panin Bank stake

ANZ today formalised its 29% economic interest in PT Panin Bank, Indonesia's ninth largest private commercial bank, by exercising the remaining options held by ANZ.

The options were issued in 1998 and 1999 as part of a strategic alliance between ANZ and Panin Bank which has also involved ANZ providing technical services support to Panin Bank in a number of areas, including human resources and information technology. The alliance built on the 1993 joint venture, PT ANZ Panin Bank, which is 85% owned by ANZ.

ANZ Group Managing Director Strategic Development Mr Peter Hawkins said Panin Bank was well capitalised, performing strongly and positioned to take advantage of the improving Indonesian economy.

We have been working with Panin Bank for over a decade now. This includes five years as a strategic partner, working closely with Panin to enhance the bank's value, Mr Hawkins said.

The exercise of the options increases ANZ's formal shareholding from 11% and their exercise has not involved further consideration from ANZ. There will be no impact on ANZ's financial statements, as the basis of accounting for the Panin investment will not change.
